Item 1.01 Entry into a Material Definitive Agreement.

On July 11, 2017, ABM Industries Incorporated (“ABM”) entered into an Agreement and Plan of Merger (the “Merger Agreement”) with Grade Sub One, Inc., a wholly owned subsidiary of ABM (“Merger Sub One”), Grade Sub Two, LLC, a wholly owned subsidiary of ABM (“Merger Sub Two”), GCA Holding Corp. (“GCA”) and the Securityholder Representative referred to therein.

Pursuant to the terms and subject to the conditions set forth in the Merger Agreement and as previously announced, ABM will acquire GCA from affiliates of Thomas H. Lee Partners, L.P. and Goldman Sachs Merchant Banking Division and the other GCA shareholders through a merger of Merger Sub One with and into GCA (the “First Merger”), with GCA continuing as the surviving corporation and a wholly owned subsidiary of ABM, followed by a merger of the surviving corporation with and into Merger Sub Two (the “Second Merger,” and, together with the First Merger, the “Mergers”), with Merger Sub Two continuing as the surviving limited liability company and a wholly owned subsidiary of ABM.

Under the terms of the Merger Agreement, ABM will acquire GCA for \$851 million in cash and approximately 9.5 million shares of ABM common stock. The cash consideration is subject to customary adjustments for working capital and net debt.

Following the closing of the First Merger, affiliates of Thomas H. Lee Partners, L.P. and Goldman Sachs Merchant Banking Division will own, in the aggregate, approximately 14% of ABM’s outstanding shares and will enter into a shareholders agreement with the Company providing for, among other things, customary standstill and voting obligations, transfer restrictions and registration rights.

ABM executed a commitment letter, dated July 11, 2017, with JPMorgan Chase Bank, N.A. and BofA Merrill Lynch that provides for a four-month commitment, for up to \$1.6 billion of financing. ABM plans to fund the cash portion of the purchase price and transaction expenses via its amended revolving credit facility, in addition to a five-year amortizing term loan.

Each of ABM’s and GCA’s board of directors has approved the Merger Agreement and the transactions contemplated thereby, including the Mergers, and the Merger Agreement has also been approved and adopted by the requisite shareholders of GCA. The parties’ obligations to consummate the Mergers are subject to customary closing conditions, including, among others, conditions relating to the expiration or termination of the applicable antitrust waiting period under the Hart-Scott-Rodino Antitrust Improvements Act of 1976.

The parties to the Merger Agreement have each made customary representations, warranties and covenants in the Merger Agreement, including, among others, GCA’s agreement to conduct its business in the ordinary course of business consistent with past practice between the date of the Merger Agreement and the closing, and the parties’ agreement to use reasonable best efforts to consummate the transactions. ABM has agreed to comply with all restrictions and conditions required by any governmental entity with respect to antitrust laws.

The Merger Agreement contains certain termination rights of the parties, including if (1) the closing has not occurred on or prior to November 7, 2017 and (2) the other party has breached its representations, warranties or covenants, subject to customary materiality qualifications and the ability to cure.

The foregoing description of the Merger Agreement and the transactions contemplated thereby does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, a copy of which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

The Merger Agreement has been included in this report to provide investors with information regarding its terms and conditions. It is not intended to provide any other factual information about ABM, Merger Sub One, Merger Sub Two or GCA or any of their respective subsidiaries. The representations, warranties and covenants contained in the Merger Agreement were made only for purposes of that agreement and as of specific dates, were solely for the benefit of the parties to the Merger Agreement, may be subject to limitations agreed upon by the contracting parties,

including being qualified by confidential disclosures made for the purposes of allocating contractual risk between the parties to the Merger Agreement instead of establishing these matters as facts, and may be subject to standards of materiality applicable to the contracting parties that differ from those applicable to investors. Investors are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or condition of ABM, Merger Sub One, Merger Sub Two or GCA or any of their respective subsidiaries or affiliates. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Merger Agreement, which subsequent information may or may not be fully reflected in ABM's public disclosures.

Item 3.02 Unregistered Sales of Equity Securities.

The information regarding the issuance of shares of ABM common stock set forth in Item 1.01 above is incorporated herein by reference.

The issuance and sale of the shares of ABM common stock will be exempt from registration under Section 4(a)(2) of the Securities Act because the transaction does not involve a public offering. The shares of ABM common stock to be issued will be restricted securities for purposes of Rule 144 and subject to certain requirements before sale, including holding period requirements. ABM has not engaged in general solicitation or advertising with regard to the issuance and sale of the ABM common stock to be issued in the First Merger. The certificates representing the shares of common stock to be issued in the Mergers will contain a legend to the effect that such shares are not registered under the Securities Act and may not be transferred except pursuant to a registration statement which has become effective under the Securities Act or pursuant to an exemption from such registration.

THE MERGERS

2.01 The Mergers

(a) Upon the terms and subject to the conditions set forth in this Agreement and in accordance with the DGCL, Merger Sub One shall be merged with and into the Company at the Effective Time. Following the effective time of the Initial Merger, the separate corporate existence of Merger Sub One shall cease, and the Company shall continue as the surviving corporation in the Initial Merger, and shall succeed to and assume all the rights and obligations of Merger Sub One in accordance with the DGCL.

(b) Upon the terms and subject to the conditions set forth in this Agreement and in accordance with the DGCL and the DLLCA, immediately following the Effective Time, and as part of the same plan of reorganization, Parent shall cause the Company to be merged with and into Merger Sub Two. Following the Follow-On Merger, Merger Sub Two shall continue as the Surviving Company and the separate corporate existence of the Company shall cease.

2.02 Closing. The closing of the Transactions (the “**Closing**”) shall take place at the offices of Kirkland & Ellis LLP, located at 300 North LaSalle Street, Chicago, Illinois 60654, at 10:00 a.m. Central Time, on the third (3rd) Business Day after the day on which the

conditions precedent set forth in Article VII (other than those conditions that by their nature are to be satisfied at the Closing, but subject to the satisfaction or waiver, to the extent permitted by applicable Law, of those conditions at such time) are satisfied or waived in accordance with this Agreement, or at such other place and time or on such other date as the parties hereto may mutually agree in writing; provided, however, that in no event will Parent or the Merger Subs be required to consummate the Transactions prior to August 31, 2017. The date on which the Closing occurs is referred to in this Agreement as the “**Closing Date**.”

2.03 Effective Time. Contemporaneously with the Closing, the Company and Merger Sub One shall duly execute and file a certificate of merger (the “**Initial Certificate of Merger**”) in accordance with the applicable provisions of the DGCL. The Initial Merger shall become effective at such time as the Initial Certificate of Merger is duly filed with the Office of the Secretary of the State of the State of Delaware, unless Parent and the Company otherwise agree and specify a subsequent date or time in the Initial Certificate of Merger, in which case the Initial Merger shall become effective at such subsequent date or time (the time the Initial Merger becomes effective being the “**Effective Time**”). Immediately following the Effective Time, the Company and Merger Sub Two shall duly execute and file a certificate of merger (the “**Follow-On Certificate of Merger**”) in accordance with the applicable provisions of the DGCL and DLLCA. The Follow-On Merger shall become effective at such time as the Follow-On Certificate of Merger is duly filed with the Office of the Secretary of the State of the State of Delaware, unless Parent and the Company otherwise agree and specify a subsequent date or time in the Follow-On Certificate of Merger, in which case the Follow-On Certificate of Merger shall become effective at such subsequent date or time.

2.04 Effects of the Mergers. The effects of the Mergers shall be as provided in this Agreement, the Initial Certificate of Merger and the Follow-On Certificate of Merger, as applicable, the DGCL and the DLLCA.

2.05 Certificate of Incorporation and Bylaws. Effective upon the Effective Time, the certificate of incorporation of the Company shall be amended and restated in a form designated by Parent prior to the Closing and as so amended shall be the certificate of incorporation of the surviving corporation in the Initial Merger as of the Effective Time, until amended in accordance with applicable Law, and the bylaws of Merger Sub One, as in effect immediately prior to the Effective Time, shall be the bylaws of the surviving corporation in the Initial Merger as of the Effective Time. The certificate of formation of Merger Sub Two in effect immediately prior to the effective time of the Follow-On Merger shall be the certificate of formation of the Surviving Company, and the limited liability company agreement of Merger Sub Two in effect immediately prior to the effective time of the Follow-On Merger shall be the limited liability company agreement of the Surviving Company.

2.06 Directors, Officers and Managers. From and after the Effective Time, the directors and officers of Merger Sub One immediately prior to the Initial Merger shall be the directors and officers of the surviving company in the Initial Merger, until their successors and assigns shall have been duly elected, appointed or qualified or until their earlier death, resignation or removal in accordance with the certificate of incorporation or bylaws of Merger Sub One, applicable Law and this Agreement. The managers of Merger Sub Two immediately prior to the effective time of the Follow-On Merger shall be the initial managers of the Surviving

Company until their successors shall have been duly elected, appointed or qualified or until their earlier death, resignation or removal in accordance with the limited liability company agreement of the Surviving Company and applicable Law.

2.07 Plan of Reorganization. The parties intend that, for U.S. federal income tax purposes, the Mergers, taken together, will constitute integrated steps in a single “plan of reorganization” within the meaning of Treasury Regulations Sections 1.368-2(g) and 1.368-3, which plan of reorganization the parties adopt by executing this Agreement.

ARTICLE III

EFFECT OF THE MERGER

3.01 Effect of the Mergers on Capital Stock and Company Options.

(a) At the Effective Time, by virtue of the Initial Merger and without any action on the part of the holder of any shares of Company Common Stock or any shares of capital stock of Merger Sub One:

(i) Each issued and outstanding share of common stock, par value \$0.01 per share, of Merger Sub One shall automatically be converted into and become one validly issued, fully paid and nonassessable share of common stock, par value \$0.01 per share, of the surviving corporation in the Initial Merger.

(ii) Each share of Company Common Stock that is owned by (A) the Company or (B) any of Parent or Merger Sub One (or any of Parent’s or Merger Sub One’s respective Affiliates) shall automatically be canceled and retired and shall cease to exist, and no consideration shall be delivered in exchange therefor.

(iii) Each issued and outstanding share of Company Common Stock (other than (A) shares of Company Common Stock to be cancelled in accordance with Section 3.01(a)(ii) and (B) the Appraisal Shares (such shares identified in the immediately preceding clauses (A) and (B), the “**Specified Shares**”), shall be converted into, and shall thereafter represent the right of the holder thereof to receive, subject to Section 3.02(a), the Per Share Common Stock Merger Consideration. At the Effective Time, all shares of Company Common Stock issued and outstanding immediately prior to the Effective Time shall no longer be outstanding and shall automatically be canceled and retired and shall cease to exist, and each Company Common Stockholder shall cease to have any rights with respect to such Company Common Stock except the right to receive the Per Share Common Stock Merger Consideration.

(iv) Each Vested Company Option that is (i) outstanding and unexercised immediately prior to the Effective Time and (ii) held by an Accredited Holder, shall, by virtue of the Initial Merger and without any action on the part of any party, be canceled and converted into the right to receive (A) the Per Share Common Stock Merger Consideration with respect to each Net Option Share relating to such Vested Company Option minus (B) the Applicable Withholding Amount and all such

Vested Company Options shall otherwise cease to be outstanding, shall be canceled and cease to exist.

(v) Each Vested Company Option that is (i) outstanding and unexercised immediately prior to the Effective Time and (ii) held by a Non-Accredited Holder, shall, by virtue of the Initial Merger and without any action on the part of any party, be canceled and converted into the right to receive an amount in cash equal to (A) the Per Share Common Stock Merger Consideration Cash Value with respect to each Net Option Share relating to such Vested Company Option, minus (B) the Applicable Withholding Amount, and all such Vested Company Options shall otherwise cease to be outstanding, shall be canceled and cease to exist.

(vi) Prior to the Effective Time, the Company shall take or cause to be taken any and all actions reasonably necessary to terminate the Company Stock Plan and to cause (i) all outstanding Company Options which are subject solely to time-based vesting conditions to become fully vested and exercisable as of immediately prior to the Effective Time, (ii) all outstanding Company Options which are subject to time and performance-based vesting conditions to become vested and exercisable as of immediately prior to the Effective Time to the extent the applicable performance-based vesting conditions will be satisfied immediately following the Effective Time after giving effect to the transactions contemplated hereby, and (iii) each outstanding Company Option that is so vested and exercisable immediately prior to the Effective Time (after giving effect to the immediately preceding clauses (i) and (ii)) to be cancelled and terminated as of the Effective Time, and, converted into the right of the Company Optionholder thereof to receive the consideration set forth in Section 3.01(a)(iv) or Section 3.01(a)(v), as applicable.

(vii) At least three (3) Business Days prior to the Closing Date, the Company shall deliver to Parent a statement setting forth the Company's calculation of the Aggregate Closing Option Consideration, including the amount to be paid to each Company Optionholder pursuant to Section 3.01(a)(iv) or Section 3.01(a)(v) and, with respect to amounts to be paid pursuant to Section 3.01(a)(iv), what portion of each such amount will be paid in cash and what will be paid in shares of Parent Common Stock (the "**Company Option Closing Consideration Statement**"). The Company Option Closing Consideration Statement shall specify the number of Company Options held by each Company Optionholder that are vested and exercisable as of immediately prior to the Effective Time, including with respect to any performance-based vesting conditions that will be satisfied immediately following the Effective Time after giving effect to the transactions contemplated hereby. Each outstanding Company Option that is not vested and exercisable as of the Effective Time in accordance with this Section 3.01(a), and each Vested Company Option which has an exercise price equal to or greater than the Per Share Portion of the Estimated Merger Consideration, shall automatically be cancelled and terminated as of the Effective Time for no portion of the Aggregate Closing Option Consideration and without ongoing liability to Parent, the Company or any of its Subsidiaries or any other consideration. In each case, all payments or delivery of Aggregate Closing Option Consideration shall be made by or on behalf of the Surviving

Company to such Company Optionholder no later than the next payroll payment date, but in no event sooner than five (5) Business Days, after the Closing Date.

