**PROXY STATEMENT
FOR 2015 ANNUAL MEETING OF SHAREHOLDERS
TO BE HELD ON JUNE 18, 2015**

This Proxy Statement is being furnished together with our Annual Report for the fiscal year ended January 31, 2015 in connection with the solicitation of proxies for the Annual Meeting of Shareholders of Five Below, Inc. on June 18, 2015 (the "Annual Meeting"), and any postponements or adjournments of the meeting. The Annual Meeting will be held at the offices of Pepper Hamilton LLP, 3000 Two Logan Square, 18th and Arch Streets, Philadelphia, Pennsylvania 19103 at 9:00 a.m. Eastern Daylight Time. On or about May 6, 2015, we will mail to each of our shareholders (other than those who previously requested electronic delivery or to whom we are mailing a paper copy) a Notice of Internet Availability of Proxy Materials containing instructions on how to access and review the proxy materials via the internet and how to submit a proxy electronically using the internet.

FREQUENTLY ASKED QUESTIONS

When and where will the meeting take place?

The Annual Meeting will be held on Thursday, June 18, 2015, at 9:00 a.m. Eastern Daylight Time, at the offices of Pepper Hamilton LLP, 3000 Two Logan Square, 18th and Arch Streets, Philadelphia, Pennsylvania 19103.

Why did I receive only a Notice of Internet Availability of Proxy Materials?

As permitted by the Securities and Exchange Commission (the "SEC"), the Company is furnishing to shareholders its notice of the Annual Meeting (the "Notice"), this Proxy Statement and the 2014 Annual Report primarily over the internet. On or about May 6, 2015, we will mail to each of our shareholders (other than those who previously requested electronic delivery or to whom we are mailing a paper copy) a Notice of Internet Availability of Proxy Materials (the "Notice of Internet Availability") containing instructions on how to access and review the proxy materials via the internet and how to submit a proxy electronically using the internet. The Notice of Internet Availability also contains instructions on how to receive, free of charge, paper copies of the proxy materials. If you received the Notice of Internet Availability, you will not receive a paper copy of the proxy materials unless you request one.

We believe the delivery options that we have chosen will allow us to provide our shareholders with the proxy materials they need, while minimizing the cost of the delivery of the materials and the environmental impact of printing and mailing printed copies.

What is the purpose of this meeting and these materials?

We are providing these proxy materials in connection with the solicitation by our board of directors of proxies to be voted at the Annual Meeting and any adjournments or postponements of the meeting.

At the Annual Meeting, you will be asked to vote on the following matters:

- a proposal to elect (i) three Class III directors to hold office until the 2018 annual meeting of shareholders, (ii) one Class I director to hold office until the 2016 annual meeting of shareholders, and (iii) two Class II directors to hold office until the 2017 annual meeting of shareholders and until their respective successors have been duly elected and qualified (Proposal No. 1);
- a proposal to ratify the appointment of KPMG LLP as our independent registered public accounting firm for the current fiscal year ending January 30, 2016 (Proposal No. 2);

Table of Contents

- a proposal to vote on an amendment to the Company's articles of incorporation and a corresponding amendment to the Company's bylaws to replace the plurality voting standard in the uncontested election of directors with a majority voting standard and make conforming changes (Proposal No. 3); and
- any other business that may properly come before the Annual Meeting or any adjournments or postponements thereof.

What are the voting recommendations of the board of directors on these matters?

The board of directors recommends that you vote your shares as follows:

- FOR each of the board's (i) three Class III nominees, (ii) one Class I nominee and (iii) two Class II nominees for the board of directors (Proposal No. 1);
- FOR the ratification of the appointment of KPMG LLP as our independent registered public accounting firm for the current fiscal year ending January 30, 2016 (Proposal No. 2); and
- FOR the amendment to the Company's articles of incorporation and a corresponding amendment to the Company's bylaws to replace the plurality voting standard in the uncontested election of directors with a majority voting standard and make conforming changes (Proposal No. 3).

Are all of the Company's Class III directors standing for re-election to the board of directors at the Annual Meeting?

Yes, all of our Class III directors are standing for re-election.

Why am I being asked to vote on directors for more than one class?

The board of directors filled three vacancies since the 2014 annual meeting of shareholders resulting from two increases to the size of the board and one resignation. Mr. Anderson is currently serving as a Class II director, having been elected by the board of directors effective February 1, 2015 to fill a vacancy created by an increase to its size. In addition, Mses. Buggeln and Barclay are currently serving as Class I and II directors, respectively, having been elected on March 10, 2015 by the board of directors to fill vacancies created by an increase to the size of the board and the resignation of Steven J. Collins. Pursuant to our bylaws, any director elected by the board of directors to fill a vacancy (a "Vacancy Director") may only hold office until the next annual meeting of shareholders and until his or her successor has been duly elected and qualified, subject to his or her earlier death, resignation, disqualification or removal. At the annual meeting of shareholders following the election of a Vacancy Director, the shareholders will have the opportunity to elect a director to fill the vacancy having been filled by the Vacancy Director. The board will nominate a candidate to fill the vacancy, who may be the Vacancy Director. The candidate, if elected, will serve until the annual meeting of shareholders at which the term of office of the class in which the vacancy occurred expires and until such director's successor shall have been duly elected and qualified, subject to his or her earlier death, resignation, disqualification or removal.

Who is entitled to vote at the Annual Meeting?

The record date for the Annual Meeting is April 20, 2015. You have one vote for each share of our common stock that you owned at the close of business on the record date, provided that on the record date those shares were either held directly in your name as the shareholder of record or were held for you as the beneficial owner through a bank, broker, or other intermediary. As of that date, there were 54,476,205 shares of common stock outstanding entitled to vote. There is no other class of voting securities outstanding.

What is the difference between holding shares as a shareholder of record and as a beneficial owner?

Most of our shareholders hold their shares through a bank, broker, or other intermediary (that is, in "street name") rather than directly in their own name. As summarized below, there are some distinctions between shares held of record and those owned beneficially.

Table of Contents

Shareholder of Record. If your shares are registered directly in your name with our transfer agent, Computershare, you are considered to be the shareholder of record with respect to those shares, and we have sent the Notice of Internet Availability directly to you. As a shareholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual Meeting.

Beneficial Owner. If your shares are held in a stock brokerage account or by a bank or other intermediary, you are considered to be the beneficial owner of shares held in “street name,” and the Notice of Internet Availability has been forwarded to you by your bank, broker, or intermediary (which is considered to be the shareholder of record with respect to those shares). As a beneficial owner, you have the right to direct your bank, broker, or intermediary on how to vote and are also invited to attend the Annual Meeting. Your bank, broker, or intermediary has sent you a voting instruction card for you to use in directing the bank, broker, or intermediary regarding how to vote your shares. However, since you are not the shareholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a proxy, executed in your favor, from the holder of record of such shares.

What options are available to me to vote my shares?

Whether you hold shares directly as the shareholder of record or through a bank, broker, or other intermediary, your shares may be voted at the Annual Meeting by following any of the voting options available to you below:

You may vote via the Internet.

- If you received a Notice of Internet Availability by mail, you can submit your proxy or voting instructions over the internet by following the instructions provided in the Notice of Internet Availability;
- If you received a Notice of Internet Availability or proxy materials by email, you may submit your proxy or voting instructions over the internet by following the instructions included in the email; or
- If you received a printed set of the proxy materials by mail, including a paper copy of the proxy card or voting instruction form, you may submit your proxy or voting instructions over the internet by following the instructions on the proxy card or voting instruction form.

You may vote via the telephone.

- If you are a shareholder of record, you can submit your proxy by calling the telephone number specified on the paper copy of the proxy card you received if you received a printed set of the proxy materials. You must have the control number that appears on your proxy card available when submitting your proxy over the telephone.
- Most shareholders who hold their shares in street name may submit voting instructions by calling the number specified on the paper copy of the voting instruction form provided by their bank, broker, or other intermediary. Those shareholders should check the voting instruction form for telephone voting availability.

You may vote by mail. If you received a printed set of the proxy materials, you can submit your proxy or voting instructions by completing and signing the separate proxy card or voting instruction form you received and mailing it in the accompanying prepaid and addressed envelope.

You may vote in person at the meeting . All shareholders of record may vote in person at the Annual Meeting. Written ballots will be passed out to anyone who wants to vote at the meeting. However, if you are the beneficial owner of shares held in street name through a bank, broker, or other intermediary, you may not vote your shares at the Annual Meeting unless you obtain a “legal proxy” from the bank, broker, or intermediary that holds your shares, giving you the right to vote the shares at the Annual Meeting.

Table of Contents

Even if you plan to attend the Annual Meeting, we recommend that you submit your proxy or voting instructions in advance to authorize the voting of your shares at the Annual Meeting to ensure that your vote will be counted if you later are unable to attend.

What if I don't vote for some of the items listed on my proxy card or voting instruction card?

If you properly return your proxy card but do not mark selections, your shares will be voted in accordance with the recommendations of our board of directors. If you indicate a choice with respect to any matter to be acted upon on your proxy card, your shares will be voted in accordance with your instructions.

If you are a beneficial owner and hold your shares in street name through a bank, broker, or other intermediary and do not give voting instructions to the bank, broker, or intermediary, the bank, broker, or other intermediary, as applicable, will determine if it has the discretionary authority to vote on the particular matter. Under applicable rules, brokers have the discretion to vote on routine matters, such as the ratification of the selection of accounting firms, but do not have discretion to vote on non-routine matters, including the uncontested election of directors. As a result, if you are a beneficial owner and hold your shares in street name, but do not give your bank, broker, or other intermediary instructions on how to vote your shares with respect to the election of directors, no votes will be cast on your behalf.

If you do not provide voting instructions to your broker, and your broker indicates on its proxy card that it does not have discretionary authority to vote on a particular proposal, your shares will be considered to be "broker non-votes" with regard to that matter. Proxy cards that reflect a broker non-vote with respect to at least one proposal to be considered at the Annual Meeting (so long as they do not apply to all proposals to be considered) will be considered to be represented for purposes of determining a quorum but generally will not be considered to be entitled to vote with respect to that proposal. Broker non-votes are not counted in the tabulation of the voting results with respect to proposals that require a plurality of the votes cast or proposals that require a majority of the votes cast.

How is a quorum determined?

The representation, in person or by proxy, of holders entitled to cast at least a majority of the votes entitled to be cast at the Annual Meeting constitutes a quorum at the Annual Meeting. Abstentions, broker votes and broker non-votes (only when accompanied by broker votes with respect to at least one matter at the meeting) are considered present and entitled to vote for purposes of establishing a quorum for the transaction of business at the Annual Meeting. If a quorum is not present by attendance at the Annual Meeting or represented by proxy, the shareholders present by attendance at the meeting or by proxy may adjourn the Annual Meeting, until a quorum is present. If a new record date is fixed for the adjourned meeting, we will provide notice of the adjourned meeting to each shareholder of record entitled to vote at the meeting.

What vote is required to approve each proposal at the Annual Meeting?

<u>Proposal</u>		<u>Vote Required</u>	<u>Broker Discretionary Voting Allowed</u>
Proposal No. 1—	Election of Directors	Plurality of Votes Cast	No
Proposal No. 2—	Ratification of Appointment of Independent Registered Public Accounting Firm	Majority of Votes Cast	Yes
Proposal No. 3—	Amendment to Articles of Incorporation and Bylaws	Majority of Votes Cast	No

With respect to Proposal No. 1, you may vote FOR any or all of the nominees or WITHHOLD your vote as to any of the nominees. The six nominees receiving the most FOR votes will be elected. A properly executed proxy

Table of Contents

marked WITHHOLD with respect to the election of one or more directors will not be voted with respect to the director or directors indicated. Proxies may not be voted for more than six directors and shareholders may not cumulate votes in the election of directors.

With respect to Proposal Nos. 2 and 3, you may vote FOR, AGAINST or ABSTAIN.

If you abstain from voting on any of these matters, your shares will be counted as present and entitled to vote on that matter for purposes of establishing a quorum, but will not be counted for purposes of determining the number of votes cast.

Can I change my vote or revoke my proxy?

Yes. Any shareholder of record has the power to change or revoke a previously submitted proxy at any time before it is voted at the Annual Meeting by:

- Submitting to our Corporate Secretary, before the voting at the Annual Meeting, a written notice of revocation bearing a later date than the proxy;
- Timely delivery of a valid, later-dated proxy (only the last proxy submitted by a shareholder by Internet, telephone or mail will be counted); or
- Attending the Annual Meeting and voting in person; however, attendance at the Annual Meeting will not by itself constitute a revocation of a proxy.

