### **About Energy Focus, Inc.**

Energy Focus is an industry-leading innovator of energy-efficient LED lighting technology. As the creator of the only 100% flicker-free LED products available, our lighting solutions provide significant and measurable benefits over conventional and fluorescent lighting, including extensive energy savings, safety and health benefits, and improved aesthetics.

As a long-standing partner with the U.S. government, Energy Focus has a proud history delivering energy-efficient LED products to the U.S. Navy. Every unit we ship is subject to rigorous testing in the most adverse conditions possible, ensuring unparalleled quality and reliability. Our family of customers and partners include national, state and local U.S. government agencies as well as Fortune 500 companies across education, healthcare, retail and manufacturing industries. Energy Focus is headquartered in Solon, Ohio, and has additional offices in Washington, D.C., New York, Minneapolis and Taiwan.