(b) Notwithstanding the foregoing, shares (the “**Appraisal Shares**”) of Company Common Stock issued and outstanding immediately prior to the Effective Time that are held by any Company Common Stockholder who is entitled to demand and properly demands appraisal of such shares pursuant to, and who complies in all respects with, the provisions of Section 262 of the DGCL (“**Section 262**”) shall not be converted into the right to receive the Per Share Common Stock Merger Consideration as provided in Section 3.01(a)(iii), but instead such holder shall be entitled to payment of the fair value of such shares in accordance with the provisions of Section 262. At the Effective Time, all Appraisal Shares shall no longer be outstanding and shall automatically be canceled and shall cease to exist, and each holder of Appraisal Shares shall cease to have any rights with respect thereto, except the right to receive the fair value of such Appraisal Shares in accordance with the provisions of Section 262. Notwithstanding the foregoing, if any such holder shall fail to perfect or otherwise shall waive, withdraw or lose the right to appraisal under Section 262 or a court of competent jurisdiction shall determine that such holder is not entitled to the relief provided by Section 262, then the right of such holder to be paid the fair value of such holder’s Appraisal Shares under Section 262 shall cease and each such Appraisal Share shall be deemed to have been converted at the Effective Time into, and shall have become, the right to receive the Per Share Common Stock Merger Consideration as provided in Section 3.01(a)(iii). The Company shall deliver prompt notice to Parent of any demands for appraisal of any shares of Company Common Stock, and Parent shall have the right to participate in all negotiations and proceedings with respect to such demands. Prior to the Effective Time, the Company shall not, without the prior written consent of Parent, make any payment with respect to, or settle or offer to settle, any such demands for appraisal, or agree to do any of the foregoing.

3.02 Exchange Procedures

(a) As soon as reasonably practicable after the date hereof (and in any event, at least 20 days prior to the Closing Date), the Company shall mail or cause to be mailed or otherwise delivered to each Company Common Stockholder a Letter of Transmittal, substantially in the form of Exhibit D attached hereto (the “**Letter of Transmittal**”) which, for the avoidance of doubt, shall include the obligation of each Company Common Stockholder to agree to Section 10.15 of this Agreement, together with notices delivered pursuant to Section 262 and a request to have such Company Common Stockholder deliver an executed Letter of Transmittal and, if applicable, an executed IRS Form W-9 or appropriate IRS Form W-8, as applicable, to the Paying Agent, no less than three Business Days prior to the Closing. Upon the delivery of any duly executed Letter of Transmittal completed in accordance with the instructions thereto, together with any other documentation expressly required by its terms to be provided in connection with such Letter of Transmittal, each Company Common Stockholder shall be entitled to receive, at or after the Effective Time, subject to the terms and conditions hereof, the Per Share Common Stock Merger Consideration in respect of each of its, his or her shares of Company Common Stock (other than Specified Shares) in accordance with Section 3.01(a)(iii), Section 3.02(b) and Section 3.06. The Paying Agent and the Company shall provide the Securityholder Representative and Parent with a copy of each Letter of Transmittal it receives prior to or as of the Effective Time.

(b) Computershare shall act, at Parent's expense, as paying agent (the "**Paying Agent**") in effecting the exchanges of Company Common Stock provided for herein pursuant to the Paying Agent Agreement, which will be in a form reasonably acceptable to Parent, the Securityholder Representative and the Paying Agent (the "**Paying Agent Agreement**"). Following delivery of a duly executed Letter of Transmittal completed in accordance with the instructions thereto and Section 3.02(a) above and an executed IRS Form W-9 or appropriate IRS Form W-8, as applicable: each Company Common Stockholder shall be entitled to receive (and Parent shall direct the Paying Agent to pay), in exchange for each share of Company Common Stock such Company Common Stockholder holds (other than Specified Shares) (A) on the Closing Date or as promptly as practicable thereafter (if such Company Common Stockholder has delivered such Letter of Transmittal at least three Business Days prior to the Closing Date) or, after the Closing, within three Business Days of receipt of such Letter of Transmittal, the Per Share Closing Cash Amount and the Per Share Stock Amount and (B) the Per Share Additional Merger Consideration, if any, at the time of its distribution pursuant to this Agreement.

(c) For all purposes of this Section 3.02 and for U.S. federal income tax purposes, and in accordance with Treasury Regulation Section 1.358-2(a)(2)(ii), each Company Common Stockholder will be treated as having surrendered, in exchange for the Aggregate Stockholder Cash Consideration to be paid to such Company Common Stockholder pursuant to Section 3.01(a)(iii), a number of shares of Company Common Stock (which are specifically identified by such stockholder in the Letter of Transmittal to be the shares of Company Common Stock exchanged for such stockholder's Aggregate Stockholder Cash Consideration) equal to the product of (i) the total number of shares of Company Common Stock held by such stockholder and converted into the right to receive the Per Share Common Stock Merger Consideration pursuant to this Agreement and (ii) the Cash Ratio.

3.03 Estimated Merger Consideration; Certain Closing Date Payments.

(a) Estimated Closing Statement. At least three Business Days prior to the Closing Date, the Company shall deliver to Parent (i) an estimated consolidated balance sheet of the Company as of the Determination Time, in the same form and including the same line items as the Latest Balance Sheet, and (ii) a statement (the "**Estimated Closing Statement**") setting forth the Company's good faith calculation of the Estimated Merger Consideration, including (A) the estimated amount of Working Capital (the "**Estimated Working Capital**"), (B) the estimated amount of Indebtedness (the "**Estimated Indebtedness**"), (C) the estimated amount of Cash (the "**Estimated Cash**"), and (D) the estimated amount of the Company Transaction Expenses (the "**Estimated Company Transaction Expenses**"), in each case of clauses (A) through (D), as of the Determination Time and based on the books and records of the Company and its Subsidiaries, together with reasonable supporting detail of each of the calculations set forth in the Estimated Closing Statement. Parent shall be entitled to review the Estimated Closing Statement prior to the Closing and to submit comments thereon to the Company. The Company shall consider in good faith any such comments and may (but is not required to) revise the Estimated Closing Statement prior to the Closing to reflect such comments. To the extent the Company does not accept Parent's comments, the Estimated Closing Statement shall be in the form initially presented to Parent pursuant to this Section 3.03(a). No comments delivered by

Parent, or Parent's failure to deliver any comments, will be deemed to constitute any waiver or release of any of Parent's rights under this Agreement, including Section 3.06.

(b) Certain Closing Date Payments. In each case subject to the terms and conditions of this Agreement, at the Effective Time, Parent shall:

(i) deposit, or cause to be deposited, to the Paying Agent in accordance with the Paying Agent Agreement, (A) certificates or evidence of book-entry shares representing a number of shares of Parent Common Stock equal to the Aggregate Share Amount and (B) cash representing the Aggregate Base Cash Amount, less the amounts to be deposited to the Surviving Company pursuant to Section 3.03(b)(ii).

(ii) deposit, or cause to be deposited, (i) to the Surviving Company, for payment to each Company Optionholder who is an Accredited Holder, the Per Share Closing Cash Amount for each Net Option Share relating to each outstanding Vested Company Option payable at Closing pursuant to Section 3.01(a)(iv) and (ii) to the Surviving Company for payment to each holder of Vested Company Options who is a Non-Accredited Holder, cash in an amount equal to the consideration for each outstanding Cashed-Out Option payable at Closing pursuant to Section 3.01(a)(v), in each case, as set forth in the Company Option Closing Consideration Statement.

(iii) deliver, or cause to be delivered, to the Escrow Agent an amount in cash to be held in the Escrow Account in accordance with the terms of the Escrow Agreement equal to \$12,500,000 (the "**Escrow Funds**"); and

(iv) deliver, or cause to be delivered, to an account specified by the Securityholder Representative to Parent no later than three (3) Business Days prior to the Closing, the Securityholder Representative Expense Amount in cash, to be held and disbursed in accordance with this Agreement.

(c) All consideration paid upon the surrender of Company Common Stock in accordance with the terms of this Article III shall be deemed to have been paid in full satisfaction of all rights pertaining to the shares of Company Common Stock. From and after the Effective Time, the stock transfer books of the Company shall be closed and there shall be no further registration of transfers on the stock transfer books of the Surviving Company of the shares of Company Common Stock that were outstanding immediately prior to the Effective Time.

(d) None of Parent, the Merger Subs, the Company, the Securityholder Representative or any other Person shall be liable to any Person in respect of any cash delivered to a public official pursuant to any applicable abandoned property, escheat or similar Law.

(e) Notwithstanding any other provision of this Agreement, each holder of shares of Company Common Stock or Company Options converted pursuant to the Initial Merger who would otherwise be entitled to receive a fraction of a share of Parent Common Stock (after taking into account all shares of Company Common Stock and Company Options held at the Effective Time by such holder) shall receive, in lieu thereof, an amount in cash (rounded up to the nearest whole cent and without interest) equal to the product obtained by multiplying (i) the fractional share interest to which such former holder would otherwise be entitled (rounded up

to the nearest ten thousandth when expressed in decimal form) by (ii) the Average Parent Share Price. As soon as practicable after the determination of the amount of cash, if any, to be paid to holders of Company Common Stock or Company Options formerly pursuant to this Section 3.03(e), Parent shall pay, or cause the Paying Agent to pay, such amounts to such holders.

3.04 Company Transaction Expenses. Simultaneously with the Closing, by wire transfer of immediately available funds on behalf of the Company and its Subsidiaries, Parent shall pay, or cause to be paid, the Company Transaction Expenses in accordance with wire transfer instructions provided by each payee thereof and delivered to Parent by the Company in writing not less than two (2) Business Days prior to the Closing Date.

3.05 Funded Indebtedness. Simultaneously with the Closing, Parent shall repay, or cause to be repaid, on behalf of the Company, all of the Funded Indebtedness, as set forth on Section 3.05 of the Company Disclosure Schedule, by wire transfer of immediately available funds in accordance with wire transfer instructions set forth in payoff letters provided to Parent by the Company not less than two (2) Business Days prior to the Closing Date. Such payoff letters shall be in form and substance reasonably satisfactory to Parent and shall, among other things, include the payoff amount and provide that Encumbrances (and guarantees), if any, granted in connection therewith shall, upon the payment of the amount set forth in the applicable payoff letter at the Closing, be released and terminated.

3.06 Post-Closing Determination of Merger Consideration Adjustment; Transaction Accounting Principles.

(a) Within 90 days after the Closing Date, Parent shall deliver to the Securityholder Representative (i) a consolidated balance sheet of the Company as of the Determination Time, in the same form and including the same line items as the Latest Balance Sheet, and (ii) a statement (the “**Closing Statement**”) setting forth Parent’s good faith calculation of the Company’s Working Capital, Indebtedness, Cash and Company Transaction Expenses, in each case, as of the Determination Time, if applicable, together with reasonable supporting detail of each of the calculations set forth in the Closing Statement.

(b) During the 45 days immediately following the Securityholder Representative’s receipt of the Closing Statement (the “**Review Period**”), the Securityholder Representative and its Representatives shall be permitted, at reasonable times and following reasonable advance notice, to review Parent’s working papers and the working papers of Parent’s independent accountants, if any, relating to the preparation of the Closing Statement and the calculation of the Working Capital, Indebtedness, Cash and Company Transaction Expenses therein, as well as the relevant books and records of the Company and Parent; provided, however, that the independent accountants of Parent shall not be obligated to make any working papers available to the Securityholder Representative unless and until the Securityholder Representative has signed a customary confidentiality and hold harmless agreement relating to such access to working papers in form and substance reasonably acceptable to such independent accountants. The Securityholder Representative shall notify Parent in writing (the “**Notice of Disagreement**”) prior to the expiration of the Review Period if the Securityholder Representative disagrees with the Closing Statement or the Working Capital, Indebtedness, Cash or Company Transaction Expenses set forth therein. The Notice of Disagreement shall set forth

in reasonable detail the basis for such disagreement, the amounts involved and the Securityholder Representative's determination of the amount of the Working Capital, Indebtedness, Cash and Company Transaction Expenses, in each case, as of the applicable Determination Time, together with reasonably detailed supporting documentation.