For shares held in street name, you may revoke any previous voting instructions by submitting new voting instructions to the bank, broker, or intermediary holding your shares by the deadline for voting specified in the voting instructions provided by your bank, broker, or intermediary. Alternatively, if your shares are held in street name and you have obtained a legal proxy from the bank, broker, or intermediary, giving you the right to vote the shares at the Annual Meeting, you may revoke any previous voting instructions by attending the Annual Meeting and voting in person.

Are there other matters to be voted on at the Annual Meeting?

We do not know of any other matters that may come before the Annual Meeting other than Proposals 1, 2 and 3 included herein. If any other matters are properly presented at the Annual Meeting, the persons named as proxies in the enclosed proxy card intend to vote or otherwise act in accordance with their judgment on the matter.

Is a list of shareholders available?

The names of shareholders of record entitled to vote at the Annual Meeting will be available for review by shareholders at the Annual Meeting.

Where can I find the voting results?

Preliminary voting results will be announced at the Annual Meeting, and final voting results will be reported in a Current Report on Form 8-K, which we will file with the SEC within four business days following the Annual Meeting.

Who is soliciting proxies, how are they being solicited, and who pays the cost?

The solicitation of proxies is being made on behalf of our board of directors and we will bear the costs of the solicitation. This solicitation is being made by mail and through the Internet, but also may be made by telephone or in person. We will reimburse brokerage firms and other custodians, nominees and fiduciaries for their reasonable out-of-pocket expenses for sending proxy materials to shareholders and obtaining their votes.

Table of Contents

What do I need to do if I intend to attend the Annual Meeting?

Attendance at the Annual Meeting will be limited to shareholders as of the record date or their duly-appointed proxies. Please note that if you attend the Annual Meeting, you may be asked to present valid picture identification, such as a driver's license or passport. If you are a shareholder holding stock in brokerage accounts or by a bank or other intermediary, you may be required to show a brokerage statement or account statement reflecting your stock ownership as of the record date, but in order to vote your shares at the Annual Meeting, you must obtain a "legal proxy" from the bank or brokerage firm that holds your shares. Cameras, recording devices and other electronic devices will not be permitted at the Annual Meeting.

BOARD OF DIRECTORS

Our bylaws provide that the number of members of our board of directors shall be as fixed by our board from time to time. The number of members of our board is currently fixed at nine and is divided into three classes with staggered three-year terms.

Unless otherwise specified in the proxy, the shares voted pursuant thereto will be cast for each of Messrs. Mussafer, Schlessinger, Vellios and Anderson and Mses. Buggeln and Barclay. If, for any reason, at the time of election, any of the nominees named should decline or be unable to accept his or her nomination or election, it is intended that such proxy will be voted for a substitute nominee, who would be recommended by our board of directors. Our board of directors, however, has no reason to believe that any of the nominees will be unable to serve as a director.

Each of our directors has demonstrated business acumen and an ability to exercise sound judgment, as well as a commitment of service to us and our board. Finally, we value our directors' experience on other company boards and board committees.

There are no family relationships among any of our directors or executive officers.

Board Composition

Our business and affairs are managed under the direction of our board of directors, which currently consists of nine members. Our articles of incorporation and bylaws provide that our board of directors will consist of a number of directors, not less than three nor more than eleven, to be fixed exclusively by resolution of the board of directors.

Our articles of incorporation provides for a staggered, or classified, board of directors consisting of three classes of directors, each serving staggered three-year terms, which, assuming the election of Mses. Buggeln and Barclay and Mr. Anderson at the Annual Meeting, is as follows:

- the Class I directors are Ms. Buggeln and Messrs. Devine and Sargent, and their terms will expire at the annual meeting of shareholders to be held in 2016;
- the Class II directors are Ms. Barclay and Messrs. Anderson and Ryan, and their terms will expire at the annual meeting of shareholders to be held in 2017; and
- the Class III directors are Messrs. Mussafer, Schlessinger and Vellios, and their terms will expire at the Annual Meeting.

Upon expiration of the term of a class of directors, directors for that class will be elected for a three-year term at the annual meeting of shareholders in the year in which that term expires. Each director's term continues until the election and qualification of his or her successor, or his or her earlier death, resignation, retirement, disqualification or removal. Any vacancies on our board of directors will be filled only by the affirmative vote of a majority of the directors then in office. Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of the directors. The classification of our board of directors will make it more difficult for a third party to acquire control of us.

Director Independence

Our board of directors observes all applicable criteria for independence established by The NASDAQ Stock Market LLC and other governing laws and applicable regulations. No director will be deemed to be independent unless our board of directors determines that the director has no relationship which would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Our board of directors has determined that Messrs. Devine, Mussafer, Ryan and Sargent and Mses. Buggeln and Barclay are independent as defined under the corporate governance rules of The NASDAQ Stock Market LLC. Of these independent directors, our board has determined that: (i) Messrs. Devine, Ryan and Sargent, who comprise our audit

committee; (ii) Ms. Barclay and Mr. Ryan, who comprise our compensation committee; and (iii) Messrs. Mussafer and Sargent and Ms. Buggeln, who comprise our nominating and corporate governance committee, each satisfy the independence standards for those committees established by the applicable rules and regulations of the SEC and The NASDAQ Stock Market LLC. Our board of directors also determined that Steven J. Collins, who resigned in March 2015 as a member of our board of directors and our compensation committee, was independent as defined under the corporate governance rules of The NASDAQ Stock Market LLC and satisfied the independence standards for the compensation committee established by the applicable rules and regulations of the SEC and The NASDAQ Stock Market LLC.

Board Leadership Structure and Board's Role in Risk Oversight

Our board of directors has no policy with respect to the separation of the offices of Chief Executive Officer and Chairman of the board of directors. It is the board of directors' view that rather than having a rigid policy, the board of directors, with the advice and assistance of the nominating and corporate governance committee, and upon consideration of all relevant factors and circumstances, will determine, as and when appropriate, whether the two offices should be separate. Currently, our leadership structure separates the offices of Chief Executive Officer and Chairman of the board of directors with Mr. Anderson serving as our Chief Executive Officer and Mr. Vellios serving as Executive Chairman of the board. We believe this is appropriate as it provides Mr. Anderson with the ability to focus on our day-to-day operations while allowing Mr. Vellios to lead our board of directors in its fundamental role of providing advice to and oversight of management. In addition, as Executive Chairman, Mr. Vellios remains involved in key matters affecting our business and in implementing our growth strategy.

Our board of directors plays an active role in overseeing management of our risks. Our board of directors regularly reviews information regarding our credit, liquidity and operations, as well as the risks associated with each. Our compensation committee is responsible for overseeing the management of risks relating to our executive compensation plans and arrangements. Our audit committee oversees management of financial risks. Our nominating and corporate governance committee is responsible for managing risks associated with the independence of the board of directors. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, our full board of directors keeps itself regularly informed regarding such risks through committee reports and otherwise.

Compensation Risk Analysis

The compensation committee is aware that compensation arrangements, if not properly structured, may encourage inappropriate risk-taking. In designing our compensation programs, the compensation committee seeks to mitigate such risk by providing a meaningful portion of total compensation in the form of equity incentives that are earned over multiple years (to encourage an appropriately long-term focus).

Moreover, while the compensation committee continues to evaluate the implementation of a formal stock ownership guideline for our management team, we note that our Named Executive Officers (as defined below) already maintain a substantial equity ownership position, through direct stock ownership and/or the ownership of option and restricted stock unit awards. We believe that this ownership position provides significant incentives to ensure that the management team's actions, and the actions of all those reporting to them, are focused on the creation of sustainable shareholder value and the avoidance of excessive risk.

In fiscal 2014, the compensation committee approved the new form of restricted stock unit agreement that provides for the repayment of vested shares or cancellation of unvested shares pursuant to certain awards if it is determined by the compensation committee that gross negligence, intentional misconduct or fraud by the grantee caused or partially caused the Company to restate all or a portion of its financial statements.

Committees of the Board of Directors

The standing committees of our board of directors include: the audit committee, the compensation committee and the nominating and corporate governance committee. The composition and responsibilities of each standing committee is described below. Members will serve on these committees until their resignation or until otherwise determined by our board of directors. Current copies of the charters for each of these committees are available on our website, www.fivebelow.com, under the “Investor Relations” section.

All of the members of the audit committee are independent for purposes of serving on the audit committee and meet the requirements for financial literacy under the applicable rules and regulations of the SEC and The NASDAQ Stock Market LLC. Our board has determined that Mr. Devine is an audit committee financial expert as defined under the applicable rules of the SEC and has the requisite financial sophistication defined under the applicable rules of The NASDAQ Stock Market LLC.

Compensation Committee

Our compensation committee reviews and recommends policies relating to compensation and benefits of our officers and employees. The compensation committee has the following responsibilities, among other things, as set forth in the compensation committee’s charter:

- reviewing and approving compensation of our executive officers, including annual base salary, annual incentive bonuses, specific goals, equity compensation, employment agreements, severance and change-in-control arrangements and any other benefits, compensation or arrangements;
- reviewing and recommending the terms of employment agreements with our executive officers;

- reviewing and recommending the appropriate structure and amount of compensation for our directors;
- overseeing the management of risks relating to our executive compensation plans and arrangements;
- reviewing and discussing annually with management our “Compensation Discussion and Analysis” required by SEC rules;
- preparing the compensation committee report required by the SEC to be included in our annual proxy statement;

- administering, reviewing and making recommendations with respect to our equity compensation plans.

Our compensation committee consists of Ms. Barclay and Mr. Ryan. Mr. Ryan serves as the chairperson of the compensation committee. Mr. Ryan was elected chairperson of the compensation committee in March 2013. All of the members of the compensation committee are determined to be independent under applicable rules and regulations of the SEC and The NASDAQ Stock Market LLC. The compensation committee has the authority to delegate any of its responsibilities, along with the authority to take action in relation to such responsibilities, to one or more subcommittees as the compensation committee may deem appropriate in its sole discretion.

Nominating and Corporate Governance Committee

The nominating and corporate governance committee is responsible for making recommendations regarding candidates for directorships and the size and composition of our board. Among other matters, the nominating and corporate governance committee is responsible for the following as set forth in the nominating and corporate governance committee charter:

- assisting our board of directors in identifying prospective director nominees and recommending nominees for each annual meeting of shareholders to our board of directors;
- reviewing developments in corporate governance practices and developing and recommending governance principles applicable to our board of directors;
- managing risks associated with the independence of the board of directors;
- evaluating and making recommendations as to the size and composition of the board of directors;
- overseeing the evaluation of our board of directors and management; and
- recommending members for each committee of our board of directors.

Our nominating and corporate governance committee consists of Ms. Buggeln and Messrs. Mussafer and Sargent. Mr. Sargent serves as the chairperson of the nominating and corporate governance committee. Mr. Sargent was elected chairperson of the nominating and corporate governance committee in March 2013. All of the members of the nominating and corporate governance committee are determined to be independent under applicable rules and regulations of the SEC and The NASDAQ Stock Market LLC. In 2014, the nominating and corporate governance committee engaged Spencer Stuart, an outside search firm, to help identify potential director candidates and to assist by providing background information and assessments of qualifications on potential candidates.

Meetings and Attendance

During fiscal 2014, there were five meetings of the board of directors, seven meetings of the audit committee, three meetings of the compensation committee and one meeting of the nominating and corporate governance committee. Each of our directors attended at least 75% of the aggregate meetings of the board of directors and the committees of the board of directors on which he served during fiscal 2014. In addition, the

Table of Contents

independent directors meet in executive session at least twice per year without the presence of management. The chairman of the nominating and corporate governance committee chairs these executive sessions of independent directors.

Our board of directors expects its members to attend the annual meetings of shareholders. All of our directors attended the 2014 annual meeting of shareholders. The Company expects that all of its directors will attend this year's Annual Meeting.

Director Compensation

In fiscal 2014, each of our non-employee directors who is not affiliated with Advent was paid the following pursuant to our Compensation Policy for Non-Employee Directors:

- an annual cash retainer of \$60,000;
- an additional retainer of \$25,000 for the audit committee chair and the compensation committee chair and \$15,000 for the nominating and corporate governance committee chair; and
- an annual equity grant with a fair market value of \$90,000 in the form of restricted stock units and vesting on the date of the next annual meeting.

Each non-employee director has the option to receive some or all of his or her cash retainer in the form of shares of our common stock. Directors do not receive a fee for attending meetings, but they are entitled to reimbursement of travel expenses relating to their service.

