

AMC Theatres® Brings MacGuffins Bar and Lounge Area to AMC First Colony 24

Guests at AMC First Colony 24 Can Now Enjoy a Beer, Cocktail or Glass of Wine with Their Movie

Kansas City, Mo. (Jan. 5, 2011) - AMC Theatres® (AMC) is proud to announce **AMC First Colony 24** as the latest location in the AMC circuit to offer its guests the option to enjoy a beer, cocktail or glass of wine as they watch their movie. The opening of the **MacGuffins®** bar and lounge area is in response to interest from guests in the Houston and Sugar Land, Texas, areas and throughout the nation as AMC continues to expand the food and drink options at many of its locations nationwide.

Named after a term coined by famed filmmaker Alfred Hitchcock, MacGuffins features a variety of beer, wine and cocktails, including frozen and specialty drinks. The lounge area is perfect for guests at least 21 years old to meet before the show, or gather after the movie to recap what they saw while enjoying a drink. Guests with a photo ID can also order their drink at the bar area and bring it into their auditorium to enjoy as they watch their film.

"We're always looking to provide additional options to our guests and we've received tremendous feedback where this concept is in place," said George Patterson, senior vice president of Food and Beverage at AMC Theatres. "With the MacGuffins bar and lounge area, not only can guests enjoy a drink as they watch the movie, it also gives them a great place to relax before or after their show."

The MacGuffins bar and lounge area at **AMC First Colony 24** is now open. For more information about the theatre or to order tickets, visit amctheatres.com/firstcolony.
