Betsson Shop
Creating
freedom of
choice

Why the Betting Shop?

- **We develop our offer**
 - Building closer relationships with our customers
 - We create more gaming opportunities
- **Betsson give the gamblers the freedom of choice**
 - Betsson offers players an alternative to Svenska Spel
 - Betsson´s shop offers the gamblers the opportunity to play on sport events, talk to our experts and meet with other sports fans
- **Betsson challenges the legislation**
 - The monopoly is a financial monopoly
 - The EC treaty states gives companies like Betsson the right to establish within the EU
 - Betsson want to push the development forward towards a re-regulation

Betsson Challenges the Legislation

- Betsson opened the first private Betting store in Sweden, challenging the state monopoly, on May 30 2008
- Lotteriinspektionen has issued a fine of EUR 262 000 (SEK 2 500 000) if Betsson do not stop the advertising of the Betsson Malta Ltd brand;
- As a consequence Betsson has been recognized as the challenger of the state monopoly and an advocate of free competition
- The monopoly is illegal - Betsson pushes the slow political process forward by acting in accordance with EC law

2008-08-01

Betsson Event after Q2

After Q2

- Sales for July are in line with sales for June (despite the low-season)
- The second highest Jackpot ever of EUR 947 394 was paid out 28 July to a Swedish customer

2008 Outlook

- Betsson aims to grow faster than the market
- EU puts pressure on the member states to allow competition and to change their legislation
- Betsson see a trend in that the confidence for online gaming increases in rest of Europe
