

Management change at ALK

ALK (ALKB:DC / OMX: ALK B / AKABY / AKBLF) today announced that Helle Skov, Executive Vice President (EVP) of Product Supply and a member of ALK's Board of Management, leaves the company by mutual agreement.

Effective immediately, Helle's areas of responsibility will be taken over by ALK's EVP of Commercial Operations, Søren Niegel, who will head up Commercial Operations and Product Supply going forward.

Carsten Hellmann, President & CEO, said: *"I would like to thank Helle for her contributions to ALK during her time with the company and I wish her the best of luck in her future career."*

Carsten Hellmann continued: *"Søren Niegel is ideally qualified to take on the additional responsibility of leading ALK's Product Supply organisation at a time when ALK is preparing to launch a new transformational growth strategy which amongst other things prioritises a more robust, efficient product supply and optimisations of the product portfolio – a project that involves close collaboration between Product Supply and Commercial Operations."*

Following this change, ALK's Board of Management will comprise the following executives: Carsten Hellmann, President & CEO, Søren Niegel, EVP Commercial Operations and Product Supply, Henrik Jacobi, EVP, Research & Development and Søren Jelert, EVP, CFO (from 2 January 2018).
