Analogic to Present at Bank of America Merrill Lynch 2013 Health Care Investor Conference

PEABODY, Mass., May 8, 2013 (GLOBE NEWSWIRE) -- Analogic Corporation (Nasdaq:ALOG), enabling the world's medical imaging and aviation security technology, today announced that Michael Levitz, senior vice president and chief financial officer, will be presenting at the Bank of America Merrill Lynch 2013 Health Care Conference taking place at the Encore at the Wynn in Las Vegas, Nevada, on Tuesday, May 14, 2013. The presentation with question-and-answer session is scheduled to begin at 4:00 p.m. ET (1:00 p.m. PT) and will be webcast live. To view the presentation live or archived, please visit www.analogic.com.

About Analogic

[Analogic](http://www.analogic.com) (Nasdaq:ALOG) provides leading-edge healthcare and security technology solutions to advance the practice of medicine and save lives. We are recognized around the world for advanced imaging systems and technology that enable computed tomography (CT), ultrasound, digital mammography, and magnetic resonance imaging (MRI), as well as automated threat detection for aviation security. Our CT, MRI, digital mammography, and ultrasound transducer products are sold to original equipment manufacturers (OEMs), providing state-of-the-art capability and enabling them to enter new markets and expand their existing market presence. Our market-leading BK Medical and Ultrasonix branded ultrasound systems, used in procedure-driven markets such as urology, surgery, and point-of-care, are sold to clinical end users through our direct sales force. For over 40 years we've enabled customers to thrive, improving the health and enhancing the safety of people around the world. Analogic is headquartered just north of Boston, Massachusetts.