(c) During the 30 days immediately following the delivery of a Notice of Disagreement, the Securityholder Representative and Parent shall seek in good faith to resolve any disagreement that they may have with respect to the matters specified in the Notice of Disagreement. If no Notice of Disagreement is received by Parent on or prior to the expiration date of the Review Period, then the Closing Statement and the Working Capital, Indebtedness, Cash and Company Transaction Expenses set forth in the Closing Statement shall be deemed to have been accepted by the Securityholder Representative and shall become final and binding upon Parent and the Equity Holders. If the parties cannot agree on the Working Capital, Indebtedness, Cash and Company Transaction Expenses within such 30 day period, the Working Capital, Indebtedness, Cash and/or Company Transaction Expenses, in each case solely to the extent not agreed between the Securityholder Representative and Parent, shall be determined by Houlihan Lokey (such firm or any replacement firm appointed pursuant to the terms of this Section 3.06(c), the "**Referee**"). The Securityholder Representative and Parent shall furnish the Referee with a statement setting forth the items from the Notice of Disagreement which are still in dispute (the "**Referee Dispute Notice**"); provided, that all items which are not in dispute, and thus not included on the Referee Dispute Notice and/or Notice of Disagreement, shall be considered final and binding. In the event that Houlihan Lokey refuses or is otherwise unable to act as the Referee, the Securityholder Representative and Parent shall cooperate in good faith to appoint an independent certified public accounting firm or a nationally recognized financial advisory valuation firm in the United States of national recognition mutually agreeable to the Securityholder Representative and Parent, in which event "Referee" shall mean such firm. Within 30 days after the submission of such matters to the Referee, or as soon as practicable thereafter, the Referee, acting as an expert and not as an arbiter, will make a final determination (based only on this Agreement and the information provided by the Securityholder Representative and Parent), binding on the Securityholder Representative and Parent, of the appropriate amount of each of the line items in the Closing Statement as to which there is disagreement as specified in the Referee Dispute Notice. With respect to each disputed line item, such determination, if not in accordance with the position of either the Securityholder Representative or Parent, shall not be in excess of the higher, nor less than the lower, of the amounts specified by either the Securityholder Representative in the Notice of Disagreement or Parent in the Closing Statement with respect to such disputed line item. For the avoidance of doubt, the Referee shall not review any line items or make any determination with respect to any matter other than those matters in the Referee Dispute Notice that are in dispute. The statement of each of Working Capital, Indebtedness, Cash and Company Transaction Expenses, in each case, as of the Determination Time, and the determination of the Working Capital, Indebtedness, Cash and Company Transaction Expenses therefrom that are final and binding on the Securityholder Representative and Parent, as determined either through agreement of the Securityholder Representative and Parent (deemed in accordance with the second sentence of this Section 3.06(c) or otherwise evidenced in writing and executed by each of the Securityholder Representative and Parent) or through the determination of the Referee pursuant to this Section 3.06(c) are referred to herein as the "**Final Working Capital**," "**Final Indebtedness**," "**Final Cash**," and "**Final Company Transaction Expenses**," respectively.

During the review by the Referee, the Securityholder Representative and Parent shall each make available to the Referee such individuals and such information, books, records and work papers, as may be reasonably requested by the Referee to fulfill its obligations under this Section 3.06(c); provided, however, that the independent accountants of the Securityholder Representative or Parent shall not be obligated to make any working papers available to the Referee unless and until the Referee has signed a customary confidentiality and hold harmless agreement relating to such access to working papers in form and substance reasonably acceptable to such independent accountants. All discussions related to the Notice of Disagreement shall be governed by Rule 408 of the Federal Rules of Evidence and any applicable similar state statute unless otherwise agreed by the Securityholder Representative and Parent.

(d) The cost of the Referee's review and determination shall be borne on a proportionate basis by Parent, on the one hand, and the Equity Holders, on the other (whose share shall be paid on their behalf by the Securityholder Representative from the Securityholder Representative Expense Amount), based on the percentage which the portion of the contested amount not awarded in favor of each such Person bears to the aggregate amount actually contested.

(e) The "**Final Merger Consideration**" shall be calculated by recalculating the Estimated Merger Consideration using the Final Working Capital in lieu of the Estimated Working Capital, using the Final Indebtedness in lieu of Estimated Indebtedness, using Final Cash in lieu of Estimated Cash and using the Final Company Transaction Expenses in lieu of Estimated Company Transaction Expenses and otherwise using the components of Estimated Merger Consideration as set forth in the definition of Estimated Merger Consideration.

(i) If the Final Merger Consideration is less than the Estimated Merger Consideration paid at the Closing (such amount, the "**Deficiency Amount**"), Parent shall be paid by wire transfer of same day funds promptly (but in any event within five Business Days after the Final Working Capital, Final Indebtedness, Final Cash and Final Company Transaction Expenses have been agreed upon (through deemed agreement or otherwise) or determined by the Referee, in either case in accordance with Section 3.06(c)), such Deficiency Amount from the Escrow Account; provided, however, in no event shall any Equity Holder have personal liability for payment of such amount or any portion thereof, and Parent's and its Affiliates' sole recourse with respect thereto shall be the Escrow Funds held by the Escrow Agent.

(ii) If the Final Merger Consideration is greater than the Estimated Merger Consideration paid at the Closing (such amount, the "**Excess Amount**"), Parent shall promptly (but in any event within five Business Days after the Final Working Capital, Final Indebtedness, Final Cash and Final Company Transaction Expenses have been agreed or determined by the Referee in accordance with Section 3.06(c)), pay in accordance with Section 3.06(f), (x) the portion of the Excess Amount payable to the Company Common Stockholders by wire transfer of same day funds to the Paying Agent (on behalf of and as agent of the Company Common Stockholders) and (y) the portion of the Excess Amount payable to the Company Optionholders to the Surviving Company (on behalf of and as agent of the Company Optionholders).

(iii) If any Escrow Funds remain in the Escrow Account, after the payment of the Deficiency Amount (or upon payment of the Excess Amount if there is no Deficiency Amount) (such amount, the “**Remaining Amount**”), then Parent and the Securityholder Representative shall cause the Remaining Amount to be paid by the Escrow Agent as follows, (x) the portion of the Remaining Amount payable to the Company Common Stockholders by wire transfer of same day funds to the Paying Agent (on behalf of and as agent of the Company Common Stockholders) and (y) the portion of the Remaining Amount payable to the Company Optionholders to the Surviving Company (on behalf of and as agent of the Company Optionholders).

Parent and the Securityholder Representative hereby agree to deliver joint written instructions to the Escrow Agent in accordance with the Escrow Agreement to deliver promptly from the Escrow Account all funds to be delivered in accordance with this Section 3.06(e).

(f) All payments made to the Paying Agent (on behalf of the Company Common Stockholders) and the Surviving Company (on behalf of the Company Optionholders) pursuant to and in accordance with Section 3.06(e) shall be further paid as follows:

(i) to each Company Common Stockholder, an amount equal to the product of (A) the Per Share Portion, multiplied by (B) the aggregate amount payable pursuant to Section 3.06(e)(ii) or Section 3.06(e)(iii), as applicable, multiplied by (C) the aggregate number of such shares of Company Common Stock held by such Company Common Stockholder immediately prior to the Effective Time (other than the Specified Shares) without interest; and

(ii) to each Company Optionholder, an amount equal to the product of (A) the Per Share Portion, multiplied by (B) the aggregate amount payable pursuant to Section 3.06(e)(ii) or Section 3.06(e)(iii), as applicable, multiplied by (C) the aggregate number of shares of Company Common Stock underlying the Vested Company Options held by such Company Optionholder immediately prior to the Effective Time (other than those Company Options cancelled for no Aggregate Closing Option Consideration pursuant to Section 3.01(a)), without interest and net of any amounts that are required to be withheld or deducted under the Code or any applicable provision of Law;

provided, that all such payments shall be made in accordance with Section 409A of the Code and the regulations promulgated thereunder.

(g) Transaction Accounting Principles. Each of the Estimated Closing Statement (including the Estimated Working Capital, Estimated Indebtedness, Estimated Cash and Estimated Company Transaction Expenses) and the Closing Statement (including the Working Capital, Indebtedness, Cash and Company Transaction Expenses) shall be prepared and calculated in accordance with the definitions of such terms contained in the Agreement and the Transaction Accounting Principles, except that the Estimated Closing Statement and the Closing Statement (and all calculations set forth in each, including the calculation of the Estimated Merger Consideration and the Final Merger Consideration) shall be based on facts and circumstances as they exist up to the applicable Determination Time (or such other applicable calculation time as expressly set forth herein) and shall exclude the effect of any act, decision or

event occurring after the Determination Time (or such other applicable calculation time as expressly set forth herein).

3.07 Escrow. In accordance with Section 3.03(b)(iii), Parent shall deliver to Wilmington Trust, N.A. As of the date hereof, and assuming the accuracy of the representations and warranties set forth in Article IV hereof, Parent is not aware of any fact, occurrence or condition that may cause the Debt Financing Commitments to terminate or be ineffective or any of the terms or conditions of closing of the Debt Financing not to be met or of any impediment to the funding of the cash payment obligations of Parent under this Agreement. Parent will have at the Closing, sufficient cash, marketable securities, available lines of credit or other sources of immediately available funds (including the Debt Financing Commitments) to pay in full in cash all obligations of Parent and the Merger Subs pursuant to this Agreement required to be paid in cash at the Closing, including (a) the Closing Payments and (b) all of the out-of-pocket costs of Parent, the Merger Subs and the Surviving Company arising from the consummation of the Transactions. There are no conditions precedent or other contingencies related to the funding or investing, as applicable, of the full amount of the financing contemplated in the Debt Financing Commitments, other than as expressly set forth in or contemplated by the Debt Financing Commitments. Parent and the Merger Subs acknowledge and agree that their obligations pursuant to this Agreement are not subject to any conditions regarding Parent’s, the Merger Subs’, their Affiliates’ or any other Person’s ability to obtain any financing, whether pursuant to any or all of the Debt Financing Commitments or from any other source, for the consummation of the Transactions.

Parent and its board of directors have taken all necessary action, if any, in order to render inapplicable any control stock acquisition, business combination, poison pill (including any distribution under a rights agreement) or other similar anti-takeover provision under the certificate of incorporation of Parent which is or could become applicable to the Company as a result of the Transactions, including Parent's issuance of the Parent Shares and each of the New Stockholder's ownership of the Parent Shares. Parent and its board of directors have taken all necessary action, if any, in order to render inapplicable any stockholder rights plan or similar arrangement relating to accumulations of beneficial ownership of the Parent Shares or a change in control of Parent.

5.13 SEC Documents.

(a) Since October 31, 2015, Parent has filed with, or furnished to, as applicable, the SEC all registration statements, prospectuses, reports, forms, statements, schedules, certifications and other documents required to be filed with or furnished to, as applicable, the SEC by Parent (together with all exhibits and schedules thereto and all information incorporated therein by reference, collectively, the "**Parent SEC Documents**"). As of their respective dates, or if amended, as of the date of the last such amendment, the Parent SEC Documents (i) complied in all material respects with the requirements of the Securities Act of 1933, as amended, the Securities Exchange Act of 1934, as amended, and the Sarbanes-Oxley Act of 2002, as amended (to the extent then applicable), and (ii) did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading in any material respect.

(b) Each of the consolidated financial statements of Parent (including, in each case, any related notes thereto) contained in the Parent SEC Documents (i) was prepared in accordance with GAAP applied on a consistent basis throughout the periods involved (except as may be indicated in the notes thereto) and (ii) fairly presents in all material respects, as applicable, the consolidated financial position of Parent and its Subsidiaries as of the respective dates thereof and the consolidated results of Parent's and its Subsidiaries' operations and cash flows for the periods indicated (except, in the case of each of sub-clauses (i) and (ii), that Parent's unaudited interim financial statements were subject to normal year-end and quarter-end adjustments, and subject to the absence of footnotes in such unaudited interim financial statements).

5.15 No Shareholder Approval. The entry into this Agreement and the consummation of the Transactions (including the issuance and delivery by Parent of the Parent Shares to the New Stockholders) do not require any vote or other approval or authorization of any holder of any capital stock of Parent.

5.16 Reorganization. To the knowledge of Parent following discussions with its relevant advisors, neither Parent nor any of its Subsidiaries has taken or agreed to take any action that is not contemplated by this Agreement and that would reasonably be expected to prevent the Initial Merger and the Follow-On Merger, taken together, from qualifying as a “reorganization” within the meaning of Section 368(a) of the Code.

5.17 Disclaimer of Warranties. EXCEPT AS OTHERWISE EXPRESSLY SET FORTH IN THIS AGREEMENT, THE OTHER TRANSACTION AGREEMENTS AND THE CERTIFICATES CONTEMPLATED HEREBY AND THEREBY, PARENT AND THE MERGER SUBS EXPRESSLY DISCLAIM ANY REPRESENTATIONS OR WARRANTIES OF ANY KIND OR NATURE, EXPRESS OR IMPLIED. PARENT AND THE MERGER SUBS ARE NOT MAKING NOR HAVE THEY MADE, ANY REPRESENTATIONS OR WARRANTIES TO THE COMPANY, THE SECURITYHOLDER REPRESENTATIVE OR THE EQUITY HOLDERS REGARDING ANY PROJECTION OR FORECAST REGARDING FUTURE RESULTS OR THE PROBABLE SUCCESS OR PROFITABILITY OF THE COMPANY OR ITS SUBSIDIARIES OR THEIR RESPECTIVE BUSINESSES.

Parent shall make all filings and reports, if necessary, relating to the offer and issue of the Parent Shares required under applicable securities or “Blue Sky” laws following the Closing Date.

6.04 Employment Matters.

(a) Until December 31, 2017 (or until the date of termination of the relevant employee, if earlier), Parent shall, or shall cause its Affiliates to, provide to the Company Non-Union Employees, compensation and employee benefits (including severance payments and severance benefits, but excluding any equity compensation or nonqualified deferred compensation) that, with respect to all Company Non-Union Employees, are no less favorable in the aggregate than the compensation and employee benefits provided to the Company Non-Union Employees immediately prior to the Closing under the existing terms of the Company Benefit Plans set forth on Section 4.13(a) of the Company Disclosure Schedule.

(b) Parent shall, or shall cause its Affiliates, as applicable, to give Company Non-Union Employees full credit for such Company Non-Union Employees’ service with the Company and its Affiliates for purposes of eligibility, vesting, and determination of the level of benefits (including for purposes of vacation, disability and severance) to the same extent and for the same purpose as recognized by the Company immediately prior to the Closing, under any benefit plans made available to employees or officers or any class or level of employees or officers of Parent or any of its Affiliates in which a Company Non-Union Employee is eligible to

participate and actually participates; provided, however, that such service shall not be recognized to the extent that such recognition would result in a duplication of benefits with respect to the same period of service.

