

Analogic Corporation Elects Fred B. Parks to Its Board of Directors

PEABODY, Mass.--(BUSINESS WIRE)--Aug. 29, 2007--Bernard M. Gordon, Chairman of the Board of Analogic Corporation (NASDAQ: ALOG), announced today that Fred B. Parks, Ph.D., Chairman of the Board and Chief Executive Officer of Urologix, Inc. (NASDAQ: ULGX), of Minneapolis, Minnesota, has been elected to the Company's Board of Directors as a Class III Director, whose term will expire in 2010.

Prior to 2003, Dr. Parks was Chief Executive Officer of Philips Medical Systems - Cleveland, formerly Marconi Medical Systems. Dr. Parks holds three degrees in Mechanical Engineering, a B.S. from the University of Missouri-Rolla, an M.S. from the University of Arizona, and a Ph.D. from the University of Missouri-Columbia. He has been appointed to the Nominating and Corporate Governance and the Compensation Committees.

Mr. Gordon commented, "Clearly, Fred has a wealth of experience in high-technology enterprises. We welcome Fred to Analogic's Board of Directors and look forward to working with him to further strengthen the Company."

Analogic Corporation is a leading designer and manufacturer of advanced health and security systems and subsystems. The Company is recognized worldwide for advancing the state of the art in Automated Explosives Detection, Computed Tomography (CT), Digital Radiography (DR), Ultrasound, Magnetic Resonance Imaging (MRI), Patient Monitoring, and Advanced Signal Processing.
