

Analogic to Present at Bank of America Merrill Lynch 2011 Health Care Investor Conference

PEABODY, Mass., May 5, 2011 (GLOBE NEWSWIRE) -- Analogic Corporation (Nasdaq:ALOG), a leading provider of medical imaging and aviation security technology, announced today that Michael Levitz, vice president and chief financial officer, will be presenting at the Bank of America Merrill Lynch 2011 Health Care Conference located at the Encore at Wynn Las Vegas in Las Vegas, Nevada, on Wednesday, May 11, 2011. The presentation with question-and-answer session is scheduled to begin at 5:20 p.m. ET (2:20 p.m. PDT) and will be webcast live. To view the presentation live or archived, please visit www.analogic.com.

About Analogic

Analogic (Nasdaq:ALOG), headquartered in Peabody, Mass., is a high-technology company that designs and manufactures advanced medical imaging, security systems and subsystems that are sold to original equipment manufacturers (OEMs) and end users in the healthcare and homeland security markets. We are recognized worldwide for advancing state-of-the-art technology in the areas of computed tomography (CT), magnetic resonance imaging (MRI), digital mammography, ultrasound and automatic explosives detection for airport security. Our OEM customers incorporate our technology into systems that they in turn sell for various medical and security applications. We also sell our ultrasound products directly to clinical end-user markets through our direct worldwide sales force under the brand name BK Medical. For more information, visit www.analogic.com.
