

## **Analogic to Present at Upcoming Investor Conferences**

PEABODY, Mass., Jan. 4, 2011 (GLOBE NEWSWIRE) -- Analogic Corporation (Nasdaq:ALOG) announced today that members of the Company's management team will be presenting at three investor conferences in January: the 13th Annual Needham Growth Conference, being held in New York, New York, from January 11–13, 2011; the CJS Securities 11th Annual "New Ideas For The New Year" Investor Conference, being held in New York, New York, on January 12, 2011; and the 29th Annual J.P. Morgan Healthcare Conference, being held in San Francisco, California, from January 10–13, 2011.

Jim Green, president and CEO, will speak at the Needham Conference on Tuesday, January 11, at the New York Palace Hotel in New York City. The 20-minute presentation and 15-20-minute Q&A session are scheduled to begin at 8:40 a.m. EST and will be webcast live.

Jim Green will also speak at the CJS Securities New Ideas Conference on Wednesday, January 12, in New York, New York. This conference will not be webcast. A copy of the presentation will be posted on our website at [investor.analogic.com](http://investor.analogic.com) on the day of the presentation.

Michael Levitz, vice president, CFO, and treasurer, will speak at the J.P. Morgan Conference on Thursday, January 13, at the Westin St. Francis Hotel in San Francisco. The 25-minute presentation and 25-minute Q&A session are scheduled to begin at 8:00 a.m. PST and will be webcast live.

### **About Analogic**

Analogic (Nasdaq:ALOG), headquartered in Peabody, Mass., is a high-technology company that designs and manufactures advanced medical imaging and security systems and subsystems sold to original equipment manufacturers (OEMs) and end users in the healthcare and homeland security markets. We are recognized worldwide for advancing state-of-the-art technology in the areas of computed tomography (CT), magnetic resonance imaging (MRI), digital radiography, ultrasound, and automatic explosives detection for airport security. Our OEM customers incorporate our technology into systems that they in turn sell for various medical and security applications. We also sell our ultrasound products directly to clinical end-user markets through our direct worldwide sales force under the brand name BK Medical.
