

## **Analogic to Present at 30th Annual Cowen Health Care Conference in Boston**

PEABODY, Mass., March 3, 2010 (GLOBE NEWSWIRE) -- Analogic Corporation (Nasdaq:ALOG) announced today that Michael Levitz, vice president, chief financial officer, and treasurer, will be presenting at the 30th Annual Cowen Health Care Conference at the Boston Marriott Copley Place hotel in Boston, Mass., on Wednesday, March 10, 2010. The 35-minute presentation is scheduled to begin at 8:00 a.m. ET and will be webcast live. To view the presentation live or archived, please visit [www.analogic.com](http://www.analogic.com).

### **About Analogic**

Analogic is a high-technology company that designs and manufactures advanced medical imaging and security systems and subsystems sold to original equipment manufacturers (OEMs) and end users in the health care and homeland security markets. We are recognized worldwide for advancing state-of-the-art technology in the areas of computed tomography (CT), magnetic resonance imaging (MRI), digital mammography, specialized ultrasound, and automated explosives detection for airport security. Our OEM customers incorporate our technology into systems that they in turn sell for various medical and security applications. We also sell our ultrasound products directly to specialized clinical end-user markets through our direct worldwide sales force under the business name BK Medical ApS (BK Medical).