(c) Parent shall, or shall cause its Affiliates, as applicable, to use commercially reasonable efforts to (i) waive any preexisting condition limitations otherwise applicable to Company Employees and their eligible dependents under any plan of Parent or any of its Affiliates that provides health benefits in which Company Employees may be eligible to participate following the Closing, to the extent waived or satisfied with respect to such employees as of the Closing under the analogous Company Benefit Plan, (ii) honor any deductible, co-payment and out-of-pocket maximums incurred by Company Employees and their eligible dependents under the health plans in which they participated immediately prior to the Closing during the portion of the plan year prior to the Closing in satisfying any deductibles, co-payments or out-of-pocket maximums under health plans of Parent or any of its Affiliates in which they are eligible to participate after the Closing in the same plan year in which such deductibles, co-payments or out-of-pocket maximums were incurred, and (iii) waive any waiting period limitation or evidence of insurability requirement that would otherwise be applicable to a Company Employee and his or her eligible dependents on or after the Closing, in each case to the extent such Company Employee or eligible dependent had satisfied any similar limitation or requirement under an analogous Company Benefit Plan prior to the Closing.

(d) With respect to Company Union Represented Employees, the Surviving Company shall or shall cause its Affiliates to, as applicable, (i) continue in full force and effect any collective bargaining agreements set forth in Section 4.17(b) of the Company Disclosure Schedule and any successor agreements thereto that apply to any Company Union Represented Employees and (ii) provide such Company Union Represented Employees with compensation and benefits as required by such collective bargaining agreements, in accordance with applicable Law.

(e) If a “disqualified individual” (within the meaning of Section 280G(c) of the Code and the regulations thereunder) has a right to receive any payment or other benefit that is contingent on the consummation of the transactions contemplated by this Agreement (within the meaning of Section 280G(b)(2)(A)(i) of the Code), and such payment or other benefit may not be deductible under Section 280G of the Code if the stockholder approval requirements of Section 280G(b)(5)(B) of the Code are not satisfied, then the Company shall use its reasonable best efforts to obtain from each “disqualified individual” that would receive payments and/or benefits that would separately or in the aggregate constitute “excess parachute payments” within the meaning of Section 280G(b)(1) of the Code (“**Parachute Payments**”), waivers that provide that no Parachute Payments with respect to such “disqualified individual” shall, in the absence of 280G Stockholder Approval (as defined below), be payable to or retained by such “disqualified individual” to the extent such Parachute Payments would not be deductible by reason of the application of Section 280G of the Code or would result in the imposition of the excise tax under Section 4999 of the Code on such “disqualified individual” (the “**280G Waivers**”). Following the execution of the 280G Waivers, and prior to the Closing Date, the Company shall seek approval by its stockholders, in a manner intended to comply with Section 280G(b)(5)(B) of the Code, of the right of any “disqualified individual” to receive or retain any Parachute Payments (the “**280G Stockholder Approval**”). The Company shall provide Parent, at least five (5)

Business Days prior to submitting the 280G Stockholder Approval to a vote, copies of the voting documents prepared by the Company in connection with this Section 6.04(e) and the calculations prepared under Section 280G of the Code, upon which the stockholder vote is being sought, and the Company shall incorporate any commercially reasonable comments provided by Parent prior to submitting the 280G Stockholder Approval to a vote.

(f) Nothing contained herein, express or implied, shall be construed to establish, amend, or modify any benefit plan, program, agreement or arrangement. The parties hereto acknowledge and agree that the terms set forth in this Section 6.04 shall not create any right in any Company Employee or any other person to any continued employment with the Company, Parent or any of their respective Affiliates, successors, or assigns.

6.05 **Publicity.** The initial press release announcing this Agreement, any ancillary agreements and the transactions contemplated herein shall be in substantially the form mutually agreed upon by Parent, on the one hand, and the Company, on the other hand. No other press release, public announcement or public filing related to this Agreement or the transactions contemplated herein, or prior to the Closing any other announcement or communication to the employees, customers or suppliers of the Company or its Subsidiaries, shall be issued or made by any party hereto without the prior written approval of Parent, the Securityholder Representative and the Company (which approval shall not be unreasonably withheld, delayed or conditioned), unless required by Law (in the reasonable opinion of counsel) or the rules and regulations of an applicable securities exchange, in which case, Parent, on the one hand, and the Company and the Securityholder Representative, on the other hand, shall use their commercially reasonable efforts to consult with the other and provide the other party the right to review such press release, announcement, public filing or communication prior to issuance, distribution or publication, in each case, to the extent practicable; provided that no party shall be required to obtain approval or provide materials for review to the extent that the applicable press release, announcement, public filing or communication consists of information that has previously been made public without breach of the obligations under this Section 6.05. The parties understand and agree that Parent intends to publicly disclose the existence of this Agreement and the Transactions subsequent to the execution of this Agreement as required pursuant to the rules or regulations of an applicable securities exchange; provided that any such initial disclosure shall require the joint approval of Parent, on the one hand, and the Company and the Securityholder Representative, on the other hand (which approval shall not unreasonably be withheld). For the avoidance of doubt, the parties acknowledge and agree that Thomas H. Lee Partners, L.P. (“**THL**”) and its Affiliates and Goldman Sachs & Co. (“**GS**”) and its Affiliates (in each case, except for the Company and its Subsidiaries) may provide information about the subject matter of this Agreement and the transactions contemplated hereby to their respective limited partners and investors in the ordinary course of business, subject to customary confidentiality obligations with respect thereto.

6.06 **Confidentiality.** Parent acknowledges that the information provided to it and its Representatives in connection with this Agreement and the transactions contemplated hereby are subject to the terms of the Confidentiality Agreement between the Company and Parent, dated as of April 27, 2017 (as amended or modified from time to time, the “**Confidentiality Agreement**”). The terms of the Confidentiality Agreement are hereby incorporated by reference. The Confidentiality Agreement shall terminate on the earlier of (i) at the date of its expiration in accordance with its terms and (ii) the consummation of the Closing.

6.07 Access to Information

(a) Prior to the Closing Date and subject to applicable Laws and Section 6.06, Parent shall be entitled, through its officers, employees and Representatives (including its legal advisors, accountants and financing sources), to have such access to the information, properties, businesses and operations of the Company and its Subsidiaries and such examination of the books and records of the Company and its Subsidiaries as it reasonably requests upon reasonable advance written notice. Any such access and examination shall be conducted during regular business hours and under circumstances that do not unreasonably interfere with the normal operations of the business, and shall be subject to restrictions under applicable Law. The Company shall cause the officers, employees, consultants, agents, accountants, attorneys and other Representatives of the Company and its Subsidiaries to cooperate with Parent and Parent's Representatives in connection with such access and examination, and Parent and its Representatives shall cooperate with the Company and its Representatives and shall use their commercially reasonable efforts to minimize any disruption to the business. Any disclosure during such investigation by Parent or its Representatives shall not constitute any enlargement or additional representation or warranty of the Company beyond those specifically set forth in Article IV. Notwithstanding anything herein to the contrary, no such access or examination shall be permitted to the extent that it (i) relates to the negotiation of this Agreement and the Transactions, (ii) would unreasonably disrupt the operations of the Company or any of its Subsidiaries, or (iii) would require the Company or any of its Subsidiaries to disclose information that in the reasonable judgment and good faith of counsel to the Company, is subject to attorney-client privilege or may conflict with any applicable Law or confidentiality obligations to which the Company or any of its Subsidiaries is bound; provided, however, that in each such case, the Company and its Subsidiaries shall use commercially reasonable efforts to take those actions reasonably necessary so that the Company or its Subsidiaries is able to provide such information to Parent or a Representative of Parent (which efforts shall not require the Company to waive its attorney-client privilege or violate any Contract or applicable Law).

(b) Notwithstanding anything to the contrary contained herein, prior to the Closing, (i) without the written consent of the Company (which may be withheld in the Company's sole discretion), Parent shall not contact any customers of the Company or any Subsidiary, other than in the ordinary course of the business of Parent or any of its Affiliates with respect to matters not related to the Company or its Subsidiaries, and provided that the Company shall have the right to have one Representative present during any such contact in the event that it consents to such contact, and (ii) Parent shall have no right to perform invasive or subsurface investigations of the properties or facilities of the Company or any of its Subsidiaries without the prior written consent of the Company (which consent may be withheld for any reason).

6.08 Regulatory Approvals

(a) The Company, Parent and the Merger Subs will, as promptly as practicable and no later than five (5) Business Days following the date of this Agreement, file with the United States Federal Trade Commission and the United States Department of Justice, the notification form required pursuant to the HSR Act for the Transactions, which form will specifically request early termination of the waiting period prescribed by the HSR Act. The Company, Parent and the Merger Subs will use reasonable best efforts to make all other

necessary filings with such Governmental Entities as promptly as practicable following the date of this Agreement. Each of the Company, Parent and the Merger Subs will furnish to each other's counsel such necessary information and reasonable assistance as the other may request in connection with its preparation of any filing or submission that is necessary under the HSR Act or any such other necessary filings and will provide any supplemental information requested by any Governmental Entity as promptly as practicable. The Company, Parent and the Merger Subs will use all reasonable best efforts to comply as promptly as practicable with any requests made for any additional information in connection with such filings. Parent will be responsible for all filing fees payable in connection with such filings and, notwithstanding any other provision hereof, will direct the strategy for obtaining any necessary consents, authorizations, clearances, or approvals required pursuant to the HSR Act or any other Competition Law, including (i) the scheduling of, and strategic planning for, any meeting with any Governmental Entity under the HSR Act or any other applicable Competition Law, (ii) the process for the receipt of any necessary approvals, and (iii) the resolution of any investigation or other inquiry of any such Governmental Entity, and its decisions with respect thereto will control.

(b) Subject to the immediately following sentence, the Company, Parent and the Merger Subs will use their reasonable best efforts to promptly obtain any clearance required under the HSR Act for the consummation of the Transactions and will keep each other apprised of the status of any communications with, and any inquiries or requests for additional information from, any Governmental Entity and will comply promptly with any such inquiry or request, and the Company will use its reasonable best efforts to provide full and effective support to Parent in respect thereof to the extent requested by Parent. Parent and the Merger Subs will take, and will cause their Affiliates to take, any and all steps necessary to avoid or eliminate each and every impediment under any Law that may be asserted by any Governmental Entity or any other Person so as to enable the parties to expeditiously close the Transactions, including (i) proposing, negotiating, committing to and effecting, by consent decree, hold separate order or otherwise, the sale, divestiture or disposition of its assets, properties or businesses or of the assets, properties or businesses to be acquired in the Transactions, and entering into such other arrangements, as necessary in order to avoid the entry of, and the commencement of litigation seeking the entry of, or to effect the dissolution of, any injunction or other order in any suit or proceeding which would otherwise have the effect of materially delaying or preventing the consummation of the Transactions, (ii) opposing or defending through completion of litigation on the merits any claim, action, suit, investigation or other proceeding brought by any Governmental Entity or other Person challenging the Transactions under any Law, including as reasonably necessary to appeal and overturn any Order preventing or enjoining the Transactions, and (iii) agreeing to such limitations on conduct or actions of members of Parent and its Affiliates after the Closing as may be required in order to satisfy the closing conditions set forth in Section 7.01 prior to the Outside Date.

(c) The parties hereto agree to instruct their respective counsel to cooperate with each other and use reasonable best efforts to facilitate and expedite the identification and resolution of any issues arising under the HSR Act at the earliest practicable dates. Such reasonable best efforts and cooperation include counsel's undertaking (i) to keep each other appropriately informed of material communications from and to personnel of the reviewing Governmental Entities and (ii) to confer with each other regarding appropriate contacts with and response to personnel of such Governmental Entities and the content of any such contacts or

presentations. The Company, Parent and the Merger Subs will not participate in any meeting or discussion with any Governmental Entity with respect of any such filings, applications, investigation or other inquiry without giving the other party prior notice of the meeting or discussion and, to the extent permitted by the relevant Governmental Entity, the opportunity to attend and participate in such meeting or discussion (which, at the request of either Parent or the Company, will be limited to outside antitrust counsel only). Each of Parent and the Company will have the right to review (subject to appropriate redactions for confidentiality and attorney-client privilege concerns) the content of any presentations, white papers or other written materials to be submitted to any Governmental Entity in advance of any such submission, and Parent will consider any of the Company's comments thereto in good faith.

(d) Except as specifically required by this Agreement, the Company, Parent and the Merger Subs will not take any action, or refrain from taking any action, the effect of which would reasonably be expected to delay or impede the ability of the parties to consummate the Transactions to a date later than the Outside Date. Without limiting the generality of the foregoing, prior to the Closing, Parent and the Merger Subs will not, and will not permit any of their respective Subsidiaries or Representatives to, acquire or agree to acquire (by merging or consolidating with, or by purchasing a substantial portion of the assets of or equity in, or by any other manner), any Person or portion thereof, or otherwise acquire or agree to acquire any assets, if the entering into a definitive agreement relating to, or the consummation of, such acquisition, merger or consolidation would reasonably be expected to (i) impose any material delay in the obtaining of, or materially increase the risk of not obtaining, any permits, orders or other approvals of any Governmental Entity necessary to consummate the Transactions or the expiration or termination of any applicable waiting period prior to the Outside Date, (ii) materially increase the risk of any Governmental Entity entering an Order prohibiting the consummation of the Transactions, or (iii) materially delay the consummation of the Transactions.

(e) The Company and its Subsidiaries, Parent and the Merger Subs will, as promptly as practicable, make any required filings in connection with the facility security clearances held by the Company and its Subsidiaries and make any filings and provide any information requested by a Governmental Entity from a party hereto in respect of the facility security clearances, and supply as promptly as reasonably practicable as required under applicable Laws any additional information and documentary material that may be requested by a Governmental Entity, as applicable, in connection with complying with any facility security clearances and obtaining any facility security clearances required under applicable Law with respect to the operation of the business of the Company and its Subsidiaries as currently conducted.

