

Francesca's Holdings Corporation
Audit Committee Charter

STATUS

The Audit Committee (the "*Committee*") is a committee of the Board of Directors (the "*Board*") of Francesca's Holdings Corporation, a Delaware corporation (the "*Company*").

PURPOSE

The Committee is appointed by the Board for the primary purposes of:

- Assisting the Board in fulfilling its oversight responsibilities as they relate to the Company's accounting policies and internal controls, financial reporting practices and legal and regulatory compliance, including, among other things:
 - Monitoring the integrity of the corporate accounting and financial reporting processes and financial information that will be provided to shareholders and others;
 - reviewing the Company's compliance with certain legal and regulatory requirements;
 - evaluating and ensuring the independent auditors' qualifications and independence; and
 - monitoring the performance of the Company's internal audit function and the Company's independent auditors as well as any other public accounting firm engaged to perform other audit, review or attest services;
- Maintaining, through regularly scheduled meetings, a line of communication between the Board and the Company's financial management, internal auditors and independent auditors; and
- Preparing the report to be included in the Company's annual proxy statement, as required by the Securities and Exchange Commission's ("*SEC*") rules.

While the Committee has the duties and responsibilities set forth in this Charter, the role of the Committee is oversight. The Committee is not responsible for planning or conducting the audit or determining whether the Company's financial statements are complete and accurate and in accordance with applicable accounting rules. Such activities are the responsibility of management and the Company's independent auditors. The Committee and its members are not preparers, auditors, or certifiers of the Company's financial statements or guarantors of the Company's independent auditors' reports. It is not the duty or responsibility of the Committee to ensure that the Company complies with all laws and regulations. The Committee and each of its members shall be entitled to rely on (a) the integrity of those persons and organizations within and outside of the Company from which it receives information, (b) the accuracy of the financial and other information provided to the Committee by such persons or organizations absent actual knowledge to the contrary (which knowledge shall be promptly reported to the Board), and (c) representations made by management as to any audit and non-audit services provided by the independent auditors to the Company.

COMPOSITION AND QUALIFICATIONS

The Committee shall be appointed by the Board and shall be comprised of three or more Directors (as determined from time to time by the Board), each of whom shall, in the absence of an applicable exemption, meet the ‘independence’ requirements of the Sarbanes-Oxley Act of 2002 (the “Act”), the Nasdaq Stock Market LLC (“NASDAQ”), and all other applicable laws and regulations in effect from time to time (subject to any exceptions allowed by such rules and any waivers granted by such authorities). Each member of the Committee must be able to read and understand fundamental financial statements, including the Company’s balance sheet, income statement and cash flow statement, and at least one member of the Committee shall be an “audit committee financial expert” determined by the Board pursuant to the rules promulgated by the SEC. Additionally, no member of the Committee shall have participated in the preparation of the financial statements of the Company in the past three years.

A Committee member invited to sit on another public company’s audit committee must notify the Board. The Board must determine whether or not the Committee member’s service on another public company’s audit committee impairs the director’s ability to serve on the Company’s Committee. Committee members should be on no more than three public company audit committees; however, the Board may waive this limit in accordance with the applicable rules of NASDAQ.
