North Alabama MLS Selects Dotloop As Participant Benefit

CINCINNATI, Aug. 1, 2017 /PRNewswire/ -- Dotloop, a leading platform for simplifying the real estate buying and selling process, today announced an agreement with North Alabama MLS (NALMLS) to bring dotloop's services to its 2,800 participants throughout Alabama.

Dotloop's services cover the full real estate transaction with form creation, e-signatures, collaboration, compliance, and storage, all while providing business insights to brokers and team leaders. As part of the agreement, North Alabama MLS agents will receive access to an electronic library of forms from the North Alabama MLS, as well as access to [dotloop® Premium](#), which includes unlimited loops and other key features.

"We are excited to welcome back the North Alabama MLS to the dotloop family," said Austin Allison, founder and general manager of dotloop. "The North Alabama MLS provides its members with the greatest tools and resources to get deals done easier and faster. We are excited to partner with the organization and its participants."

"Dotloop provides a comprehensive real estate transaction system that exceeds the needs of today's real estate professional. Our participants are excited to engage them to manage transactions," said Josh McFall, CEO, North Alabama MLS. "We are thrilled to once again partner with dotloop so our members have the best technology available."