6.09 Director and Officer Liability; Indemnification

(a) Without limiting any additional rights that any Person may have under any Company Benefit Plan, from the Effective Time through the sixth anniversary of the date on which the Effective Time occurs, Parent shall, and shall cause the Surviving Company to, and the Surviving Company shall, indemnify and hold harmless each present (as of immediately prior to the Effective Time) and former officer or director of the Company and its Subsidiaries (the “**Indemnified Individuals**”) against all claims, losses, liabilities, damages, judgments, inquiries,

finances and reasonable fees, costs and expenses, including attorneys' fees and disbursements, incurred in connection with any claim, action, suit, proceeding or investigation, whether civil, criminal, administrative or investigative, to the extent arising out of or pertaining to (i) the fact that the Indemnified Individual is or was an officer or director, of the Company or its Subsidiaries or (ii) matters existing or occurring at or prior to the Effective Time (including this Agreement and the other transactions and actions contemplated hereby), whether asserted or claimed prior to, at or after the Effective Time, to the extent required to be indemnified by the Company under any indemnification provision contained in the governing documents of the Company or any of its Subsidiaries (as applicable) as in effect on the date of this Agreement and/or pursuant to any indemnity agreements between the Company and any such Person, in each case that continue to be in effect at the Effective Time (the "**Indemnity Agreements**"). In the event of any such claim, action, suit, proceeding or investigation, (A) each Indemnified Individual will be entitled to advancement of expenses incurred in the defense of any claim, action, suit, proceeding or investigation from Parent or the Surviving Corporation in accordance with the governing documents of the Company and its Subsidiaries (as applicable) and the Indemnity Agreements (as applicable) upon receipt of an undertaking by such Indemnified Individual to repay such advances if it is ultimately cleared in a final, non-appealable judgment by a court of competent jurisdiction that such Indemnified Individual is not entitled to indemnification hereunder or thereunder, (B) neither Parent nor the Surviving Company shall settle, compromise or consent to the entry of any judgment in any proceeding or threatened action, suit, proceeding, investigation or claim (and in which indemnification could be sought by such Indemnified Individual hereunder), unless such settlement, compromise or consent includes a full and unconditional release of such Indemnified Individual from all liability or potential liability arising out of such action, suit, proceeding, investigation or claim or such Indemnified Individual otherwise consents and (C) the Surviving Company shall have the right to control the defense thereof.

(b) The certificate of incorporation and bylaws (or equivalent governing documents) of each of the Surviving Company and its Subsidiaries shall contain provisions no less favorable with respect to indemnification, advancement of expenses and exculpation of former or present directors, managers and officers than are set forth in the respective organizational documents of the Company and its Subsidiaries (as applicable) (or equivalent governing documents) as of the Effective Time, which provisions, along with any Indemnity Agreements, shall not be amended, repealed, terminated or otherwise modified for a period of six years from the Effective Time in any manner that would adversely affect the rights thereunder of any such individuals, in each case, except and only to the extent as required by applicable Law.

(c) The Company shall purchase prior to the Effective Time a "tail" insurance policy for a period of six years after the Effective Time, with reputable and financially sound carriers of at least the same coverage and amounts and containing terms and conditions that are no less advantageous than the current policies of directors' and officers' liability insurance maintained by the Company and its Subsidiaries with respect to claims arising from or related to facts or events that occurred at or before the Effective Time. Parent shall cause the Surviving Company to take, and the Surviving Company shall take, all necessary actions to maintain such policies in full force and effect and fulfill its obligations thereunder throughout such six-year period following the Effective Time.

(d) Notwithstanding anything herein to the contrary, if any claim, action, suit, proceeding or investigation (whether arising before, at or after the Effective Time) is made against any Indemnified Individual on or prior to the sixth anniversary of the Effective Time, the provisions of this Section 6.09 shall continue in effect until the final disposition of such claim, action, suit, proceeding or investigation.

(e) This covenant is intended to be for the benefit of, and shall be enforceable by, each of the Indemnified Individuals and their respective heirs and legal representatives. The indemnification provided for herein shall not be deemed exclusive of any other rights to which such individual is entitled, whether pursuant to law, contract or otherwise.

(f) In the event that the Surviving Company or Parent or any of their respective successors or assigns (i) consolidates with or merges into any other person and shall not be the continuing or surviving corporation or entity of such consolidation or merger or (ii) transfers or conveys all or a majority of its properties and assets to any person, then, and in each such case, proper provision shall be made so that the successors and assigns of the Surviving Company or Parent, as the case may be, shall succeed to the obligations set forth in this Section 6.09.

(g) The rights of indemnification and to receive advancement of expenses as provided by this Agreement shall not be deemed exclusive of any other rights to which any Indemnified Individual may at any time be entitled. No right or remedy herein conferred by this Agreement is intended to be exclusive of any other right or remedy, and every other right and remedy shall be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at Law or in equity or otherwise.

6.10 Reasonable Best Efforts. Upon the terms and subject to the conditions herein provided, each of the parties hereto shall use its reasonable best efforts to take or cause to be taken all actions, to do or cause to be done and to assist and cooperate with the other party in doing all things necessary, proper or advisable under applicable Laws to consummate and make effective, in the most expeditious manner reasonably practicable, the transactions contemplated hereby and by the other Transaction Agreements, and in any event, no later than the Outside Date, including: (a) the satisfaction (but not waiver) of the conditions precedent to the obligations of any of the parties; (b) the obtaining of applicable consents, waivers or approvals of any Governmental Entities or third parties; (c) the defending of any Actions challenging this Agreement or the performance of the obligations hereby; and (d) the execution and delivery of such instruments, and the taking of such other actions, as the other party may reasonably require in order to carry out the intent of this Agreement. Notwithstanding the foregoing, none of the Company, Parent, the Merger Subs nor any of their respective Affiliates shall be obligated to make any non-de minimis payments or otherwise pay any non-de minimis consideration to any third party to obtain any applicable consent, waiver or approval.

6.11 Debt Financing; Financing Assistance

(a) Parent shall use its reasonable best efforts to, and shall cause its Affiliates to use their reasonable best efforts to, take, or cause to be taken, all actions, and to do, or cause to be done, all things necessary to (i) maintain in effect the Debt Financing Commitment, (ii)

satisfy on a timely basis (or obtain the waiver of) all conditions applicable to and within the control of Parent to obtaining the financings contemplated by the Debt Financing Commitments, (iii) accept to the fullest extent, if applicable, all “market-flex” contemplated by the Debt Financing Commitments (including the fee letters relating thereto), (iv) upon satisfaction of the conditions set forth in the Debt Commitment Letter and the conditions set forth in Article VII of this Agreement, consummate the Debt Financing contemplated by the Debt Financing Commitments on the terms and conditions described therein as promptly as possible following the date hereof, and (v) enforce all of its rights under the Debt Financing Commitments (or any definitive documentation related thereto).

(b) Parent shall use reasonable best efforts to negotiate and enter into definitive credit or loan or other agreements and all other documentation with respect to the financings contemplated in the Debt Financing Commitments as may be necessary for Parent to obtain such funds on terms and conditions no less favorable to Parent than those contained in the Debt Financing Commitments (except to the extent agreed by Parent in its sole reasonable discretion), including with respect to conditionality, and otherwise on terms and conditions which do not materially impair the ability of Parent to perform its obligations hereunder or to complete the transactions contemplated by this Agreement, as soon as reasonably practicable and in any event on or prior to the Closing Date. Parent shall keep the Company reasonably informed regarding the status of the definitive agreements and documentation with respect to the Debt Financing promptly upon request by the Company and, upon request of the Company, deliver complete copies of drafts and copies of executed definitive agreements and documentation.

(c) Parent shall not amend or alter, or agree to amend or alter, any Debt Financing Commitment or any definitive agreement or documentation referred to in this Section 6.11 (except in compliance with the flex provisions) in any manner to add any conditionality or otherwise amend or alter any condition or any other term, which other term would reasonably be expected to materially impair, materially delay or prevent the consummation of the transactions contemplated by this Agreement, in each case without the prior written consent of the Company. Parent shall keep the Company informed with respect to all material activity concerning the status of the Debt Financing Commitments (including the occurrence of any breach or default (or any event or circumstance that, with or without notice, lapse of time or both, would give rise to any breach or default) by any party to the Debt Financing Commitments) that would reasonably be expected to materially impair, materially delay or prevent the consummation of the transactions contemplated by this Agreement and shall promptly (and in any event within one Business Day) notify the Company of (i) the expiration or termination (or attempted, threatened or purported termination, whether or not valid) of the Debt Financing Commitments and (ii) any refusal of a Financing Source to provide, or any stated intent of a Financing Source to refuse to provide, the full financing contemplated by the Debt Financing Commitments, in each case, notwithstanding the reasonable best efforts of Parent to satisfy its obligations under this Section 6.11, and Parent shall use its reasonable best efforts to promptly arrange for alternative financing (the “**Alternative Financing**”) which shall be in an amount sufficient to pay, when added with the other financing under the Debt Financing Commitments, the aggregate consideration and all necessary fees, expenses and other amounts in connection with the consummation of the Transactions (and which do not, without the prior written consent of the Company, include any conditions that are more onerous than or in addition to the conditions set forth in, or that otherwise involve additional conditionality to, the Debt Financing Commitments) to replace the

financing contemplated by such expired or terminated commitments or arrangements or for which such Financing Source has refused to provide such financing. Parent shall deliver to the Company correct and complete copies of any modified or replaced Debt Financing Commitment (with any such fee letter redacted in a manner consistent with the fee letter delivered to the Company prior to or on the date hereof) as promptly as practicable following the execution thereof. For purposes of this Agreement, references to “Debt Financing” shall include the Alternative Financing contemplated by the Debt Financing Commitments as permitted by this Section 6.11(c) to be amended, modified or replaced, and references to the “Debt Financing Commitments” shall include such documents as permitted by this Section 6.11(c) to be amended, modified or replaced, in each case from and after such amendment, modification or replacement.

(d) Parent acknowledges and agrees that, subject to the obligations set forth in Section 6.11(e) through (h), the Company and its Subsidiaries and their respective employees have no responsibility for any financing that Parent may raise in connection with the transactions contemplated hereby (other than following Closing). Parent also acknowledges and agrees that its obtaining financing is not a condition to any of its obligations hereunder, regardless of the reasons why financing is not obtained or whether such reasons are within or beyond the control of Parent. For the avoidance of doubt, if any financing referred to in this Section 6.11 is not obtained, Parent shall continue to be obligated to consummate the transactions contemplated by this Agreement, subject to and on the terms contemplated by this Agreement.

(e) From the date of this Agreement until the Closing (or the earlier termination of this Agreement pursuant to Article VIII), subject to the limitations set forth in this Section 6.11, the Company will, will cause each of its Subsidiaries to, and will use its reasonable best efforts to cause its Representatives to, cooperate with Parent and the Merger Subs as reasonably requested by Parent in connection with the arrangement of any Debt Financing; provided that nothing herein will require such cooperation to the extent it unreasonably interferes, or would unreasonably be expected to interfere, with the business or operations of the Company or its Subsidiaries. Such cooperation will include using reasonable best efforts to (i) furnish Parent with the financial statements and other information which are necessary to satisfy the conditions set forth in paragraph 9 of Exhibit D of the Debt Commitment Letter and such other financial information regarding the Company and its Subsidiaries as Parent shall reasonably request from the Company, to the extent necessary to allow Parent to prepare pro forma financial statements of Parent, that are necessary to satisfy the condition set forth in paragraph 7 of Exhibit D to the Debt Commitment Letter, it being understood that neither the Company nor its Subsidiaries shall be responsible for any adjustments to be made in such pro forma financial statements, (ii) participate in (including using its reasonable best efforts to cause the members of senior management and the Representatives of the Company to participate in) a reasonable number of meetings, presentations, road shows, due diligence sessions, drafting sessions, meetings with Financing Sources and prospective lenders in connection with the Debt Financing and using reasonable best efforts to provide reasonable assistance to Parent and the Merger Subs in their preparation of any customary bank information memoranda, lender presentations and ratings agency presentations (including using reasonable best efforts to cause the execution and delivery of customary authorization letters in connection with such materials), (iii) facilitate the taking of all corporate or other organizational actions by the Company and its Subsidiaries with respect to entering definitive financing documents to the extent reasonably requested or necessary in connection with the consummation of the Debt Financing (it being

understood that directors, officers and employees who will not continue in such capacity as of the Closing Date shall not be required to take such actions in connection with the financing), (iv) provide all documentation and other information about the Company and its Subsidiaries that is reasonably requested by any Financing Source at least ten (10) Business Days prior to the Closing Date and that is required by U.S. regulatory authorities under applicable “know your customer” and anti-money laundering rules and regulations, including the PATRIOT Act, and (v) facilitate the pledging of collateral and assisting Parent and its Financing Sources with matters relating to title to assets or property and the execution and delivery of definitive documents related to the Debt Financing, (provided, that (A) none of the documents or certificates shall be executed and/or delivered except in connection with, or contingent upon, the Closing, (B) the effectiveness thereof shall be conditioned upon, or become operative after, the occurrence of the Closing and (C) no liability shall be imposed on the Company, any of its Subsidiaries or any of their respective officers or employees involved); provided that, notwithstanding anything in this Agreement to the contrary, the Company will not be required to deliver or cause the delivery of any legal opinions or any certificate as to solvency or any other certificate related to the Debt Financing.

(f) Notwithstanding this Section 6.11 or anything else in this Agreement,

(i) in no event will the Company or any of its Subsidiaries be required to pay any commitment fee or other fee or payment to obtain consent, or to incur any liability with respect to, or cause or permit any Encumbrance to be placed on any of their respective assets in connection with, any debt financing prior to the Effective Time; and

(ii) nothing in this Section 6.11 shall require any action that would conflict with or violate the Company’s or any Subsidiaries’ organizational documents or any Laws or result in the contravention of, or that would reasonably be expected to result in a violation or breach of, or a default under, any contract to which the Company or any of its Subsidiaries is a party.

