

Analogic to Present at Jefferies 2011 Global Healthcare Conference

PEABODY, Mass., May 26, 2011 (GLOBE NEWSWIRE) -- Analogic Corporation (Nasdaq:ALOG), a leading provider of medical imaging and aviation security technology, announced today that Michael Levitz, vice president and chief financial officer, will be presenting at the Jefferies 2011 Global Healthcare Conference, being held in New York, New York, June 6—9, 2011.

Mr. Levitz will speak on Wednesday, June 8, at 11:30 a.m. ET, and the 25 minute presentation will be webcast live. The presentation will be followed by a 25-minute Q&A session. To view the presentation live or archived, please visit investor.analogic.com.

About Analogic

Analogic (Nasdaq:ALOG), headquartered in Peabody, Mass., is a high-technology company that designs and manufactures advanced medical imaging and security systems and subsystems sold to original equipment manufacturers (OEMs) and end users in the healthcare and homeland security markets. We are recognized worldwide for advancing state-of-the-art technology in the areas of computed tomography (CT), magnetic resonance imaging (MRI), digital radiography, ultrasound, and automatic explosives detection for airport security. Our OEM customers incorporate our technology into systems that they in turn sell for various medical and security applications. We also sell our ultrasound products directly to clinical end-user markets through our direct worldwide sales force under the brand name BK Medical. For more information, visit www.analogic.com.
