

Analogic Announces Timing of Analyst Day Webcast

PEABODY, Mass., Oct. 7, 2010 (GLOBE NEWSWIRE) -- Analogic Corporation (Nasdaq:ALOG), a leading provider of medical imaging and aviation security technology, announced today that the Company will hold its Annual Analyst Day on Thursday, October 14, 10:00 a.m.–3:00 p.m. (ET), at Analogic's Peabody, Massachusetts, headquarters. The event will be webcast live.

The day will feature presentations to the financial community by Jim Green, Analogic's president and CEO, Mike Levitz, vice president and CFO, and other members of the Company's leadership team. The presentations will be available via the webcast in listen-only mode. Presentation materials may also be downloaded from the Analogic website at <http://investor.analogic.com> after the event.

To listen to the webcast live, visit <http://investor.analogic.com>. The webcast replay will be available starting at approximately 5:00 p.m. (ET) on October 14, 2010.

About Analogic

Analogic (Nasdaq:ALOG), headquartered in Peabody, Mass., is a high-technology company that designs and manufactures advanced medical imaging and security systems and subsystems sold to original equipment manufacturers (OEMs) and end users in the healthcare and homeland security markets. We are recognized worldwide for advancing state-of-the-art technology in the areas of computed tomography (CT), magnetic resonance imaging (MRI), digital radiography, ultrasound, and automatic explosives detection for airport security. Our OEM customers incorporate our technology into systems that they in turn sell for various medical and security applications. We also sell our ultrasound products directly to clinical end-user markets through our direct worldwide sales force under the brand name BK Medical. For more information, visit www.analogic.com.