(g) Parent will promptly, upon request by the Company, reimburse the Company, as applicable, for all fees, costs and expenses (including fees and expenses of Representatives) incurred by the Company or any of its Subsidiaries and their respective Affiliates and Representatives in connection their compliance with this Section 6.11 and will indemnify and hold harmless the Equity Holders, the Company, its Subsidiaries and their respective Affiliates and Representatives from and against all losses, damages, claims, costs or expenses suffered or incurred by any of them in connection with the arrangement of any debt financing and any information used in connection therewith. Parent and the Merger Subs acknowledge and agree that their obligations pursuant to this Agreement are not subject to any conditions regarding Parent’s, Merger Subs’, their Affiliates’ or any other Person’s ability to obtain any financing for the consummation of the Transactions.

(h) The parties agree that this Section 6.11 sets forth the Company’s sole obligations with respect to any financing or contemplated financing of Parent and/or the Merger Subs.

6.12 Preservation of Records. Parent shall, and shall cause the Surviving Company to, preserve and keep the records of the Company and its Subsidiaries for a period of seven years following the Closing Date (or longer if required by applicable Law or, in the case of Tax Returns and other Tax information and documentation, thirty (30) days following the expiration of the applicable statute of limitations) and shall make such records (or copies) and reasonably appropriate personnel available, during regular business hours and upon reasonable advance notice, to the Securityholder Representative or any Equity Holder, at the Securityholder Representative's or Equity Holder's expense, as may be reasonably required by such party in connection with any insurance claims by, legal proceedings (other than legal proceedings or Actions between Parent and such Person) or Tax audits against, governmental investigations of, or compliance with applicable Laws by, the Securityholder Representative, the Equity Holders or any of their Affiliates in respect of the Company. Notwithstanding anything herein to the contrary, no such access or examination shall be permitted to the extent that it (i) would unreasonably disrupt the operations of the Company or any of its Subsidiaries or (ii) would require the Company or any of its Subsidiaries to disclose information that, in the reasonable judgment and good faith of counsel to the Company, is subject to attorney-client privilege or may conflict with any applicable Law or confidentiality obligations to which the Company or any of its Subsidiaries is bound; provided, that in each such case, the Company and its Subsidiaries shall use commercially reasonable efforts to take those actions reasonably necessary so that the Company or its Subsidiaries is able to provide such information to the Securityholder Representative or Equity Holder (or a Representative thereof) (which efforts shall not require the Company or its Subsidiaries to waive its attorney-client privilege or violate any Contract or applicable Law).

6.13 Escrow Agreement and Paying Agent Agreement. At the Closing, each of Parent and the Securityholder Representative shall duly execute and deliver to the other, and shall use their reasonable best efforts to cause the Escrow Agent and Paying Agent to duly execute and deliver to Parent and the Securityholder Representative, the Escrow Agreement and the Paying Agent Agreement, respectively.

6.14 FIRPTA Certificate. On or prior to the Closing Date, the Company shall deliver to Parent a certificate in compliance with Treasury Regulation Section 1.1445-2 and Treasury Regulation Sections 1.897-2(h) and 1.1445-2(c) and a non-foreign person certificate in compliance with Treasury Regulation Section 1.1445-2(b), certifying that the Transactions are exempt from withholding under Section 1445 of the Code in the form attached hereto as Exhibit E.

6.15 Shareholders' Agreement. At the Closing, Parent and the Sponsors shall execute and deliver to each other a shareholders' agreement substantially in the form attached hereto as Exhibit F (the "Shareholders' Agreement") providing for certain registration and governance rights and restrictions applicable to the Sponsors.

6.16 No Solicitation of Transactions. From the date hereof until the earlier of the Effective Time and the termination of this Agreement in accordance with its terms, neither the Company nor any of its Subsidiaries shall (and the Company shall cause the Equity Holders and its and their Affiliates and Representatives to), directly or indirectly, submit, solicit, initiate, encourage, discuss or knowingly facilitate any proposal or offer from any Person (other than

Parent and its Affiliates in connection with the Transactions) or enter into any agreement or accept any offer relating to or consummate any (i) reorganization, liquidation, dissolution, recapitalization of the Company or any of its Subsidiaries (other than not involving any Person other than the Company and its Subsidiaries), (ii) merger or consolidation involving the Company or any of its Subsidiaries (other than between the Company's Subsidiaries), (iii) purchase or sale of any equity interests (or any rights to acquire, or securities convertible into or exchangeable for, any such equity interests) or a material amount of assets of the Company or any of its Subsidiaries, or (iv) similar transaction or business combination involving the Company or any of its Subsidiaries or a material amount of their businesses or assets.

6.17 Tax Matters.

(a) Transfer Taxes. At the Closing or, if due thereafter, promptly when due thereafter, all Transfer Taxes, whether imposed on the Company or its Subsidiaries or imposed on any holder of Company Common Stock or Company Options resulting from the Transactions will be paid by Parent or the Surviving Company. Parent and the Surviving Company will prepare any Tax Returns with respect to such Taxes, and the Securityholder Representative will cooperate with Parent and the Surviving Company in the preparation and filing of such Tax Returns.

(b) Cooperation on Tax Matters. Parent, the Surviving Company and the Securityholder Representative will cooperate fully, as and to the extent reasonably requested by any other party hereto, in connection with the filing of Tax Returns or any Tax Claims. Such cooperation will include providing records and information that are reasonably relevant to any such matters, making employees available on a mutually convenient basis to provide additional information and explaining any materials provided pursuant to this Section 6.17(b).

(c) Certain Tax Elections. None of Parent, the Merger Subs, the Company or any of their Affiliates will make any election under Sections 338 or 336(e) of the Code (or any similar provision under state, local or foreign Law) with respect to the Transactions.

(d) Pre-Closing Tax Returns. The Company shall prepare and timely file, or cause to be prepared and timely filed, all Tax Returns of the Company and its Subsidiaries required to be filed on or before the Closing Date ("Pre-Closing Tax Returns") on a basis consistent with past practices and timely pay or cause to be timely paid all Taxes required to be paid by the Company or any of its Subsidiaries on or before the Closing Date. The Company shall submit drafts of any material Pre-Closing Tax Returns to Parent not less than fifteen (15) days prior to the due date for such Pre-Closing Tax Returns for Parent's review and approval (such approval not to be unreasonably withheld, conditioned or delayed). Not less than three (3) Business Days after the payment of any Taxes attributable to a Pre-Closing Tax Return, the Company shall, or shall cause its applicable Affiliate to, deliver to Parent a copy of a receipt of such Tax payment or other evidence of such Tax payment reasonably satisfactory to Parent.

(e) Tax Sharing Agreements. Other than the Seller Acquisition Merger Agreement, all Tax indemnity, Tax sharing, Tax allocation or other similar agreements between or among the Company and any of its Subsidiaries, on the one hand, and any other Equity Holder or any Affiliate thereof, on the other hand, including any agreement pursuant to which the

Company or any of its Subsidiaries is or may be required to make payments based on or determined by reference to the use, utilization or taking into account of any loss, deduction or other tax item (including the carryforward thereof) and excluding any commercial agreement the primary subject matter of which does not relate to Taxes, shall be terminated prior to the Closing, and after the Closing neither the Company nor any of its Subsidiaries shall be bound thereby or have any liability thereunder.

(f) **Reorganization.** Each of the parties shall use its reasonable best efforts to cause the Mergers, taken together, to qualify as a reorganization within the meaning of Section 368(a) of the Code. None of the parties shall (and each of the parties shall cause their respective Subsidiaries not to) take any action, or fail to take any action not contemplated by this Agreement, that would reasonably be expected to cause the Mergers, taken together, to fail to qualify as a reorganization within the meaning of Section 368(a) of the Code. The parties intend to report and, except to the extent otherwise required by Law, shall report, for all tax purposes, the Mergers, taken together, as a reorganization within the meaning of Section 368(a) of the Code.

6.18 Written Consents; Appraisal. As promptly as practicable after the execution and delivery of this Agreement, and without limiting the rights of Parent pursuant to Section 7.02(e), the Company will deliver to Parent executed written consents in the form set forth as Exhibit A hereto adopting this Agreement in accordance with the DGCL and the Company's organizational documents, which written consents shall, at the time of such delivery, be executed by the Minimum Supporting Holders. Notwithstanding any other provision hereof, in the event that there are any Appraisal Shares, the Company shall take such all actions as are necessary to cause the holders of such Appraisal Shares to waive such rights, including by enforcing any contractual rights that would require such waivers.

ARTICLE VII

CONDITIONS OF CLOSING

(a) there shall not be any Governmental Order or other Law, in each case of a Government Entity having competent jurisdiction over the Company and its Subsidiaries, enjoining, prohibiting or preventing the consummation of the Transactions; and

(b) any required waiting periods (including any extension thereof) under the HSR Act applicable to the consummation of the Transactions shall have terminated or expired.

7.02 Additional Conditions to Obligations of Parent and Merger Subs. The obligations of Parent and the Merger Subs to consummate the Transactions are subject to the fulfillment, as of the Closing Date, of each of the following conditions (any or all of which may be waived in writing by Parent in whole or in part in its sole discretion):

ARTICLE VIII

TERMINATION

8.01 **Termination of Agreement**. This Agreement may be terminated at any time prior to the Closing, notwithstanding the approval thereof by the stockholders of the Company at any time prior to the Closing, as follows:

(a) at the election of the Company or Parent on or after November 7, 2017 (the “**Outside Date**”), if the Closing shall not have occurred by 4:00 p.m. New York time on such date; provided, however, that neither the Company nor Parent may terminate this Agreement pursuant to this Section 8.01(a) if it (or, in the case of Parent, the Merger Subs) is in breach of any of its obligations hereunder and such breach causes, or results in, either (i) the failure to satisfy the conditions to the obligations of the terminating party set forth in Article VII prior to the Outside Date or (ii) the failure of the Closing to have occurred prior to the Outside Date;

(b) by mutual written consent of the Company and Parent;

(c) by the Company or Parent if there shall be in effect a final, nonappealable Governmental Order or Law, in each case of a Government Entity having competent jurisdiction over the Company and its Subsidiaries, enjoining or otherwise prohibiting the consummation of the Transactions; provided, however, that the right to terminate this Agreement pursuant to this Section 8.01(c) shall not be available to the party seeking to terminate if a material breach by such party (or, in the case of Parent, the Merger Subs) of any of its representations, warranties or covenants contained in this Agreement has been the cause of, or resulted in, the issuance of such nonappealable Governmental Order or Law;

(d) by Parent if (i) none of Parent or the Merger Subs is in material breach of any of their respective representations, warranties or covenants hereunder and (ii) the Company is in breach of any of its representations, warranties or covenants hereunder that would render any condition set forth in Section 7.02(a), Section 7.02(b) or Section 7.02(c) not to be satisfied, and such breach is either (A) not capable of being cured prior to the Outside Date or (B) if curable, is not cured within the earlier of (x) 20 Business Days after the giving of written notice by Parent to the Company and (y) two Business Days prior to the Outside Date;

(e) by the Company if (i) (A) the conditions set forth in Section 7.01 and Section 7.02 are satisfied (other than those conditions that by their nature are to be satisfied at the

Closing but subject to their being capable of being satisfied if the Closing were to occur on the date of termination), (B) the Company has given notice to Parent in writing that it is ready, willing and able to consummate the Closing and (C) Parent or either Merger Sub fails to complete the Closing when required to in accordance with Section 2.02 or (ii) the Company is not in material breach of its representations, warranties or covenants hereunder and Parent or the Merger Subs is in breach of any of its respective representations, warranties or covenants hereunder that would render any condition set forth in Section 7.03(a), Section 7.03(b) or Section 7.03(c) not to be satisfied, and (in the case of this clause (ii) only) such breach is either (A) not capable of being cured prior to the Outside Date or (B) if curable, is not cured within the earlier of (x) 20 Business Days after the giving of written notice by the Company to Parent and (y) two Business Days prior to the Outside Date; or

(f) by Parent, unless, prior to the opening of trading in the United States financial markets on the first (1st) Business Day after the date of this Agreement, the Company has delivered to Parent a written consent constituting the Stockholder Approval, or if such Stockholder Approval thereafter does not continue to remain in full force and effect through the Closing Date.

8.02 Procedure Upon Termination. In the event of termination and abandonment by the Company or Parent, or both, pursuant to Section 8.01, written notice thereof shall be given to the other party or parties, and the Transactions shall be abandoned, without further action by any of the Company, Parent or the Merger Subs.

8.03 Effect of Termination. In the event that this Agreement is validly terminated in accordance with Section 8.01, then each of the parties shall be relieved of its duties and obligations arising under this Agreement and such termination shall be without any liability to the Company, Parent or the Merger Subs; provided, however, that subject to the terms of this Section 8.03, no such termination shall relieve any party hereto from liability for any intentional and material breach prior to such termination and (ii) the provisions of Section 6.05, Section 6.06, the last sentence of Section 6.08(a), Section 6.11(g), this Section 8.03 and Article X shall remain in full force and effect and survive any termination of this Agreement in accordance with its terms. For the avoidance of doubt and without limiting the Company's rights under this Section 8.03 or elsewhere under this Agreement, for all purposes of this Agreement, the failure of Parent and/or the Merger Subs to consummate the Closing when required in accordance with Section 2.02, and to make the payments required by Article III when required, shall be an intentional and material breach of this Agreement by Parent and the Merger Subs. In the event of the termination of this Agreement by either the Company or Parent as provided in Section 8.01: (a) each party, if so requested by any other party, will return or destroy promptly every document furnished to it by such other party (or any Affiliate or Representative of such other party) in connection with the Transactions, whether so obtained before or after the execution of this Agreement, and any copies thereof (except for copies of documents publicly available) that may have been made, and will use reasonable best efforts to cause its Representatives and any Representatives of financial institutions, financing sources and others to whom such documents were furnished promptly to return or destroy such documents and any copies thereof any of them may have made; and (b) the Confidentiality Agreement will remain in full force and effect and survive the termination of this Agreement.

