PROXY STATEMENT

These Proxy materials are delivered in connection with the solicitation by the Board of Directors of People's Liberation, Inc., a Delaware corporation ("People's Liberation", the "Company", "we", or "us"), of Proxies to be voted at our 2006 Annual Meeting of Stockholders and at any adjournments or postponements.

You are invited to attend our Annual Meeting of Stockholders on Wednesday, June 21, 2006, beginning at 9:00 a.m. Pacific Time. The meeting will be held at Sheraton Los Angeles Downtown, 711 Hope Street, Los Angeles, CA 90017.

It is anticipated that the 2005 Annual Report and this Proxy Statement and the accompanying Proxy will be mailed to stockholders on or about May 24, 2006.

STOCKHOLDERS ENTITLED TO VOTE. Holders of our common stock at the close of business on April 25, 2006 are entitled to receive this notice and to vote their shares at the Annual Meeting. As of April 25, 2006, there were 34,371,134 shares of common stock outstanding, our only class of voting securities.

PROXIES. Your vote is important. If your shares are registered in your name, you are a stockholder of record. If your shares are in the name of your broker or bank, your shares are held in street name. We encourage you to vote by Proxy so that your shares will be represented and voted at the meeting even if you cannot attend. All stockholders can vote by written Proxy card. Your submission of the enclosed Proxy will not limit your right to vote at the Annual Meeting if you later decide to attend in person. **IF YOUR SHARES ARE HELD IN STREET NAME, YOU MUST OBTAIN A PROXY, EXECUTED IN YOUR FAVOR, FROM THE HOLDER OF RECORD IN ORDER TO BE ABLE TO VOTE AT THE MEETING.** If you are a stockholder of record, you may revoke your Proxy at any time before the meeting either by filing with the Secretary of the Company, at its principal executive offices, a written notice of revocation or a duly executed Proxy bearing a later date, or by attending the Annual Meeting and expressing a desire to vote your shares in person. All shares entitled to vote and represented by properly executed Proxies received prior to the Annual Meeting, and not revoked, will be voted at the Annual Meeting in accordance with the instructions indicated on those Proxies. If no instructions are indicated on a properly executed Proxy, the shares represented by that Proxy will be voted as recommended by the Board of Directors.

QUORUM. The presence, in person or by Proxy, of a majority of the votes entitled to be cast by the stockholders entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker non-votes will be included in the number of shares present at the Annual Meeting for determining the presence of a quorum. Broker non-votes occur when a broker holding customer securities in street name has not received voting instructions from the customer on certain non-routine matters and, therefore, is barred by the rules of the applicable securities exchange from exercising discretionary authority to vote those securities.

VOTING. Each share of our common stock is entitled to one vote on each matter properly brought before the meeting. Abstentions will be counted toward the tabulation of votes cast on proposals submitted to stockholders and will have the same effect as negative votes, while broker non-votes will not be counted as votes cast for or against such matters.

ELECTION OF DIRECTORS. Our Certificate of Incorporation does not authorize cumulative voting. In the election of directors, the three candidates receiving the highest number of votes at the Annual Meeting will be elected. If any nominee is unable or unwilling to serve as a director at the time of the Annual Meeting, the Proxies will be voted for such other nominee(s) as shall be designated by the current Board of Directors to fill any vacancy. We have no reason to believe that any nominee will be unable or unwilling to serve if elected as a director.

OTHER MATTERS. At the date this Proxy Statement went to press, we do not know of any other matter to be raised at the Annual Meeting.

In the event a stockholder proposal was not submitted to us prior to the date of this Proxy Statement, the enclosed Proxy will confer authority on the Proxyholders to vote the shares in accordance with their best judgment and discretion if the proposal is presented at the Meeting. As of the date hereof, no stockholder proposal has been submitted to us, and management is not aware of any other matters to be presented for action at the Meeting. However, if any other matters properly come before the Meeting, the Proxies solicited hereby will be voted by the Proxyholders in accordance with the recommendations of the Board of Directors. Such authorization includes authority to appoint a substitute nominee for any Board of Directors' nominee identified herein where death, illness or other circumstance arises which prevents such nominee from serving in such position and to vote such Proxy for such substitute nominee.

