## Datawatch Elects Colin Mahony to Board of Directors

### Hewlett Packard Enterprise Executive has Wealth of Big Data Experience

BEDFORD, Mass., July 19, 2017 (GLOBE NEWSWIRE) -- [Datawatch Corporation](#) (NASDAQ-CM: [DWCH](#)), a leading global provider of self-service data preparation and fast analytics solutions, today announced that Colin Mahony has been appointed to the Board of Directors effective immediately. His appointment expands the board to nine members.

Mr. Mahony, a recognized expert in Big Data, is Senior Vice President and General Manager of the Hewlett Packard Enterprise (HPE) Big Data Platform business group, which focuses on helping organizations of all sizes leverage their data to improve business outcomes. He joined HPE through its acquisition of Vertica, where his technical knowledge and market intelligence helped guide the company's customer relationships and strategic partnerships to achieve significant growth. Prior to joining Vertica, he held leadership roles at two venture capital firms, focused on investments in enterprise software, telecommunications and digital media, first at Lazard Technology Partners and later at Bessemer Venture Partners. Mr. Mahony also served as a Senior Industry Analyst at Yankee Group, where he helped build the firm's ERP and Internet Computing Strategies practice. He holds a B.S. degree in Economics with a minor in Computer Science from Georgetown University and an M.B.A. degree from the Harvard Business School. He is an active volunteer with Big Brothers Big Sisters of Massachusetts Bay and the Joey Fund for Cystic Fibrosis as well as a mentor and board member of Year Up Boston.

Richard de J. Osborne, Chairman of the Board of Directors of Datawatch, said, "We are very pleased to add Colin to our board of directors. He brings a wealth of industry expertise, technology acumen and understanding of the markets in which we compete, from a customer, partner and analyst perspective. We are confident that his insights about our product and business strategy will contribute significantly to our effectiveness in capitalizing on the opportunities we see for self-service analytics in the market today."

Mr. Mahony added, "I've been familiar with Datawatch's technology for many years, and the opportunity to contribute to the company's continued development and success is an exciting one for me. I look forward to working closely with the board and management to further Datawatch's growth within the evolving self-service data preparation and analytics marketplace."