ARTICLE IX

(b) Except for the representations and warranties contained in Article V and the Shareholders Agreement and in any information statement or offering memorandum delivered in connection with the Transactions, none of Parent or the Parent’s Subsidiaries or any of their respective Affiliates, directors, officers, employees, subsidiaries, controlling persons, agents or other Representatives or any other Person has made or makes any other express or implied representation or warranty, whether written or oral, on behalf of Parent, Parent’s Subsidiaries or their respective Affiliates, directors, officers, employees, Subsidiaries, controlling persons, agents or other Representatives or any other Person, regarding the Parent Shares or Parent generally.

(c) Except for the representations and warranties contained in Article IV, none of the Company, the Company’s Subsidiaries or any other Person will have or be subject to any liability or indemnification obligation to Parent, the Merger Subs or any other person resulting from the distribution to Parent and the Merger Subs, or Parent’s or the Merger Subs’ use of any information, documents, projections, forecasts or other material made available to Parent or a Merger Sub in the Electronic Data Room or management presentations in expectation of the Transactions or otherwise. Except for the representations and warranties contained in Article IV, it is understood that any cost estimates, projections or other predictions, any data, any financial information or any memoranda or offering materials or presentations provided or addressed to Parent or any Merger Sub are not and shall not be deemed to be or to include representations and warranties of the Company or any of its Subsidiaries or Affiliates. Except for the representations and warranties expressly contained in Article IV, Parent and the Merger Subs have not relied on any representations or warranties, statements or omissions, and acknowledge and agree to the Company’s express disavowal and disclaimer of any other representations, warranties, statements or omissions whether made by the Company or any other Person on behalf of the Company, and of all liability and responsibility for any representation, warranty, projections, forecasts or other material made available to Parent or any Merger Sub, including any opinion, information, projection, forecast or other information that may have been or may be provided to Parent or a Merger Sub by any director, officer, employee, agent, consultant or other Representative of the Company or any of its Affiliates. In furtherance of the foregoing, and not in limitation thereof, except to the extent expressly set forth in the representations and warranties

contained in Article IV, Parent and the Merger Subs specifically acknowledge and agree that none of the Company or any of its Subsidiaries or Affiliates makes or has made any representation or warranty, express or implied, with respect to any financial projection or forecast delivered to Parent or any Merger Sub with respect to the results or activities or the probable success or profitability of the Company or any of the Company's Subsidiaries or their respective businesses either before or after the Closing Date. Parent and the Merger Subs acknowledge that they are relying solely on the results of their own independent investigation and verification and the representations and warranties expressly contained in Article IV.

(d) Parent, the Merger Subs and their respective Affiliates, directors, officers, employees, subsidiaries, controlling persons, agents and other Representatives hereby acknowledge that, except for the representations and warranties contained in Article IV, no other statutory, express or implied representation or warranty, whether written or oral, concerning the Company Common Stock, the Transactions or the business, assets or liabilities of the Company and the Company's Subsidiaries, the execution, delivery or performance of this Agreement or the other Transaction Agreements or any other matter, including any implied warranties of merchantability and implied warranties of fitness for a particular purpose, is or has been made.

9.02 Survival. The representations, warranties, covenants and agreements of the parties contained in this Agreement shall not survive the Closing and there shall be no liability in respect thereof, whether such liability has accrued prior to or after the Closing, on the part of any party, its Affiliates or any of their respective officers, directors, agents or other Representatives, except (i) that those covenants and agreements that by their terms apply or are to be performed, in whole or in part, at or after the Closing shall survive the Closing in relevant part, and (ii) Article X shall survive the Closing.

10.05 **Headings**. The headings contained in this Agreement are inserted for convenience only and shall not be considered in interpreting or construing any of the provisions contained in this Agreement.

10.06 **Fees and Expenses**. Except as otherwise specified in this Agreement, each party shall bear its own costs and expenses (including investment advisory and legal fees and expenses) incurred in connection with this Agreement and the transactions contemplated hereby; provided, however, that Parent shall be responsible for all Transfer Taxes (as well as the filing of all Tax Returns with respect thereto) and for all fees and expenses in connection with any filing pursuant to the HSR Act or any other Competition Law.

10.07 **Entire Agreement**. This Agreement (including the Exhibits and Schedules), together with the other Transaction Agreements constitute the entire agreement between the parties with respect to the subject matter hereof and supersede all prior agreements and understandings between the parties with respect to such subject matter; provided, however, this Agreement shall not supersede the terms and provisions of the Confidentiality Agreement, which shall survive and remain in effect until the expiration or termination thereof in accordance with its terms and this Agreement.

10.08 **Interpretation**.

(a) When a reference is made in this Agreement to an Article, Section, Exhibit or Schedule, such reference shall be to an Article, Section, Exhibit or Schedule of or to this Agreement (or, with respect to any references to Sections of the Company Disclosure Schedule in Article IV, the Company Disclosure Schedule) unless otherwise indicated.

(b) Whenever the words “include,” “includes” or “including” are used in this Agreement, they shall be deemed to be followed by the words “without limitation.”

(c) When a reference in this Agreement is made to a “party” or “parties,” such reference shall be to a party or parties to this Agreement unless otherwise indicated.

(d) Unless the context requires otherwise, the terms “hereof,” “herein,” “hereby,” “hereto” and derivative or similar words in this Agreement refer to this entire Agreement and not to any particular Section or paragraph hereof.

(e) The word “or” is disjunctive but not necessarily exclusive.

(f) Accounting terms which are not otherwise defined in this Agreement shall have the meanings given to them under GAAP.

(g) Unless the context requires otherwise, words in this Agreement using the singular or plural number also include the plural or singular number, respectively, and the use of any gender herein shall be deemed to include the other genders.

(h) References in this Agreement to “dollars” or “\$” are to U.S. dollars.

(i) References in this Agreement to statutes shall include all rules and regulations promulgated thereunder and references to statutes, rules or regulations shall be construed as including all statutory and regulatory provisions consolidating, amending or replacing the statute, rule or regulation.

(j) References to documents or other materials “provided” or “made available” to Parent or similar phrases shall mean that such documents or other materials were present in the Electronic Data Room available to Parent and/or its Representatives (as applicable) as of the date hereof. Promptly after the execution of this Agreement, the Company shall deliver an electronic copy of the Electronic Data Room to Parent as of such time. Upon the request of Parent, the Company or the Securityholder Representative shall deliver an updated copy of the Electronic Data Room to Parent as of the Closing Date.

(k) This Agreement was prepared jointly by the parties and no rule that it be construed against the drafter will have any application in its construction or interpretation.

10.09 Company Disclosure Schedule.

(a) The Company Disclosure Schedule and the information and disclosures contained therein relate to and qualify certain of the representations, warranties, covenants and obligations made by the Company in this Agreement and shall not be construed or otherwise deemed to constitute, any representation, warranty, covenant or obligation of the Company or any other Person except to the extent explicitly provided in the Agreement and shall not be deemed to expand in any way the scope or effect of any of such representations, warranties, covenants or obligations. No reference to or disclosure of any item or other matter in the Company Disclosure Schedule shall be construed as an admission or indication, in and of itself, that such item represents a material exception or material fact, event or circumstance, that such item has had or would reasonably be expected to have a Material Adverse Effect, or that such item or other matter is required to be referred to or disclosed in the Company Disclosure Schedule. Such additional matters are set forth for informational purposes only. No reference in the Company Disclosure Schedule to any agreement or document, in and of itself, shall be construed as an admission or indication that such agreement or document is enforceable or currently in effect or that there are any obligations remaining to be performed or any rights that may be exercised under such agreement or document. No disclosure in the Company Disclosure Schedule relating to any possible breach or violation of, or non-compliance with, any agreement, law or regulation, in and of itself, shall be construed as an admission or indication that any such breach, violation or non-compliance exists or has actually occurred, and nothing in the Company Disclosure Schedule shall constitute an admission of any liability or obligation of any Person to any other Person or shall confer or give any third party any remedy, claim, liability, reimbursement, cause of action or any other right whatsoever. Neither the specification of any item or matter in any representation or warranty contained in the Agreement nor the inclusion of any specific item in the Company Disclosure Schedule is intended to imply that such item or matter, or other items or matters, are or are not in the ordinary course of business, and no party shall use the fact of the setting forth or the inclusion of any such item or matter in any dispute or controversy between the parties as to whether any obligation, item or matter not described in the

Agreement or included in the Company Disclosure Schedule is or is not in the ordinary course of business for purposes of the Agreement. The Company Disclosure Schedule is arranged in sections corresponding to the Sections in the Agreement and any items or matters set forth in one section or subsection of the Company Disclosure Schedule shall be deemed to apply to and qualify the Section or subsection of this Agreement to which it corresponds and each other Section or subsection of the Agreement to the extent the relevance of such items or matters to such other Section or subsection of this Agreement is reasonably apparent on its face. The inclusion of any cross-references to any Schedules, or the failure to include such cross-references, shall not be deemed to mean that the relevance of any disclosure is not reasonably apparent for the purposes of the immediately preceding sentence. The headings contained in the Company Disclosure Schedule are included for convenience and reference only, and are not intended to limit the effect of the disclosures contained in the Company Disclosure Schedule or to expand, modify or influence the scope of the information required to be disclosed in the Company Disclosure Schedule or the interpretation of this Agreement.

(b) The information contained in the Company Disclosure Schedule is confidential, proprietary information of the Company, and Parent and the Merger Subs shall be obligated to maintain and protect such confidential information pursuant to this Agreement and the Confidentiality Agreement. In disclosing the information in the Company Disclosure Schedule, the Company expressly does not waive any attorney-client privilege or other similar privilege associated with such information or any protection afforded by the work-product doctrine or other similar doctrine with respect to any of the matters disclosed or discussed herein.

10.10 **Waiver and Amendment**. This Agreement may be amended, modified or supplemented only by a mutual written agreement executed and delivered by the Company (with the consent of the Securityholder Representative) and Parent. Except as otherwise provided in this Agreement, any failure of any party to comply with any obligation, covenant or condition herein may be waived by the party entitled to the benefits thereof only by a written instrument signed by the party granting such waiver, but such waiver or failure to insist upon strict compliance with such obligation, covenant, agreement or condition shall not operate as a waiver of, or estoppel with respect to, any subsequent or other failure. Notwithstanding the foregoing provisions of this Section 10.10, no amendment or modification to any of Section 10.02(c), the first sentence of Section 10.03, this sentence of this Section 10.10, the proviso of the second sentence of Section 10.12 or Section 10.13(b) that is adverse to the Financing Sources shall become effective without the prior written consent of the adversely affected Financing Sources.

10.11 **Counterparts**. This Agreement may be executed in any number of counterparts, including by means of facsimile or email in Portable Document Format, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement.

10.12 **Third-Party Beneficiaries**. This Agreement shall be binding upon and inure solely to the benefit of, and be enforceable by, only the parties hereto and their respective successors and permitted assigns except (a) as set forth in Section 6.09, Section 10.15 and Section 10.16, (b) for the right of the Company on behalf of the Equity Holders to pursue damages (including claims for damages based on loss of the economic benefits of the Merger, including Article III, to the Equity Holders) in the event the Closing has not occurred as a result

of Parent's or a Merger Sub's breach of this Agreement, or (c) after the Effective Time, if Parent shall not have made payments in accordance with Article III, the right of the Securityholder Representative (on behalf of each Equity Holder) to enforce directly the Equity Holders' right to receive the amounts payable pursuant to Article III. Nothing herein, express or implied, is intended to or shall confer upon any other Person any right, benefit or remedy of any nature whatsoever, including any rights of employment for any specified period, under or by reason of this Agreement; provided that the provisions of Section 10.02(c), the first sentence of Section 10.03, the third sentence in Section 10.10, this proviso of this Section 10.12 and Section 10.13(b), in each case, pertaining to the Financing Sources, are intended to be for the benefit of, and shall be enforceable by, the Financing Sources.

10.13 Remedies.

(a) Immediate, extensive and irreparable damage would occur for which monetary damages would not be an adequate remedy in the event that any of the provisions of this Agreement are not performed in accordance with their specific terms or are otherwise breached. Accordingly, if for any reason the Company, Parent or any Merger Sub shall have failed to perform its obligations under this Agreement or otherwise breached this Agreement (excluding, for the avoidance of doubt, if the Closing has occurred, any failure to perform or breach for which the parties have no liability under this Agreement pursuant to Section 9.01 and Section 9.01(d)), then the party seeking to enforce this Agreement against such nonperforming party shall be entitled to specific performance and the issuance of immediate injunctive and other equitable relief without the necessity of proving the inadequacy of money damages as a remedy, and the parties further agree to waive any requirement for the securing or posting of any bond in connection with the obtaining of any such injunctive or other equitable relief, this being in addition to and not in limitation of any other remedy to which they are entitled at law or in equity.

(b) No Financing Source will have any liability to the Company, any of its Affiliates, Representatives or any of its Subsidiaries (in each case, in their capacities as such), relating to or arising out of this Agreement, any Debt Financing or otherwise, whether at law, or equity, in contract, in tort or otherwise, and no such Person will have any rights or claims against any Financing Source or be entitled to seek the remedy of specific performance of this Agreement against any Financing Source (such Financing Sources being express third party beneficiaries of this sentence). No Financing Source shall be subject to any indirect, special, punitive or consequential damages or damages of a tortious nature in connection with the Debt Financing.

