ABM Awarded Contract with San Jacinto College

ABM Education Team to Provide Custodial Services for 2.8+ Million Square Feet of Space

NEW YORK, April 30, 2018 (GLOBE NEWSWIRE) -- [ABM](#) (NYSE:ABM), a leading provider of facility solutions, has been awarded a multi-year contract to provide custodial services for San Jacinto College in East Harris County, Texas.

The ABM Education team will clean the 2.8+ million square feet encompassing San Jacinto College's four campuses and 12 extension centers that serve nearly 45,000 students each year.

"We are pleased to partner with San Jacinto College — one of the largest community colleges in Texas," says Myron Luckenbach, Senior Vice President of Operations, ABM Education. "As a top provider of higher education facilities services in the U.S., we bring an in-depth understanding of the collegiate culture, a long-term management team, a student safety focus, and a technology-based, data-driven service delivery model. San Jacinto College's faculty, staff and students can focus on learning, while we deliver the highest quality custodial services."

"We are excited about this new partnership with ABM," said John Maslonka, Director of Facilities Support Services at San Jacinto College. "As one of the nation's top five community colleges, it's important that we partner with a company like ABM that has tremendous depth and proven experience in higher education custodial services to allow for opportunities of excellence in service for our College community."

ABM creates a healthier, comfortable, attractive and sustainable learning environment for K-12 school systems, colleges and universities throughout the U.S. ABM's facilities services expertise includes custodial services, energy management, maintenance services, parking, landscaping and more.
