PEABODY, Mass., March 23, 2017 (GLOBE NEWSWIRE) -- [Analogic Corporation](#) (Nasdaq:ALOG), enabling the world's medical imaging and aviation security technology, today announced that Mark Frost, senior vice president, chief financial officer and treasurer, will be presenting at the 16th Annual Needham Healthcare Conference at the Westin New York Grand Central Hotel in New York, New York, on Wednesday, April 5, 2017.

The 40-minute presentation, which includes a Q&A session, is scheduled to begin at 4:20 p.m. ET and will be webcast live. To view the webcast, visit investor.analogic.com

About Analogic — Celebrating 50 Years of innovation

Analogic (Nasdaq:ALOG) provides leading-edge healthcare and security technology solutions to advance the practice of medicine and save lives. We are recognized around the world for advanced imaging and real-time guidance technologies used for disease diagnosis and treatment as well as for automated threat detection. Our market-leading ultrasound systems, led by our flagship BK Ultrasound brand, used in procedure-driven markets such as urology, surgery, and point-of-care, are sold to clinical practitioners around the world. Our advanced imaging technologies are also used in computed tomography (CT), magnetic resonance imaging (MRI) and digital mammography systems, as well as automated threat detection systems for aviation security. Analogic is headquartered just north of Boston, Massachusetts. For more information, visit www.analogic.com.
