

Analogic Corporation to Webcast Annual Stockholders' Meeting

PEABODY, Mass., Jan. 14, 2011 (GLOBE NEWSWIRE) -- Analogic Corporation (Nasdaq:ALOG) announced today that the Company's Annual Stockholders' Meeting, to be held on Thursday, January 20, 2011, at 11:00 a.m. ET, will be webcast live with presentations in listen-only mode. Jim Green, president and CEO, and Edward Voboril, chairman of the board, will host the meeting. Jim Green and Mike Levitz, vice president, CFO, and treasurer, will give presentations on fiscal 2010 highlights and the Company's business strategy.

To listen to the webcast and download presentations, visit www.analogic.com five to ten minutes before the meeting is scheduled to begin. The replay of the webcast will be archived on the website approximately three hours after the meeting is completed and will be available through Wednesday, February 16, 2011.

About Analogic

Analogic (Nasdaq:ALOG), headquartered in Peabody, Mass., is a high-technology company that designs and manufactures advanced medical imaging and security systems and subsystems sold to original equipment manufacturers (OEMs) and end users in the healthcare and homeland security markets. We are recognized worldwide for advancing state-of-the-art technology in the areas of computed tomography (CT), magnetic resonance imaging (MRI), digital radiography, ultrasound, and automatic explosives detection for airport security. Our OEM customers incorporate our technology into systems that they in turn sell for various medical and security applications. We also sell our ultrasound products directly to clinical end-user markets through our direct worldwide sales force under the brand name BK Medical. For more information, visit www.analogic.com.