In April 2015, our compensation committee and board of directors approved an amendment to our Compensation Policy for Non-Employee Directors to permit any directors affiliated with Advent to participate in the policy. In addition, our Compensation Policy for Non-Employee Directors was amended to provide that any former employee who served on the board of directors at the time of the termination of such person's employment with the Company will not be eligible to receive compensation under the policy until the first anniversary of the expiration of the term on the board of such individual during which the employment termination occurred. Other than the modifications identified above, the Compensation Policy for Non-Employee Directors for fiscal 2015 is identical to the fiscal 2014 policy. Pursuant to the amended policy, Mr. Mussafer is entitled to receive a pro-rated portion of the annual cash retainer for fiscal 2015 commencing on March 10, 2015 and an annual equity grant at the Annual Meeting.

The following table sets forth information on compensation of all our non-employee directors for fiscal 2014:

For a discussion of the assumptions and methodologies used to calculate the amounts referred to above, please see the discussion of restricted stock unit awards contained in Note 1 and Note 6 to the consolidated financial statements included as a part of the 2014 Form 10-K, filed with the SEC on March 26, 2015. The aggregate number of shares of restricted stock units outstanding at fiscal year-end for each non-employee director is as follows: 2,324 units for each of Messrs. Devine, Ryan and Sargent, which will vest on date of the Annual Meeting.

- (3) Mr. Collins resigned from our board of directors on March 10, 2015.
- (4) Mr. Crawford’s term as a member of our board of directors expired at the annual meeting of shareholders in 2014.
- (5) The amounts reported reflect the fair value on the grant date of the restricted stock awards granted to Messrs. Ryan and Sargent in lieu of the cash retainers paid quarterly and computed in accordance with FASB ASC Topic 718.

In March 2014, our board of directors adopted Stock Ownership Guidelines for non-employee directors upon consulting with, and the recommendation of, Hay Group. Pursuant to the guidelines, each non-employee director is required to own shares of our common stock having an aggregate fair market value equal to or greater than three times the highest annual cash retainer payable to a non-employee director in the preceding calendar year pursuant to the Compensation Policy for Non-Employee Directors. For purposes of the guidelines, the highest annual cash retainer will include any cash retainer payable in a given calendar year the payment of which is deferred to a later calendar year and the value of shares or other property received in lieu of a cash retainer in a given calendar year. Non-employee directors at the time the Stock Ownership Guidelines were adopted will have five years from the adoption of the guidelines to attain the specified level of equity ownership. Any non-employee director elected following the adoption of the guidelines will have five years from the date of such election to attain the specified level of equity ownership. For purposes of the guidelines, a non-employee director’s holdings include: shares held outright by the non-employee director; vested restricted shares and shares subject to vested but unsettled restricted stock units held by the non-employee director; and shares otherwise beneficially owned by the non-employee director. Our board of directors may waive compliance with the guidelines on a case by case basis, but it is anticipated that waivers will be rare and in the event of such a waiver, the board of directors will develop alternative ownership guidelines that reflect the intent of these guidelines and the non-employee director’s personal circumstances.

Director Nomination Process

Minimum Qualifications of Directors

The nominating and corporate governance committee of the board of directors is responsible for facilitating director assessments, identifying skills and expertise that candidates should possess, and screening, selecting and recommending candidates for approval of the board of directors. The nominating and corporate governance committee may solicit recommendations for nominees from other members of the board and management. Our nominating and corporate governance committee may also retain professional search firms to identify candidates. The nominating and corporate governance committee seeks to identify, as candidates for director, persons with a reputation for and record of integrity and good business judgment. The nominating and corporate governance committee considers the nature of the expertise and experience required for the performance of the duties of a director of the Company, and such matters as the candidate’s relevant business and industry experience, professional background, age, current employment, community service and other board service. The nominating and corporate governance committee shall also consider the racial, ethnic and gender diversity of the board.

At a minimum, each director will be expected to:

- understand the Company’s business and the industry in general;
- have experience in positions with a high degree of responsibility and be leaders in the organizations in which they are affiliated;
- be free from conflicts of interest that could interfere with a director’s duties to the Company;
- regularly attend meetings of the board and of any committees on which the director serves;
- review in a timely fashion and understand materials circulated to the board regarding the Company or the industry;
- participate in meetings and decision-making processes in an objective and constructive manner; and
- be reasonably available, upon request, to advise the Company’s officers and management.

In addition, the committee may consider the following criteria, among others the committee shall deem appropriate, in recommending candidates for election to the board of directors:

- personal and professional integrity, ethics and values;

Table of Contents

- experience in corporate management, such as serving as an officer or former officer of a publicly held company;
- experience in the Company's industry;
- experience as a board member of another publicly held company;
- diversity of expertise and experience in substantive matters pertaining to the Company's business relative to other board members;
- practical and mature business judgment;
- global experience; and
- level of financial literacy.

Due consideration will be given to the board's overall balance of diversity of perspectives, backgrounds and experiences.

If the committee decides, on the basis of its preliminary review of a candidate, to proceed with further consideration of a candidate, the committee will assemble information concerning the background and qualifications of the candidate. The committee may solicit the views of the Company's senior management and other members of the board of directors regarding the qualifications and suitability of candidates. A member or members of the committee will then interview the candidate. The committee may also elect to contact other sources as it deems appropriate to solicit additional information on the candidate. Based on all available information and relevant considerations, the committee will select a candidate who, in the view of the committee, is most suited for membership on the board.

Shareholder Nominations of Directors and Other Business

Our bylaws provide procedures by which a shareholder may nominate individuals for election to our board of directors at any meeting of shareholders or bring business before an annual meeting of shareholders. A shareholder desiring to nominate a director for election to our board of directors, or to bring any other proper business before an annual meeting of shareholders, should deliver a written notice to our Corporate Secretary at our principal executive offices at 1818 Market Street, Suite 2000, Philadelphia, Pennsylvania 19103, no later than the 60th day nor earlier than the 90th day prior to the first anniversary of the preceding year's annual meeting of shareholders. In the event that the date of the annual meeting of shareholders is more than 30 days before or more than 60 days after the anniversary of the preceding year's annual meeting of shareholders, notice by the shareholder must be so received not earlier than the 90th day prior to the annual meeting of shareholders and not later than the later of the 60th day prior to the annual meeting of shareholders or the 15th day following the day on which public announcement of the date of the meeting is first made by the Company. In the event that a special meeting of shareholders is called at which directors are to be elected pursuant to the notice of that meeting, a shareholder desiring to nominate a director for election to our board of directors at that meeting should deliver a notice to our Corporate Secretary at our principal executive offices at 1818 Market Street, Suite 2000, Philadelphia, Pennsylvania 19103, not later than the later of the 60th day prior to that meeting or the 15th day after the public announcement of the date of the meeting and of the nominees proposed by the board to be elected at such meeting nor earlier than the 90th day prior to that special meeting.

A shareholder's notice shall set forth:

Candidates proposed by shareholders in accordance with the procedures set forth in the Company's bylaws will be considered by the committee under criteria similar to the evaluation of other candidates set forth above in "*Minimum Qualifications of Directors*," except that the committee may consider, as one of the factors in its evaluation of shareholder recommended nominees, the size and duration of the interest of the recommending shareholder or shareholder group in the equity of the Company. The committee may also consider the extent to which the recommending shareholder intends to continue holding its interest in the Company.

The audit committee has also received and reviewed the written disclosures and the letter from our independent registered public accounting firm required by the applicable requirements of the Public Company Accounting Oversight Board regarding the accounting firm's communications with the audit committee concerning independence and has discussed with our independent registered public accounting firm that firm's independence and considered whether any non-audit services provided by the independent registered public accounting firm are compatible with maintaining its independence.

Executive Summary

Overview

Our compensation philosophy for our Named Executive Officers is driven by the need to recruit, develop, motivate and retain top talent both in the short- and long-term and align the interests of Named Executive Officers and shareholders. We strive to accomplish this by providing a portion of overall pay in the form of performance-based compensation, primarily through our annual and long-term incentive programs. Our executive pay program provides significant emphasis on variable or “at risk” compensation, each of which is linked to key drivers of shareholder value creation. The compensation committee reviews the Company’s executive compensation program on an ongoing basis, including our compensation philosophy and objectives.

Elements of Our Executive Compensation and Benefits Programs

We provide compensation to our Named Executive Officers through a combination of the following:

- Base salary;
- Annual cash incentives;
- Long-term equity incentives; and
- Retirement (401(k) Plan), Employee Stock Purchase Plan, health and welfare benefits, and limited perquisites.

Table of Contents

The portion of executive compensation devoted to each of the elements of pay is driven by our principles and objectives as well as each Named Executive Officer's role and strategic value to the organization as further described in the table below.

- *Annual Incentive Compensation* . The Company's adjusted operating income (determined prior to giving effect to any bonuses potentially payable under the Incentive Bonus Plan (defined below)) was \$80.264 million, so each Named Executive Officer (other than Mr. Romanko who was not eligible for a fiscal 2014 bonus) received an incentive bonus under the Incentive Bonus Plan for fiscal 2014 equal to 30% of such Named Executive Officer's applicable target bonus opportunity. See "—Annual Incentive Compensation."
- *Long-term Equity Incentive Compensation* .
 - The compensation committee introduced performance-based restricted stock units ("PRSUs") as a component of equity awards to the Named Executive Officers to incorporate multi-year metrics into our executive compensation program and to further align the interests of our Named Executive Officers with shareholders.
 - Mr. Vellios received PRSUs that vest in certain percentages at the end of each of fiscal years 2015, 2016, and 2017, subject to the achievement of certain performance targets as determined by the compensation committee.
 - Messrs. Anderson and Bull were each granted stock option awards that vest 50% two years after the vesting commencement date with the remaining 50% vesting in 25% increments on each of the third and fourth anniversaries of the vesting commencement date, subject to such individual's continued employment with the Company. In addition, Messrs. Anderson and Bull were each awarded PRSUs, which will vest as of the last day of the three-year performance period ending at

- In connection with the commencement of his employment, Mr. Anderson was also awarded (i) time-based restricted stock units, which vest in three equal installments culminating on January 1, 2016 and (ii) a combination of time-based restricted stock units and PRSUs. Mr. Anderson's time-based restricted stock unit award vests in two equal installments on December 1, 2017 and 2018 and his PRSU award vests in two equal installments on February 3, 2018 and February 2, 2019 based on the attainment of an earnings growth performance goal for the Company's 2017 and 2018 fiscal years. Mr. Anderson's equity grants are subject, in each case, to his continued employment through the applicable vesting date.
- In connection with such individual's commencement of service with the Company, Messrs. Specter and Romanko were each granted stock option awards and time-based restricted stock unit awards that vest 50% two years after the vesting commencement date with the remaining 50% vesting in 25% increments on each of the third and fourth anniversaries of the vesting commencement date, subject to such individual's continued employment with the Company.

Post-2014 Changes

Changes to Management

Effective February 1, 2015, the following changes occurred with respect to our executive officers:

- David Schlessinger resigned as the Executive Chairman of the Company and was appointed Chairman Emeritus of the board;
- Thomas G. Vellios resigned as the Chief Executive Officer of the Company and was appointed our Executive Chairman; and
- Joel D. Anderson, our President, was also appointed our Chief Executive Officer.

Changes to Annual Incentive Plan

On March 10, 2015, the board of directors and the compensation committee jointly approved the performance targets and the potential bonus payouts for the Named Executive Officers for fiscal 2015 under the Incentive Bonus Plan. For fiscal 2015, the compensation committee determined that in addition to adjusted operating income, the annual cash bonus opportunity for each of the Named Executive Officers would be based in part on certain net sales targets and the compensation committee set certain individual goals for Messrs. Specter and Romanko.

See "—Post-Fiscal 2014 Items" below for more details regarding the changes to our compensation program after fiscal 2014.

Purpose and Philosophy

We follow several principles in the development and administration of the above elements of our executive compensation program. In establishing executive compensation, we believe that:

- our executive compensation programs are aligned with and support the strategic direction of our business;
- we design compensation levels to reflect the level of accountability and future potential of each executive and the achievement of outstanding individual results;

Table of Contents

- our compensation programs are designed to link pay with overall company performance and reward executives for behaviors which drive shareholder value creation;
- as an executive’s level of responsibility increases, the proportion of compensation “at risk” may increase; however, executive compensation programs should not encourage excessive or unnecessary risks; and
- the design and administration of our compensation programs will reflect best practices to be financially efficient, affordable and legally compliant.

The competitiveness of our executive compensation program is not targeted at a specific market level for any individual element of compensation or for the program in its entirety. However, we generally set target compensation opportunities to be competitive with other retail companies of similar size, complexity and business model. While providing market competitive levels of compensation is a core consideration, our decision-making also incorporates our annual performance and the impact of the employee’s performance on our business results. In instances where Company and individual performance significantly exceed the agreed-upon objectives, we would expect to pay above-market compensation.

