Analogic to Present at Jefferies 2012 Global Healthcare Conference

PEABODY, Mass., May 29, 2012 (GLOBE NEWSWIRE) -- Analogic Corporation (Nasdaq:ALOG), enabling the world's medical imaging and aviation security technology, today announced that Jim Green, president and CEO, will be presenting at the Jefferies 2012 Global Healthcare Conference on Thursday, June 7, at 9:00 a.m. ET. The conference is being held in New York City, June 4—7, 2012.

Mr. Green's 25-minute presentation will be webcast live and followed by a 25-minute Q&A session. To view the presentation live or archived, please visit investor.analogic.com.

About Analogic

Analogic (Nasdaq:ALOG) provides leading-edge healthcare and security technology solutions to advance the practice of medicine and save lives. We are recognized around the world for advanced imaging systems and technology that enable computed tomography, ultrasound, digital mammography, and magnetic resonance imaging (MRI), as well as automated threat detection for aviation security. Our CT, MRI, digital mammography, and ultrasound transducer products are sold to original equipment manufacturers (OEMs), providing state-of-the-art capability and enabling them to enter new markets and expand their existing market presence. Our market-leading BK Medical branded ultrasound systems, used in procedure-driven markets such as urology, surgery, and anesthesia, are sold to clinical end users through our direct sales force. For over 40 years we've enabled customers to thrive, improving the health and enhancing the safety of people around the world. Analogic is headquartered just north of Boston, Massachusetts.
