Space and Naval Warfare Systems Center Pacific Awards Booz Allen a Five-Year, \$78M Cumulative IDIQ Contract to Provide C4I Solutions

MCLEAN, Va.--(BUSINESS WIRE)-- To support cutting-edge technology in the areas of command, control, communications, computers and intelligence (C4I), SSC Pacific awarded Booz Allen Hamilton (NYSE: BAH) a five-year, cumulative value \$78 million indefinite delivery/indefinite quantity (IDIQ) contract in November 2017 to provide engineering and support services for network and information systems technology programs. The Space and Naval Warfare Systems Center Pacific (SSC Pacific) provides the U.S. Navy and other branches of the Defense Department with the technological capabilities to maintain U.S. dominance in the field of cyberspace.

"We are delighted to expand our role with SSC Pacific to help the Navy build the next generation of warfighting capabilities, critical to neutralize threats to U.S. national security," said [Brian Abbe](#), senior vice president at Booz Allen. "Backed by our team of experienced digital technologists and engineers, we will work with SSC Pacific to equip U.S. warfighters with innovative C4I solutions. We look forward to continuing Booz Allen's near 80-year legacy as a trusted U.S. Navy partner in support of digital transformation."

Beginning in 1940, Booz Allen has a long history of supporting the U.S. Navy. Today, the firm supports the Navy's modernization and other key initiatives, helping the Navy deter 21st-century threats and maintain freedom of the seas. Read more about our engineering services, [here](#).