Role of the Compensation Committee

As described in more detail under “Board of Directors—Committees of the Board of Directors—Compensation Committee,” the compensation committee operates under a written charter, which sets forth the roles and responsibilities of the compensation committee regarding executive compensation.

Mr. Ryan and Ms. Barclay are members of the compensation committee, both of whom are independent as defined under the corporate governance rules of The NASDAQ Stock Market LLC and satisfied the independence standards for the compensation committee established by the applicable rules and regulations of the SEC and The NASDAQ Stock Market LLC. During the past fiscal year, Mr. Crawford, whose term expired at the 2014 annual meeting of shareholders, and Mr. Collins, who resigned in March 2015 also served as members of the compensation committee. Each of Messrs. Crawford and Collins was independent as defined under the corporate governance rules of The NASDAQ Stock Market LLC and satisfied the independence standards for the compensation committee established by the applicable rules and regulations of the SEC and The NASDAQ Stock Market LLC.

Role of Executives in Establishing Compensation

Our board of directors has delegated administration of our executive compensation program to the compensation committee. Our compensation committee reviews the performance of our Chief Executive Officer and makes determinations and decisions on his compensation program, including the components, mix and targeted amounts thereof. In addition, our Chief Executive Officer provides recommendations regarding the design of our compensation programs to the compensation committee for all Named Executive Officers, excluding himself. Upon the compensation committee’s approval, the execution of the elements of the executive compensation programs is the responsibility of the Chief Financial Officer and/or his delegates.

Consideration of Most Recent Shareholder Advisory Vote on Executive Compensation

At our 2013 annual meeting, we conducted our first “Say-On-Pay” shareholder advisory vote, as required by the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010. The compensation committee appreciates that approximately 92% of the shares voting approved of our executive compensation and believes, therefore, that our shareholders are supportive of our current executive compensation practices. Nevertheless, the compensation committee continues to refine our executive compensation practices in its ongoing effort to ensure that those practices support our overall corporate goals and values.

In line with the recommendation by the Company’s shareholders at our 2013 annual meeting of shareholders, the board of directors decided that it will include an advisory shareholder vote on executive

compensation in its proxy materials triennially until the next shareholder vote on the frequency of an advisory vote on executive compensation. Thus, the next “Say-On-Pay” shareholder advisory vote to be conducted by the Company will occur at our 2016 annual meeting of shareholders.

Compensation Consultant and Peer Group Comparison

During fiscal 2013, in anticipation of setting compensation strategies for fiscal 2014, the compensation committee engaged Hay Group, as its independent compensation consultant, to conduct a market review and to provide assistance, guidance and considerations with respect to, among other things, the following topics: (i) board of directors compensation pay levels and structure for fiscal 2014, (ii) our compensation philosophy to be utilized on a going-forward basis (as described above) and (iii) short-term and long-term incentive compensation strategy and design for fiscal 2014.

In connection with this engagement, Hay Group worked with the compensation committee and the Company’s management to develop the following peer group:

- Bebe Stores
- Body Central
- Buckle
- Build-A-Bear Workshop
- Casual Male Retail Grp
- Citi Trends
- Francescas Holdings
- Fresh Market
- Gordmans Stores
- Hibbett Sports
- lululemon athletica
- Rue21
- Tilly’s
- Tumi Holdings
- Vitamin Shoppe
- Zumiez

Our peer group consists of 16 similarly-situated companies within the retail industry. The compensation committee (in conjunction with Hay Group) performed a comprehensive competitive assessment of the various elements of our compensation program for both employees and directors vis-à-vis the above peer group. Additionally, Hay Group and the compensation committee conducted a thorough review of peer and broader retail industry annual incentive and long-term incentive programs and practices and developed guiding principles for our fiscal 2014 annual incentive and long-term incentive design. Specifically, the compensation committee utilized the newly created peer group and information from Hay Group in connection with the following actions: (i) revising the Compensation Policy for Non-Employee Directors effective fiscal 2014, (ii) designing Stock Ownership Guidelines for non-employee directors, (iii) revising our long-term incentive practices to add long-term PRSUs, and (iv) designing competitive market-based compensation packages for the Named Executive Officers (Mr. Anderson, Mr. Specter and Mr. Romanko) hired in fiscal 2014.

The compensation committee continued to engage the services of Hay Group as a compensation consultant during fiscal 2014 in connection with the ongoing administration and integration of the various compensation design changes initially discussed during fiscal 2013 and approved by the compensation committee in March of 2014. In addition, the compensation committee utilized the services of Hay Group in fiscal 2014 in connection with designing the PRSU award for Mr. Vellios.

The compensation committee has examined the independence of Hay Group under factors contained in the NASDAQ listing standards and determined that Hay Group is independent and concluded that its work for us does not raise any conflict of interest. The compensation committee has also considered the independence of Hay Group. Because of policies and procedures Hay Group and the compensation committee have in place, the compensation committee is confident that the advice it receives from executive compensation consultants at Hay Group is objective and not influenced by Hay Group’s or its affiliates’ relationships with the Company or its officers. These policies and procedures include the following:

- the consultants receive no incentive or other compensation based on the fees charged to the Company for other services provided by Hay Group or any of its affiliates;

Table of Contents

- the consultants are not responsible for selling other Hay Group or affiliate services to the Company;
- Hay Group’s professional standards prohibit the individual consultant from considering any other relationships Hay Group or its affiliates may have with the Company in rendering his or her advice and recommendations;
- the consultants have direct access to the compensation committee without management intervention;
- the compensation committee has the sole authority to retain and terminate Hay Group; and
- the compensation committee evaluates the quality and objectivity of the services provided by Hay Group periodically and determines whether to continue to retain Hay Group.

Relative Size of Major Compensation Elements

In setting executive compensation, the compensation committee considers the aggregate compensation payable to a Named Executive Officer, the form of that compensation, and the mix of the elements of the Named Executive Officer’s compensation. The compensation committee seeks to achieve the appropriate balance between immediate cash rewards and long-term financial incentives for the achievement of both annual and long-term financial and non-financial objectives.

The compensation committee may decide, as appropriate, to modify the mix of base salary, annual cash incentives, long-term equity incentives and retirement/perquisites to best fit a Named Executive Officer’s specific circumstances. For example, the compensation committee may make the decision to award more cash and not award an equity grant. This provides more flexibility to the compensation committee to reward executive officers appropriately as they near retirement, when they may only be able to partially fulfill the vesting required for equity grants. The compensation committee may also increase the amount of equity grants to an executive officer if the total number of career equity grants does not adequately reflect the executive’s current position with us or if an above-market compensation package is necessary to attract and retain critical talent. The compensation committee will generally determine to set or adjust the types of compensatory incentive either upon hire of a Named Executive Officer or prior to the commencement of a fiscal year, as appropriate. However, the compensation committee reserves the right to adjust compensatory items during the course of a fiscal year to respond to changes in our performance or as may be needed to retain key personnel. Additionally, the compensation committee may decide to make equity grants, as appropriate, throughout the fiscal year, which may increase the executive’s allocation of compensation toward long-term equity incentives in any given fiscal year.

Base Salary

We provide Named Executive Officers with base salaries to compensate them for services rendered during the year. The compensation committee believes that competitive salaries must be paid in order to attract and retain high-quality executives. The compensation committee annually reviews base salary for executive officers and makes adjustments only when necessary based on the executive’s and the Company’s performance. The following table reflects the base salaries for each of our Named Executive Officers for fiscal years 2013 and 2014, as applicable:

<u>Named Executive Officer</u>	<u>2013 Base Salary</u>	<u>2014 Base Salary</u>
Thomas G. Vellios	\$ 700,000	\$ 700,000
Joel D. Anderson	—	\$ 700,000
Kenneth R. Bull	\$ 338,000	\$ 400,000
Eric M. Specter	—	\$ 475,000
Michael F. Romanko	—	\$ 450,000

Table of Contents

See “Executive Compensation—Summary Compensation Table” for more information about the actual amounts earned by each Named Executive Officer for fiscals 2013 and 2014, as applicable.

Annual Incentive Compensation

We provide cash incentive awards to Named Executive Officers for achieving (subject to minimum or threshold achievement) and exceeding our annual financial goals, which are generally based on the attainment of certain pre-established performance criteria under the Five Below, Inc. 2012 Performance Bonus Plan, or the Incentive Bonus Plan. The Incentive Bonus Plan is administered by the compensation committee, which makes its award determinations based upon the attainment of the performance criteria previously determined and approved by the compensation committee for that fiscal year. Awards under the Incentive Bonus Plan are designed to motivate and compensate executives for the achievement of our annual business objectives.

The target bonus opportunities for each of our Named Executive Officers for fiscal 2014 were as follows:

<u>Named Executive Officer</u>	<u>Target Bonus (% of Base Salary)</u>
Thomas G. Vellios	50%
Kenneth R. Bull	50%
Joel D. Anderson	100%
Eric M. Specter	50%
Michael F. Romanko*	—

* As further described below under the heading of “Michael F. Romanko Employment Letter Agreement,” Mr. Romanko’s employment with the Company commenced on January 19, 2015 and he was not eligible for any bonus under the Incentive Bonus Plan for fiscal 2014.

In June 2014, our compensation committee approved the performance targets and the potential bonus payouts for the Named Executive Officers for fiscal 2014 under the Incentive Bonus Plan. The compensation committee determined that a main business objective was to continue to increase our adjusted operating income. For fiscal 2014, the compensation committee determined that adjusted operating income would be calculated by adjusting our operating income to exclude the impact of stock-based compensation expense that relates to the cancellation of stock options granted to the Company’s founders in fiscal year 2010 to purchase 2,020,620 shares of common stock, in exchange for the grant of an equal number of restricted shares that vest through March 2014 and on-going expense recognition of the awards over the remaining vesting period. Accordingly, for fiscal 2014, our compensation committee determined that our executive officers were to receive no payments under the Incentive Bonus Plan, unless our adjusted operating income (determined prior to giving effect to any bonuses potentially payable under the Incentive Bonus Plan) exceeded a threshold goal of \$80.099 million. The applicable performance targets and potential payouts under the Incentive Bonus Plan for fiscal 2014 are as follows:

<u>Level</u>	<u>Adjusted Operating Income (pre-incentive)</u>	<u>Bonus Payout (as a % of the Named Executive Officer’s applicable Target Bonus % of Base Salary)</u>
Threshold	\$ 80.099 million	30%
Target 1	\$ 82.948 million	60%
Target 2	\$ 85.330 million	100%
Target 3	\$ 87.738 million	110%
Maximum	\$ 90.170 million	120%

The incentive bonus for fiscal 2014 would not be interpolated if the Company’s adjusted operating income is between any of the relevant goal thresholds.

The compensation committee focused its annual bonus program on adjusted operating income because it believed that there is a strong relationship between growth in operating income and growth in shareholder value.

Table of Contents

The compensation committee separately determined that exceeding our target goal of \$85.330 million, set forth as Target 2, above, in adjusted operating income was an aggressive, although attainable target. The compensation committee set a maximum performance target of \$90.170 million in adjusted operating income, which the compensation committee determined was indicative of truly outstanding performance. In addition, the compensation committee determined that 25% of Messrs. Bull's and Specter's bonuses would be based on the achievement of certain personal goals.

On March 10, 2015, the compensation committee and the board reviewed our Incentive Bonus Plan results for fiscal 2014 performance and determined that the Company's adjusted operating income (determined prior to giving effect to any bonuses potentially payable under the Incentive Bonus Plan) was \$80.264 million. Because the threshold adjusted operating income performance target of \$80.099 million was achieved, each Named Executive Officer (other than Mr. Romanko who was not eligible for a fiscal 2014 bonus) received an incentive bonus under the Incentive Bonus Plan for fiscal 2014 equal to 30% of such Named Executive Officer's applicable target bonus opportunity. The actual amount of each incentive bonus payable to Named Executive Officers is shown in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table below.

Long-term Equity Incentive Compensation

Equity awards are a vital piece of our total compensation package and are designed to support our long-term strategy, provide a mechanism to attract and retain talent and to create a commonality of interest between management and our shareholders. Awards under the Five Below, Inc. Amended and Restated Equity Incentive Plan, or the Equity Incentive Plan, are intended to compensate Named Executive Officers for sustained long-term performance that is aligned with shareholder interests and to encourage retention through vesting schedules. Long-term equity incentive awards may take a variety of forms, such as stock options, restricted stock grants and restricted stock unit grants. Levels, mix, and frequency of awards are determined by the compensation committee. Such awards are designed to reflect a recipient's level of responsibility and performance.

