

Analogic to Present at UBS Global Healthcare Services Conference

PEABODY, Mass., Feb 07, 2008 (BUSINESS WIRE) -- Analogic Corporation (NASDAQ: ALOG) announced today that John J. Millerick, Senior Vice President, CFO, and Treasurer, will be presenting at the UBS Global Healthcare Services Conference in New York City on Monday, February 11, 2008, at 12:00 noon EST.

The three-day conference will feature presentations and updates from senior management from more than 150 leading public and private healthcare services firms and agencies. The presentations will be webcast live in audio format and may be accessed through our web site: www.analogic.com. An audio archive will be available starting approximately three hours after the initial presentation and will remain accessible for four weeks.

Analogic Corporation is a leading designer and manufacturer of advanced health and security systems and subsystems sold primarily to Original Equipment Manufacturers (OEMs). The Company is recognized worldwide for advancing the state of the art in Automatic Explosives Detection, Computed Tomography (CT), Digital Radiography (DR), Ultrasound, Magnetic Resonance Imaging (MRI), Patient Monitoring, and Advanced Signal Processing.
