SANTA MONICA, Calif.--(BUSINESS WIRE)-- The first seasonal community event for **Call of Duty®: WWII** is here. Running Friday, December 8, 2017, through Tuesday, January 2, 2018, Winter Siege delivers an array of activities and content for free to all *Call of Duty: WWII* players for a limited time. The Winter Siege features a new, frost-covered Winter Carentan multiplayer map, the return of the Gun Game party mode, Double XP Playlists, a winterized Headquarters with new visiting Quartermaster as well as new Winter Siege Supply Drops delivering new, limited edition winter gear and content to players. Winter Siege is packed to the brim for the *Call of Duty: WWII* community this holiday season.

"The Winter Siege is all about celebrating with the *Call of Duty®* community," said Aaron Halon, Senior Product Developer, Multiplayer, Sledgehammer Games. "There's a ton of content for everyone to play during this time from a reimagined Winter Carentan multiplayer map that's now packed with snow to Gun Game to Supply Drops full of winter-themed gear and content all available throughout the Winter Siege."

Winter Siege Features:

The **Call of Duty: WWII** Winter Siege event brings the seasonal change to Multiplayer like never before. During the Winter Siege event, all players will have access to Winter Carentan, a snow-covered, winter-themed version of the fan-favorite Carentan map, previously only available as reimagined Carentan to Season Pass owners.

The Winter Siege event also marks the limited-time return of Gun Game. This beloved mode makes its **Call of Duty: WWII** debut during the second week of the event as part of a non-stop schedule of special 2XP playlists, delivering a perfect way for players to take a variety of weapons out for a spin and keep their opponents guessing.

The Winter Siege event also winterizes Headquarters, with the beach encampment taking on a seasonally appropriate appearance for the span of the event, and welcoming an all-new Quartermaster, Captain Butcher. Captain Butcher visits Headquarters bearing Winter Siege Division uniforms, cosmetic items and weapon variants. Players can earn a variant of each new weapon for free via Special Orders from Major Howard (Orders will be rotated daily to allow players to unlock a variant of each new weapon for free). Other rarity variants of these weapons are available through Collection Bounties, or in Winter Siege Supply Drops. Winter Siege Supply Drops can be earned for free simply by playing *Call of Duty: WWII* during the event. Players will also receive a free Winter Siege Supply Drop for logging in to play each week of the Winter Siege event. Players can also purchase Winter Siege Supply Drops using Call of Duty Points in-game currency.

Call of Duty: WWII is rated M for Mature and is now available for PlayStation®4, Xbox One X and Xbox One. For PC fans, the game is also now available on Steam. **Call of Duty: WWII** comes in the following editions:
