PROXY STATEMENT
April 26, 2017

THE MEETING

The accompanying proxy is solicited on behalf of the Board of Directors (the "Board of Directors" or the "Board") of Dave & Buster's Entertainment, Inc., a Delaware corporation (sometimes referred to herein as "we," "us," "our" or the "Company"), for use at the 2017 Annual Meeting of Shareholders (the "Annual Meeting") to be held at the W Dallas – Victory Hotel, 2440 Victory Park Lane, Dallas, TX 75219, on June 8, 2017, at 8:30 a.m. local time. We posted this Proxy Statement and the accompanying proxy on or about April 26, 2017, to our website at www.daveandbusters.com, and mailed notice on or about April 26, 2017 to all shareholders entitled to vote at the Annual Meeting.

Voting Rights, Quorum and Required Vote

Only holders of record of our common stock at the close of business on April 13, 2017, which is the record date, will be entitled to vote at the Annual Meeting. At the close of business on April 13, 2017, we had 42,036,783 shares of common stock outstanding and entitled to vote. Holders of the Company's common stock are entitled to one vote for each share held as of the above record date. A quorum is required for our shareholders to conduct business at the Annual Meeting. The holders of a majority in voting power of all issued and outstanding stock entitled to vote at the Annual Meeting, present in person or represented by proxy, will constitute a quorum for the transaction of business. Abstentions and "broker non-votes" (described below) will be counted in determining whether there is a quorum.

Proposal No. 1 – Election of Directors: Directors will be elected by a plurality of the votes of the shares of common stock cast at the Annual Meeting, which means that the eight nominees receiving the highest number of "for" votes will be elected. Withheld votes and broker non-votes will have no effect on Proposal No. 1.

Proposal No. 2 – Ratification of Appointment of Independent Registered Public Accounting Firm: Requires the affirmative vote of the holders of a majority in voting power of the stock entitled to vote at the Annual Meeting, present in person or represented by proxy. Abstentions will count the same as votes against Proposal No. 2. Brokers are permitted to exercise their discretion and vote without specific instruction on this matter. Accordingly, there are no broker non-votes.

Proposal No. 3 – Amendment of Third Amended and Restated Certificate of Incorporation to Allow for a Majority Voting Standard for Uncontested Elections of Directors: Requires the affirmative vote of the holders of at least sixty-six and two-thirds percent (66-2/3%) of the voting power of stock entitled to vote at the Annual Meeting, present in person or represented by proxy. Abstentions will count the same as votes against Proposal No. 3. Broker non-votes will have no effect on Proposal No. 3.

Proposal No. 4 – Amendment of Third Amended and Restated Certificate of Incorporation to Eliminate Supermajority Vote Provisions for Amending our Certificate of Incorporation: Requires the affirmative vote of the holders of at least sixty-six and two-thirds percent (66-2/3%) of the voting

power of stock entitled to vote at the Annual Meeting, present in person or represented by proxy. Abstentions will count the same as votes against Proposal No. 4. Broker non-votes will have no effect on Proposal No. 4.

Proposal No. 5 – Amendment of Third Amended and Restated Certificate of Incorporation to Eliminate the Supermajority Vote Provisions for amending our Bylaws: Requires the affirmative vote of the holders of at least sixty-six and two-thirds percent (66-2/3%) of the voting power of stock entitled to vote at the Annual Meeting, present in person or represented by proxy. Abstentions will count the same as votes against Proposal No. 5. Broker non-votes will have no effect on Proposal No. 5.

Proposal No. 6 – Amendment of Third Amended and Restated Certificate of Incorporation to Eliminate Obsolete Provisions: Requires the affirmative vote of the holders of at least sixty-six and two-thirds percent (66-2/3%) of the voting power of stock entitled to vote at the Annual Meeting, present in person or represented by proxy. Abstentions will count the same as votes against Proposal No. 6. Broker non-votes will have no effect on Proposal No. 6.

Proposal No. 7 – Advisory Vote on Executive Compensation: Requires the affirmative vote of the holders of a majority in voting power of stock entitled to vote at the Annual Meeting, present in person or represented by proxy. Abstentions will count the same as votes against Proposal No. 7. Broker non-votes will have no effect on Proposal No. 7.

Voting Your Shares

If you are a registered holder, meaning that you hold our stock directly (not through a bank, broker or other nominee), you may vote in person at the Annual Meeting or vote by completing, dating and signing the accompanying proxy and promptly returning it in the envelope enclosed with the paper copies of the proxy materials, or electronically through the Internet by following the instructions included on your proxy card. All signed, returned proxies that are not revoked will be voted in accordance with the instructions contained therein. Signed proxies that give no instructions as to how they should be voted on a particular proposal at the Annual Meeting will be counted as votes “for” such proposal; or in the case of the election of directors, as a vote “for” election to the Board of all nominees presented by the Board.

If your shares are held through a bank, broker or other nominee, you are considered the beneficial owner of those shares. You may be able to vote by telephone or electronically through the Internet in accordance with the voting instructions provided by that nominee. You must obtain a legal proxy from the nominee that holds your shares if you wish to vote in person at the Annual Meeting. If you do not provide voting instructions to your broker in advance of the Annual Meeting, The NASDAQ Stock Market LLC (“NASDAQ”) rules grant your broker discretionary authority to vote on “routine” proposals. The ratification of the appointment of the independent public accounting firm in Proposal No. 2 is the only item on the agenda for the Annual Meeting that is considered routine. Where a proposal is not “routine,” a broker who has received no instructions from a client does not have discretion to vote such client’s uninstructed shares on that proposal, and the unvoted shares are referred to as “broker non-votes.”

In the event that sufficient votes in favor of the proposals are not received by the date of the Annual Meeting, the Chairman of the Annual Meeting may adjourn the Annual Meeting to permit further solicitations of proxies.

The telephone and Internet voting procedures are designed to authenticate shareholders' identities, to allow shareholders to give their voting instructions and to confirm that shareholders' instructions have been recorded properly. Shareholders voting via the telephone or Internet should understand that there may be costs associated with telephonic or electronic access, such as usage charges from telephone companies and Internet access providers, which must be borne by the shareholder.

Expenses of Solicitation

The expenses of soliciting proxies to be voted at the Annual Meeting will be paid by the Company. Following the original distribution of the proxies and other soliciting materials, the Company and/or its directors, officers or employees (for no additional compensation) may also solicit proxies in person, by telephone, or email. Following the original distribution of the proxies and other soliciting materials, we will request that banks, brokers and other nominees distribute the proxy and other soliciting materials to persons for whom they hold shares of common stock and request authority for the exercise of proxies. We will reimburse banks, brokers and other nominees for reasonable charges and expenses incurred in distributing soliciting materials to their clients.

Revocability of Proxies

Any person submitting a proxy has the power to revoke it prior to the Annual Meeting or at the Annual Meeting prior to the vote. A proxy may be revoked by a writing delivered to the Company stating that the proxy is revoked, by (a) a subsequent proxy that is submitted via telephone or Internet no later than 1:00 a.m., Central Time, on June 8, 2017, (b) a subsequent proxy that is signed by the person who signed the earlier proxy and is delivered before or at the Annual Meeting, or (c) attendance at the Annual Meeting and voting in person. In order for beneficial owners to change any of their previously reported voting instructions, they must contact their bank, broker or other nominee directly.

Delivery of Documents to Shareholders Sharing an Address

We have adopted a procedure approved by the Securities and Exchange Commission ("SEC") called "householding" under which multiple shareholders who share the same address will receive only one copy of the Annual Report, Proxy Statement, or Notice of Internet Availability of Proxy Materials, as applicable, unless we receive contrary instructions from one or more of the shareholders. If you wish to opt out of householding and receive multiple copies of the proxy materials at the same address, or if you have previously opted out and wish to participate in householding, you may do so by notifying us by mail at Dave & Buster's Entertainment, Inc., 2481 Mañana Drive, Dallas, TX 75220; Attn: Investor Relations or by email at investorrelations@daveandbusters.com. You may also request additional copies of the proxy materials by notifying us in writing at the same address or email address. Shareholders with shares registered in the name of a brokerage firm or bank may contact their brokerage firm or bank to request information about householding.

Proxy Materials

Beginning on April 26, 2017, we mailed notice to all shareholders entitled to vote at the Annual Meeting a Notice Regarding the Availability of Proxy Materials with instructions on how to access our proxy materials over the Internet and how to vote. If you received a notice and would prefer to receive paper copies of the proxy materials you may notify us at the email address and mailing address provided above.

**PROPOSAL NO. 1

Your proxy will be used to vote **FOR** the election of all of the nominees named below unless you abstain from or vote against the nominees when you send in your proxy. Lacy has notified us that he/she will not stand for re-election to the Board of Directors. If any of the nominees is unable or unwilling to be a candidate for election by the time of the Annual Meeting (a contingency which the Board does not expect to occur), the shareholders may vote for a substitute nominee chosen by the present Board to fill a vacancy. In the alternative, the shareholders may vote for just the remaining nominees leaving a vacancy that may be filled at a later date by the Board. **PROPOSAL NO. 2
RATIFICATION OF APPOINTMENT OF INDEPENDENT
REGISTERED PUBLIC ACCOUNTING FIRM**

The Audit Committee of the Board of Directors has selected KPMG LLP (“KPMG”), to be the Company’s independent registered public accounting firm for the fiscal year ending February 4, 2018, and recommends that the shareholders vote for ratification for such appointment. KPMG has been engaged as our independent registered public accounting firm since 2010. As a matter of good corporate governance, the Audit Committee has requested the Board of Directors to submit the selection of KPMG as the Company’s independent registered public accounting firm for the 2017 fiscal year to shareholders for ratification. In the event of a negative vote on such ratification, the Audit Committee will reconsider its selection. We expect representatives of KPMG to be present at the Annual Meeting. They will have the opportunity to make a statement at the Annual Meeting if they desire to do so, and will be available to respond to appropriate questions.

Audit and Related Fees

The following table sets forth the fees (dollars shown are in thousands) for professional audit services and fees for other services provided to the Company by KPMG, for the 2015 fiscal year which ended on January 31, 2016 and the 2016 fiscal year which ended on January 29, 2017:

	2016	2015
Audit Fee (1)	\$855	\$948
Audit-Related Fees	-	-
Tax Fees	-	-
Total	\$855	\$948

(1) Includes fees for services for the audit of the Company’s annual financial statements, the reviews of the interim financial statements, audit of the Company’s internal control over financial reporting, implementation of accounting pronouncements, assistance with SEC filings, and fees related to the follow-on offerings of our Common Stock subsequent to our initial public offering.

The Audit Committee has established a policy whereby the outside auditors are required to annually provide service-specific fee estimates and seek pre-approval of all audit, audit-related, tax and other services prior to the performance of any such services. Individual engagements anticipated to exceed the pre-approved thresholds must be separately approved by the Audit Committee. For both fiscal 2016 and 2015, 100% of all services were pre-approved by the Audit Committee, which concluded that the provision of such services by KPMG was compatible with such firm’s independence.

The Board of Directors recommends a vote FOR the ratification of the appointment of KPMG LLP.

**PROPOSAL NO. 3
TO AMEND OUR THIRD AMENDED AND RESTATED CERTIFICATE OF
INCORPORATION TO ALLOW FOR A MAJORITY VOTING STANDARD
FOR UNCONTESTED ELECTIONS OF DIRECTORS**

Our Board has recommended and is seeking shareholder approval of an amendment to our Third Amended and Restated Certificate of Incorporation (the "Certificate") to remove the requirement that directors be elected by a plurality of votes cast. This amendment would enable the Board to adopt a majority voting standard for uncontested elections. The Board intends to approve an amendment to the Company's bylaws that will implement a majority voting standard for uncontested elections of directors if shareholders approve this proposed amendment to our Certificate.

Article V of our Certificate currently provides that directors shall be elected by a plurality of the votes cast. Under this standard, the nominees receiving the greatest number of votes "for" their election are elected as directors. In an uncontested election, in which the number of nominees does not exceed the number of directors to be elected, a director can be elected by a single vote cast in his or her favor. To reflect our commitment to accountability and good governance, our Board has determined that it is in the best interests of the Company and its shareholders to adopt a majority voting standard for uncontested elections of directors.

A majority voting standard would require each director nominee to receive a majority of votes cast, meaning that the number of votes cast "for" must exceed those cast "against" the director. Such a policy would also require any incumbent director who failed to receive a majority of the votes cast to submit an offer of resignation to the Board. The Company's Nominating and Corporate Governance Committee would then recommend to the Board whether or not to accept the resignation offer, and the Company would publicly disclose its decision regarding the offer within 90 days of the certification of election results. For contested elections, in which there are more nominees than board seats, a plurality standard would still apply, in order to prevent "failed elections" in which no or too few directors receive a majority vote.

If this proposal is approved, the Company intends to file a Fourth Amended and Restated Certificate of Incorporation with the Secretary of State of Delaware, reflecting the elimination of the plurality vote requirement. The Board also intends to amend the Company's bylaws to adopt a majority voting standard substantially as described above. This description of the proposed amendment to our Certificate is qualified in its entirety by reference to, and should be read in conjunction with, the full text of the Certificate, as proposed to be amended, attached to this proxy statement as Appendix A.

The affirmative vote of the holders of at least sixty-six and two-thirds percent ($66\frac{2}{3}\%$) of the voting power of the Company's outstanding stock entitled to vote on this proposal will be required to approve this proposal. Abstentions will have the same effect as voting against this proposal. Broker non-votes will have no effect on the outcome of the proposal. The approval of this proposal is not conditioned on the approval of Proposal 4, 5, or 6.

TO AMEND OUR THIRD AMENDED AND RESTATED
CERTIFICATE OF INCORPORATION
TO ELIMINATE THE SUPERMAJORITY VOTE PROVISIONS
FOR AMENDING OUR CERTIFICATE OF INCORPORATION**

Our Board has recommended and is seeking shareholder approval for amendments to our Certificate that would eliminate the supermajority vote provisions described below, and replace these requirements with a majority vote requirement. Currently, Article XI of our Certificate requires the affirmative vote of the holders of at least sixty-six and two-thirds percent ($66 \frac{2}{3}$ %) of the voting power of the Company's outstanding stock entitled to vote thereon to amend, modify, or repeal the following Articles in our Certificate:

- Article V (Management)
- Article VI (Election of Directors)
- Article VII (Exculpation and Indemnification of Directors)
- Article VIII (Stockholder Action)
- Article IX (Section 203 of the DGCL)
- Article X (Severability)
- Article XI (Amendment of Certificate of Incorporation)
- Article XII (Amendment of Bylaws)
- Article XIII (Forum)
- Article XIV (Corporate Opportunities)

Our Board recognizes that a majority voting standard for effecting changes to the Certificate increases the ability of shareholders to participate in governance of the Company and aligns the Company with recognized best practices in corporate governance.

If the proposal is approved, the Company intends to file a Fourth Amended and Restated Certificate of Incorporation with the Secretary of State of Delaware, reflecting the elimination of all supermajority vote requirements for amending the Company's Certificate. As a result, at future meetings of shareholders, the affirmative vote of the holders of a majority in voting power of the Company's outstanding stock entitled to vote on the matter will be required to amend all provisions of the Company's Certificate of Incorporation. This description of the proposed amendment to our Certificate is qualified in its entirety by reference to, and should be read in conjunction with, the full text of the Certificate, as proposed to be amended, attached to this proxy statement as Appendix A.

The affirmative vote of the holders of at least sixty-six and two-thirds percent ($66 \frac{2}{3}$ %) of the voting power of the Company's outstanding stock entitled to vote on this proposal will be required to approve this proposal. Abstentions will have the same effect as voting against this proposal. Broker non-votes will have no effect on the outcome of the proposal. The approval of this proposal is not conditioned on the approval of Proposals 3, 5, or 6.

The Board of Directors recommends a vote FOR the amendment of our Third Amended and Restated Certificate of Incorporation to eliminate the supermajority vote provisions for amending the Certificate of Incorporation.

**PROPOSAL NO. 5
TO AMEND OUR THIRD AMENDED AND RESTATED
CERTIFICATE OF INCORPORATION
TO ELIMINATE THE SUPERMAJORITY VOTE PROVISION
FOR AMENDING OUR BYLAWS**

Our Board has recommended and is seeking shareholder approval for amendments to our Certificate that would eliminate the supermajority vote provisions described below, and replace these requirements with a majority vote requirement. Currently, Article XII of our Certificate requires the affirmative vote of the holders of at least sixty-six and two-thirds percent ($66 \frac{2}{3} \%$) of the voting power of the Company's outstanding stock entitled to vote generally in the election of directors to amend, modify, or repeal the Company's bylaws or to adopt new bylaws.

Our Board recognizes that a majority voting standard for effecting changes to the Company's bylaws increases the ability of shareholders to participate in governance of the Company and aligns the Company with recognized best practices in corporate governance.

If the proposal is approved, the Company intends to file a Fourth Amended and Restated Certificate of Incorporation with the Secretary of State of Delaware, reflecting the elimination of the supermajority vote requirement for amending the Company's bylaws, and the Company intends to make certain conforming changes to its bylaws. As a result, at future meetings of shareholders, the affirmative vote of the holders of a majority in voting power of the Company's outstanding stock entitled to vote on the matter will be required to amend the Company's bylaws. This description of the proposed amendment to our Certificate is qualified in its entirety by reference to, and should be read in conjunction with, the full text of the Certificate, as proposed to be amended, attached to this proxy statement as Appendix A.

The affirmative vote of the holders of at least sixty-six and two-thirds percent ($66 \frac{2}{3} \%$) of the voting power of the Company's outstanding stock entitled to vote on this proposal will be required to approve this proposal. Abstentions will have the same effect as voting against this proposal. Broker non-votes will have no effect on the outcome of the proposal. The approval of this proposal is not conditioned on the approval of Proposals 3, 4, or 6.

The Board of Directors recommends a vote FOR the amendment of our Third Amended and Restated Certificate of Incorporation to eliminate the supermajority vote provision for amending our Bylaws.

**PROPOSAL NO. 6
TO AMEND OUR THIRD AMENDED AND RESTATED
CERTIFICATE OF INCORPORATION
TO ELIMINATE OBSOLETE PROVISIONS**

Our Board has recommended and is seeking shareholder approval for amendments to our Certificate that would eliminate a number of provisions relating to Oak Hill Capital Management, LLC and certain of its affiliates (“Oak Hill”) that have become obsolete as a result of Oak Hill no longer owning any of the Company’s stock. These provisions:

- describe indemnification rights of certain employees or affiliates of Oak Hill (Article VII(H));
- provide that, for so long as Oak Hill owns 40% or more of the Company’s outstanding stock, shareholder action may be taken by written consent in lieu of a meeting of shareholders (Article VIII(A));
- provide that, for so long as Oak Hill owns 10% or more of the Company’s outstanding stock, Oak Hill may cause a special meeting to be called by making a written request to the Secretary of the Company (Article VIII(B));
- provide an opt-out from the restrictions on certain transactions involving the Company and significant shareholders that are contained in Section 203 of the General Corporation Law of the State of Delaware, allowing transactions involving Oak Hill to not be subject to any such restrictions, while transactions involving all other shareholders would be subject to the same restrictions as if the Company had not opted out of the law (Article IX);
- require, for so long as Oak Hill owns 10% or more of the Company’s outstanding stock, the additional approval of Oak Hill for amendments to the above-described Articles VII(H) and VIII of the Certificate; and
- renounce the Company’s interest in corporate opportunities that are presented to Oak Hill.

Our Board believes it is in the best interests of our shareholders to eliminate these provisions to avoid potential confusion relating to provisions that are no longer applicable.

If the proposal is approved, the Company intends to file a Fourth Amended and Restated Certificate of Incorporation with the Secretary of State of Delaware, reflecting the elimination of obsolete provisions relating to Oak Hill, and the Company intends to make certain conforming amendments to its bylaws. This description of the proposed amendment to our Certificate is qualified in its entirety by reference to, and should be read in conjunction with, the full text of the Certificate, as proposed to be amended, attached to this proxy statement as Appendix A.

The affirmative vote of the holders of at least sixty-six and two-thirds percent ($66 \frac{2}{3} \%$) of the voting power of the Company’s outstanding stock entitled to vote on this proposal will be required to approve this proposal. Abstentions will have the same effect as voting against this proposal. Broker non-votes will have no effect on the outcome of the proposal. The approval of this proposal is not conditioned on the approval of Proposals 3, 4, or 5.

**PROPOSAL NO. 7
ADVISORY VOTE ON EXECUTIVE COMPENSATION**

As required by SEC rules, we are asking you to provide an advisory, non-binding vote to approve the compensation awarded to our named executive officers, as we have described in the “Executive Compensation” section of this Proxy Statement.

As described in detail in the Compensation Discussion and Analysis section, the Compensation Committee oversees the compensation program and compensation awarded, adopting changes to the program and awarding compensation as appropriate to reflect the Company’s circumstances and to promote the main objectives of the program. These objectives include: to align pay to performance; to provide market-competitive pay; and to create sustained shareholder value.

We are asking you to indicate your support for our named executive officer compensation. We believe that the information we have provided in this Proxy Statement demonstrates that our compensation program is designed appropriately and works to ensure that the interests of our executive officers, including our named executive officers, are aligned with your interest in long-term value creation.

Accordingly, we ask you to approve the following resolution at the Annual Meeting:

RESOLVED, that the shareholders of Dave & Buster’s Entertainment, Inc. approve the compensation awarded to the Company’s named executive officers, as disclosed in this Proxy Statement pursuant to SEC rules, including the Compensation Discussion and Analysis, compensation tables, and narrative discussion.

This resolution is non-binding on the Board of Directors. Although non-binding, the Board of Directors and Compensation Committee will review the voting results and consider your concerns in their continued evaluation of the Company’s compensation program. Because this vote is advisory in nature, it will not affect any compensation already paid or awarded to any named executive officer, it will not be binding or overrule any decision by the Board of Directors, and it will not restrict or limit the ability of the shareholders to make proposals for inclusion in proxy materials related to executive compensation.

The Board of Directors recommends an advisory vote FOR the approval of our executive compensation.

DIRECTORS AND CORPORATE GOVERNANCE

Composition and Board Independence

Our Board of Directors currently consists of nine members. Our Board of Directors has affirmatively determined that all of our directors other than our Chief Executive Officer are independent directors under the applicable rules of NASDAQ. In addition, our Board of Directors has affirmatively determined that each member of the Audit Committee, Messrs. Crawford, Griffith, Halkyard and Sheehan, satisfies the independence requirements for members of an audit committee as set forth in Rule 10A-3(b)(1) of the Exchange Act.

Corporate Governance

The Board of Directors met six times in fiscal 2016, including regular and special meetings. During this period, no individual director attended fewer than 75% of the aggregate of (1) the total number of meetings of the Board of Directors and (2) the total number of meetings held by all committees on which he served.

The Board of Directors has an Audit Committee, a Compensation Committee, a Nominating and Corporate Governance Committee and a Finance Committee. The charters for each of these committees are posted on our website at <http://ir.daveandbusters.com/governance.cfm>.

The Audit Committee, comprised of Messrs. Crawford, Dodds, Griffith, Halkyard and Sheehan, and chaired by Mr. Sheehan, recommends to the Board of Directors the appointment of the Company's independent auditors, reviews and approves the scope of the annual audits of the Company's financial statements, reviews our internal control over financial reporting, reviews and approves any non-audit services performed by the independent auditors, reviews the findings and recommendations of the independent auditors and periodically reviews major accounting policies. It operates pursuant to a charter that was adopted in October 2014. The Audit Committee held seven meetings during fiscal 2016. The Board of Directors has determined that each of the members of the Audit Committee is qualified as a "financial expert" under the provisions of the Sarbanes-Oxley Act of 2002 and the rules and regulations of the SEC.

The Compensation Committee comprised of Mr. Griffith, Ms. Mueller and Ms. Storms, and chaired by Mr. Griffith, reviews the Company's compensation philosophy and strategy, administers incentive compensation and stock option plans, reviews the Chief Executive Officer's performance and compensation, reviews recommendations on compensation of other executive officers, and reviews other special compensation matters, such as executive employment agreements. The Compensation Committee operates pursuant to a charter that was adopted in October 2014. The Compensation Committee held five meetings during fiscal 2016.

The Nominating and Corporate Governance Committee, comprised of Mr. Halkyard, Mr. Lacy and Ms. Mueller, and chaired by Mr. Lacy, identifies and recommends the individuals qualified to be nominated for election to the Board of Directors, recommends the member of the Board of Directors qualified to be nominated for election as its Chairperson, recommends the members and chairperson for each committee of the Board of Directors, periodically reviews and assesses our Corporate Governance Guidelines and Principles and Code of Business Conduct and Ethics and oversees the annual self-evaluation of the performance of the Board of Directors and the annual evaluation of the

performance of our management. The Nominating and Corporate Governance Committee operates pursuant to a charter that was adopted in October 2014. The Nominating and Corporate Governance Committee held two meetings during fiscal 2016.

The Finance Committee, comprised of Messrs. Crawford, Dodds, Halkyard, and Sheehan, and chaired by Mr. Halkyard, assists the Board of Directors in fulfilling its financial management oversight responsibilities by (i) assessing, overseeing and evaluating from time to time, policies and transactions affecting our financial objectives, including (ii) reviewing our indebtedness, strategic planning, capital structure objectives, investment programs and policies, (iii) periodically auditing major capital expenditures, including real estate acquisitions and new store development, and (iv) working with our management and the Compensation Committee on annual operating goals. The Finance Committee operates pursuant to a charter that was adopted in February 2016. The Finance Committee met three times during fiscal 2016.

The entire Board of Directors is engaged in risk management oversight. At the present time, the Board of Directors has not established a separate committee to facilitate its risk oversight responsibilities. The Board of Directors will continue to monitor and assess whether such a committee would be appropriate. The Audit Committee assists the Board of Directors in its oversight of our risk management and the process established to identify, measure, monitor, and manage risks, in particular major financial risks. The Board of Directors receives regular reports from management, as well as from the Audit Committee, regarding relevant risks and the actions taken by management to adequately address those risks.

Board of Directors Leadership Structure

Our Board of Directors does not have a policy requiring the roles of the Chairman of the Board and Chief Executive Officer to be filled by separate persons or a policy requiring the Chairman of the Board to be a non-employee director. The Board believes that it is in the best interest of the Company and its Shareholders for the Board to make a determination on whether to separate or combine the roles of Chairman and CEO based upon the Company's circumstances at any particular point in time, and whether the Chairman role shall be held by an independent director. At present, the positions of Chairman of the Board and Chief Executive Officer of the Company are separate. Alan J. Lacy serves as our Chairman of the Board and Stephen M. King serves as our CEO. Effective with the retirement of Mr. Lacy at the conclusion of the 2017 Annual Meeting, the Board has appointed Mr. King as Chairman of the Board and Michael J. Griffith as Lead Independent Director. As set forth in our Corporate Governance Guidelines and Principals, the Lead Independent Director's responsibilities include, but are not limited to:

- Convening, chairing and determining agendas for executive sessions of the non-management directors and coordinating feedback to the Chairman of the Board regarding issues discussed in executive sessions.
- Determining in consultation with the Chairman of the Board the schedule for board meetings, agenda items and the Board's information needs associated with those agenda items, and identifying the need for and scope of related presentations.
- Assisting the Board and its committees in the evaluation of senior management (including the CEO) and communicating the results of such evaluation to the CEO.
- Serving as an information resource for other directors and acting as liaison between directors, committee chairs and management.

- Providing advice and counsel to the CEO.
- Developing and implementing, with the Chairman of the Board and the Nominating and Corporate Governance Committee, the procedures governing the Board’s work.
- Where appropriate and as directed by the Board, communicating with the Shareholders, rating agencies, regulators and interested parties.
- Speaking for the Board in circumstances where it is appropriate for the Board to have a voice distinct from that of management.

Our Board has determined that due to Mr. King’s extensive knowledge of all aspects of the Company’s business as its Chief Executive Officer, Mr. King is in the best position at this time to lead the Board of Directors as its Chairman, and Mr. Griffith is in the best position to serve in the new capacity as Lead Independent Director. The Board believes that the combined Chairman and CEO structure provides the Company with decisive and effective leadership with clear accountability to our shareholders. This combined role is both counterbalanced and enhanced by the effective oversight and independence of our Board of Directors, and the independent leadership provided by our Lead Independent Director and independent committee chairs. The Board believes that the strong Lead Independent Director, the use of regular executive sessions of the non-management directors, the Board’s strong committee system, and all directors being independent except for Mr. King, allow it to maintain effective oversight of management.

There are no other fees earned for service on the Board of Directors. In addition to reimbursement for out-of-pocket expenses incurred in connection with their Board service, our non-employee Board members receive an annual stipend and equity grant for serving as members of our Board of Directors. During fiscal 2016, this compensation was increased so that each non-employee director receives an annual stipend of \$65,000 and an annual equity grant of restricted stock units with a value of \$125,000. The increased value of restricted stock units reflects in part the elimination of stock options as part of annual compensation. In addition, a non-employee director receives \$50,000 for serving as our Chairman, \$20,000 for serving as Chair of our Audit Committee, \$15,000 for serving as Chair of our Finance Committee, \$15,000 for serving as Chair of our Compensation Committee, and \$10,000 for serving as Chair of our Nominating and Corporate Governance Committee. Each of Messrs. Griffith, Halkyard, Lacy and Sheehan participate in the Dave & Buster's Entertainment, Inc. 2010 Management Incentive Plan (the "2010 Stock Incentive Plan") and the Dave & Buster's Entertainment, Inc. 2014 Omnibus Incentive Plan (the "2014 Stock Incentive Plan"). Mr. Crawford, Ms. Mueller and Ms. Storms participate in the 2014 Stock Incentive Plan.

Policy Regarding Shareholder Recommendations

The Company identifies new director candidates through a variety of sources. The Nominating and Corporate Governance Committee will consider director candidates recommended by shareholders in the same manner it considers other candidates, as described below. Please submit this information to the Corporate Secretary, Dave & Buster's Entertainment, Inc., 2481 Mañana Drive, Dallas, Texas 75220 or by email at corporatesecretary@daveandbusters.com.

The Company values diversity on a Company-wide basis and seeks to achieve a diversity of occupational and personal backgrounds on the Board, but has not adopted a specific policy regarding Board diversity. The Nominating and Corporate Governance Committee assesses the effectiveness of its efforts at pursuing diversity through its periodic evaluation of the Board's composition.

Code of Business Conduct and Ethics and Whistle Blower Policy

In October 2014, the Board of Directors adopted a revised Code of Business Conduct and Ethics applicable to our directors, officers and other employees. The Code of Business Conduct and Ethics is available on our website at <http://ir.daveandbusters.com/governance.cfm>. We intend to post any material amendments or waivers of our Code of Business Conduct and Ethics that apply to our executive officers on this website. In addition, our revised Whistle Blower Policy (adopted by our Board of Directors in October 2014) is available on our website at <http://ir.daveandbusters.com/governance.cfm>.

Related Party Transaction Policy

In October 2014, the Board of Directors adopted a Related Party Transaction Policy to provide for timely internal review of prospective transactions with related persons, as well as approval or ratification, and appropriate oversight and public disclosure, of such transactions. The Related Party Transaction Policy generally covers transactions with the Company, on the one hand, and a director or executive officer of the Company, a nominee for election as a director of the Company, any security holder of the Company that owns (owns of record or beneficially) five percent or more of any class of the Company's voting securities and any immediate family member of any of the foregoing persons, on the other hand.

The Related Party Transaction Policy supplements the provisions of our Code of Business Conduct and Ethics concerning potential conflict of interest situations, which, pursuant to its terms, provides that unless a written waiver is granted (as explained below), employees may not (a) perform services for or have a financial interest in a private company that is, or may become, a supplier, customer or competitor of us; (b) perform services for or own more than 1% of the equity of a publicly traded company that is, or may become, a supplier, customer or competitor of us or (c) perform outside work or otherwise engage in any outside activity or enterprise that may interfere in any way with job performance or create a conflict with our best interests. Employees are under a continuing obligation to disclose to their supervisors any situation that presents the possibility of a conflict or disparity of interest between the employee and us. An employee's conflict of interest may only be waived if both

the legal department and the employee's supervisor waive the conflict in writing. An officer's conflict of interest may only be approved pursuant to the Related Party Transaction Policy.

Compensation Committee Interlocks and Insider Participation

During 2016, the members of our Compensation Committee were Mr. Griffith, Ms. Mueller and Ms. Storms.

None of our executive officers serve on the compensation committee or board of directors of any other company of which any of the members of our Compensation Committee or any of our directors is an executive officer.

Communications with the Board of Directors

The Company invites members of the Board of Directors to attend its annual shareholder meeting and requires that they make every effort to attend the Annual Meeting absent an unavoidable and irreconcilable conflict.

If shareholders wish to communicate with the Board of Directors or with an individual director, they may direct such communications in care of the General Counsel, 2481 Mañana Drive, Dallas, Texas 75220. The communication must be clearly addressed to the Board of Directors or to a specific director. The Board of Directors has instructed the General Counsel to review and forward any such correspondence to the appropriate person or persons for response.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table shows the ownership of our common stock by (a) all persons known by us to beneficially own more than 5% of our common stock, (b) each present director, (c) the named executive officers, and (d) all executive officers and directors as a group.

We have determined beneficial ownership in accordance with the rules of the SEC, and unless otherwise indicated below, to our knowledge, the persons and entities named in the table have sole voting and sole investment power with respect to all shares that they beneficially own, subject to community property laws where applicable.

We have based our calculation of the percentage of beneficial ownership on 41,971,487 shares of our common stock outstanding as of March 27, 2017, unless otherwise indicated in the footnotes below. We have deemed shares of our common stock subject to stock options that are currently exercisable or exercisable within 60 days of March 27, 2017 to be outstanding and to be beneficially owned by the person holding the stock option for the purpose of computing the percentage ownership of that person. Unless otherwise noted, the address of each beneficial owner is c/o Dave & Buster's Entertainment, Inc., 2481 Mañana Drive, Dallas, Texas 75220.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Compensation Committee of our Board of Directors is responsible for establishing the compensation philosophy and ensuring each element of the compensation program encourages high levels of performance among the executive officers and positions the Company for growth. The Compensation Committee ensures our compensation program is fair, competitive, and closely aligns the interests of our executive officers with both the Company's short and long-term business objectives and the interests of our shareholders. Through a strategic combination of base pay, cash-based short-term incentive plans, and a cash and equity-based long-term incentive plan, our Compensation Committee strives to reward executive officers for meeting certain strategic objectives and increasing shareholder value.

This section describes our compensation program for our named executive officers ("NEOs") for fiscal 2016. The discussion focuses on our compensation programs and compensation-related decisions for fiscal 2016 and also addresses why we believe our compensation program supports our business strategy and operational plans. For fiscal 2016, our NEOs are:

- **Stephen M. King – Chief Executive Officer**
- **Brian A. Jenkins – Senior Vice President and Chief Financial Officer**
- **Sean Gleason – Senior Vice President and Chief Marketing Officer**
- **John B. Mulleady – Senior Vice President of Real Estate and Development**
- **Dolf Berle – Former President and Chief Operating Officer**
- **Jay L. Tobin – Senior Vice President, General Counsel and Secretary**

Compensation philosophy and overall objectives of executive compensation programs

Our executive compensation philosophy is based upon three core values: **pay for performance, market-competitive pay and sustained shareholder value creation.**

Pay for Performance —This ensures that we align the interests of senior executives with the interests of our shareholders. Compensation is tied directly to delivering both annual and long-term value creation to our shareholders. Annual incentives focus on efficient and productive operation of the business, while long-term incentives focus on value creation of the enterprise. In addition, we put greater emphasis on the longer-term aspects of the compensation package to help ensure that all actions of management contribute to the multi-year value creation of the business.

Market-Competitive Pay —Paying competitively is critical to the attraction and retention of our key leaders. As a result, we target our executive pay levels as follows:

Pay Component	Market Target
Salary	50 th percentile
Annual incentives @ target	50 th percentile
Long-term incentive @ target	Average of 50 th percentile and 75 th percentile

Consistent with our pay for performance core values, compensation above the median target levels is achieved through above-target performance against our annual and long-term incentive goals. We measure our compensation targets against a selected peer group of other food and

entertainment companies of comparable size and business models. In addition, we further validate our compensation levels with relevant industry survey data for positions with comparable responsibilities to ensure the most solid foundation possible for our compensation comparisons and decisions.

Sustained Shareholder Value Creation —All of our compensation plans are designed to increase the value we deliver to our shareholders through the selection of proper business performance metrics, the leverage built into the plans for performance achievement and the proper governance of the plans throughout the year by our Compensation Committee. We believe that profitable growth of our enterprise is primary while simultaneously reinforcing an ethical and performance-based culture. Our Compensation Committee approves all goals and awards in advance and monitors progress on their achievement throughout the year. In the long-term incentive plan (the “LTIP”) implemented pursuant to the 2014 Stock Incentive Plan, we use a series of vehicles to reinforce this commitment to sustained shareholder value creation. These vehicles are:

LTIP Vehicle	Weighting as % of LTIP	Focus
Stock Options	50%	Continuous shareholder value creation over time
Restricted Stock Units	35%	Performance in strategic performance areas that build/sustain the enterprise and retention of our key leaders to ensure sustained implementation of our strategy. Restricted Stock Units (“RSUs”) and Performance Cash account for 50% of the overall LTIP target and contribute a robust performance mix.
Performance Cash	15%	

Through this combination of vehicles and the design of our programs, we ensure that our expectation for continuous improvement, growth and profitability are achieved while effectively managing any undue risk elements.

Our compensation philosophy guides us in our annual review of compensation, the assessment of the right pay for performance relationship and ensures that when strong performance is achieved, it is appropriately rewarded. Our Compensation Committee annually reviews this philosophy and our compensation plans to ensure they are continuing to meet their stated goals and objectives. If they are not, changes will be made to reestablish the right alignment.

In sum, this philosophy is designed to ensure that shareholders see a return for their investment in our Company and that we are getting the right return on our leadership compensation investment.

Compensation Practices

The following list summarizes executive compensation practices that we have implemented to drive performance and executive compensation practices that we avoid because we do not believe they serve the long-term interests of our shareholders.

What We Do	What We Do Not Do
✓ Set stock ownership guidelines for executives and directors	✗ No hedging or pledging of our stock by executives or directors
✓ Review tally sheets for executives	✗ No dividends paid on unearned performance-based shares
✓ Disclose performance goals for incentive payments	✗ No excise tax gross-ups to any executive
✓ Set maximum payout caps on our annual and long-term incentives	✗ No repricing or cash buyout of underwater stock options
✓ Limit perquisites and other benefits, and do not include income tax gross-ups (except for relocation expenses)	✗ No market timing in granting of equity awards
✓ Subject all variable pay to a compensation recovery “clawback” policy	
✓ Have double-trigger change in control agreements	
✓ Hire independent consultant reporting directly to the Compensation Committee	
✓ Enforce strict insider trader policies and black-out periods for executives and directors	

Procedures for determining compensation

Our Compensation Committee has the overall responsibility for designing and evaluating the salaries, incentive plan compensation, policies and programs for our executive officers, including the NEOs. The Compensation Committee relies on input from an independent compensation consultant and the experience of members of the Compensation Committee to guide our compensation decisions, including compensation of our NEOs. In addition, the Compensation Committee relies on input from our Chief Executive Officer regarding an officer’s individual performance (other than himself) and an analysis of our corporate performance. By a delegation of authority from the Board of Directors, the Compensation Committee has final authority regarding the overall compensation structure for the executive officers, including the NEOs.

The compensation of our executive officers consists primarily of four major components:

- base salary;
- annual incentive awards;
- long-term incentive awards; and
- other benefits.

Each of these components is discussed in detail in “Elements of Compensation” below.

When making compensation decisions, the Compensation Committee considers, among other things:

- The Company’s short- and long-term performance relative to financial and strategic targets;
- The executive officer’s prior experience and sustained individual performance;
- The significance of the executive officer’s contributions to the ongoing success of the Company;
- The scope of the executive officer’s responsibilities;
- The future value the executive officer is expected to bring to the Company; and
- The results of benchmarking studies, which illustrate value of the executive officer’s total compensation package relative to others in the industries with which we compete for talent.

In 2016, the Compensation Committee engaged the compensation consulting firm Aon Hewitt to conduct a benchmarking study of executive compensation programs, provide analysis and advice regarding plan design for short- and long-term incentive plans, and provide analysis and advice concerning trends and regulatory developments in executive compensation. Aon Hewitt evaluated our market competitiveness against (a) a custom peer group and (b) Aon Hewitt’s Total Compensation Measurement survey of retail companies. The peer group against which we compared ourselves in fiscal 2016 includes casual dining restaurants that offer an “experience” and companies that focus on entertainment, including casino & gaming companies; hotels, resorts & cruise lines; and leisure facilities. All are publicly-traded companies that have revenues between 0.33 times to 3.0 times our revenue and in aggregate, have a restaurant/entertainment mix similar to our income mix:

BJ’s Restaurants, Inc.	Eldorado Resorts, Inc.	Red Robin Gourmet Burgers, Inc.
Bravo Brio Restaurant Group, Inc.	Ignite Restaurant Group, Inc.	Ruby Tuesday, Inc.
Buffalo Wild Wings, Inc.	Intrawest Resorts Holdings, Inc.	SeaWorld Entertainment, Inc.
Cedar Fair, L.P.	International Speedway Corporation	Six Flags Entertainment Corporation
The Cheesecake Factory Incorporated	Isle of Capri Casinos, Inc.	Speedway Motorsports, Inc.
Churchill Downs Incorporated	The Marcus Corporation	Texas Roadhouse, Inc.
DineEquity, Inc.	Pinnacle Entertainment, Inc.	Vail Resorts, Inc.

Due to the size differences among the peer group and the Company, Aon Hewitt used regression analysis to size-adjust the results.

With respect to the compensation for the Chief Executive Officer, the Compensation Committee evaluates the Chief Executive Officer’s performance and sets his compensation. With respect to our corporate performance as a factor in compensation decisions, the Compensation Committee considers, among other aspects, the achievement of our long-term and short-term strategic goals, revenue goals, profitability, and return to our investors. Our Chief Executive Officer plays an important advisory role in the compensation-setting process of the other executive officers, including the NEOs. Our Chief Executive Officer evaluates the performance of the other executive officers and makes recommendations to the Compensation Committee concerning performance objectives and salary and bonus levels for the other executive officers, including the NEOs. The

Compensation Committee annually discusses the recommendations with the Chief Executive Officer. The Compensation Committee may, in its sole discretion, approve, in whole or in part, the recommendations of the Chief Executive Officer. In fiscal 2016, the Compensation Committee approved Mr. King's recommendations for salary and bonus with respect to each of the other executive officers, including the NEOs.

Pay for Performance Alignment

We work to leverage our executive compensation structure in order to drive outstanding Company performance and provide appropriate rewards for sustained, strong individual performance. A significant portion of each executive officer's pay is at-risk and awarded in the form of cash- and stock-based short- and long-term incentive grants. These incentive grants, which are discussed below, link each executive officer's annual income to the achievement of short- and long-term financial and strategic goals. As such, executive officers, including the NEOs, face a risk of forfeiture or a reduced payout if the Company fails to meet its financial and strategic objectives. Under each incentive plan, target compensation is only earned if the designated financial and strategic objectives are met. Each incentive plan offers above-target payouts for outstanding performance; alternatively, no incentive may be earned if a threshold level of performance is not achieved. Further, the Compensation Committee aims to link any adjustments to an executive officer's base salary to his or her individual performance.

In evaluating whether the compensation programs appropriately link each executive officer's compensation to the Company performance, the Compensation Committee recognizes that, under the leadership of the executive officers, the Company had a great deal of success in 2016. Key accomplishments are detailed in our Annual Report on Form 10-K. The Compensation Committee believes each element of the compensation program was effective at aligning the executive officers with the Company's objectives and the interests of shareholders and at recognizing the success the Company achieved as a result of their leadership.

Elements of compensation

Base salary

A portion of each executive officer's total compensation is in the form of base salary. This is a fixed cash payment, expressed as an annualized salary. The salary component was designed to provide the executive officers with consistent income and to attract and retain talented and experienced executives capable of managing our operations and strategic growth. In alignment with our compensation philosophy, the Compensation Committee believes that ensuring base salary levels position us appropriately relative to the market and reflect the performance and level of responsibility of each executive officer is key to providing a competitive total compensation package. Annually, the performance of each executive officer, including the NEOs, is reviewed by the Compensation Committee using information and evaluations provided by the Chief Executive Officer, taking into account our operating and financial results for the year, an assessment of the contribution of each executive officer to such results, the achievement of our strategic growth and any changes in the role and responsibility of an executive officer. In addition, the Compensation Committee considers the results of the benchmarking study and the market competitiveness of each NEO's base salary (generally targeting the 50th percentile of the benchmark data) to determine appropriate merit- and market-based increases to each executive's base salary. In the second quarter of fiscal 2016, four of the NEOs received merit-based increases to base salary. Mr. Mulleady and Mr. Tobin received lump sum payments of \$15,000 and \$10,000, respectively, in lieu of a merit-based increase.

	New Base	Previous Base	Percentage Increase
Stephen M. King	\$ 750,000	\$ 720,000	4.2%
Brian A. Jenkins	\$ 410,000	\$ 395,850	3.6%
Sean Gleason	\$ 330,000	\$ 314,650	4.9%
John B. Mulleady	\$ 390,775	\$ 390,775	0%
Dolf Berle	\$ 440,000	\$ 426,300	3.2%
Jay L. Tobin	\$ 365,400	\$ 365,400	0%

The Compensation Committee believes the increases and lump sum payments awarded are commensurate with each NEO's individual contribution to the Company's success and that the resulting market positioning of each NEO is consistent with the considerations outlined above. In the fourth quarter of 2016, the Compensation Committee awarded an additional 7.3% increase to Mr. Jenkins after reviewing the results of the benchmarking study. This action increased his annualized base salary to \$440,000 and brought Mr. Jenkins' base salary in line with market and recognized his consistent outstanding performance.

Annual Incentive Awards

The Executive Incentive Plan created under the 2014 Omnibus Incentive Plan (the "Executive Incentive Plan") is designed to recognize and reward our employees for contributing towards the achievement of our annual business plan. The Compensation Committee believes the Executive Incentive Plan provides a valuable short-term incentive program that delivers a cash bonus opportunity for key employees, including the NEOs, upon achievement of targeted operating results, as determined by the Compensation Committee and the Board of Directors. The Executive Incentive Plan also supports our efforts to integrate our compensation philosophies with our annual business objectives and focus our executive officers on the fulfillment of those objectives.

In considering and approving the annual plan design, the Compensation Committee reviews target bonus percentages for each executive officer, including the NEOs, and considers the value of the incentive award relative to the individual's total compensation package, the value of the incentive award and total compensation package relative to the benchmark data, and the degree to which the individual can influence the Company's achievement of its short-term financial and strategic objectives. The Compensation Committee also reviews annually the financial and strategic objectives that will comprise the components of the Executive Incentive Plan, the target for each component, and the payout percentages at threshold, target, and maximum performance for each component. The Compensation Committee relies on input from its compensation consultant, the results of benchmarking data, and analysis from our Chief Executive Officer to determine the appropriateness of the target bonus percentages for each executive officer (including the NEOs), the components of the Executive Incentive Plan, the targets for each component, and the payout percentages at each level of performance.

The fiscal 2016 incentive plan for most non-executive participants was based on our targeted "EBITDA" (net income, plus (a) interest expense (net), (b) loss on debt retirement, (c) provision (benefit) for income taxes, and (d) depreciation and amortization expense) for fiscal 2016. Substantially all of the NEOs received a bonus based on achievement of various corporate objectives (including items such as EBITDA, revenues, and similar measures) as determined by the Compensation Committee. With the exception of Mr. Gleason, our Senior Vice President and Chief Marketing Officer, and Mr. Mulleady, our Senior Vice President of Real Estate and Development, bonus payouts for our NEOs were based 75% on the achievement of an EBITDA target, 12.5% on the achievement of a total revenue target, and 12.5% on the achievement of targeted comparable store sales growth. Comparable store sales (a year-over-year comparison of sales at stores open at the end of the period which have been open for at least 18 months as of the beginning of each of the fiscal years) is a key performance indicator used within the industry and is indicative of acceptance of our initiatives as well as local economic and consumer trends. We had 66 comparable stores at the beginning of fiscal 2016. Mr. Gleason's bonus payout was based 50% on the achievement of an EBITDA target, 25% on the achievement of a total revenue target, and 25% on the achievement of targeted comparable store sales growth. Mr. Mulleady's bonus was based on EBITDA, the achievement of a target related to signed leases, and the achievement of a target related to new store construction costs. The Compensation Committee reviews and modifies the performance goals for the Executive Incentive Plan as necessary to ensure reasonableness, support of our strategy and consistency with our overall objectives. The EBITDA target for fiscal 2016 was 19.2% higher than fiscal 2015 EBITDA and the revenue target was 13.9% higher than fiscal 2015 revenues. With respect to Mr. Mulleady's objectives, the targets for signed leases and new store construction were aligned with our development strategy and intended to build the pipeline for future growth. In setting Mr. Mulleady's targets, the Compensation Committee considered prior results and the level of performance needed to achieve development goals and set the targets at levels it believed were challenging but attainable.

Under each executive officer's employment agreement (including the NEOs) and the Executive Incentive Plan, a target bonus opportunity is expressed as a percentage of annualized base salary as of the end of the fiscal year, prorated according to the percentage of the fiscal year the executive officer is employed by the Company. Target levels are established based upon a review of market practices and align to the Company's compensation philosophy. Bonuses above or below the target level may be paid subject to a prescribed maximum or minimum. Bonus attainment is calculated separately for each component of the Executive Incentive Plan. Below a minimum threshold level of performance, no awards will be granted under the Executive Incentive plan. The threshold, target, and maximum percentages for each of the NEOs in 2016 under the Executive Incentive Plan are outlined in the table below.

	% of Salary at Threshold	% of Salary at Target	% of Salary at Maximum
Stephen M. King	22.5%	90.0%	180.0%
Brian A. Jenkins	15.0%	60.0%	120.0%
Sean Gleason	15.0%	60.0%	120.0%
John B. Mulleady	11.3%	60.0%	120.0%
Dolf Berle	17.5%	70.0%	140.0%
Jay L. Tobin	15.0%	60.0%	120.0%

The table below outlines the targets and relative payout percentages for the EBITDA, total revenue, and comparable store sales growth, signed leases, and new store construction components of the Executive Incentive Plan. Below a minimum threshold level of performance, no awards will be granted under the Executive Incentive Plan. The calculations are subject to straight-line interpolation between threshold and target performance and between target and maximum performance. The performance thresholds on the financial measures were set at a level that ensures no payout will be made unless the Company exceeded prior year performance.

Component	Performance			Bonus as % of Target		
	Threshold	Target	Maximum	Threshold	Target	Maximum
EBITDA (1)	\$ 208.1	\$ 225.0	\$ 247.5	25%	100%	200%
Total Revenue (1)	\$ 938.0	\$ 987.4	\$ 1,086.2	50%	100%	200%
Comparable Store Sales Growth	0.0%	3.5%	7.0%	0%	100%	200%
Signed Leases	7	10	13	25%	100%	200%
New Store Construction (2)	—	Within 7.5% of Budget	—	0%	100%	200%

(1) Dollar amounts are represented in millions.

(2) Mr. Mulleady may be awarded the target new store construction bonus if the average actual total construction cost for building each new store opened in fiscal 2016 is within 7.5% of budget. If target EBITDA or better is achieved, the portion of Mr. Mulleady's bonus associated with new store construction will increase at the same slope as the EBITDA bonus, based on EBITDA achievement.

At the close of the performance period, the Compensation Committee determined the bonuses for the executive officers, including the NEOs, following the annual audit and reporting of financial results for fiscal 2016 and reported the awards to the Board of Directors. The Compensation Committee authorized bonuses to the executive officers, including the NEOs, in amounts that were

[Table of Contents](#)

commensurate with the results achieved during fiscal 2016. In reviewing fiscal 2016 results, the Compensation Committee recognized that we exceeded target EBITDA and Total Revenue and exceeded threshold Comparable Store Sales Growth, which resulted in an award above target level performance for substantially all employees, including the NEOs. Mr. King, Mr. Jenkins, and Mr. Tobin were paid 147.7% of their target bonus opportunity for fiscal 2016. Mr. Gleason was paid 134.1% of his target bonus opportunity, based on the achievement of performance in excess of target on EBITDA and Total Revenue, and performance between threshold and target on Comparable Store Sales Growth. Mr. Mulleady achieved performance at the maximum payout level on the portion of his bonus linked to the attainment of restaurant development objectives; therefore, he was paid 171.1% of his target bonus opportunity for fiscal 2016. The tables below outline the 2016 performance results and bonus payments made under the Executive Incentive Plan to each NEO.

Component	Target	Actual	% of Target	Payout %
EBITDA (1)	\$ 225.0	\$ 238.8	106.1%	161.4%
Revenue (1)	\$ 987.4	\$ 1,005.2	101.8%	118.0%
Comparable Store Sales Growth	3.5%	3.3%	94.3%	95.4%
Signed Leases	10	14	140.0%	200.0%
New Store Construction (2)	Within 7.5% of Budget	2.2%	Target Achieved	161.4%

(1) Dollar amounts are represented in millions

(2) The average total construction cost for building each new store opened in fiscal 2016 was within target. Mr. Mulleady's bonus then increased at the same slope as the EBITDA bonus. Therefore, Mr. Mulleady earned a payout of 161.4% of target for the portion of his bonus associated with new store construction.

	Target Bonus	Bonus Paid	% of Target
Stephen M. King	\$ 675,000	\$ 997,258	147.7%
Brian A. Jenkins	\$ 264,000	\$ 390,039	147.7%
Sean Gleason	\$ 198,000	\$ 265,433	134.1%
John B. Mulleady	\$ 234,465	\$ 401,099	171.1%
Dolf Berle (1)	\$ 0	\$ 0	0%
Jay L. Tobin	\$ 219,240	\$ 323,909	147.7%

(1) Mr. Berle was not employed on the date the fiscal 2016 bonuses were paid; therefore, he did not earn any bonus under the 2016 Executive Incentive Plan.

The Compensation Committee believes the incentive awards were warranted and consistent with the performance of each executive officer, including the NEOs, during fiscal 2016 based on the Compensation Committee's evaluation of each individual's overall contribution to accomplishing our fiscal 2016 corporate goals and of each individual's achievement of strategic and individual performance goals during the year.

Long-term Incentive Awards

The Compensation Committee believes that it is essential to align the interests of the executive officers, including the NEOs, and other key management personnel responsible for our growth with the interests of our shareholders. The Compensation Committee has also identified the

need to retain tenured, high performing executives. The Compensation Committee believes that these objectives are accomplished through the provision of cash- and stock-based incentives that align the interests of management personnel with the long-term objectives of enhancing our value, as set forth in the 2014 Stock Incentive Plan.

Annually, the Compensation Committee determines whether to grant long-term cash- and/or stock-based incentives to executive officers, including the NEOs, and other key management personnel. In determining whether to award grants, the Compensation Committee considers Company performance, individual performance, the significance of individuals' contributions to the ongoing success of the Company, the valuation of the grants relative to the individual's total compensation, value creation, and the recommendations of our Chief Executive Officer. In addition, the Compensation Committee relies on the benchmarking data and additional analysis provided by the compensation consultant in determining appropriate grant levels for our executive officers, including the NEOs.

During fiscal 2016, the Compensation Committee awarded to the executive officers, including the NEOs, and other key management personnel a combination of service-based non-qualified stock options ("Stock Options") with gradual vesting schedules, RSUs that vest upon the attainment of pre-established performance targets, and long-term cash incentives ("Performance Cash") that vest upon the attainment of pre-established performance targets. The Stock Options, which comprise 50% of each NEO's award, vest in equal installments over a three-year period and are exercisable up to a maximum of 10 years. The exercise prices of the stock option awards were established as the closing price of the Company's stock on the date following the date on which the Compensation Committee approved the awards. The RSUs, which comprise 35% of each NEO's award, and Performance Cash, which comprises 15% of each NEO's award, vest after three years and are based 66.7% on achieving targeted three-year cumulative EBITDA and 33.3% on achieving a targeted return on capital invested in new stores ("ROIC"). The NEOs face a significant risk of forfeiture or reduced payout if the Company fails to meet either of the targets, as the settlement value of the RSUs and Performance Cash varies between 0% and 200% of the target award, depending on EBITDA and ROIC performance, as depicted in the table below. Further, the value of the Stock Options and the RSUs increases or decreases with the changes in the Company's stock price. The Compensation Committee believes that the mix of 50% Stock Options, 35% RSUs and 15% Performance Cash provides an appropriate balance promoting retention and motivating and rewarding our executive officers and other key employees to deliver long-term financial success.

	3-Year Cumulative EBITDA			3-Year Cumulative ROIC		
	Performance (in millions)	Performance as a Percentage of Target	Payout as a Percentage of Target ⁽¹⁾	Performance ⁽²⁾	Performance as a Percentage of Target	Payout as a Percentage of Target ⁽¹⁾

(2) Monthly ROIC for new stores opening during the three-year performance period.

In recognition of his performance and strong contributions to the Company's success during the 2014 and 2015 fiscal years, the Compensation Committee awarded an off-cycle grant of

time-based RSUs to Mr. Gleason in July 2016. The RSUs vest in two equal installments on the fourth and fifth anniversary of the grant. Mr. Gleason will forfeit any unvested RSUs if his employment with the Company terminates prior to the date of vesting of the RSUs.

Other Benefits

Retirement Benefits . Our employees, including our NEOs, are eligible to participate in the 401(k) retirement plan on the same basis as other employees. However, tax regulations impose a limit on the amount of compensation that may be deferred for purposes of retirement savings. As a result, we established the Select Executive Retirement Plan (the “SERP”). See “ *2016 Nonqualified Deferred Compensation* ” for a discussion of the SERP.

Perquisites and Other Benefits . We offer our NEOs a modest perquisite allowance and an annual executive physical. We believe these perquisites, which comprise less than 3% of each NEO’s total compensation, are reasonable and round out a competitive compensation program that enhances our ability to attract and retain executive talent. See “ *2016 Summary Compensation Table* .”

Severance Benefits . We have entered into employment agreements with each of our NEOs. These agreements provide our NEOs with certain severance benefits in the event of involuntary termination or adverse job changes and are key to attracting and retaining key executives. See “ *Employment Agreements* .”

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code under the Omnibus Budget Reconciliation Act of 1993 limits the deductibility of certain compensation over \$1,000,000 paid by a company to an executive officer. In light of section 162(m), the Compensation Committee may modify, where reasonably necessary, our executive compensation program to maximize the tax deductibility of compensation paid to covered employees. At the same time, the Compensation Committee also believes that the overall performance of our executive officers cannot in all cases be reduced to a fixed formula and that the prudent use of discretion in determining the form and the amount of compensation is in our best interest and those of our shareholders. In general, the Compensation Committee structures its pay programs to limit the impact of section 162(m).

Stock Ownership Guidelines

Our ownership guidelines were established in order to further align the interests of our Chief Executive Officer, NEOs and executive officers with shareholders and encourage each executive officer to maintain a long-term equity stake in the Company. The guidelines provide that each executive officer must hold a multiple of his or her annual base salary in the Company’s stock and include the following holding requirement:

Position	Ownership Requirement (multiple of base salary)
Chief Executive Officer	7 times
Chief Financial Officer and Chief Operating Officer	3 times
Other Senior Vice Presidents	2 times

Equity counted toward the ownership requirement includes stock ownership, vested and unexercised stock options, time-based restricted stock, 401(k) or other similar plan holdings, and stock beneficially owned in a trust. Each current executive officer has until October 2019 to achieve the minimum ownership requirement. Any executive hired or promoted into an executive officer role would have five years from the date of hire or promotion to achieve the requirement.

Clawback Policy

The Company has adopted a clawback policy providing for the adjustment or recovery of compensation in certain circumstances. If the Board of Directors, upon recommendation of the Compensation Committee, determines that, as a result of a restatement of our financial statements because of material noncompliance with any financial reporting requirement under the securities laws, an executive officer has received more compensation than would have been paid absent the incorrect financial statements, within the three-year period immediately preceding the date on which the Company is required to prepare the restatement, the Board of Directors, in its discretion, shall take such action as it deems necessary or appropriate to address the events that gave rise to the restatement and to prevent its recurrence. In certain cases, such action may include, to the extent permitted by applicable law: (i) requiring partial or full reimbursement of any bonus or other incentive compensation paid to the executive officer; (ii) causing the partial or full cancellation of RSUs, Performance Cash, and Stock Options; (iii) adjusting the future compensation of such executive officer; and (iv) dismissing or taking legal action against the executive officer, in each case as the Board, upon recommendation of the Compensation Committee, determines to be in the Company's best interests and that of our shareholders. These remedies would be in addition to, and not in lieu of, any penalties imposed by law enforcement agencies, regulators or other authorities. Any incentive-based awards or payments or other compensation paid to current and former executive officers under employment agreements or any other agreement or arrangement with the Company which is subject to recovery under any law, government regulation, or stock exchange listing requirement (including compliance with the Dodd-Frank Act), will be subject to the deductions and clawback as may be required by law, government regulation or stock exchange listing requirement.

Risk Assessment Disclosure

Our Compensation Committee assessed the risk associated with our compensation practices and policies for employees, including a consideration of the balance between risk-taking incentives and risk-mitigating factors in our practices and policies. The assessment determined that any risks arising from our compensation practices and policies are not reasonably likely to have a material adverse effect on our business or financial condition.

Compensation Committee Report

The Compensation Committee of the Board of Directors has furnished the following report:

The Committee has reviewed and discussed the Compensation Discussion and Analysis ("CD&A") with the management of the Company. Based on that review and discussion, the Committee has recommended to the Board of Directors that the CD&A be included in this Annual Report on Form 10-K.

2016 Nonqualified Deferred Compensation

The SERP is a defined contribution plan designed to permit a select group of management or highly compensated employees to set aside base salary on a pre-tax basis. The SERP has a variety of investment options similar in type to our 401(k) plan. Each pay period, the Company matches 25% of the employee's contributions, up to the first 6% of salary deferred. At the end of the year, if the Company's EBITDA target is met, the Company contributes an additional amount, equal to the employer match contributed each pay period. Any employer contributions to a participant's account vest in equal portions over a five-year period, and become immediately vested upon termination of a participant's employment on or after age 65 or by reason of the participant's death or disability, and upon a change of control (as defined in the SERP). Pursuant to Section 409A of the Code, however, such distribution cannot be made to certain employees of a publicly traded corporation before the earlier of six months following the employee's termination date or the death of the employee. Withdrawals from the SERP may be permitted in the event of an unforeseeable emergency.

Employment Agreements

We have entered into employment agreements with our NEOs to reflect the then current compensation arrangements of each of the NEOs and to include additional restrictive covenants, including a one-year non-competition provision and a two-year non-solicitation and non-hire provision. The employment agreement for each NEO provides for an initial term of one year, subject to automatic one-year renewals unless terminated earlier by the NEO or us. Under the terms of the employment agreements, each NEO is entitled to a minimum base salary and may receive an annual salary increase commensurate with such officer's performance during the year, as determined by the Board of Directors of Dave & Buster's Management Corporation, Inc. Our NEOs are also entitled to participate in the Executive Incentive Plan, the 2014 Stock Incentive Plan and in any profit sharing, qualified and nonqualified retirement plans and any health, life, accident, disability insurance, sick leave, supplemental medical reimbursement insurance, or benefit plans or programs as we may choose to make available now or in the future. NEOs also receive an annual perquisite allowance. In addition, the employment agreements contain provisions providing for severance payments and continuation of benefits under certain circumstances including termination by us without Cause (as defined in the employment agreement), upon execution of a general release of claims in favor of us. Each employment agreement also contains a confidentiality and noncompetition covenant.

Potential Payments Upon Termination or Change of Control

The following is a discussion of the rights of the NEOs under the 2010 Stock Incentive Plan, the 2014 Stock Incentive Plan and the employment agreements with the NEOs following a termination of employment or change of control.

2010 Stock Incentive Plan

Pursuant to the 2010 Stock Incentive Plan, certain vested stock options shall terminate on the earliest of (a) the day on which the executive officer is no longer employed by us due to the termination of such employment for cause, (b) the thirty-first day following the date the executive officer is no longer employed by us due to the termination of such employment upon notice to us by

the executive officer without good reason having been shown, (c) the 366th day following the date the executive officer is no longer employed by us by reason of death, disability, or due to the termination of such employment (i) by the executive officer for good reason having been shown or (ii) by us for reason other than for cause, or (d) the tenth anniversary of the date of grant. Subject to the provisions of the immediately following sentence, all options that are not vested and exercisable on the date of termination of employment shall immediately terminate and expire on such termination date. Following the adoption of the 2014 Stock Incentive Plan, no further grants of stock options, stock appreciation rights, restricted stock, other stock-based awards, or cash-based awards will be made pursuant to the 2010 Stock Incentive Plan.

2014 Stock Incentive Plan

Pursuant to the 2014 Stock Incentive Plan, all Stock Options will terminate on the day on which the executive officer is no longer employed by us due to the termination of such employment for cause. Due to a termination of employment caused by reason of death or disability of the executive officer, any unvested portion of Stock Options shall immediately become vested and all vested options shall remain exercisable until the earlier of (a) one year following the date of death or disability and (b) the expiration of the option term. Upon the termination of employment by reason of retirement (defined as termination of employment other than for cause, after obtaining (a) age 60 and completing ten years of continued service with the Company or (b) age 65), the unvested portion of the Stock Option shall continue to vest on each remaining vesting date and the vested portion of the Stock Option shall remain exercisable until the expiration of the option term. Upon the termination of employment for any reason other than those described above, any unvested portion of the option shall immediately terminate and be forfeited without consideration and the vested Stock Options shall remain exercisable until the earlier of (a) 90 days following such termination of employment and (b) the expiration of the option term. Future award agreements will specify the effect of a holder's termination of employment, including the extent to which equity grants will be forfeited and the extent to which awards requiring exercise will remain exercisable. Such provisions will be determined in the sole discretion of the Compensation Committee.

Pursuant to grants made under the 2014 Stock Incentive Plan, RSUs and Performance Cash (collectively, "Awards") will terminate on the date in which the executive officer is no longer employed by us due to termination of such employment due to any reason other than death, disability, retirement, without cause, or for good reason related to a change of control. Following termination of employment caused by death or disability of the executive officer, Awards shall be settled based on actual performance during the full performance period, notwithstanding the termination of service. Following termination of employment by reason of retirement (defined as termination of employment, other than for cause, after obtaining (a) age 60 and completing 10 years of continued service with the Company or (b) age 65), Awards shall be settled based on actual performance during the full performance period, notwithstanding the termination of the employee's service, prorated to reflect the number of days in the performance period that preceded or included the date of termination of service. Following termination of employment without cause or for good reason either within 90 days before or within 12 months following a change in control of the Company, Awards shall be settled based on actual performance during the full performance period, notwithstanding the termination of service, prorated to reflect the number of days in the performance period that preceded or included the day of termination of service. Following termination of employment for any reason other than those described above, any unvested portion of an Award shall immediately terminate and be forfeited without consideration. Future Award agreements will specify the effect of a holder's termination of employment, including the extent to which equity grants will be forfeited and the extent to which

awards requiring exercise will remain exercisable. Such provisions will be determined in the sole discretion of the Compensation Committee.

If there is a change of control of the Company, then, unless prohibited by law, the Compensation Committee is authorized (but not obligated) to make adjustments to the terms and conditions of outstanding awards, including, without limitation, continuation or assumption of outstanding awards; substitution of new awards with substantially the same terms as outstanding awards; accelerated exercisability, vesting and/or lapse of restrictions for outstanding awards immediately prior to the occurrence of such event; upon written notice, provision that any outstanding awards must be exercised, to the extent then exercisable, during a specified period determined by the Compensation Committee (contingent upon the consummation of the change of control), following which unexercised awards shall terminate; and cancellation of all or any portion of outstanding awards for fair market value (which may be the intrinsic value of the award and may be zero); and cancellation of all or any portion of outstanding awards for fair value (as determined in the sole discretion of the Compensation Committee and which may be zero).

Under the 2014 Stock Incentive Plan, a change of control generally is triggered by the occurrence of any of the following: (i) an acquisition of 30% or more of the outstanding shares or the voting power of the outstanding securities generally entitled to vote in the election of directors; (ii) with certain exceptions, individuals on the Board of Directors on the date of effectiveness of the plan cease to constitute a majority of the Board of Directors; (iii) consummation of a reorganization, merger, amalgamation, statutory share exchange, consolidation or like event to which the Company is a party or a sale or disposition of all or substantially all of the Company's assets, unless the Company's shareholders continue to own more than 50% of the outstanding voting securities, no person beneficially owns 30% or more of the outstanding securities of the Company and at least a majority of the members of the Board of Directors after such event were members of the Board of Directors prior to the event; or (iv) a complete liquidation or dissolution of the Company.

Employment Agreements

Deferred Compensation . All contributions made by an executive officer to a deferred compensation account, and all vested portions of our contributions to such deferred compensation account, shall be disbursed to the executive officer upon termination of employment for any reason. Currently, only Messrs. King, Jenkins, Gleason and Tobin have made contributions to a deferred compensation account.

Resignation . If an executive officer resigns from employment with us, such officer is not eligible for any further payments of salary, bonus, or benefits and such officer shall only be entitled to receive that compensation which has been earned by the officer through the date of termination. Notwithstanding the foregoing, the Company may, at its sole option, elect to provide payments and other severance benefits described below under "Involuntary Termination Not for Cause" and the officer shall be bound by various restrictive covenants contained in the employment agreements. These payments shall cease at such time as it is determined that the officer is not in full compliance with such restrictive covenants.

Involuntary Termination Not for Cause . In the event of involuntary termination of employment other than for Cause (as defined in the employment agreements), an executive officer would be entitled to 12 months of severance pay at such officer's then-current base salary (24 months of severance pay for Mr. King), the pro rata portion of the annual bonus, if any, earned by the officer for

the then-current fiscal year, 12 months continuation of such officer's perquisite allowance, and monthly payments for a period of 12 months equal to the monthly premium required by such officers to maintain health insurance benefits provided by our group health insurance plan, in accordance with the requirements of the Consolidated Omnibus Budget Reconciliation Act of 1985.

Termination for Cause . In the event of termination for Cause, the officer is not eligible for any further payments of salary, bonus, or benefits and shall be only entitled to receive that compensation which has been earned by the officer through the date of termination.

Termination for Good Reason . In the event the officer chooses to terminate his or her employment for reasons such as material breach of the employment agreement by us, relocation of the office where the officer performs his or her duties, assignment to the officer of any duties, authority, or responsibilities that are materially inconsistent with such officer's position, authority, duties or responsibilities or other similar actions, such officer shall be entitled to the same benefits described above under "*Involuntary Termination Not for Cause*."

Death or Disability . The benefits to which an officer (or such officer's estate or representative) would be entitled in the event of death or disability are as described above under "*Involuntary Termination Not for Cause*." However, the amount of salary paid to any such disabled officer shall be reduced by any income replacement benefits received from the disability insurance we provide.

Equity Compensation Plan Information

The following table sets forth information concerning the shares of common stock that may be issued upon exercise of options under the 2010 Stock Incentive Plan and the 2014 Stock Incentive Plan as of January 29, 2017:

EQUITY COMPENSATION PLANS APPROVED BY SECURITY HOLDERS	NUMBER OF SECURITIES TO BE ISSUED UPON EXERCISE OF OUTSTANDING OPTIONS, WARRANTS AND RIGHTS	WEIGHTED-AVERAGE EXERCISE PRICE OF OUTSTANDING OPTIONS, WARRANTS AND RIGHTS	NUMBER OF SECURITIES REMAINING AVAILABLE FOR FUTURE ISSUANCE UNDER EQUITY COMPENSATION PLANS
2010 Stock Incentive Plan	1,225,093	\$ 5.35	—
2014 Stock Incentive Plan	961,587 ⁽¹⁾	\$ 26.93 ⁽²⁾	2,111,256
Total plans	2,186,640	\$ 14.842	2,111,256

⁽¹⁾ Includes 105,303 performance-based restricted stock units and assumes shares issued upon vesting of performance-based units vest at 100% of target number of units. Actual number of shares issued on vesting of performance units could be a minimum award level of 50% of target, but zero payout is possible if threshold measures are not met. The award level is based on actual performance over the three-year vesting period compared to target performance.

⁽²⁾ The weighted average exercise price is calculated based solely on outstanding stock options. It does not take into account the shares of our common stock underlying restricted stock units, which have no exercise price.

(A) General Powers. The business and affairs of the Corporation shall be managed by or under the direction of the Board, except as otherwise provided by law.

(B) Election of Directors; Number of Directors. At each annual meeting, directors shall be elected to hold office until the next annual meeting and until their successors have been duly elected and qualified; except that if any such election shall be not so held, such election shall take place at a stockholders' meeting called and held in accordance with the DGCL. ~~At any meeting of stockholders at which directors are to be elected, directors shall be elected by the plurality vote of the votes cast by the holders of shares present or represented at the meeting and entitled to vote thereon.~~ Subject to the rights of holders of any series of Preferred Stock to elect additional directors, the number of the directors of the Corporation shall be fixed from time to time by resolution of the Board.

(C) Vacancies. Subject to the rights of holders of any series of Preferred Stock to elect directors, any newly created directorship that results from an increase in the number of directors or any vacancy on the Board that results from the death, disability, resignation, disqualification or removal of any director or from any other cause shall be filled solely by the affirmative vote of a majority of the total number of directors then in office, even if less than a quorum, or by a sole remaining director and shall not be filled by the stockholders. Any director elected to fill a vacancy shall hold office for the remaining term of his or her predecessor.

(D) Removal. Any director or the entire Board may be removed, with or without cause, by the holders of a majority of the shares then entitled to vote at an election of directors.

(E) Committees. Pursuant to the Amended and Restated Bylaws of the Corporation (as the same may be amended and/or restated from time to time, the “Bylaws”), the Board may establish one or more committees to which may be delegated any or all of the powers and duties of the Board to the full extent permitted by law.

ARTICLE VI ELECTION OF DIRECTORS

Unless and except to the extent that the Bylaws shall so require, the election of directors of the Corporation need not be by written ballot.

ARTICLE VII EXCULPATION AND INDEMNIFICATION OF DIRECTORS

(A) Limited Liability. To the fullest extent permitted by the DGCL as the same exists or as may hereafter be amended, a director of the Corporation shall not be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director. No repeal or modification of this Article VII shall apply to or have any adverse effect on any right or protection of, or any limitation of the liability of, a director of the Corporation existing at the time of such repeal or modification with respect to acts or omissions occurring prior to such repeal or modification.

(B) Right to Indemnification. The Corporation shall indemnify and hold harmless, to the fullest extent permitted by applicable law as it presently exists or may hereafter be amended, any person (a “Covered Person”) who was or is made or is threatened to be made a party or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (a “proceeding”), by reason of the fact that he or she, or a person for whom he or she is the legal representative, is or was a director or officer of the Corporation, or has or had agreed to become a director or officer of the Corporation, or, while a director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee or agent of another corporation or of a limited liability company, partnership, joint venture, trust, enterprise or nonprofit entity, including service with respect to employee benefit plans, against all liability and loss suffered and expenses (including attorneys’ fees) reasonably incurred by such Covered Person. Notwithstanding the preceding sentence, except as otherwise provided in section (D) of this Article VII, the Corporation shall be required to indemnify a Covered Person in connection with a proceeding (or part thereof) commenced by such Covered Person only if the commencement of such proceeding (or part thereof) by the Covered Person was authorized in the specific case by the Board.

(C) Prepayment of Expenses. The Corporation shall to the fullest extent not prohibited by applicable law, as the same exists or may hereafter be amended, pay the expenses (including attorneys’ fees) incurred by a Covered Person in defending any proceeding in advance of its final disposition, provided, however, that, to the extent required by law, such payment of expenses in advance of the final disposition of the proceeding shall be made only upon receipt of an undertaking by or on behalf of the Covered Person to repay all amounts advanced if it should be ultimately determined that the Covered Person is not entitled to be indemnified under this Article VII or otherwise.

(D) Claims. If a claim for indemnification (following the final disposition of such proceeding) or advancement of expenses under this Article VII is not paid in full within thirty (30) days after a written claim therefor by the Covered Person has been received by the Corporation, the Covered Person may file suit to recover the unpaid amount of such claim and, if successful in whole or in part, shall be entitled to be paid the expense (including attorneys' fees) of prosecuting such claim. In any such proceeding the Corporation shall have the burden of proving that the Covered Person is not entitled to the requested indemnification or advancement of expenses under applicable law.

(E) Nonexclusivity of Rights. The rights conferred on any Covered Person by this Article VII shall not be exclusive of any other rights which such Covered Person may have or hereafter acquire under any statute, provision of this Certificate of Incorporation, the Bylaws, written agreement approved by the Board, vote of stockholders or disinterested directors or otherwise.

(F) Amendment or Repeal. Any repeal or modification of the foregoing provisions of this Article VII shall not adversely affect any right or protection hereunder of any Covered Person in respect of any act or omission occurring prior to the time of such repeal or modification.

(G) Other Indemnification and Prepayment of Expenses. This Article VII shall not limit the right of the Corporation, to the extent and in the manner permitted by law, to indemnify and to advance expenses to persons other than Covered Persons when and as authorized by appropriate corporate action.

~~(H) The Corporation hereby acknowledges that any Covered Persons that are employees of the Oak Hill Funds, Oak Hill Capital Management, LLC or any of their respective affiliates (the "Oak Hill Covered Persons") have, or may in the future have, certain rights to indemnification, advancement of expenses and/or insurance provided by the Oak Hill Funds or other persons or entities that, directly or indirectly, (i) are controlled by, (ii) control, or (iii) are under common control with, the Oak Hill Funds (collectively, the "Other Indemnitors"). The Corporation hereby agrees (i) that it is the indemnitor of first resort (i.e., its obligations to the Oak Hill Covered Persons are primary and any obligation of the Other Indemnitors to advance expenses or to provide indemnification or to provide insurance for the same expenses or liabilities incurred by the Oak Hill Covered Persons are secondary), (ii) that it shall be required to advance the full amount of expenses incurred by the Oak Hill Covered Persons and shall be liable for the full amount of all expenses, judgments, penalties, fines and amounts paid in settlement to the extent legally permitted and as required by the terms of this Certificate of Incorporation and the Bylaws (or any other agreement between the Corporation and the Oak Hill Covered Persons), without regard to any rights the Oak Hill Covered Persons may have against the Other Indemnitors (whether pursuant to this Certificate of Incorporation, the Bylaws or any other agreement between the Corporation and the Oak Hill Covered Persons, or law), and (iii) that it irrevocably waives, relinquishes and releases the Other Indemnitors from any and all rights and claims against the Other Indemnitors for contribution, subrogation or any other recovery of any kind in respect thereof. Any insurance coverage provided, obtained or paid for by the Corporation, on the one hand, and any Other Indemnitor, on the other hand, shall be subject to the same primary and secondary liability hierarchy set forth in this section (H) of this Article VII. The Corporation shall use its reasonable best efforts to cause any insurance coverage policy contemplated by this section (H) of this Article VII and obtained by the Corporation to contain the same primary and secondary liability hierarchy as set forth in this section (H) of this Article VII. The Corporation further agrees that no advancement or payment by the Other Indemnitors on behalf of the Oak Hill Covered Persons with respect to any claim for which the Oak Hill Covered Persons have sought indemnification from the Corporation shall affect the foregoing and the Other Indemnitors shall have a right of contribution~~

and/or be subrogated to the extent of such advancement or payment to all of the rights of recovery of the Oak Hill Covered Persons against the Corporation. The Corporation and the Oak Hill Covered Persons agree that the Other Indemnitors are express third party beneficiaries of the terms of this section (H) of this Article VII.

For purposes of this Certificate of Incorporation, "Oak Hill Funds" shall mean, collectively, Oak Hill Capital Partners III, L.P., Oak Hill Capital Management Partners III, L.P., funds managed or advised by Oak Hill Capital Management, LLC and each of their respective affiliates (within the meaning of Section 12b-2 under the Securities Exchange Act of 1934, as amended (the "Exchange Act")).

ARTICLE VIII STOCKHOLDER ACTION

(A) Any action required or permitted to be taken by the stockholders of the Corporation must be effected (i) at a duly called annual or special meeting of such holders or (ii) ~~without a meeting by the written consent of such holders.~~ Notwithstanding the foregoing, in the event the Oak Hill Funds collectively own less than forty percent (40.0%) of the then outstanding shares of the Common Stock, then any action required or permitted to be taken by the stockholders of the Corporation may not be effected by any written consent in lieu of a meeting by such stockholders; provided, however, that any action required or permitted to be taken by the holders of Preferred Stock, voting separately as a series or separately as a class with one or more other such series, may be taken without a meeting, without prior notice and without a vote, to the extent expressly so provided by the applicable Preferred Stock Designation.

(B) Except as otherwise required by law and subject to the rights of the holders of any series of Preferred Stock, special meetings of the stockholders of the Corporation for any purpose or purposes may be called at any time only (1) by or at the direction of the Board ~~, or~~ (2) by or at the direction of the Chief Executive Officer of the Corporation ~~or (3) by the Secretary of the Corporation upon the written request of the Oak Hill Funds or any person that acquires (other than through a registered public offering or through a broker's transaction executed on any securities exchange or other over the counter market) from the Oak Hill Funds ten percent (10%) or more of the issued and outstanding Common Stock, as applicable, provided that the Oak Hill Funds or such person that acquires (other than through a registered public offering or through a broker's transaction executed on any securities exchange or other over the counter market) from the Oak Hill Funds ten percent (10%) or more of the issued and outstanding Common Stock is a holder of ten percent (10%) or more of the issued and outstanding Common Stock (other than through a registered public offering or through a broker's transaction executed on any securities exchange or other over the counter market).~~ Except as provided in the preceding sentence, special meetings of the stockholders of the Corporation may not be called by any person or persons.

(C) Advance notice of stockholder nominations for election of directors and other business to be brought by stockholders before a meeting of stockholders shall be given in the manner provided by the Bylaws.

**ARTICLE IX
SECTION 203 OF THE DGCL**

(A) ~~The Corporation shall not be governed by Section 203 of the DGCL.~~

(B) ~~Notwithstanding the foregoing, the Corporation shall not engage in any business combination (as defined below), at any point in time at which the Corporation's Common Stock is registered under Section 12(b) or 12(g) of the Exchange Act, with any interested stockholder (as defined below) for a period of three (3) years following the time that such stockholder became an interested stockholder, unless:~~

~~(1) prior to such time, the Board approved either the business combination or the transaction which resulted in the stockholder becoming an interested stockholder; or~~

~~(2) upon consummation of the transaction which resulted in the stockholder becoming an interested stockholder, the interested stockholder owned at least eighty-five percent (85%) of the voting stock (as defined below) of the Corporation outstanding at the time the transaction commenced, excluding for purposes of determining the voting stock outstanding (but not the outstanding voting stock owned by the interested stockholder) those shares owned by (1) persons who are directors and also officers and (2) employee stock plans in which employee participants do not have the right to determine confidentially whether shares held subject to the plan will be tendered in a tender or exchange offer; or~~

~~(3) at or subsequent to such time, the business combination is approved by the Board and authorized at an annual or special meeting of stockholders, and not by written consent, by the affirmative vote of at least sixty-six and two-thirds percent (66²/₃%) of the outstanding voting stock of the Corporation which is not owned by the interested stockholder.~~

(C) ~~For purposes of this Article IX, references to:~~

~~(1) "affiliate" means a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, another person.~~

~~(2) "associate" when used to indicate a relationship with any person, means: (1) any corporation, partnership, unincorporated association or other entity of which such person is a director, officer or partner or is, directly or indirectly, the owner of twenty percent (20%) or more of any class of voting stock; (2) any trust or other estate in which such person has at least a twenty percent (20%) beneficial interest or as to which such person serves as trustee or in a similar fiduciary capacity; and (3) any relative or spouse of such person, or any relative of such spouse, who has the same residence as such person.~~

~~(3) "business combination" when used in reference to the Corporation and any interested stockholder of the Corporation, means:~~

~~(i) any merger or consolidation of the Corporation or any direct or indirect majority-owned subsidiary of the Corporation (i) with the interested stockholder, or (ii) with any other corporation, partnership, unincorporated association or other entity if the merger or consolidation is caused by the interested stockholder and as a result of such merger or consolidation the first paragraph of this Article IX is not applicable to the surviving entity;~~

(ii) any sale, lease, exchange, mortgage, pledge, transfer or other disposition (in one transaction or a series of transactions), except proportionately as a stockholder of the Corporation, to or with the interested stockholder, whether as part of a dissolution or otherwise, of assets of the Corporation or of any direct or indirect majority-owned subsidiary of the Corporation which assets have an aggregate market value equal to ten percent (10%) or more of either the aggregate market value of all the assets of the Corporation determined on a consolidated basis or the aggregate market value of all the outstanding stock of the Corporation;

(iii) any transaction which results in the issuance or transfer by the Corporation or by any direct or indirect majority-owned subsidiary of the Corporation of any stock of the Corporation or of such subsidiary to the interested stockholder, except: (a) pursuant to the exercise, exchange or conversion of the securities exercisable for, exchangeable for or convertible into stock of the Corporation or any subsidiary which securities were outstanding prior to the time that the interested stockholder became such; (b) pursuant to a merger under Section 251(g) of the DGCL; (c) pursuant to a dividend or distribution paid or made, or the exercise, exchange or conversion of securities exercisable for, exchangeable for or convertible into stock of the Corporation or any such subsidiary which security is distributed, pro rata to all holders of a class or series of stock of the Corporation subsequent to the time the interested stockholder became such; (d) pursuant to an exchange offer by the Corporation to purchase stock made on the same terms to all holders of said stock; or (e) any issuance or transfer of stock by the Corporation; provided, however, that in no case under items (c)-(e) of this section (C)(3)(iii) of this Article IX shall there be an increase in the interested stockholder's proportionate share of the stock of any class or series of the Corporation or the voting stock of the Corporation (except as a result of immaterial changes due to fractional share adjustments);

(iv) any transaction involving the Corporation or any direct or indirect majority-owned subsidiary of the Corporation which has the effect, directly or indirectly, of increasing the proportionate share of the stock of any class or series, or securities convertible into the stock of any class or series, of the Corporation or of any such subsidiary which is owned by the interested stockholder, except as a result of immaterial changes due to fractional share adjustments or as a result of any purchase or redemption of any shares of stock not caused, directly or indirectly, by the interested stockholder; or

(v) any receipt by the interested stockholder of the benefit, directly or indirectly (except proportionately as a stockholder of the Corporation), of any loans, advances, guarantees, pledges, or other financial benefits (other than those expressly permitted in section (C)(3)(i)-(iv) above of this Article IX) provided by or through the Corporation or any direct or indirect majority-owned subsidiary.

(4) "control," including the terms "controlling," "controlled by" and "under common control with" means the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting stock, by contract, or otherwise. A person who is the owner of twenty percent (20%) or more of the outstanding voting stock of any corporation, partnership, unincorporated association or other entity shall be presumed to have control of such entity, in the absence of proof by a preponderance of the evidence to the contrary. Notwithstanding the foregoing, a presumption of control shall not apply where such person holds voting stock, in good faith and not for the purpose of circumventing this Article IX, as an agent, bank, broker, nominee, custodian or trustee for one or more owners who do not individually or as a group have control of such entity.

(5) “interested stockholder” means any person (other than the Corporation or any direct or indirect majority-owned subsidiary of the Corporation) that (1) is the owner of fifteen percent (15%) or more of the outstanding voting stock of the Corporation, or (2) is an affiliate or associate of the Corporation and was the owner of fifteen percent (15%) or more of the outstanding voting stock of the Corporation at any time within the three (3) year period immediately prior to the date on which it is sought to be determined whether such person is an interested stockholder, and the affiliates and associates of such person; provided, however, that the term “interested stockholder” shall in no case include or be deemed to include, either of the Oak Hill Funds, any Oak Hill Direct Transferee, any Oak Hill Indirect Transferee or any of their respective affiliates or successors or any group, or any member of any such group, to which such persons are a party under Rule 13d-5 of the Exchange Act, or (2) any person whose ownership of share in excess of the fifteen percent (15%) limitation set forth herein is the result of any action taken solely by the Corporation; provided that such person specified in this clause (2) shall be an interested stockholder if thereafter such person acquires additional shares of voting stock of the Corporation, except as a result of further corporate action not caused, directly or indirectly, by such person. For the purpose of determining whether a person is an interested stockholder, the voting stock of the Corporation deemed to be outstanding shall include voting stock deemed to be owned by the person through application of the definition of “owner” below but shall not include any other unissued stock of the Corporation which may be issuable pursuant to any agreement, arrangement or understanding, or upon exercise of conversion rights, warrants or options, or otherwise.

(6) “Oak Hill Direct Transferee” means any person that acquires (other than through a registered public offering or through a broker’s transaction executed on any securities exchange or other over-the-counter market) directly from the Oak Hill Funds or any of their respective affiliates or successors or a “group”, or any member of any such group, of which such persons are a party under Rule 13d-5 of the Exchange Act, beneficial ownership of five percent (5%) or more of the then outstanding voting stock of the Corporation; provided that such person was not an “interested stockholder” prior to such acquisition.

(7) “Oak Hill Indirect Transferee” means any person that acquires (other than through a registered public offering or through a broker’s transaction executed on any securities exchange or other over-the-counter market) directly from any Oak Hill Direct Transferee or any other Oak Hill Indirect Transferee, beneficial ownership of five percent (5%) or more of the then outstanding voting stock of the Corporation; provided that such person was not an “interested stockholder” prior to such acquisition.

(8) “owner,” including the terms “own” and “owned,” when used with respect to any stock, means a person that individually or with or through any of its affiliates or associates:

(i) beneficially owns such stock, directly or indirectly; or

(ii) has (a) the right to acquire such stock (whether such right is exercisable immediately or only after the passage of time) pursuant to any agreement, arrangement or understanding, or upon the exercise of conversion rights, exchange rights, warrants, options, or otherwise; provided, however, that a person shall not be deemed the owner of stock tendered pursuant to a tender or exchange offer made by such person or any of such person’s affiliates or associates until such tendered stock is accepted for purchase or exchange; or (b) the right to vote such stock pursuant to any agreement, arrangement or understanding; provided, however, that a person shall not be

deemed the owner of any stock because of such person's right to vote such stock if the agreement, arrangement or understanding to vote such stock arises solely from a revocable proxy or consent given in response to a proxy or consent solicitation made to ten (10) or more persons; or

(iii) has any agreement, arrangement or understanding for the purpose of acquiring, holding, voting (except voting pursuant to a revocable proxy or consent as described in item (b) of section (C)(8)(ii) above of this Article IX), or disposing of such stock with any other person that beneficially owns, or whose affiliates or associates beneficially own, directly or indirectly, such stock:

person

stock

(11) "voting stock" means stock of any class or series entitled to vote generally in the election of directors.

ARTICLE ~~X~~IX SEVERABILITY

If any provision or provisions (or any part thereof) of this Certificate of Incorporation shall be held to be invalid, illegal or unenforceable as applied to any circumstance for any reason whatsoever: (i) the validity, legality and enforceability of such provisions in any other circumstance and of the remaining provisions of this Certificate of Incorporation (including, without limitation, each portion of any paragraph of this Certificate of Incorporation containing any such provision held to be invalid, illegal or unenforceable that is not itself held to be invalid, illegal or unenforceable) shall not in any way be affected or impaired thereby and (ii) to the fullest extent possible, the provisions of this Certificate of Incorporation (including, without limitation, each such portion of any paragraph of this Certificate of Incorporation containing any such provision held to be invalid, illegal or unenforceable) shall be construed so as to permit the Corporation to protect its directors, officers, employees and agents from personal liability in respect of their good faith service or for the benefit of the Corporation to the fullest extent permitted by law.

ARTICLE ~~XI~~X AMENDMENT OF CERTIFICATE OF INCORPORATION

The Corporation reserves the right at any time and from time to time to amend, alter, change or repeal any provision contained in this Certificate of Incorporation, and any other provisions authorized by the DGCL may be added or inserted, in the manner now or hereafter prescribed by law; and all rights, preferences and privileges of whatsoever nature conferred upon stockholders, directors or any other persons whomsoever by and pursuant to this Certificate of Incorporation in its present form or as hereafter amended are granted subject to the right reserved in this Article ~~XI~~X. Subject to applicable law, and subject to the rights of the holders of any series of Preferred Stock pursuant to any Preferred Stock Designation, the affirmative vote of the holders of a majority in voting power of the ~~stock of the Corporation~~ Corporation's then outstanding shares entitled to vote thereon shall be required to amend, alter, change or repeal any provision of this Certificate of

Incorporation, or to adopt any new provision of this Certificate of Incorporation ~~provided, however, notwithstanding anything to the contrary contained herein, Article V (Management), Article VI (Election of Directors), Article VII (Exculpation and Indemnification of Directors), Article VIII (Stockholder Action), Article IX (Section 203 of the DGCL) Article X (Severability) Article XII (Amendment of Bylaws), Article XIII (Forum), Article XIV (Corporate Opportunities) and this Article XI (Amendment of Certificate of Incorporation) may not be amended, modified or repealed (or any provision adopted inconsistent with such provisions) by the stockholders without the affirmative vote of the holders of at least sixty-six and two-thirds percent (66-2/3%) of the voting power of the Corporation's then outstanding shares of stock entitled to vote thereon, voting together as a single class at any annual or special meeting of the stockholders in which notice of such amendment, modification, repeal or adoption is contained; provided further that, for so long as Oak Hill or any person that has acquired (other than through a registered public offering or through a broker's transaction executed on any securities exchange or over the counter market) from the Oak Hill Funds ten percent (10%) or more of the issued and outstanding Common Stock is a holder of ten percent (10%) or more of the issued and Common Stock, any alteration, amendment or repeal, in whole or in part, of section (H) of Article VII (Exculpation and Indemnification of Directors) and Article VIII (Stockholder Action) shall require the affirmative approval of the Oak Hill Funds or any such acquirer, as applicable.~~

ARTICLE XII-XI AMENDMENT OF BYLAWS

In furtherance and not in limitation of the powers conferred upon it by law, the Board is expressly authorized and empowered to adopt, amend and repeal the Bylaws by the affirmative vote of a majority of the total number of directors present at a regular or special meeting of the Board at which there is a quorum or by unanimous written consent. The Bylaws may also be amended, altered or repealed and new Bylaws may be adopted by the affirmative vote of the holders of ~~at least sixty-six and two-thirds percent (66-2/3%) of the~~ a majority in voting power of the Corporation's then outstanding shares entitled to vote generally in the election of directors ~~thereon~~, voting together as a single class.

ARTICLE XIII-XII FORUM

Unless the Corporation consents in writing to the selection of an alternative forum, the Court of Chancery of the State of Delaware shall, to the fullest extent permitted by law, be the sole and exclusive forum for (1) any derivative action or proceeding brought on behalf of the Corporation, (2) any action asserting a claim of breach of a fiduciary duty owed by any director, officer or employee of the Corporation to the Corporation or the Corporation's stockholders, (3) any action asserting a claim arising pursuant to any provision of the DGCL, or (4) any action asserting a claim governed by the internal affairs doctrine. To the fullest extent permitted by law, any person or entity purchasing or otherwise acquiring or holding any interest in shares of capital stock of the Corporation shall be deemed to have notice of and consented to the provisions of this ~~Article XIII-XII~~.

**ARTICLE XIV
CORPORATE OPPORTUNITIES**

To the fullest extent permitted by Section 122(17) of the DGCL and except as may be otherwise expressly agreed in writing by the Corporation and the Oak Hill Funds, the Corporation, on behalf of itself and its subsidiaries, renounces any interest or expectancy of the Corporation and its subsidiaries in, or in being offered an opportunity to participate in, business opportunities, which are from time to time presented to the Oak Hill Funds or any of their respective managers, officers, directors, agents, stockholders, members, partners, affiliates and subsidiaries (other than the Corporation and its subsidiaries), even if the opportunity is one that the Corporation or its subsidiaries might reasonably be deemed to have pursued or had the ability or desire to pursue if granted the opportunity to do so, and no such person or entity shall be liable to the Corporation or any of its subsidiaries for breach of any fiduciary or other duty, as a director or officer or otherwise, by reason of the fact that such person or entity pursues or acquires such business opportunity, directs such business opportunity to another person or entity or fails to present such business opportunity, or information regarding such business opportunity, to the Corporation or its subsidiaries unless, in the case of any such person who is a director or officer of the Corporation, such business opportunity is expressly offered to such director or officer in writing solely in his or her capacity as a director or officer of the Corporation. Any person or entity purchasing or otherwise acquiring any interest in any shares of stock of the Corporation shall be deemed to have notice of and consented to the provisions of this Article XIV. Neither the alteration, amendment, addition to or repeal of this Article XIV, nor the adoption of any provision of this Certificate of Incorporation (including any certificate of designations relating to any series or class of Preferred Stock) inconsistent with this Article XIV, shall eliminate or reduce the effect of this Article XIV in respect of any business opportunity first identified or any other matter occurring, or any cause of action, suit or claim that, but for this Article XIV, would accrue or arise, prior to such alteration, amendment, addition, repeal or adoption.