ITEM 1: ELECTION OF DIRECTORS

Item 1 is the election of three (3) directors to hold office for a

period of one year or until their respective successors have been duly elected and qualified. Our Certificate of Incorporation provides that the number of directors of the Company shall be fixed from time to time exclusively by the Board of Directors, but shall not be less than two (2) nor more than fifteen

(15). The Board of Directors has fixed the number of directors at three (3).

Unless otherwise instructed, the Proxy holders will vote the Proxies received by them for the nominees named below. If any nominee is unwilling to serve as a director at the time of the Annual Meeting, the Proxies will be voted for such other nominee(s) as shall be designated by the then current Board of Directors to fill any vacancy. We have no reason to believe that any nominee will be unable or unwilling to serve if elected as a director.

The Board of Directors proposes the election of the following nominees as directors:

Daniel S. Guez Dean Oakey Kevin Keating

If elected, the foregoing three nominees are expected to serve until the 2007 Annual Meeting of Stockholders.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF THE NOMINEES LISTED ABOVE.

FURTHER INFORMATION CONCERNING THE BOARD OF DIRECTORS

MEETINGS AND COMMITTEES. The Board of Directors held one meeting during fiscal 2005, which was attended by all members of the Board of Directors. While directors generally attend annual stockholder meetings, the Company has not established a specific policy with respect to members of the Board of Directors attending annual stockholder meetings.

Currently, we do not have any committees, including an audit committee, compensation committee, or nominating and corporate governance committee. In addition, we do not have any charters that relate to the functions traditionally performed by these committees.

The functions customarily delegated to the nominating committee are performed by our full board of directors. Our full board of directors reviews those Board members who are candidates for re-election to our Board of Directors, and makes the determination to nominate a candidate who is a current member of the Board of Directors for re-election for the next term. The Board's methods for identifying candidates for election to the Board of Directors (other than those proposed by our stockholders, as discussed below) include the solicitation of ideas for possible candidates from a number of sources--members of the Board of Directors; our executives; individuals personally known to the members of the Board of Directors; and other research. We may also from time to time retain one or more third-party search firms to identify suitable candidates. The Board also nominates outside candidates for inclusion on the Board of Directors.

A People's Liberation stockholder may nominate one or more persons for election as a director at an annual meeting of stockholders if the stockholder complies with the notice, information and consent provisions contained in our Bylaws. In addition, the notice must be made in writing and set forth as to each proposed nominee who is not an incumbent Director (i) their name, age, business address and, if known, residence address, (ii) their principal occupation or employment, (iii) the number of shares of stock of the Company beneficially owned and (iv) any other information concerning the nominee that must be disclosed respecting nominees in proxy solicitations pursuant to Rule 14(a) of the Exchange Act of 1934. The recommendation should be addressed to our Secretary.

Among other matters, our full board of directors which serves as the nominating and governance committee:

- o Reviews the desired experience, mix of skills and other qualities to assure appropriate Board composition, taking into account the current Board members and the specific needs of People's Liberation and the Board;
- o Conducts candidate searches, interviews prospective candidates and conducts programs to introduce candidates to our management and operations, and confirms the appropriate level of interest of such candidates;
- o Recommends qualified candidates who bring the background, knowledge, experience, independence, skill sets and expertise that would strengthen and increase the diversity of the Board; and
- o Conducts appropriate inquiries into the background and qualifications of potential nominees.

Based on the foregoing, the Board recommends for nomination and the Board of Directors nominated, Daniel Guez, Dean Oakey, and Kevin Keating for re-election as directors on the Board of Directors, subject to stockholder approval, for a one-year term ending on or around the date of the 2007 Annual Meeting of Stockholders.

