online features that propel the multiplayer experience into the modern era and beyond. *Remastered* provides players with matchmaking and leaderboards, cloud saves, as well as full multiplayer compatibility with the original versions of *StarCraft* and *Brood War*.

"We know how much *StarCraft* and *Brood War* mean to our community around the world, and our primary mission with *StarCraft: Remastered* was to enhance as much as we could while keeping the core *StarCraft* experience intact," said Mike Morhaime, CEO and cofounder of Blizzard Entertainment. "Whether you're a *StarCraft* veteran or you're experiencing the beginning of the saga for the first time, we hope you enjoy revisiting the Koprulu Sector as much as we did."

StarCraft: Remastered provides players with an arsenal of new updates and features, including:

- | Full graphical upgrade of the original *StarCraft* and the *StarCraft: Brood War* expansion
- | Widescreen UHD support for up to 4K resolution
- | Matchmaking and leaderboards
- | Player profiles that track individual statistics
- | Cloud saving for campaign progress, hotkeys, and replays
- | Improved high fidelity music and sound
- | Ability to switch between *Remastered* and the original *StarCraft* with the click of a button