While initial hire and promotion grants are targeted to be at competitive levels, actual award values will reflect our actual long-term performance (through stock price appreciation and achievement of long-term performance goals). Service-based restricted stock awards may also be granted as appropriate to recognize performance and provide ownership and/or retention focus. Long-term incentives have the capacity to be the largest component of executive compensation if our performance and stock price exceed our expectations.

Overview of Fiscal 2014 Long-term Equity Incentive Awards

For fiscal years prior to fiscal 2014, annual equity awards to our Named Executive Officers consisted solely of stock option awards with time-based vesting over a period of four years. Based on review of the long-term incentive programs of companies in our peer group and the recommendation of Hay Group, the annual equity grant program for Named Executive Officers was revised for fiscal 2014 such that 50% of the long-term incentive was provided in the form of stock options and 50% of such incentive was provided in the form PRSUs.

In fiscal 2014, the Committee introduced PRSUs as a component of equity awards to the Named Executive Officers to incorporate multi-year metrics into our executive compensation program and to further align the interests of our Named Executive Officers with shareholders. Each PRSU represents the right to receive one share of our common stock, upon satisfaction of specified performance conditions. In each case, the performance condition is based on the Company's cumulative adjusted operating income for fiscal years 2014, 2015 and 2016 (the "Performance Period"). Named Executive Officers are eligible to receive 50% to 150% of the target number of PRSUs awarded if at least the specified threshold level of adjusted operating income is achieved. The number of PRSUs earned will be interpolated proportionately to determine the number of shares deliverable for any attainment of the performance goal that is between the applicable threshold and the target levels or between the target and the maximum levels.

Table of Contents

The compensation committee chose adjusted operating income as a measure because it believed that there is a strong relationship between growth in operating income and growth in shareholder value. For purposes of the PRSUs granted in fiscal 2014, the compensation committee determined that for the Performance Period operating income will be adjusted to exclude stock compensation expense related to restricted stock granted to David Schlessinger and Thomas Vellios prior to fiscal 2014. In addition, the compensation committee determined that if certain events were to occur during the Performance Period that result in expenses or income for the Company, operating income for purposes of the PRSUs granted in fiscal 2014 will be further adjusted for the purpose of determining whether the Company has achieved its performance targets. These adjustments include the following:

- (i) all expenses (net of reimbursements) incurred as part of a public offering of the Company's securities, whether by the Company or by selling shareholders or both;
- (ii) expenses incurred related to acquisition transaction costs;
- (iii) income/expense incurred due to a change in accounting principles;
- (iv) external expenses incurred during the start-up period (covering all periods up to the first day that sales are generated) for any "new business venture"; and
- (v) any other adjustments that may be approved by the compensation committee.

A new business venture is any business that is not the Company's brick and mortar business operated under the Five Below name and located in the United States. A new business venture could include an on-line business, any business located outside of the United States, and any business operating under a name other than Five Below.

The compensation committee and management believe that achievement of the target levels of performance for cumulative adjusted operating income will be challenging, but achievable with significant effort and skill, and maximum levels of performance would be indicative of truly outstanding performance.

Fiscal Year 2014 Awards

Awards to Mr. Bull

On June 24, 2014, the compensation committee approved grants of non-qualified stock options and PRSUs for Mr. Bull. Mr. Bull was awarded 9,392 stock options with 50% of the option grant vesting two years after the vesting commencement date and the remaining 50% vesting in 25% increments on each of the third and fourth anniversaries of the vesting commencement date, subject to Mr. Bull's continued employment with the Company. In addition, Mr. Bull was awarded a PRSU award with a target number of PRSUs of 4,520 which will vest as of the last day of the Performance Period contingent on the Company's achievement of specified levels of cumulative adjusted operating income for fiscal years 2014, 2015 and 2016, and are subject to his continued service during the Performance Period.

The following reflects the number of PRSUs Mr. Bull will be entitled to upon achievement of threshold, target and maximum levels of cumulative adjusted operating income over the respective Performance Period:

	<u>Threshold</u>	<u>Target</u>	<u>Maximum</u>
Number of PRSUs that vest upon attainment of Performance Goal	2,260	4,520	6,780

Mr. Bull's option award and PRSU award will become fully vested upon the occurrence of a change in control of the Company (with PRSUs vesting at target level). 25% of Mr. Bull's option award will become vested if Mr. Bull's employment is terminated due to his death or disability following the first anniversary of the vesting commencement date but prior to the second anniversary of the vesting commencement date. Additionally, in the event of Mr. Bull's termination due to his death or disability, a pro-rata portion of his PRSUs will become vested, based on his service during the Performance Period and subject to satisfaction of applicable performance goals.

Awards to Mr. Anderson

On July 21, 2014, Mr. Anderson was granted non-qualified stock options and PRSUs in connection with his commencement of employment with us. Mr. Anderson was awarded 36,269 stock options with 50% of the option grant vesting two years after the vesting commencement date and the remaining 50% vesting in 25% increments on each of the third and fourth anniversaries of the vesting commencement date, subject to Mr. Anderson's continued employment with the Company. In addition, Mr. Anderson was awarded a PRSU award with a target number of PRSUs of 17,441 which will vest as of the last day of the Performance Period contingent on the Company's achievement of specified levels of cumulative adjusted operating income for fiscal years 2014, 2015 and 2016, and are subject to his continued service during the Performance Period.

The following reflects the number of PRSUs Mr. Anderson will be entitled to upon achievement of threshold, target and maximum levels of cumulative adjusted operating income over the respective Performance Period:

	<u>Threshold</u>	<u>Target</u>	<u>Maximum</u>
Number of PRSUs that vest upon attainment of Performance Goal	8,721	17,441	26,162

Mr. Anderson's option award and PRSU award will become fully vested upon the occurrence of a change in control of the Company (with PRSUs vesting at target level). 25% of Mr. Anderson's option award will become vested if Mr. Anderson's employment is terminated due to his death or disability following the first anniversary of the vesting commencement date but prior to the second anniversary of the vesting commencement date. Additionally, in the event of Mr. Anderson's termination due to his death or disability, a pro-rata portion of his PRSUs will become vested, based on his service during the Performance Period and subject to satisfaction of applicable performance goals.

On July 21, 2014, Mr. Anderson was awarded 66,860 time-based restricted stock units (the "Replacement Grant") to compensate him for compensation that he would be forfeiting upon terminating service with his previous employer. The time-based award vests as follows: (i) one-third of such units vested on January 1, 2015, (ii) an additional one-third of such units will vest on the earlier of (a) the later of (1) October 1, 2015 or (2) 30 days after Mr. Anderson relocates to the Philadelphia, PA metropolitan area, and (b) January 1, 2016, and (iii) an additional one-third of such units will vest on January 1, 2016. Each vesting event is subject to the Mr. Anderson's continued employment through the applicable vesting date. However, in the event that Mr. Anderson's employment is terminated by us without cause or by Mr. Anderson for good reason on or prior to February 24, 2016, the time-vested restricted stock units will continue to vest on the otherwise applicable vesting dates as if Mr. Anderson remained employed through such dates. In the event of a change in control of the Company, the Replacement Grant will become fully vested.

In addition, on July 21, 2014, Mr. Anderson was awarded 29,069 time-based restricted stock units and 29,069 PRSUs in order to incentivize Mr. Anderson to continue his employment after the other equity awards granted to him in connection with the commencement of his employment have vested, subject to the achievement of the necessary performance goals, as applicable. 50% of the time-based restricted stock units vest on December 1, 2017 and an additional 50% of such units vest on December 1, 2018, subject in each case to Mr. Anderson's continued employment through the applicable vesting date. 50% of the PRSUs will vest on February 3, 2018 based on the attainment of an earnings growth performance goal for the Company's 2017 fiscal year to be established by the compensation committee no later than the first anniversary of the grant date and 50% of the PRSUs will vest on February 2, 2019 based on the attainment of an earnings growth performance goal for the Company's 2018 fiscal year to be established by the compensation committee no later than the first anniversary of the grant date, subject in each case to Mr. Anderson's continued employment through the applicable vesting date. In the event of a change in control of the Company, both the time-based restricted stock units and the PRSUs become fully vested. Additionally, in the event of Mr. Anderson's termination due to his death or disability, a pro-rata portion of the PRSUs will become vested, based on his service during the performance period and subject to satisfaction of applicable performance goals.

Awards to Mr. Specter

In connection with Mr. Specter's commencement of employment on July 28, 2014, Mr. Specter was granted 80,000 stock options and 10,000 time-based restricted stock units. Each award to Mr. Specter vests 50% two years after the vesting commencement date with the remaining 50% vesting in 25% increments on each of the third and fourth anniversaries of the vesting commencement date, subject to Mr. Specter's continued employment with the Company.

Each award will become fully vested upon the occurrence of a change in control of the Company and 25% of each award will become vested if Mr. Specter's employment is terminated due to his death or disability following the first anniversary of the vesting commencement date but prior to the second anniversary of the vesting commencement date.

Awards to Mr. Romanko

In connection with Mr. Romanko's commencement of employment on January 19, 2015, Mr. Romanko was granted 24,908 stock options and 11,771 time-based restricted stock units. Each award to Mr. Romanko vests 50% two years after the vesting commencement date with the remaining 50% vesting in 25% increments on each of the third and fourth anniversaries of the vesting commencement date, subject to Mr. Romanko's continued employment with the Company.

Each award will become fully vested upon the occurrence of a change in control of the Company and 25% of each award will become vested if Mr. Romanko's employment is terminated due to his death or disability following the first anniversary of the vesting commencement date but prior to the second anniversary of the vesting commencement date.

Award to Mr. Vellios

On December 19, 2014, the compensation committee approved an award of 309,039 PRSUs to Mr. Vellios.

The following reflects the number of PRSUs Mr. Vellios will be entitled to upon achievement of threshold and target levels of adjusted operating income for each of 2015, 2016 and 2017, payable on the last day of the applicable fiscal year:

	<u>Threshold</u>	<u>Target</u>
Number of 2015 PRSUs that vest upon attainment of 2015 Performance Goal	38,630	77,260
Number of 2016 PRSUs that vest upon attainment of 2016 Performance Goal	51,506	103,013
Number of 2017 PRSUs that vest upon attainment of 2017 Performance Goal	64,383	128,766

For each applicable vesting date, the compensation committee will interpolate proportionately to determine the PRSUs vested for any achieved level of adjusted operating income between the threshold and the target. At the end of each of the 2015, 2016 and 2017 fiscal years, any units that do not vest based upon the Company's achieved level of adjusted operating income for that fiscal year are forfeited. The compensation committee and management believe that achievement of the threshold levels of performance for adjusted operating income will be challenging, but achievable with significant effort and skill, and target levels of performance would be indicative of truly outstanding performance.

Mr. Vellios' PRSU award provides that in the event of a change in control of the Company, Mr. Vellios will be entitled to accelerated vesting of the full award (except any portion thereof which had previously been forfeited). In addition, if Mr. Vellios ceases to be employed by the Company as a result of his death or disability, the PRSU award will remain outstanding and Mr. Vellios will vest in a prorated portion of the units subject to achievement of the award targets.

Retirement, Health and Welfare Benefits and Other Perquisites

Our Named Executive Officers are entitled to participate in all of our employee benefit plans, including medical, dental, vision, group life and disability insurance, the Five Below, Inc. Employee Stock Purchase Plan, and the Five Below 401(k) Retirement Savings Plan. We provide vacation and paid holidays to our Named Executive Officers. Generally, our Named Executive Officers participate in these plans and programs on the same or similar basis as are offered to our other senior employees.

Employment Agreements

We have entered into employment agreements with each of our Named Executive Officers. These agreements are summarized and the benefits potentially payable under these agreements are more fully described below in the section entitled “Executive Compensation—Potential Payments Upon Termination or Change of Control.”

The compensation committee believes that severance and change in control arrangements, when properly tailored, are appropriate and necessary. Specifically, the compensation committee has concluded that such commitments are appropriate to retain the continued service of the Named Executive Officers and to recruit other potential executive candidates. Further, in the case of any potential change in control, the compensation committee has concluded that such commitments are necessary to enable our Named Executive Officers to evaluate objectively the benefits to shareholders of the proposed transaction, notwithstanding any potential effects on their own job security.

The compensation committee also believes that reasonable severance and change in control benefits should be (1) established with reference to an executive’s position and current cash compensation opportunities, not with reference to his or her tenure, (2) conditioned upon execution of a release of claims against the Company and its affiliates, and (3) conditioned on the executive’s commitment not to compete with the Company for a reasonable period following any cessation of his or her employment.

No Named Executive Officer of the Company has a right to receive a tax gross-up related to the impact of the excise tax under Section 280G of the Internal Revenue Code.

