

## **AMC Entertainment Inc. and Marquee Holdings Inc. Announce Preliminary Results of Tender Offers and Consent Solicitations**

### **Marquee Holdings Inc. Receives Required Consents in Connection With Consent Solicitation and Cash Tender Offer for its 12% Senior Discount Notes**

**Kansas City, Mo.** (Dec. 15, 2010) - Pursuant to its previously announced tender offer and consent solicitation ("the AMC Tender Offer"), AMC Entertainment Inc. ("AMC" or the "Company") received tenders and consents from the holders of \$95,098,000, or approximately 29%, of its outstanding 11% Senior Subordinated Notes due 2016 (the "2016 Senior Subordinated Notes") by the expiration of the consent payment deadline, December 14, at 5:00 p.m. New York City time (the "Consent Date"). The consents received have not yet exceeded the number needed to approve the proposed amendments to the indenture under which the 2016 Senior Subordinated Notes were issued (the "AMC Indenture"); however, the Company has now waived the condition to the AMC Tender Offer that the required consents to approve such amendment be received. In addition, pursuant to its previously announced tender offer and consent solicitation (the "Marquee Tender Offer" and, together with the AMC Tender Offer, the "Tender Offers"), the Company's parent, Marquee Holdings Inc. ("Marquee") received tenders and consents from the holders of \$215,486,000 face amount (or \$170,684,306 accreted value), or approximately 71%, of its outstanding 12% Senior Discount Notes due 2014 (the "2014 Marquee Notes" and, together with the 2016 Senior Subordinated Notes, the "Notes") by the expiration of the consent payment deadline on the Consent Date. The consents received exceeded the number needed to approve the proposed amendments to the indenture under which the 2014 Marquee Notes were issued (the "Marquee Indenture" and, together with the AMC Indenture, the "Indentures"). The terms of the Tender Offers are detailed in AMC's and Marquee's Offer to Purchase and Consent Solicitation Statement dated December 1, 2010 (the "Offer to Purchase").

Under the terms of the AMC Tender Offer, holders of the 2016 Senior Subordinated Notes who tendered on or prior to the Consent Date will receive \$1,031.00 per \$1,000.00 in principal amount of the 2016 Senior Subordinated Notes validly tendered plus a consent payment of \$30.00 per \$1,000.00 in principal amount of the 2016 Senior Subordinated Notes validly tendered. Holders who tender after the Consent Date will receive \$1,031.00 per \$1,000 in principal amount of the 2016 Senior Subordinated Notes validly tendered. Under the terms of the Marquee Tender Offer, holders of the 2014 Marquee Notes who tendered on or prior to the Consent Date will receive \$797.00 per \$1,000.00 face amount (or \$792.09 accreted value) of the 2014 Marquee Notes validly tendered plus a consent payment of \$30.00 per \$1,000.00 face amount (or \$792.09 accreted value) of the 2014 Marquee Notes validly tendered. Holders who tender after the Consent Date will receive \$797.00 per \$1,000.00 face amount (or \$792.09 accreted value) of the 2014 Marquee Notes validly tendered. The Tender Offers will expire at midnight, New York City time, on December 29, 2010, unless either Tender Offer is extended or earlier terminated. The Company intends to redeem any 2016 Senior Subordinated Notes that remain outstanding after the consummation of the AMC Tender Offer at a price of \$1,055.00 per \$1,000.00 principal amount of 2016 Senior Subordinated Notes as promptly as practicable after February 1, 2011 in accordance with the terms of the AMC Indenture. Marquee intends to redeem any 2014 Marquee Notes that remain outstanding after the consummation of the Marquee Tender Offer at a price of \$823.77 per \$1,000.00 face amount (or \$792.09 accreted value) of 2014 Marquee Notes in accordance with the terms of the Marquee Indenture, as amended pursuant to the applicable proposed amendments.

Based on the consents received, Marquee and the trustee under the Marquee Indenture are expected to enter into a supplemental indenture that will, once operative, eliminate substantially all of the restrictive covenants and certain events of default and reduce the required notice period contained in the optional redemption provisions of the Marquee Indenture. The supplemental indenture is expected to become operative following the expiration date of the Marquee Tender Offer upon payment for 2014 Marquee Notes tendered on or prior to the expiration date and accepted for purchase by Marquee pursuant to the Marquee Tender Offer.