COMPENSATION OF DIRECTORS. We are currently revising our compensation plan and intend to pay outside directors a fee and issue stock options for being a board member as well as fees for chairing and sitting on committees of the board, when such committees are established.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION. Our Compensation Committee consists of our entire Board of Directors. No current executive officer of the Company has served as a member of the board of directors or compensation committee of any entity for which a member of our Board of Directors has served as an executive officer.

STOCKHOLDER COMMUNICATIONS. Holders of the Company's securities can send communications to the Board of Directors via email to board@peopleslib.com or by telephoning the Secretary at the Company's principal executive offices, who will then relay the communications to the Board of Directors.

CODE OF ETHICS. We have adopted a Code of Ethical Conduct that is applicable to all of our officers, directors and employees, including our principal executive officer, principal financial officer, principal accounting officer and persons performing similar functions. A copy of our Code of Ethical Conduct is filed as an exhibit to our 2005 Annual Report on Form 10-KSB.

OPTION VALUES AT DECEMBER 31, 2005

EMPLOYMENT AND SEVERANCE AGREEMENTS

Except as described below, we are not parties to any employment agreements with any of our executive officers.

On January 3, 2006, we entered into an Employment Agreement with Darryn Barber pursuant to which he serves as our Chief Financial Officer and Chief Operating Officer. The agreement is for a term of 2 years

commencing as of November 22, 2005 and terminating on November 21, 2007. For the six month period commencing on November 22, 2005, Mr. Barber was permitted to perform transition services for other entities up to approximately one business day per week and Mr. Barber received an annual salary of \$172,000 during this initial six month period. Mr. Barber is currently receiving a base salary of \$212,000 up to the first anniversary of his appointment, and will receive \$232,000 during the second year of his contract. In addition to his base salary, Mr. Barber will receive an annual bonus of not less than \$25,000 and no more than \$100,000 based on objectives determined by our Board of Directors. Mr. Barber will also be granted a non-qualified stock option to purchase up to 300,000 shares of our common stock at an exercise price equal to the "fair market value" of such shares on the date the option is approved by our Board of Directors. In the event Mr. Barber is terminated without cause, we shall continue to pay Mr. Barber's then current base salary for the remaining term of the agreement, without regard to any employment of Mr. Barber by a third party.

EMPLOYEE BENEFIT PLANS

Our 2005 Stock Incentive Plan was adopted on November 23, 2005 and became effective on January 5, 2006. A total of 3,500,000 shares of common stock have been reserved for issuance upon exercise of awards granted under the 2005 Stock Incentive Plan. Any shares of common stock subject to an award, which for any reason expires or terminates unexercised, are again available for issuance under the 2005 Stock Incentive Plan.

Our 2005 Stock Incentive Plan will terminate after 10 years from the date on which our board approved the plan, unless it is terminated earlier by our board. The plan authorizes the award of stock options and stock purchase grants.

Our 2005 Stock Incentive Plan is administered by our full board of directors. To the extent we expand our board of directors, we intend to form a compensation committee, all of the members of which will be independent directors under applicable federal securities laws and outside directors as defined under applicable federal tax laws. Following its formation, the compensation committee will have the authority to construe and interpret the plan, grant awards and make all other determinations necessary or advisable for the administration of the plan.

Our 2005 Stock Incentive Plan provides for the grant of both incentive stock options that qualify under Section 422 of the Internal Revenue Code and nonqualified stock options. Incentive stock options may be granted only to employees of ours or any parent or subsidiary of ours. All awards other than incentive stock options may be granted to our employees, officers, directors, consultants, independent contractors and advisors of ours or any parent or subsidiary of ours. The exercise price of incentive stock options must be at least equal to the fair market value of our common stock on the date of grant. The exercise price of incentive stock options granted to 10% stockholders must be at least equal to 110% of that value. The exercise price of nonqualified stock options will be determined by our compensation committee when the options are granted.

In general, options will vest over a four-year period. The term of options granted under our 2005 Stock Incentive Plan may not exceed 10 years.