Joel D. Anderson Employment Letter Agreement

We entered into an employment letter agreement with our President and Chief Executive Officer, Joel D. Anderson, on June 8, 2014 (the “Anderson Agreement”). The Anderson Agreement provides for an annual base salary of \$700,000, subject to review for increase commencing with the Company’s 2016 fiscal year, an annual target performance bonus of 100% of Mr. Anderson’s base salary (with a maximum annual performance bonus of 120% of Mr. Anderson’s base salary), and the opportunity to receive equity compensation awards and to participate in the benefit plans offered by the Company. In addition, the Anderson Agreement provides for a relocation bonus of \$250,000 paid upon Mr. Anderson’s relocation to the greater Philadelphia, PA metropolitan area and a temporary travel and housing monthly allowance of up to \$7,500 for Mr. Anderson’s first year of employment.

Mr. Anderson is eligible to receive an annual equity grant subject to the same terms and conditions as equity grants made to our other senior executive officers.

If we were to terminate Mr. Anderson’s employment without “Cause” or if Mr. Anderson terminates his employment for “Good Reason,” in each case, on or prior to January 20, 2016, then, subject to his execution of a release of claims, he would be entitled to receive: (a) 24 months of base salary continuation paid in accordance with our normal payroll practices; (b) up to 24 months of payments equal to the applicable monthly COBRA premium; and (c) continued vesting of the Replacement Grant described above. If Mr. Anderson’s employment is

terminated by us without “Cause” or if Mr. Anderson terminates his employment for “Good Reason,” in each case, after January 20, 2016, the references to “24 months” in the preceding sentence will be replaced by references to “12 months” and Mr. Anderson would not be entitled to the continued vesting of the Replacement Grant.

The terms Cause and Good Reason are more fully described below under “—Potential Payments Upon Termination or Change of Control.”

Additionally, pursuant to the Anderson Agreement, Mr. Anderson is subject to non-competition and non-solicitation provisions during the term of his employment with us until (i) he no longer receives salary continuation payments (as set forth above), if the executive’s employment is terminated without Cause or the executive terminates his employment for Good Reason or (ii) 24 months after any other termination of employment.

Eric M. Specter Employment Letter Agreement

We entered into an employment letter agreement with our Chief Administrative Officer, Eric M. Specter, on May 21, 2014 (the “Specter Agreement”). The Specter Agreement provides for an annual base salary of \$475,000, subject to an automatic increase to \$500,000 commencing with the Company’s 2015 fiscal year and further subject to review for increase commencing with the Company’s 2016 fiscal year, an annual target performance bonus of 50% of Mr. Specter’s base salary (with a maximum annual performance bonus of 60% of Mr. Specter’s base salary), and the opportunity to receive equity compensation awards and to participate in the benefit plans offered by the Company. In addition, the Specter Agreement provides for a signing bonus of \$190,000 payable in two equal installments on August 4, 2014 and August 4, 2015 subject to his continued employment.

Commencing with the Company’s 2015 fiscal year, Mr. Specter will be eligible to receive an annual equity grant with a targeted grant value of \$400,000, with such annual grant subject to the same terms and conditions as equity grants made to our other senior executive officers.

If we were to terminate Mr. Specter’s employment without “Cause” or if Mr. Specter terminates his employment for “Good Reason,” then, subject to his execution of a release of claims, he would be entitled to receive: (a) 12 months of base salary continuation paid in accordance with our normal payroll practices; and (b) up to 12 months of payments equal to the applicable monthly COBRA premium.

The terms Cause and Good Reason are more fully described below under “—Potential Payments Upon Termination or Change of Control.”

Mr. Romanko is also entitled to payment of certain relocation related expenses pursuant to the Romanko Agreement, provided that such relocation expenses must be repaid to the Company in the event that Mr. Romanko’s employment is terminated by us for “cause” (as defined in the Romanko Agreement) or by Mr. Romanko voluntarily within the first 12 months of employment.

Table of Contents

Commencing with the Company's 2016 fiscal year, Mr. Romanko will be eligible to receive an annual equity grant with a targeted grant value of \$300,000, with such annual grant subject to the same terms and conditions as equity grants made to our other senior executive officers.

Additionally, pursuant to the Romanko Agreement, Mr. Romanko is subject to non-competition and non-solicitation provisions during the term of his employment with us until 12 months after any termination of employment.

Post-Fiscal 2014 Items

Changes to Management

Effective February 1, 2015, the following changes occurred with respect to our executive officers:

- David Schlessinger resigned as the Executive Chairman of the Company and was appointed Chairman Emeritus of the board;
- Thomas G. Vellios resigned as the Chief Executive Officer of the Company and was appointed our Executive Chairman; and
- Joel D. Anderson, our President, was also appointed our Chief Executive Officer.

In connection with his appointment as Executive Chairman, Mr. Vellios entered into an amendment to his existing employment letter agreement (the "Vellios Amendment"). Pursuant to the Vellios Amendment and effective February 1, 2015, Mr. Vellios' base salary was reduced to \$600,000 (subject to review for increase commencing with our 2016 fiscal year) and his target and maximum annual bonus opportunities were set at 50% of his annual base salary, subject to satisfaction of pre-established Company performance goals applicable to our senior executive officers under our annual management cash bonus plan.

The Anderson Agreement was also amended in connection with Mr. Anderson's appointment as Chief Executive Officer (the "Anderson Amendment"). The Anderson Amendment clarified that, effective February 1, 2015, Mr. Anderson would report to the board of directors and perform duties required as President and Chief Executive Officer, and eliminated certain severance rights.

Changes to Annual Incentive Plan

On March 10, 2015, the board of directors and the compensation committee jointly approved the performance targets and the potential bonus payouts for the Named Executive Officers for fiscal 2015 under the Incentive Bonus Plan. For fiscal 2015, the compensation committee determined that the Named Executive Officers will be entitled to receive an annual cash bonus under the Incentive Bonus Plan depending on our performance against certain metrics described below.

For Messrs. Vellios, Anderson and Bull, the annual cash bonus will be comprised of two components:

- 75% based on our achievement of adjusted operating income targets; and
- 25% based on our achievement of net sales targets.

For Messrs. Specter and Romanko, the annual cash bonus will be comprised of three components:

- 75% based on our achievement of adjusted operating income targets;
- 12.5% based on our achievement of net sales targets; and
- 12.5% based on the achievement of individual goals related to inventory.

Table of Contents

The compensation committee has determined that if certain events were to occur that result in expenses or income for the Company, operating income will be adjusted for the purpose of determining whether the Company has achieved its performance targets. These adjustments include the following: (i) all expenses (net of reimbursements) incurred as part of a public offering of the Company's securities, whether by the Company or by selling shareholders or both; (ii) expenses incurred related to acquisition transaction costs; (iii) income/expense incurred due to a change in accounting principles; (iv) external expenses incurred during the start-up period (covering all periods up to the first day that sales are generated) for any new business venture; and (v) any other adjustments that may be approved by the compensation committee. A new business venture is any business that is not the Company's brick and mortar business operated under the Five Below name and located in the United States. A new business venture could include an on-line business, any business located outside of the United States, and any business operating under a name other than Five Below.

With respect to each of the metrics described above, except the individual goals, a cash bonus can be earned at three different achievement levels. The cash bonus percentages for each Named Executive Officer, with the exception of Messrs. Anderson and Vellios, are 20% of base salary for threshold performance, 50% of base salary for target performance and 60% of base salary for maximum performance. Mr. Anderson's bonus percentages are 40% of base salary for threshold performance, 100% of base salary for target performance and 120% of base salary for maximum performance. Mr. Vellios' bonus opportunity is 20% of base salary for threshold performance and 50% of base salary for target and maximum performance. The compensation committee and management believe that achievement of the target levels of performance for adjusted operating income and net sales will be challenging, but achievable with significant effort and skill, and maximum levels of performance would be indicative of truly outstanding performance. The individual goals for Messrs. Specter and Romanko have only one achievement level, which is factored into each individual's overall annual cash bonus.

The cash bonuses will be interpolated proportionately to determine the amount of bonuses deliverable for any attainment of a performance goal that is between the applicable threshold and the target levels or between the target and the maximum levels.

- (1) On July 21, 2014, Mr. Anderson commenced his employment with the Company.
- (2) On July 28, 2014, Mr. Specter commenced his employment with the Company.
- (3) On January 19, 2015, Mr. Romanko commenced his employment with the Company.

- (5) The amounts in these columns, computed in accordance with FASB ASC Topic 718, represent the aggregate grant-date fair value of each restricted stock unit and option award. Further detail surrounding the awards, the method of valuation and the assumptions made are set forth in the “Management’s Discussion and Analysis of Financial Condition and Results of Operations” section of the Company’s Annual Report on Form 10-K under “Critical Accounting Policies and Estimates.” The actual value of any options, if any, that may be realized will depend on the excess of the stock price over the exercise price on the date the option is exercised or the share price on the date of sale. Therefore, there is no assurance the value realized will be at or near the value estimated by the Black-Scholes option pricing model or at the grant date. Amounts shown with respect to unearned PRSU awards for Mr. Bull and Mr. Anderson represent the expected value of the award, based on target level of performance and the fair market value of our stock on the date of grant, which for Mr. Anderson is \$600,000 and for Mr. Bull is \$175,000. The value of such currently unearned PRSU awards at the maximum level of issuance for Mr. Bull and Mr. Anderson would be: \$899,973 for Mr. Anderson and \$262,454 for Mr. Bull. The applicable performance period for PRSUs extends through the end of fiscal year 2016 in respect of the awards to Mr. Bull and Mr. Anderson, fiscal year 2017 in respect of Mr. Vellios’ PRSU award, and fiscal year 2018 in respect of Mr. Anderson’s additional PRSU (which vests based on to-be-established earnings growth measures) and, accordingly, none of these PRSUs have yet been earned.

- Amounts represent cash bonus opportunities provided to Named Executive Officers in 2014. The criteria used to determine the amount of the annual bonus payable to each executive is described above under “Compensation Discussion and Analysis—Annual Incentive Compensation.” These bonuses were ultimately earned at the threshold level, which is 30% of such individual’s target bonus opportunity. As discussed under the heading “Compensation Discussion and Analysis—Annual Incentive Compensation” above, Mr. Romanko was not eligible for a bonus under our annual incentive plan in fiscal 2014.
- Amounts represent potential threshold, target and maximum PRSUs available to the Named Executive Officers based upon the Company’s performance over a three year period, except as otherwise indicated. The term “Threshold” means the lowest non-zero amount that could be delivered as restricted stock units based on the Company’s performance over the applicable performance period. The threshold is not a minimum amount payable or deliverable. If specified performance objectives are not met for the applicable performance period, no restricted stock unit is payable or deliverable for that performance period. “Compensation Discussion and Analysis—Long-term Equity Incentive Compensation” above.

- (3) Amount represents potential target PRSUs available to Mr. Anderson that will vest 50% on each of February 3, 2018 and February 2, 2019 subject to the Company's performance in fiscal 2017 and 2018 against an earnings growth measure to be established by the compensation committee not later than the first anniversary date of the grant. If specified performance objectives are not met for the applicable performance period, no restricted stock units are payable or deliverable for that performance period.
- (4) The vesting of Mr. Anderson's "Replacement Grant" is fully described above under the heading "Awards to Mr. Anderson."
- (5) 50% of the time-based restricted stock units vest on December 1, 2017 and an additional 50% of such units vest on December 1, 2018.
- (6) These restricted stock units vest upon the following time-based schedule: 50% of the restricted stock units vest on the second anniversary of the grant date and 25% of the restricted stock units vest on each the third and fourth anniversary date.
- (7) These stock options vest upon the following time-based schedule: 50% of the stock options vest and become exercisable on the second anniversary of the grant date and 25% of the stock options vest on each the third and fourth anniversary date.
- (8) Amounts with respect to stock awards and option awards represent the fair value of the awards on the date of grant, as computed in accordance with FASB ASC Topic 718 and described in Note 1 and Note 6 to the consolidated financial statements included as a part of the 2014 Form 10-K, filed with the SEC on March 26, 2015. Amounts with respect to PRSU awards represent the expected value of the award, based on the target level of performance and the fair market value of our stock on the date of grant. With respect to the PRSU awards to Mr. Bull and Mr. Anderson, the grant date value of such PRSUs based on the fair market value of our stock on the date of grant and the maximum level of performance for each executive would be: \$899,973 for Mr. Anderson and \$262,454 for Mr. Bull. The applicable performance periods for the awards extend through the end of fiscal year 2016 in respect of the PRSU awards for Mr. Bull and Mr. Anderson, fiscal year 2017 in respect of Mr. Vellios' PRSU award, and fiscal year 2018 in respect of Mr. Anderson's PRSU (which vests based on to-be-established earnings growth measures) and, accordingly, none of these restricted stock units have yet been earned.

