About PDL BioPharma

PDL seeks to optimize its return on investments so as to provide a significant return for its shareholders by acquiring and managing a portfolio of companies, products, royalty agreements and debt facilities in the biotech, pharmaceutical and medical device industries. In late 2012, PDL began providing alternative sources of capital through royalty monetizations and debt facilities and in 2016, began making equity investments in commercial stage companies, the first being Noden Pharma DAC. PDL has committed over \$1.4 billion and funded approximately \$1.1 billion in these investments to date.

PDL was formerly known as Protein Design Labs, Inc. and changed its name to PDL BioPharma, Inc. in 2006. PDL was founded in 1986 and is headquartered in Incline Village, Nevada. PDL pioneered the humanization of monoclonal antibodies and, by doing so, enabled the discovery of a new generation of targeted treatments for cancer and immunologic diseases for which it has received significant royalty revenue.