Awards granted under our 2005 Stock Incentive Plan may not be transferred in any manner other than by will or by the laws of descent and distribution or as determined by our compensation committee. Unless otherwise restricted by our compensation committee, nonqualified stock options may be exercised during the lifetime of the optionee only by the optionee, the optionee's guardian or legal representative or a family member of the optionee who has acquired the option by a permitted transfer. Incentive stock options may be exercised during the lifetime of the optionee only by the optionee or the optionee's guardian or legal representative. Options granted under our 2005 Stock Incentive Plan generally may be exercised for a period of three months after the termination of the optionee's service with us or any parent or subsidiary of ours. Options will generally terminate immediately upon termination of employment for cause.

The purchase price for restricted stock will be determined by our board of directors or compensation committee, as applicable, at the time of grant. Stock bonuses may be issued for past services or may be awarded upon the completion of services or performance goals.

If we are subject to a sale, merger, consolidation, reorganization, liquidation or change in control, our Board of Directors may take actions which include (but shall not be limited to) establishing, amending or waiving the type, terms, conditions or duration of, or restrictions on rights so as to provide for earlier, later, extended or

additional time for exercise and other modifications. In addition, the Board of Directors may take such actions with respect to all participants, to certain categories of participants or only to individual participants in the plan. Moreover, the Board of Directors may take such action before or after granting rights to which the action relates and before or after any public announcement with respect to such sale, merger, consolidation, reorganization, liquidation or change in control that is the reason for such action.

REPORT OF BOARD OF DIRECTORS ON AUDIT COMMITTEE FUNCTIONS

We do not have an Audit Committee. For the fiscal year ended December 31, 2005, the Company's Board of Directors has performed the duties of an Audit Committee and is responsible for providing objective oversight of the Company's internal controls and financial reporting process.

In fulfilling its responsibilities for the financial statements for fiscal year 2005, the Board of Directors:

- o Reviewed and discussed the audited financial statements for the year ended December 31, 2005 with management and Grobstein, Horwath & Company, LLP (the "Auditors"), the Company's independent auditors; and

- o Received written disclosures and the letter from the Auditors regarding its independence as required by Independence Standards Board Standard No. 1. The Board discussed with the Auditors their independence.

In fulfilling its responsibilities for the financial statements for fiscal year 2005, the Board of Directors discussed with the Auditors the matters required to be discussed by Statement on Auditing Standards No. 61 relating to the conduct of the audit.

Based on the Board of Directors' review of the audited financial statements and discussions with management and the Auditors, the Board of Directors approved the inclusion of the audited financial statements in the Corporation's Annual Report on Form 10-KSB for the year ended December 31, 2005 for filing with the SEC.

The Board of Directors also considered the status of pending litigation and other areas of oversight relating to the financial reporting and audit process that the Board determined appropriate.

The Board of Directors has considered whether the provision of non-audit services is compatible with maintaining the principal accountant's independence.

The information in this Report of Board of Directors shall not be deemed to be "soliciting material," or to be "filed" with the Securities and Exchange Commission or to be subject to Regulation 14A or 14C as promulgated by the Securities and Exchange Commission, or to the liabilities of Section 18 of the Exchange Act.

INDEPENDENT PUBLIC ACCOUNTANTS

Effective as of November 30, 2005, we engaged Grobstein, Horwath & Company LLP as our principal independent accounting firm. Prior to November 30, 2005, Grobstein, Horwath & Company LLP acted as the accountant for our wholly-owned subsidiaries Versatile Entertainment, Inc. and Bella Rose, LLC. The appointment of Grobstein, Horwath & Co. was approved by the unanimous written consent of our Board of Directors. All audit work for the year ended December 31, 2005 was performed by the full time employees of Grobstein, Horwath & Company LLP. Representatives of Grobstein, Horwath & Company, LLP are expected to be present at our Annual Meeting and will have the opportunity to make a statement if they desire to do so. In addition, at the Annual Meeting, Grobstein, Horwath & Company, LLP is expected to be available to respond to appropriate questions posed by our stockholders.

