4a Authorisation to increase the A and B share capital

4a.1 The share capital may by resolution of the Board of Directors in the period including the day of the annual general meeting to be held in 2019 be increased by one or more issues of new shares with a nominal value of up to DKK 10,128,360, equivalent to A shares with a nominal value of up to DKK 920,760 and B shares with a nominal value of up to DKK 9,207,600. On any increase of the share capital, the ratio between the two share classes shall remain unchanged, and A shares and B shares shall be offered at the same price. The share capital may be increased for cash or other consideration. Increases of the capital pursuant to this authorisation may take place at a price below the market price and shall be with pre-emption rights to all shareholders within the respective share classes, cf. article 4.6.

4a.2 The share capital may by resolution of the Board of Directors in the period including the day of the annual general meeting to be held in 2019 be increased by one or more issues of new shares with a nominal value of up to DKK 10,128,360, equivalent to A shares with a nominal value of up to DKK 920,760 and B shares with a nominal value of up to DKK 9,207,600. On any increase of the share capital, the ratio between the two share classes

shall remain unchanged, and A shares and B shares shall be offered at the same price. Increases of the capital pursuant to this authorisation must be at market price and subscription must take place without pre-emption rights to the B shareholders.

The Board of Directors may decide that the new shares may only be subscribed by one or more specific investors, by way of a specific creditor's swap of debt, or as full or partial consideration for the acquisition of an operation or specific assets. However, the Board of Directors shall not have the power to direct that the capital increase can only be subscribed by one or more specific investors for cash consideration. If the shares are offered at market price, the price of both the A shares and the B shares shall be the market price of the Company's B shares.

4a.3 Increases of the share capital pursuant to articles 4a.1 and 4a.2 may not in total exceed a nominal value of DKK 10,128,360, equivalent to A shares having a nominal value of up to DKK 920,760 and B shares having a nominal value of up to DKK 9,207,600.

4a.4 A shares subscribed and issued pursuant to articles 4a.1 and 4a.2 above shall be designated AA shares and shall, like the A shares, be non-negotiable instruments, which shall be issued to bearer and be registered in the name of the holder in the Company's register of shareholders. The B shares subscribed and issued pursuant to articles 4a.1 and 4a.2 above shall be negotiable instruments issued as registered shares. No restrictions apply to the transferability of the new shares, see article 4.4 above.

With the exception of the provision set out in article 4a.7, the AA shares shall have the same rights and obligations as the existing A shares. If the authorisations under articles 4a.1 and/or 4a.2 are utilised for several issues of shares, the A shareholders and the AA shareholders shall have joint pre-emption rights to the AA shares offered, and the pre-emption rights shall be exercised in proportion to each shareholder's nominal holding of A shares and AA shares.

4a.5 The Board of Directors is authorised to amend the Articles of Association as a result of any capital increases made in pursuance of articles 4a.1 and/or 4a.2 above.

4a.6 For future capital increases which are not subject to the authorisations given to the Board of Directors under articles 4a.1 and 4a.2, the share capital of the Company may be increased by offering A shares, AA shares and B shares at the ratio then existing between the three share classes. A shareholders shall have pre-emption rights to new A shares, AA shareholders shall have pre-emption rights to new AA shares, and B shareholders shall have pre-emption rights to new B shares. The pre-emption rights shall be exercised pro rata in proportion to the nominal shareholding of each shareholder.

4a.7 In the event that one or more AA shares are transferred by agreement to be held by individuals or legal entities other than the Lundbeck Foundation or companies which are group affiliated with the Lundbeck Foundation, cf. the definition of groups in section 6 of the Danish Companies Act, or in the event that a company which holds AA shares is no longer group affiliated with the Lundbeck Foundation, such AA shares shall be transferred to the B share capital at the same nominal amount as the AA shares until

then. The Board of Directors shall convene an extraordinary general meeting as soon as possible after such a situation has arisen, at which the Board of Directors shall propose that the AA share capital be reduced by the AA shares transferred against an equivalent increase of the B share capital by new B shares. The capital reduction and capital increase shall be made at the same price per share. Notwithstanding articles 4.6 and 4a.6 above, the new B shares shall only be subscribed by the transferee of the AA shares transferred, or by the company which was previously group affiliated with the Lundbeck Foundation.

4b Authorisation to issue warrants and concurrently increase the share capital

4b.1 The Board of Directors is authorised to make one or more issues of warrants to executives and senior managers of the Company, and other companies which are either controlled by the Company or associated companies to subscribe up to DKK 2,800,000 nominal value of B share capital in the Company, equivalent to 280,000 B shares of DKK 10 nominal value each.

The authorisation shall be in force until 31 March 2016. The shareholders of the Company shall have no pre-emption rights to any warrants so issued. The specific terms and conditions for the grant of warrants shall be laid down by the Board of Directors.

4b.2 The Board of Directors shall be authorised to increase the B share capital by one or more issues of shares up to DKK 2,800,000 nominal value or 280,000 B shares of DKK 10 nominal value each for cash payment in connection with the exercise of warrants issued under article 4b.1 above.

The authorisation shall be in force until 31 March 2016. The shareholders of the Company shall have no pre-emption rights to the B shares issued under this provision. The Board of Directors shall lay down the specific terms and conditions governing the capital increase.

On each capital increase under this authorisation, the ratio between A shares and AA shares, on the one hand, and B shares, on the other hand, shall be retained. The Board of Directors is therefore authorised to pass resolutions to increase the share capital by one or more issues of new shares up to DKK 280,000 nominal value of AA share capital, equivalent to 28,000 AA shares of DKK 10 each for cash payment in connection with the Board of Directors' resolution to issue new B shares under this provision. The price of the new AA shares shall be the market price of the B shares on the date of subscription. The existing A shareholders and AA shareholders shall have joint rights of pre-emption to the new AA shares that are issued, exercisable pro rata in proportion to each shareholder's nominal holding of A shares or AA shares.

4b.3 The new B shares subscribed by holders of warrants under article 4b.2 shall be negotiable instruments and shall be issued to bearer but may be registered in the name of the holder, cf. article 4.3 above. The new AA shares to be issued to existing A shareholders and AA shareholders under article 4b.2 shall be non-negotiable

instruments and shall be issued to named holders and be registered in the register of shareholders of the Company. Reference is made to articles 4a.4, 4a.6 and 4a.7 above with regard to the rights and obligations applicable to the new AA shares.

4b.4 The Board of Directors is authorised to amend the Articles of Association as a result of the issue of warrants under article 4b.1 and capital increases under article 4b.2, above.

4c Authorisation to distribute extraordinary dividends

4c.1 The Board of Directors is authorised to resolve to distribute extraordinary dividends if the Company's financial situation warrants such distribution.
