

Analogic Corporation Elects Kevin Melia to Its Board of Directors

PEABODY, Mass.--(BUSINESS WIRE)--Apr. 2, 2009-- Analogic Corporation (NASDAQ: ALOG) announced today that Kevin Melia has been elected to the Company's Board of Directors, effective April 6, 2009. Mr. Melia is cofounder and co-managing director of Boulder Brook Partners LLC, a private investment company. Over the course of a twenty-five-year career, Mr. Melia has held a number of board and executive leadership positions, and brings extensive expertise in the areas of corporate strategy development and strategic finance. He is expected to be named to the Audit Committee of Analogic's Board of Directors, with his term ending in January 2010.

Mr. Melia is currently chairman of the Audit Committee and member of the Science and Technology Committee at Greatbatch, Inc., a NYSE-listed medical technology company, as well as a member of the Audit and Nominating and Governance Committees at RadiSys Corporation (NASDAQ: RSYS). He is also a member of the Board and Audit Committee of C&S Wholesale Grocers, the second largest food wholesaler and the twelfth largest privately held company in the United States. Mr. Melia has also served on the boards of Iona Technologies (NASDAQ: IONA), Horizon Technologies, Lightbridge, Inc. (NASDAQ: LTBG), and Eircom, a two-billion-dollar, privately held, Irish telecommunications company.

Mr. Melia has extensive experience leading rapid-growth, high-technology companies, particularly in the area of strategic finance and M&A. In 1994 he cofounded and later served as chairman and CEO of Manufacturers' Services Ltd., a multi-billion-dollar global electronics manufacturing services company that completed its initial public offering in 2000. From 1989 to 1994, Mr. Melia served as a member of the executive committee of Sun Microsystems (NASDAQ: JAVA), where he held several key executive positions, including chief financial officer and senior vice president of operations. He also spent seventeen years at Digital Equipment Corporation in various management positions.

James W. Green, Analogic's President and CEO, commented, "I am excited about working with Kevin. He brings a wealth of knowledge and experience to our Board, especially in the areas of corporate strategy and finance. I look forward to Kevin's input as we continue to position Analogic for sustainable, profitable growth."

Ed Voboril, Chairman of the Board, stated, "Kevin will bring new ideas to our Board of Directors and will help immensely as Analogic executes its growth strategy. With his broad background leading successful organizations across a variety of industries, he is a welcome addition to Analogic's Board."
