Aviragen Therapeutics to Host Conference Call to Report First Quarter Fiscal Year 2017 Financial Results on November 3, 2016

ATLANTA, Oct. 27, 2016 (GLOBE NEWSWIRE) -- Aviragen Therapeutics, Inc. (NASDAQ:AVIR), a pharmaceutical company that is developing the next generation of antivirals, today announced that management will host a conference call on Thursday, November 3, 2016 at 4:30 p.m. ET to review the Company's financial results for the three month period ended September 30, 2016 and will provide an update on recent corporate developments. The Company will issue a press release summarizing its financial results the same day, prior to the conference call.

In order to participate in the conference call, please dial (877) 312-5422 (domestic) or (253) 237-1122 (international) and refer to conference ID number 8654317. The live webcast can be accessed under the Investors section of the Company's website at www.aviragentherapeutics.com.

About Aviragen Therapeutics, Inc.

Aviragen Therapeutics is focused on the discovery and development of the next generation of direct-acting antivirals to treat infections that have limited therapeutic options and affect a significant number of patients globally. The Company has three product candidates in active clinical development: vapendavir, an oral treatment for human rhinovirus upper (HRV) respiratory infections in moderate-to-severe asthmatics currently being evaluated in the Phase 2b SPIRITUS trial; BTA585, an oral fusion protein inhibitor in Phase 2 development for the treatment and prevention of respiratory syncytial virus (RSV) infections; and BTA074, a topical antiviral treatment in Phase 2 development for condyloma caused by human papillomavirus types 6 & 11. For additional information about the Company, please visit www.aviragentherapeutics.com.