Potential Payments Upon Termination or Change of Control

In addition to contractual severance entitlements pursuant to Named Executive Officer’s applicable employment letter agreements (as narratively described below and as shown in the table below), our Named Executive Officers’ are entitled to accelerated vesting of certain equity grants upon the occurrence of a change in control (as defined in our Equity Incentive Plan) and upon certain termination events. The vesting conditions applicable to outstanding equity awards is further described above under the heading “Outstanding Equity Awards at Year End Fiscal 2014.”

Mr. Romanko’s employment offer letter does not contain any contractual entitlement to severance compensation and the table below reflects solely the value of vesting acceleration with respect to his equity awards.

Termination Prior to a Change of Control—Mr. Vellios

If we terminate Mr. Vellios’ employment without “cause” or Mr. Vellios terminates his employment for “good reason” (as such terms are defined below), in either case, prior to a “Change of Control Transaction” (as such term is defined below), Mr. Vellios will be entitled to receive:

- severance payments, equal to the *greater of*: (i) base salary in effect on the date of termination or resignation or (ii) unless Mr. Vellios approved a reduction in annual base salary, such higher annual base salary in effect prior to termination or resignation, such amount under (i) or (ii), as applicable paid for a period of 12 months;
- monthly payments equal to continued health and dental benefits for a period of up to 18 months, extended an additional six months following the expiration of such 18-month period if Mr. Vellios was still eligible to receive continued COBRA coverage as of the end of such 18-month period, which we refer to as the Medical Payment; and
- monthly payments equal to a full tax gross up for federal, state and local income taxes based upon highest marginal tax rates solely with respect to each Medical Payment, which we refer to as the Medical Gross Up.

Termination Following a Change of Control—Mr. Vellios

If we terminate Mr. Vellios' employment without cause or Mr. Vellios terminates his employment for good reason, in either case, after a Change of Control Transaction, Mr. Vellios will be entitled to receive:

- severance payments, equal to the *greater of*: (i) base salary in effect on the date of termination or resignation or (ii) unless Mr. Vellios approved a reduction in annual base salary, such higher annual base salary in effect prior to termination or resignation, such amount under (i) or (ii), as applicable paid for a period of 24 months;
- the Medical Payment; and
- the Medical Gross Up.

Pursuant to Mr. Vellios' Employment Letter Agreement, "cause" is defined as one of the following:

- the executive's conviction of (or the entry of a plea of guilty or nolo contendere to) a crime that prevents the executive from effectively managing us or that has a material adverse effect on our reputation or business activities;
- the executive's gross negligence, dishonesty, misappropriation of funds or other willful misconduct in the course of employment that has a material adverse effect on our reputation or business activities; or
- the executive's substance abuse, including abuse of alcohol or use of controlled drugs (other than in accordance with a physician's prescription).

"Good reason" is defined as one of the following:

However, no event described above will constitute "good reason" unless (i) the executive provides written notice of the event within the 60-day period following its occurrence and (ii) we fail to cure such event within 30 days after receipt of his notice.

A "Change of Control Transaction" is deemed to have occurred if:

- any person or group acquires (in one or more transactions) beneficial ownership of our stock possessing 50% or more of the total power to vote for the election of our board of directors;
- a majority of the members of our board of directors is replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of our board of directors prior to the date of the appointment or election;
- a merger or consolidation with another corporation where our shareholders immediately prior to such transaction will not beneficially own stock possessing 50% or more of the total power to vote for the election of the surviving corporation's board of directors (without consideration of the rights of any class of stock to elect directors by a separate class vote) immediately after such transaction;

Termination Without Cause—Mr. Bull

If we terminate Mr. Bull's employment without "cause" (as such term is defined below), Mr. Bull will be entitled to receive:

Pursuant to Mr. Bull's employment agreement, "cause" is defined as one of the following:

- the executive's gross negligence or willful misconduct in the course of employment;
- any breach by the executive of any obligation or duty to us or any of our affiliates (whether arising by statute, common law, contract or otherwise) relating to confidentiality, noncompetition, nonsolicitation or proprietary rights;
- other conduct of the executive involving any type of disloyalty to us or any of our affiliates, including, without limitation, fraud, embezzlement, theft or proven dishonesty; or
- the executive's conviction of (or the entry of a plea of guilty or nolo contendere to) a felony or a misdemeanor involving moral turpitude.

- base salary continuation for 24 months based on his base salary in effect on the date of termination;
- monthly payments equal to continued health and dental benefits for a period of up to 24 months; and

If we terminate Mr. Anderson's employment without "cause" or if Mr. Anderson resigns for "good reason," in each case after January 20, 2016, Mr. Anderson will be entitled to receive:

- base salary continuation for 12 months based on his base salary in effect on the date of termination; and
- monthly payments equal to continued health and dental benefits for a period of up to 12 months.

Table of Contents

The definition of “cause” in Mr. Anderson’s employment letter agreement is substantially the same as described above with respect to Mr. Bull’s employment letter agreement.

- a material diminution in the executive’s base salary or performance bonus target;
- a material adverse change in the executive’s title, authority, responsibilities or duties;
- a requirement that you report to anyone other than the board;
- any other willful action or inaction by us that constitutes a material breach of the applicable Employment Letter Agreement; or
- a relocation of the executive’s principal offices by more than 50 miles.

However, no event described above will constitute “good reason” unless (i) the executive provides written notice of the event within the 60-day period following its occurrence, (ii) we fail to cure such event within 30 days after receipt of his notice and (iii) executive resigns within 15 days of the expiration of the cure period.

Termination Without Cause; Resignation for Good Reason—Mr. Specter

- base salary continuation for 12 months based on his base salary in effect on the date of termination; and
- monthly payments equal to continued health and dental benefits for a period of up to 12 months.

The definition of “cause” in Mr. Specter’s employment letter agreement is substantially the same as described above with respect to Mr. Bull’s employment letter agreement.

“Good reason” is defined in Mr. Specter’s employment letter agreement as one of the following:

- a material diminution in the executive’s base salary or performance bonus target;
- a material adverse change in the executive’s title, authority, responsibilities or duties;
- any other willful action or inaction by us that constitutes a material breach of the applicable Employment Letter Agreement; or
- a relocation of the executive’s principal offices by more than 50 miles.

However, no event described above will constitute “good reason” unless (i) the executive provides written notice of the event within the 60-day period following its occurrence, (ii) we fail to cure such event within 30 days after receipt of his notice and (iii) executive resigns within 15 days of the expiration of the cure period.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Investor Rights Agreement

In connection with our 2010 transaction, in which Advent acquired a majority interest in Five Below, Inc., we entered into an investor rights agreement with certain of our shareholders. In connection with our initial public offering, the parties amended the agreement to terminate all rights except for certain registration rights, which require us to register shares of our common stock held by David Schlessinger and Thomas Vellios in the event we register for sale, either for our own account or for the account of others, shares of our common stock in certain offerings. We are obligated to pay all expenses in connection with such registration other than underwriting commissions or discounts resulting from the sale of shares by our shareholders in connection with the registration. The investor rights agreement, as amended, requires a shareholder holding registration rights to execute a lock-up agreement with the underwriters in connection with the shareholder's exercise of his or her registration rights in connection with certain offerings.

Agreements with Management

We and certain of our executive officers have entered into employment agreements. The terms and conditions of certain of these employment agreements are more fully described in "Compensation Discussion and Analysis—Employment Agreements."

Indemnification of Officers and Directors

We have entered into indemnification agreements with each of our executive officers and directors. The indemnification agreements provide the executive officers and directors with contractual rights to indemnification, expense advancement and reimbursement, to the fullest extent permitted under Pennsylvania law. Additionally, we may enter into indemnification agreements with any new directors or executive officers that may be broader in scope than the specific indemnification provisions contained in Pennsylvania law.

Our Policies Regarding Related Party Transactions

Our board of directors adopted a related party transactions policy for us. Pursuant to the related party transactions policy, we review all transactions with a dollar value in excess of \$120,000 involving us in which any of our directors, director nominees, significant shareholders and executive officers and their immediate family members will be participants to determine whether such person has a direct or indirect material interest in the transaction. This policy was not in effect when we entered into the transactions described above. All directors, director nominees and executive officers will be required to promptly notify our Executive Chairman of any proposed transaction involving us in which such person has a direct or indirect material interest. Such proposed transaction will then be reviewed by the audit committee to determine whether the proposed transaction is a related party transaction under our policy. In reviewing any related party transaction, the audit committee will determine whether or not to approve or ratify the transaction based on all relevant facts and circumstances, including the following:

- the materiality and character of the related person's interest in the transaction;
- the commercial reasonableness of the terms of the transaction;
- the benefit and perceived benefit, or lack thereof, to us;
- the opportunity costs of alternate transactions; and
- the actual or apparent conflict of interest of the related person.

In the event that any member of the audit committee is not a disinterested member with respect to the related party transaction under review, that member will be excluded from the review and approval or rejection

Table of Contents

of such related party transaction and another director may be designated to join the committee for purposes of such review. Whenever practicable, the reporting, review and approval will occur prior to entering into the transaction. If advance review and approval is not practicable, the audit committee will review and may, in its discretion, ratify the related party transaction. After any such review, the audit committee will approve or ratify the transaction based on a standard of whether the transaction is (a) in, or not inconsistent with, the best interests of us and our shareholders and (b) not in violation of our other policies or procedures. Our related party transaction policy is posted under the “Investor Relations” section of our website at www.fivebelow.com.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table contains information about the beneficial ownership of our common stock as of April 20, 2015 by:

- each person, or group of persons, who beneficially owns more than 5% of our capital stock;
- each executive officer named in the summary compensation table;
- each of our directors; and
- all directors and executive officers as a group.

For further information regarding material transactions between us and certain of our shareholders, see “Certain Relationships and Related Party Transactions.”

Beneficial ownership and percentage ownership are determined in accordance with the rules and regulations of the SEC and include voting or investment power with respect to shares of stock. This information does not necessarily indicate beneficial ownership for any other purpose. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, shares of common stock subject to restrictions, options or warrants held by that person that are currently exercisable or exercisable within 60 days of April 20, 2015 are deemed outstanding. Such shares, however, are not deemed outstanding for the purposes of computing the percentage ownership of any other person. Except as indicated in the footnotes to the following table or pursuant to applicable community property laws, each shareholder named in the table has sole voting and investment power with respect to the shares set forth opposite such shareholder’s name. Our calculation of the percentage of beneficial ownership is based on 54,476,205 shares of common stock outstanding on April 20, 2015.

Such officers, directors and shareholders are required by SEC regulations to furnish the Company with copies of all such reports that they file. Based solely on a review of copies of reports filed with the SEC and of written representations by officers and directors, the Company believes that during fiscal 2014, all officers and directors subject to the reporting requirements of Section 16(a) filed the required reports on a timely basis, except Mr. Anderson, who had one late Form 4 filing with respect to a vesting event.

**PROPOSAL 1
ELECTION OF DIRECTORS**

At our Annual Meeting, shareholders will elect three Class III directors to hold office until our 2018 annual meeting of shareholders, one Class I director to hold office until our 2016 annual meeting of shareholders and two Class II directors to hold office until our 2017 annual meeting of shareholders. Nominees were recommended and approved for nomination by our nominating and corporate governance committee. The directors shall serve until their successors have been duly elected and qualified or until any such director's earlier resignation or removal. Proxies cannot be voted for a greater number of persons than the number of nominees named. If you sign and return the accompanying proxy, your shares will be voted for the election of the six nominees recommended by our board of directors, unless you mark the proxy in such a manner as to withhold authority to vote or as to vote for one or more alternate candidates. If any nominee for any reason is unable to serve or will not serve, the proxies may be voted for such substitute nominee as the proxy holder may determine. We are not aware of any nominee who will be unable to or will not serve as a director.

The following directors are being nominated for election to our board of directors: David M. Mussafer, David Schlessinger, and Thomas G. Vellios to serve as Class III directors through the 2018 annual meeting of shareholders; Catherine E. Buggeln to serve as a Class I director through the 2016 annual meeting of shareholders; and Joel D. Anderson and Kathleen S. Barclay to serve as Class II directors through the 2017 annual meeting of shareholders. In 2014, the nominating and corporate governance committee engaged Spencer Stuart, an outside search firm, to help identify potential director candidates, including Mses. Buggeln and Barclay, and to assist by providing background information and assessments of qualifications on potential candidates. Please see the discussion under "Board of Directors" in this Proxy Statement for information concerning each of our nominees for director.

