

Analogic Corporation Selected for Inclusion in the New NASDAQ Global Select Market

PEABODY, Mass.--(BUSINESS WIRE)--June 30, 2006--Analogic Corporation (NASDAQ: ALOG) today announced that it has been selected for inclusion in the new NASDAQ Global Select Market. The NASDAQ Global Select Market has the highest initial listing standards of any exchange in the world based on financial and liquidity requirements. Prior to the change, the company had been listed on the NASDAQ National Market.

Beginning on July 3, 2006, NASDAQ-listed companies will be classified under three listing tiers: NASDAQ Global Select Market, NASDAQ Global Market, and NASDAQ Capital Market. NASDAQ also plans to launch indexes based on these new tiers.

"Analogic is an example of an industry leader that has achieved superior listing standards, which clearly defines the essence of the NASDAQ Global Select Market," said Bruce Aust, Executive Vice President, Corporate Client Group. "NASDAQ is focused on leading a race to the top in terms of listing qualifications. In recognizing these companies, we are highlighting their achievements in meeting the requirements to be included in the market with the highest listing standards in the world."

John Wood, President and CEO of Analogic, said, "It is an honor for the Company to be included in this very select group of approximately 1,200 companies. This reflects Analogic's status as one of the world's leading suppliers of medical and security imaging equipment to Original Equipment Manufacturers (OEMs)."

NASDAQ announced the new three-tier listing classification in February 2006. All three market tiers will maintain rigorous listing and corporate governance standards. For additional information about the NASDAQ Global Select Market, please go to: www.nasdaq.com/GlobalSelect.

NASDAQ is the largest U.S. electronic stock market. With approximately 3,200 companies, it lists more companies and, on average, trades more shares per day than any other U.S. market. It is home to companies that are leaders across all areas of business including technology, retail, communications, financial services, transportation, media, and biotechnology. NASDAQ is the primary market for trading NASDAQ-listed stocks. For more information about NASDAQ, visit www.nasdaq.com or the NASDAQ Newsroom at <http://www.nasdaq.com/newsroom/>.

Analogic Corporation is a leading designer and manufacturer of advanced health and security systems and subsystems sold primarily to Original Equipment Manufacturers (OEMs).