10.14 Severability. If any provision of this Agreement or the application of any such provision to any Person or circumstance shall be held invalid, illegal or unenforceable in any respect by a court of competent jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision hereof.

10.15 Securityholder Representative.

(a) Pursuant to the adoption of this Agreement by Company Common Stockholders representing greater than 50% of the outstanding shares of Company Common

Stock, each Equity Holder will be deemed to have irrevocably appointed, authorized and empowered the Securityholder Representative to act as a representative for the benefit of each Equity Holder as the exclusive agent and attorney-in-fact with the power and authority to act on behalf of each Equity Holder in connection with and to facilitate the consummation of the Transactions (including the Initial Merger and the Follow-On Merger), which shall include the power and authority as is necessary to carry out the functions assigned to the Securityholder Representative under this Agreement; provided, however, that the Securityholder Representative shall have no obligation to the Equity Holders to act except as expressly provided herein, and without limiting the generality of the foregoing, the Securityholder Representative shall have the power and authority:

(i) to execute and deliver such waivers and consents in connection with this Agreement and the other Transaction Agreements and the consummation of the Initial Merger and the Follow-On Merger and other transactions contemplated hereby and thereby as the Securityholder Representative, in its sole discretion, may deem necessary or desirable, including any amendments or modifications to this Agreement or the other Transaction Agreements;

(ii) to enforce and protect the rights and interests of the Equity Holders and to enforce and protect the rights and interests of the Securityholder Representative arising out of or under or in any manner relating to this Agreement and the other Transaction Agreements and the other agreements contemplated hereby and thereby or the Mergers and other transactions provided for herein or therein, and to take any and all actions which the Securityholder Representative believes are necessary or appropriate under this Agreement or the other Transaction Agreements for and on behalf of the Equity Holders. Without limiting the generality of the foregoing, the Securityholder Representative may (A) assert any claim or institute any Action, (B) investigate, defend, contest or litigate any Action initiated by Parent or any other Person, or by any Governmental Entity against the Securityholder Representative or any of the Equity Holders, (C) receive process on behalf of any or all Equity Holders in any such Action and compromise or settle on such terms as it shall determine to be appropriate, and give receipts, releases and discharges with respect to, any such Action, (D) file any proofs of debt, claims and petitions as it may deem advisable or necessary, and (E) file and prosecute appeals from any decision, judgment or award rendered in any such Action (it being understood that the Securityholder Representative shall not have any obligation to take any such actions, and shall not have any liability for any failure to take any such actions);

(iii) to refrain from enforcing any right of the Equity Holders arising out of or under or in any manner relating to this Agreement or the other documents contemplated hereby; provided, however, that no such failure to act on the part of the Securityholder Representative, except as otherwise provided in this Agreement or the other Transaction Agreements, shall be deemed a waiver of any such right or interest by the Securityholder Representative or by the Equity Holders unless such waiver is in writing signed by the waiving party or by the Securityholder Representative;

(iv) to make, execute, acknowledge and deliver all such other agreements, guarantees, orders, receipts, endorsements, notices, requests, instructions, certificates, stock powers, letters and other writings, and, in general, to do any and all things and to take any and all action that the Securityholder Representative, in its sole and absolute discretion, may consider necessary or proper or convenient in connection with or to carry out the Initial Merger and the Follow-On Merger and other transactions contemplated by this Agreement and the other Transaction Agreements, and all other agreements, documents or instruments referred to herein or therein or executed in connection herewith and therewith;

(v) to give and receive all notices and communications to be given or received under this Agreement and to receive service of process in connection with any claims under this Agreement and the other Transaction Agreements, including service of process in connection with any arbitration;

(vi) to determine whether to deliver a Notice of Disagreement and to resolve any disputes regarding the Closing Statement; and

(vii) to make or receive any payments or to pay any expenses under or in connection with this Agreement or the other Transaction Agreements or on behalf of the Equity Holders, including by using the Securityholder Representative Expense Amount (and any interest or earnings thereon) to satisfy costs, expenses and/or liabilities of the Securityholder Representative in connection with matters related to this Agreement or the other Transaction Agreements, with any balance of the Securityholder Representative Expense Amount not used for such purposes to be disbursed and paid, at such time as the Securityholder Representative determines, in its sole discretion, that no additional such costs, expenses or liabilities shall become due and payable, to the Equity Holders in accordance with Section 3.06(e), which, for the avoidance of doubt, shall not be prior to the determination of the Final Merger Consideration.

(b) Parent and the Merger Subs may rely upon all actions taken or omitted to be taken by the Securityholder Representative pursuant to this Agreement and the other Transaction Agreements (including any instructions with respect to the allocation or payment of any consideration payable to the Equity Holders or former Equity Holders hereunder), all of which actions or omissions shall be legally binding upon the Equity Holders.

(c) The grant of authority provided for herein (i) is coupled with an interest and shall be irrevocable and survive the death, incompetency, bankruptcy or liquidation of any Equity Holder and (ii) shall survive the consummation of the Mergers and other transactions contemplated hereby and by the other Transaction Agreements.

(d) All actions taken by the Securityholder Representative under this Agreement and the other Transaction Agreements shall be binding upon all Equity Holders and their respective successors and assigns as if expressly confirmed and ratified in writing by each of them. Parent shall serve notice to, and deal exclusively with, the Securityholder Representative with respect to any and all matters concerning any of the Equity Holders arising out of or related to this Agreement or the other Transaction Agreements and all other

agreements or instruments contemplated hereby or thereby or the Mergers and other transactions contemplated hereby or thereby, unless otherwise instructed by the Securityholder Representative, and shall be entitled to rely conclusively (without further evidence of any kind whatsoever) on any document purported by the Securityholder Representative to have been executed by or on behalf of any of the Equity Holders as fully binding upon them. If the Securityholder Representative shall resign, dissolve, cease to exist or otherwise be unable to fulfill its responsibilities as representative of the Equity Holders, the Equity Holders shall, within 10 days after the occurrence of such event, appoint (by majority vote or written consent of the holders of shares of Company Common Stock) a successor representative and, promptly thereafter, shall notify the Equity Holders and Parent of the identity of such successor. Any such successor shall succeed to the rights and obligations of the Securityholder Representative as representative of the Equity Holders hereunder. If for any reason there is no Securityholder Representative at any time, all references herein or in any other agreement or instrument contemplated hereby to the Securityholder Representative in which the Securityholder Representative is authorized to act on behalf of the Equity Holders shall be deemed to refer to the Equity Holders. Each Equity Holder upon the execution of a Letter of Transmittal, agrees that any action taken by the Securityholder Representative on its behalf pursuant to the terms of this Agreement, the other Transaction Agreements and the other agreements and instruments contemplated hereby and thereby, including all actions and inactions permitted by this Section 10.15, shall be fully binding on them.

(e) By the execution of a Letter of Transmittal, each Equity Holder irrevocably shall agree that the Securityholder Representative shall have no liability to any Equity Holder with respect to actions taken or omitted to be taken in its capacity as the Securityholder Representative and that the Securityholder Representative shall be under no obligation to take any action in its capacity as the Securityholder Representative, unless the Securityholder Representative has been provided with funds, security or indemnities which, in the sole determination of Securityholder Representative, are sufficient to protect the Securityholder Representative against the costs, expenses and liabilities which may be incurred by the Securityholder Representative in responding to such direction or taking such action. By the execution of a Letter of Transmittal, each Equity Holder irrevocably shall agree that the Securityholder Representative shall be entitled to engage such counsel, experts and other agents and consultants as it shall deem necessary in connection with exercising its powers and performing its function hereunder and (in the absence of bad faith on the part of the Securityholder Representative) shall be entitled to conclusively rely on the opinions and advice of such persons. By the execution of a Letter of Transmittal, each Equity Holder irrevocably shall agree that the Securityholder Representative shall be entitled to indemnification from the Equity Holders against any loss, liability or expenses arising out of actions taken or omitted to be taken in its capacity as the Securityholder Representative (except for those arising out of Securityholder Representative's gross negligence or willful misconduct), including the costs and expenses of investigation and defense of claims. The Equity Holders will indemnify the Securityholder Representative in accordance with the immediately preceding sentence on a pro rata basis based on their respective equity interest in the Company as of immediately prior to the Closing.

(f) The parties acknowledge that the Securityholder Representative's obligations under this Section 10.15 are solely as a representative of the Equity Holders and that the Securityholder Representative shall have no personal responsibility or liability for any expenses, costs or other liabilities incurred by it in such capacity.

10.16 No Recourse. Except pursuant to the Letters of Transmittal, notwithstanding anything else that may be expressed or implied in this Agreement or any document or instrument delivered in connection herewith, by its acceptance of the benefits of this Agreement, each party covenants, agrees and acknowledges that no Persons other than the parties hereto have any liabilities, obligations, commitments (whether known or unknown or whether contingent or otherwise) hereunder, and that, notwithstanding that the Equity Holders of the Company or their respective managing members or general partners may be partnerships or limited liability companies, no party has any right of recovery under this Agreement, or any claim based on such liabilities, obligations, commitments against, and no personal liability shall attach to, the former, current or future equity holders, controlling persons, directors, officers, employees, agents, Affiliates, members, managers or general or limited partners of any party or any former, current or future stockholder, controlling person, director, officer, employee, general or limited partner, member, manager, Affiliate or agent of any of the foregoing (collectively, but not including the parties hereto, each a "**Non-Recourse Party**"), through a party hereto or otherwise, whether by or through attempted piercing of the corporate veil, by or through a claim by or on behalf of a party hereto against any Non-Recourse Party, by the enforcement of any assessment or by any legal or equitable proceeding, by virtue of any statute, regulation or Law, or otherwise.

10.17 Representation. Each of the parties to this Agreement hereby agrees, on its own behalf and on behalf of its directors, members, equityholders, partners, managers, members, officers, employees and Affiliates, (a) that Kirkland & Ellis LLP (the "**Retained Counsel**") has been retained by, and may serve as counsel to, each and any of the Securityholder Representative, the Equity Holders and their respective Affiliates (other than the Company and its Subsidiaries) (individually and collectively, the "**Seller Group**"), on the one hand, and the Company and its Subsidiaries, on the other hand, in connection with the negotiation, preparation, execution, delivery and performance of this Agreement, and the consummation of the Transactions, (b) that the Retained Counsel has not acted as counsel for any other party hereto in connection with the Transactions and that none of the other parties hereto has the status of a client of the Retained Counsel for conflict of interest or any other purposes as a result thereof, and (c) that, following consummation of the Transactions, the Retained Counsel (or any of its respective successors) may serve as counsel to the Seller Group or any director, member, partner, manager, officer, employee or Affiliate of any member of the Seller Group, in connection with any litigation, action, suit, claim, investigation, proceeding or obligation arising out of or relating to this Agreement or the Transactions. Notwithstanding such representation or any continued representation of the Company or any of its Subsidiaries, each of the parties hereto (on their own behalf and on behalf of their Affiliates) hereby consents thereto and knowingly, willingly and irrevocably waives any conflict of interest arising therefrom. The Company, Parent and the Seller Group hereby agree that, in the event that a dispute arises after the Closing between Parent, the Company and/or their Subsidiaries on the one hand, and the Seller Group or their respective Affiliates, on the other hand, the Retained Counsel may represent the Seller Group, and/or such Affiliates in such dispute even though the interests of the Seller Group and/or such

Affiliates may be directly adverse to Parent, the Company or their Subsidiaries, and even though the Retained Counsel may have represented the Company or its Subsidiaries in a matter substantially related to such dispute, or may be handling ongoing matters for Parent, the Company or any of their Subsidiaries. In addition, Parent agrees that (x) all communications among any member of the Seller Group, the Company and its Subsidiaries (as to the Company and its Subsidiaries, with respect to pre-Closing communications only), any of their respective Affiliates, directors, officers, employees or Representatives, and the Retained Counsel that relate in any way with the negotiation, preparation, execution, delivery and closing under, or any dispute arising in connection with, this Agreement, or otherwise relating to any potential sale of the Company or the Transactions (the “**Protected Seller Communications**”), will be deemed to be privileged and confidential communications, (y) all rights to such Protected Seller Communications, the expectation of client confidentiality, and the control of the confidentiality and privilege applicable thereto, belong to and will be retained by the Seller Group, and (z) to the extent Parent or any of its Affiliates (including the Company and its Subsidiaries after the Closing) should discover in its possession after the Closing any Protected Seller Communications, it will take reasonable steps to preserve the confidentiality thereof and promptly deliver the same to the Securityholder Representative, keeping no copies, and will not by reason thereof assert any loss of confidentiality or privilege protection. As to any such Protected Seller Communications prior to the Closing Date, Parent, the Company, and each of their Subsidiaries together with any of their respective affiliates, Subsidiaries, successors or assigns, further agree that none of the foregoing may use or rely on any of the Protected Seller Communications in any action against or involving any of the Seller Group or the Retained Counsel after the Closing. The Protected Seller Communications may be used by the Seller Group and/or any of their respective Affiliates in connection with any dispute that relates in any way to this Agreement or the Transactions. Notwithstanding the foregoing, in the event that a dispute arises between Parent, the Company or any of their Affiliates and a third party after the Closing, Parent may assert the attorney-client privilege to prevent disclosure of confidential communications by counsel for Parent to such third party; provided, however, that neither Parent nor any of its Affiliates may waive such privilege without the prior written consent of the Securityholder Representative. Parent and the Merger Subs knowingly, willingly, irrevocably and expressly acknowledge and agree, on their own behalf, that the agreements contained in this Section 10.17 (i) require performance after the Closing to the maximum extent permitted by applicable Law and will survive the Closing for twenty (20) years and will not be subject to any of the survival provisions of Section 9.01(d) and (ii) are an integral part of the Transactions and that, without the agreements set forth in this Section 10.17, the Company would not enter into this Agreement or recommend approval of this Agreement to the Company Common Stockholders.
