

Call of Duty®: Modern Warfare®: Mobilized in Development for Nintendo DS

SANTA MONICA, Calif., Aug 03, 2009 /PRNewswire-FirstCall via COMTEX News Network/ -- Suit up and get ready to deploy for more high-speed action this November 10, as Activision Publishing, Inc. (Nasdaq: ATVI) revealed plans today to deploy Call of Duty: Modern Warfare: Mobilized for Nintendo DS(TM). Developed exclusively for the Nintendo DS by n-Space, Call of Duty: Modern Warfare: Mobilized will deliver an arsenal of cutting-edge weaponry, vehicles and tactics, arming players with precision controls for battle across the world's most dangerous hotspots. Gamers will fight on the ground in intense building-to-building tactical combat, hack into enemy computer terminals, take the controls of military vehicles like Battle Tanks and UAV spy drones, or man the guns of an AC-130 gunship.

Call of Duty: Modern Warfare: Mobilized will bring the epic Call of Duty intensity of Modern Warfare to Nintendo DS fans through a unique storyline and companion narrative. The title will also serve up a bevy of features, including a six-player online multiplayer mode that allows friends to host their own server, as well as the brand new Survival Mode, giving players a variety of weapons to hold off waves of oncoming enemy forces and an expanded six-player online multiplayer mode. Also, Arcade Mode will allow gamers to replay the game's single-player with a time limit and running score, with extra points awarded for specific achievements.

Call of Duty: Modern Warfare: Mobilized will release worldwide on November 10, in conjunction with Infinity Ward's highly-anticipated Modern Warfare 2, the next installment to the record-breaking Call of Duty series. The title is rated "T" (Teen) by the ESRB for Blood, Mild Language and Violence.

Activision maintains operations in the U.S., Canada, the United Kingdom, France, Germany, Ireland, Italy, Sweden, Spain, the Netherlands, Australia, Japan and South Korea. More information about Activision and its products can be found on the company's website, www.activision.com.

Cautionary Note Regarding Forward-looking Statements: Information in this press release that involves Activision Publishing's expectations, plans, intentions or strategies regarding the future are forward-looking statements that are not facts and involve a number of risks and uncertainties. Activision Publishing generally uses words such as "outlook," "will," "could," "would," "might," "remains," "to be," "plans," "believes," "may," "expects," "intends," "anticipates," "estimate," "future," "plan," "positioned," "potential," "project," "remain," "scheduled," "set to," "subject to," "upcoming" and similar expressions to help identify forward-looking statements. Factors that could cause Activision Publishing's actual future results to differ materially from those expressed in the forward-looking statements set forth in this release include, but are not limited to, sales of Activision Publishing's titles, shifts in consumer spending trends, the seasonal and cyclical nature of the interactive game market, Activision Publishing's ability to predict consumer preferences among competing hardware platforms (including next-generation hardware), declines in software pricing, product returns and price protection, product delays, retail acceptance of Activision Publishing's products, adoption rate and availability of new hardware and related software, industry competition, rapid changes in technology and industry standards, protection of proprietary rights, litigation against Activision Publishing, maintenance of relationships with key personnel, customers, vendors and third-party developers, domestic and international economic, financial and political conditions and policies, foreign exchange rates, integration of recent acquisitions and the identification of suitable future acquisition opportunities, Activision Publishing's success in integrating the operations of Activision Publishing and Vivendi Games in a timely manner, or at all, and the combined company's ability to realize the anticipated benefits and synergies of the transaction to the extent, or in the timeframe, anticipated. Other such factors include additional risk factors identified in Activision Blizzard's most recent annual report on Form 10-K and any subsequent quarterly reports on Form 10-Q. The forward-looking statements in this release are based upon information available to Activision Publishing and Activision Blizzard as of the date of this release, and neither Activision Publishing nor Activision Blizzard assumes any obligation to update any such forward-looking statements. Forward-looking statements believed to be true when made may ultimately prove to be incorrect. These statements are not guarantees of the future performance of Activision Publishing or Activision Blizzard and are subject to risks, uncertainties and other factors, some of which are beyond its control and may cause actual results to differ materially from current expectations.
