

Analogic Corporation Announces Timing for Fourth Quarter and Year End Earnings Conference Call

PEABODY, Mass., Sept. 14, 2010 (GLOBE NEWSWIRE) -- Analogic Corporation (Nasdaq:ALOG) announced today that it will conduct a conference call on Tuesday, September 21, 2010, at 5:00 p.m. (ET) to discuss results for the fourth quarter and fiscal year ended July 31, 2010. The conference call will include Jim Green, president and CEO, and Michael Levitz, vice president and chief financial officer. Brief presentations by management will be followed by a question-and-answer session.

To participate in the conference call, dial 1-866-823-6992, or 1-334-323-7225 for international callers, approximately ten minutes before the conference is scheduled to begin. Inform the operator that you wish to join the Analogic conference, passcode 42748. You will then be asked for your name, organization, and telephone number, and be connected to the conference. The earnings release and, just prior to the call, presentation materials related to the quarterly financial information will be posted on the Company's website at www.analogic.com.

The call will also be available via webcast in listen-only mode. To listen to the webcast, visit www.analogic.com approximately five to ten minutes before the conference is scheduled to begin.

A telephone digital replay will be available approximately two hours after the call is completed through midnight (ET) October 21, 2010. To access the digital replay, dial 1-877-919-4059, or 1-334-323-7226 for international callers. The passcode is 37991013.

The replay of the conference call webcast will be archived at www.analogic.com approximately three hours after the call is completed and will be available through midnight (ET) October 21, 2010.

About Analogic

Analogic (Nasdaq:ALOG), headquartered in Peabody, Mass., is a high-technology company that designs and manufactures advanced medical imaging and security systems and subsystems sold to original equipment manufacturers (OEMs) and end users in the healthcare and homeland security markets. We are recognized worldwide for advancing state-of-the-art technology in the areas of computed tomography (CT), magnetic resonance imaging (MRI), digital radiography, ultrasound, and automatic explosives detection for airport security. Our OEM customers incorporate our technology into systems that they in turn sell for various medical and security applications. We also sell our ultrasound products directly to clinical end-user markets through our direct worldwide sales force under the brand name BK Medical. For more information, visit www.analogic.com.