Also effective as of November 30, 2005, we dismissed Shelley International CPA ("Shelley International") as our independent certified public accountants. The decision was approved by our Board of Directors. The reports of Shelley International on our financial statements for the fiscal years ended September 30, 2005 and 2004 did not contain an adverse opinion or disclaimer of opinion and were not modified as to uncertainty, audit scope, or accounting principles, except the 2005 report did contain an explanatory paragraph related to our ability to continue as a going concern. During our fiscal years ended September 30, 2005 and 2004, and through November 30, 2005 (the effective date of Shelley International's dismissal), there were no disagreements with Shelley International on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Shelley International would have caused Shelley International to make reference to the subject matter of the disagreements in connection with its reports. We furnished Shelley International with a copy of our report on Form 8-K/A prior to our filing the report with the Securities and Exchange Commission on December 9, 2005. We also requested that Shelley International furnish us with a letter addressed to the Securities and Exchange Commission stating whether or not it agreed with our statements in the 8-K/A. A copy of the letter furnished by Shelley International in response to that request, dated December 8, 2005, is filed as Exhibit 16.1 to our report on Form 8-K/A.

AUDIT FEES

Fees for audit services provided by Grobstein, Horwath & Co., LLP totaled approximately \$74,000 for the year ended December 31, 2005, including fees associated with the December 31, 2004 and 2003 audits, and the review of our nine-month period ended September 30, 2005.

Fees for audit services provided by Shelley International, CPA totaled approximately \$12,000 and \$36,250 for the fiscal years ended September 30, 2005 and 2004.

AUDIT-RELATED FEES

There were no audit-related services provided for the years ended December 31, 2005 and 2004.

TAX FEES

There were no tax services provided for the years ended December 31, 2005 and 2004.

ALL OTHER FEES

No other fees were incurred during the years ended December 31, 2005 and 2004 for services provided by Grobstein, Horwath & Co., LLP or Shelley International, CPA, except as described above.

POLICY ON PRE-APPROVAL OF AUDIT AND PERMISSIBLE NON-AUDIT SERVICES OF INDEPENDENT AUDITORS

Consistent with policies of the Securities and Exchange Commission regarding auditor independence, our Board of Directors has responsibility for appointing, setting compensation and overseeing the work of the independent auditor. In recognition of this responsibility, our Board of Directors has established a policy to pre-approve all audit and permissible non-audit services provided by the independent auditor. Our Board of Directors has considered whether the provision of non-audit services is compatible with maintaining the independent accountant's independence, and has approved any such services.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Other than the employment arrangements described above in "Executive Compensation" and the transactions described below, since January 1, 2004, there has not been, nor is there currently proposed, any transaction or series of similar transactions to which we were or will be a party:

o in which the amount involved exceeds \$60,000; and

o in which any director, executive officer, stockholder who beneficially owns 5% or more of our common stock or any member of their immediate family had or will have a direct or indirect material interest.

TRANSACTIONS WITH OFFICERS AND DIRECTORS

On February 16, 2004, we entered into a one-year contract with Vero Management, LLC for managerial and administrative services. Vero Management was not engaged to provide, and Vero Management does not render, legal, accounting, auditing, investment banking or capital formation services. Kevin R. Keating is the manager of Vero Management. In consideration of the services provided, Vero was paid \$1,000 for each month in which services were rendered. The agreement with Vero terminated on November 22, 2005.

On August 30, 2004, we issued 1,000,000 shares of restricted common stock in exchange for a \$85,000 note payable to David L. Hadley, one of our former officers.

On December 15, 2004, we issued 2,470,000 restricted common shares in exchange for \$125,000 accumulated unpaid salary to David L. Hadley.

Following these transactions, the former security holders of Bella Rose and Versatile and the investors in the financing owned 95.6%, and our stockholders immediately prior to these transactions now own approximately 1,525,383 shares of common stock, representing 4.4% of our outstanding common stock on an as converted and post reverse stock split basis.
