## Premier Sotheby's International Realty Selects Dotloop to Power Transaction Management for its 1,100 Agents

CINCINNATI, Aug. 3, 2017 /PRNewswire/ -- Dotloop®, a leading platform for simplifying the real estate buying and selling process, today announced an agreement with Premier Sotheby's International Realty to bring dotloop's services to its more than 1,100 agents across 31 offices in Florida and North Carolina. Premier Sotheby's International Realty is the second largest Sotheby's affiliate in the U.S. by sales volume.

Dotloop's services cover the full real estate transaction with form creation, e-signatures, collaboration, compliance, and storage, all while providing business insights to brokers and team leaders. As part of the agreement, Premier Sotheby's International Realty agents and brokers have access to dotloop® Business+, which increases agent productivity and creates a more intuitive, efficient review process for the brokerage's compliance team.

"We have long admired Premier Sotheby's International Realty as a leading real estate brand that recognizes the importance of technology in improving the transaction experience," said Austin Allison, founder and general manager of dotloop. "Through our new alliance, we will provide Premier Sotheby's International Realty agents with extensive tools and services to help them get deals done more effectively and efficiently. We are excited to work with such a well-respected organization."

"One of our key objectives is ensuring that our people have the best technology available to do their jobs and create a superior experience for our customers," said Budge Huskey, president, Premier Sotheby's International Realty. "When we looked at who could help us go paperless and provide the most user-friendly software, dotloop emerged at the top of the list. We look forward to a successful relationship."