Mr. Anderson is currently serving as a Class II director, having been elected by the board of directors effective February 1, 2015 to fill a vacancy created by an increase to its size. Mses. Buggeln and Barclay are currently serving as Class I and II directors, respectively, having been elected on March 10, 2015 by the board of directors to fill vacancies created by an increase to the size of the board and the resignation of Steven J. Collins. Pursuant to our bylaws, any Vacancy Director elected by the board of directors may only hold office until the next annual meeting of shareholders and until his or her successor has been duly elected and qualified, subject to his or her earlier death, resignation, disqualification or removal. At the annual meeting of shareholders following the election of a Vacancy Director, the shareholders will have the opportunity to elect a director to fill the vacancy having been filled by the Vacancy Director. The board will nominate a candidate to fill the vacancy, who may be the Vacancy Director. The candidate, if elected, will serve until the annual meeting of shareholders at which the term of office of the class in which the vacancy occurred expires and until such director's successor shall have been duly elected and qualified, subject to his or her earlier death, resignation, disqualification or removal.

Required Vote

Our bylaws provide for a plurality voting standard for the election of directors. Under this voting standard, once a quorum has been established, the six nominees receiving the highest number of affirmative votes of the shares entitled to be voted for them will be elected as a director to serve until the annual meeting of shareholders at which the term of office of the class to which such director was elected expires and until their successors are duly elected and qualified. Votes withheld shall have no legal effect. At the Annual Meeting, proxies cannot be voted for a greater number of individuals than the six nominees named in this Proxy Statement.

The board of directors recommends a vote FOR the election of each of the nominated directors.

PROPOSAL 2
RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The audit committee has appointed KPMG LLP to serve as our independent registered public accounting firm for the fiscal year ending January 30, 2016. The Company is not required by its bylaws or applicable law to submit the appointment of KPMG LLP for shareholder approval. However, as a matter of good corporate governance, the board of directors has determined to submit the audit committee's appointment of KPMG LLP as our independent registered public accounting firm to shareholders for ratification. If shareholders do not ratify the appointment of KPMG LLP, the audit committee may consider the appointment of another independent registered public accounting firm. In addition, even if shareholders ratify the audit committee's selection, the audit committee, in its discretion, may appoint a different independent registered public accounting firm if it believes that such a change would be in the best interests of the Company and our shareholders.

Required Vote

The affirmative vote of a majority of votes cast is required to approve the appointment of KPMG LLP as our independent registered public accounting firm for the fiscal year ending January 30, 2016.

Our board of directors recommends that you vote FOR ratification of the appointment of KPMG LLP as the Company's independent registered public accounting firm for the fiscal year ending January 30, 2016.

A representative of KPMG LLP is expected to attend the Annual Meeting. The representative will have the opportunity to make a statement if he or she desires to do so, and is expected to be available to answer appropriate questions.

Audit Committee Pre-Approval Policies and Procedures

Under our audit committee's charter, the audit committee must pre-approve all audit and other permissible non-audit services proposed to be performed by the Company's independent registered public accounting firm. The audit committee is not authorized to delegate the pre-approval of permitted non-audit services to management. The audit committee approved a pre-approval policy for services provided by the independent registered public accounting firm. Under the policy, our audit committee has pre-approved the provision by the independent registered public accounting firm of certain services that fall within specified categories. Any services exceeding pre-approved cost levels or budgeted amounts, or any services that fall outside of the general pre-approved categories, require specific pre-approval by the audit committee. If the audit committee delegates pre-approval authority to one or more of its members, the member would be required to report any pre-approval decisions to the audit committee at its next scheduled meeting.

There were no non-audit services provided by our independent registered public accounting firm during the fiscal years 2014 and 2013.

**PROPOSAL 3
AMENDMENT TO ARTICLES OF INCORPORATION AND BYLAWS**

Majority Voting

Under Pennsylvania law, the default voting standard for the election of directors by shareholders is that directors receiving the highest number of votes are elected. This is called the “plurality voting standard.” As a Pennsylvania corporation, the Company’s directors are currently elected under the plurality standard. This means a director may be elected without regard to how many votes he or she receives and how many votes were withheld.

After careful consideration and in light of current corporate governance trends, the board believes it is in the best interests of the Company and its shareholders to approve an amendment to the Company’s articles of incorporation and bylaws to provide for majority voting in uncontested director elections. The board believes that the adoption of the proposed majority voting standard in uncontested director elections will give shareholders a greater voice in determining the composition of the board. Majority voting requires more shareholder votes for a nominee than against a nominee in order for the nominee to be elected to the board.

Accordingly, on March 10, 2015, the board unanimously adopted, subject to shareholder approval, an amendment to the Company’s articles of incorporation and bylaws to adopt majority voting in an uncontested election. Under the proposed majority voting standard, each vote cast will be counted either “for” or “against” the nominee’s election as a director. To be elected, the number of votes cast “for” such nominee’s election must exceed the number of votes cast “against” such nominee’s election. Abstentions will continue to have no effect in determining whether the required affirmative majority vote has been obtained. If the amendments to the articles of incorporation and bylaws are approved by the shareholders, they will be applicable starting with the 2016 annual meeting of shareholders.

Concurrently with the proposed amendments, the board also amended the nominating and corporate governance committee charter to require any incumbent director who is nominated for re-election but does not receive the required vote for re-election to tender his or her resignation to the nominating and corporate governance committee and the board for its consideration. The nominating and corporate governance committee will consider such tendered resignation and, within 30 days after certification of the election results of the shareholders’ meeting at which a director failed to receive the number of votes required for re-election, will make a recommendation to the board as to the appropriate action. In determining its recommendation to the board, the nominating and corporate governance committee will consider all factors deemed relevant by the members of the committee including, without limitation, the stated reason or reasons why shareholders voted against such director’s re-election, the qualifications of the director, whether acceptance of the resignation would result in a breach of a material agreement or result in the Company having no directors or affect the Company’s ability to comply with stock exchange listing standards, and whether the director’s resignation from the board would generally be in the best interests of the Company and its shareholders. The board will act on the nominating and corporate governance committee’s recommendation and publicly disclose its decision and the rationale behind such decision within 90 days after certification of the election results.

Under the proposed majority voting standard in uncontested director elections, if a nominee who is not currently a member of the board receives fewer votes cast “for” than “against” his or her election, that nominee will not be elected to the Company’s board.

If the number of nominees for directors exceeds the number of directors to be elected, this is considered a contested election. In the event of a contested election, the plurality standard will continue to apply and votes may be cast only as “for” or “withhold” authority.

Amendment to Articles of Incorporation

The board hereby requests that you vote in favor of the following amendment to Paragraph B of Article Twelfth of the Company's articles of incorporation (the text that will be deleted is *italicized* and marked with brackets and the text to be added is **bolded and underlined**):

B. The directors, other than those who may be elected by the holders of any series of Preferred Stock or any other series or class of stock, as provided herein or in any Preferred Stock Designation, shall be divided into three classes, as nearly equal in number as possible. [*One class of directors shall be initially elected for a term expiring at the annual meeting of shareholders to be held in 2013, another class shall be initially elected for a term expiring at the annual meeting of shareholders to be held in 2014, and another class shall be initially elected for a term expiring at the annual meeting of shareholders to be held in 2015 .*] Members of each class shall hold office until their successors are duly elected and qualified, subject to their earlier death, resignation, disqualification or removal. At each annual meeting of the shareholders of the Corporation, [*commencing with the 2013 annual meeting,*] the successors of the class of directors whose term expires at that meeting shall be elected by [*a plurality vote of all votes cast at such meeting*] **the shareholders in the manner set forth in the Bylaws of the Corporation,** to hold office for a term expiring at the annual meeting of shareholders held in the third year following the year of their election. If the number of directors is changed, any increase or decrease shall be apportioned among the classes so as to maintain the number of directors in each class as nearly equal as possible, but in no case will a decrease in the number of authorized directors constituting the whole Board shorten the term of any incumbent director.

Amendment to Bylaws

The board hereby requests that you vote in favor of the following amendment to Article 3 of the Company's bylaws (the text that will be deleted is *italicized* and marked with brackets and the text to be added is **bolded and underlined**):

Section 3.2. Number, Elections and Term of Office. Subject to the provisions of the Articles (including, but not limited to, for purposes of these Bylaws, pursuant to any duly authorized certificate of designation), the number of directors of the Corporation shall be fixed from time to time exclusively by the Board pursuant to a resolution adopted by a majority of the whole Board, but the size of the Board shall not be less than three or greater than eleven. The directors, other than those who may be elected by the holders of any series or class of stock, as provided in the Articles, shall be divided into three (3) classes, as nearly equal in [*term*] **number** as possible, shall be elected to serve a term of three (3) years and shall hold office until his or her successor shall have been duly elected and qualified, subject to his earlier death, resignation, disqualification or removal. No decrease in the number of authorized directors constituting the whole Board shall shorten the term of any incumbent director. At each annual meeting of the shareholders of the Corporation, [*commencing with the 2013 annual meeting,*] the successors of the class of directors whose term expires at that meeting shall be elected by [*a plurality vote of all votes cast at such meeting*] **the shareholders,** to hold office for a term expiring at the annual meeting of shareholders held in the third year following the year of their election.

Section 3.3. [*Plurality Voting . When directors are to be elected at a meeting of Shareholders*] **Majority Voting. Each director shall be elected by the vote of the majority of the votes cast with respect to such director's election at any meeting of the shareholders called for the purpose of the election of directors at which a quorum is present, provided that if as of a date that is ten (10) days in advance of the date the Corporation files its definitive proxy statement (regardless of whether or not thereafter revised or supplemented) with the Securities and Exchange Commission, the number of nominees exceeds the number of directors to be elected,** the directors shall be elected by a plurality of [*the*] votes [*of*] **cast by** the shares [*present in person or represented by proxy at the meeting and*] entitled to vote in the election. [*of directors; provided that, whenever the holders of any class or series of common stock of the Corporation are entitled to elect one or more directors pursuant to the provisions of the Articles, such directors shall be elected by a plurality of the votes of such class or series present in person or represented by proxy at the meeting and entitled to vote in the election of such directors .*]

Table of Contents

For the purposes of these Restated Bylaws, a “majority of the votes cast” means that the number of shares voted “for” a director must exceed the number of votes “against” with respect to that director.

Section 3.8. Resignation. Any director of the Corporation may resign at any time by giving written notice to the Board, to the Chairman of the Board (if one has been elected), to the President, or to the Secretary of the Corporation. Such resignation shall take effect at the date of the receipt of such notice or at any later time specified therein; and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Director Removal

Under Pennsylvania law, the board is entitled to declare vacant the office of a director who has been judicially declared of unsound mind or who has been convicted of an offense punishable by imprisonment for a term of more than one year. In addition, the board may declare vacant the office of a director if, after a specified period of time after notice of his or her selection, he or she does not accept the office either in writing or by attending a meeting of the board and fulfill such other requirements of qualification as the bylaws may specify.

Our bylaws reflect the right of the board to vacate the office of a director consistent with Pennsylvania law, but our articles of incorporation did not specifically call out such right. Accordingly, on March 10, 2015, the board unanimously adopted, subject to shareholder approval, an amendment to the articles of incorporation to conform the articles of incorporation to the provisions of the bylaws and Pennsylvania law regarding removal as stated above.

Amendment to Articles of Incorporation

The board hereby requests that you vote in favor of the following amendment to Paragraph D of Article Twelfth of the Company’s articles of incorporation (the text that will be deleted is *italicized* and marked with brackets and the text to be added is **bolded and underlined**):

D. Subject to the rights of the holders of any series of Preferred Stock or any other series or class of stock, as provided herein or in any Preferred Stock Designation, any director may be removed from office at any time[, *but only*] **in either of the following manners:**

1. for cause [*and*] by the affirmative vote of the holders of at least eighty percent (80%) of the voting power of the then outstanding capital stock of the Corporation entitled to vote generally in the election of directors (the “Voting Stock”), voting together as a single class ; **and**

2. the Board may declare vacant the office of a director who has been judicially declared of unsound mind or who has been convicted of an offense punishable by imprisonment for a term of more than one year, or if, within one hundred twenty days after notice of election, the director does not accept such office either in writing or by attending a meeting of the Board .

Required Vote

The affirmative vote of a majority of votes cast is required to approve the amendment to our articles of incorporation and corresponding bylaw amendment to replace the plurality voting standard in the uncontested election of directors with a majority voting standard and to conform to the provisions of Pennsylvania law regarding removal as stated above.

OTHER MATTERS

Our board of directors does not presently intend to bring any other business before the meeting, and, so far as is known to our board of directors, no matters are to be brought before the meeting except as specified in the Notice of Annual Meeting. As to any business that may properly come before the meeting, however, it is intended that proxies, in the form enclosed, will be voted in respect thereof in accordance with the judgment of the persons voting such proxies.
