Stephens, by submitting in writing a Proxy bearing a later date, or by attending the Annual Meeting and voting in person. Stockholders may vote their shares in person if they attend the Annual Meeting, even if they have executed and returned a Proxy. This Proxy Statement and accompanying Proxy Card are being mailed to stockholders on or about May 29, 2015.

If a stockholder wishes to assign a proxy to someone other than the Directors' Proxy Committee, all names appearing on the Proxy Card must be crossed out and the name(s) of another person or persons (not more than two) inserted. The signed card must be presented at the meeting by the person(s) representing the stockholder.

The cost of this solicitation will be borne by the Company. The Company may reimburse brokerage firms and other persons representing beneficial owners of shares for their expenses in forwarding solicitation materials to such beneficial owners. He is a former Speaker and House Majority Leader of the House of Representatives of the State of Utah. From 1989 to 1992, Mr. Moody was Co-Chairman of the Utah Legislative Audit Committee. Mr. Moody received a B.S. degree in Political Science from the University of Utah. Norman G. Wilbur has served as a director of the Company since 1998. Mr. Wilbur worked for J.C. Penny's regional offices in budget and analysis. His final position was Manager of Planning and Reporting for J.C. Penny's stores. After 36 years with J.C. Penny's, Mr. Wilbur opted for early retirement in 1997. Mr. Wilbur is a past board member of Habitat for Humanity in Plano, Texas. Mr. Wilbur received a B.S. degree in Accounting from the University of Utah. Mr. Wilbur's financial expertise and business experience from a successful career at J.C. Penny's led the Board of Directors to conclude he should serve as a director. In addition, the Board of Directors' determination that Mr. Wilbur is the Audit Committee "financial expert" lends further support to his financial acumen and qualification for serving as a director.

The Board of Directors recommends that stockholders vote "FOR" the election of each of the director nominees.

The Board of Directors, Board Committees and Meetings

The Company's Bylaws provide that the Board of Directors shall consist of not less than five nor more than twelve. The term of office of each director is for a period of one year or until the election and qualification of his successor. A director is not required to be a resident of the State of Utah or a stockholder of the Company. The Board of Directors held a total of five meetings during the fiscal year ended December 31, 2014. No directors attended fewer than 75% of all meetings of the Board of Directors during the 2014 fiscal year.

The size of the Board of Directors of the Company is nine members. A majority of the Board of Directors must qualify as "independent" as that term is defined in Rule 4200 of the listing standards of The Nasdaq Stock Market. The Board of Directors has affirmatively determined that five of the nine members of the Board of Directors, Messrs. John L. Cook, Gilbert A. Fuller, Robert G. Hunter, M.D., H. Craig Moody and Norman G. Wilbur, are independent under the listing standards of The Nasdaq Stock Market.

Unless authority is withheld by your Proxy, it is intended that the common stock represented by your Proxy will be voted for the respective nominees listed above. If any nominee should not serve for any reason, the Proxy will be voted for such person as shall be designated by the Board of Directors to replace such nominee. The Board of Directors has no reason to expect that any nominee will be unable to serve. There is no arrangement between any of the nominees and any other person or persons pursuant to which he was or is to be selected as a director. There is no family relationship between or among any of the nominees, except that S. Andrew Quist is the son of Scott M. Quist, and Jason G. Overbaugh is the nephew of Scott M. Quist.

There are four committees of the Board of Directors, which meet periodically during the year: the Audit Committee, the Compensation Committee, the Executive Committee, and the Nominating and Corporate Governance Committee.

The Audit Committee directs the auditing activities of the Company's internal auditors and outside public accounting firm and approves the services of the outside public accounting firm. The Audit Committee consists of Messrs. Gilbert A. Fuller, H. Craig Moody and Norman G. Wilbur (Chairman of the committee). During 2014, the Audit Committee met on three occasions.

The Compensation Committee is responsible for recommending to the Board of Directors for approval the annual compensation of each executive officer of the Company and the executive officers of the Company's subsidiaries, developing policy in the areas of compensation and fringe benefits, contributions under the Employee Stock Ownership Plan, contributions under the 401(k) Retirement Savings Plans, Non-Qualified Deferred Compensation Plan, granting of

options under the stock option plans, and creating other employee compensation plans. The Compensation Committee consists of Messrs. John L. Cook, Gilbert A. Fuller, Robert G. Hunter, M.D., H. Craig Moody and Norman G. Wilbur (Chairman of the Committee). During 2014, the Compensation Committee met on three occasions.

The Executive Committee reviews Company policy, major investment activities and other pertinent transactions of the Company. The Executive Committee consists of Messrs. J. Lynn Beckstead, Jr., Gilbert A. Fuller, H. Craig Moody, S. Andrew Quist and Scott M. Quist (Chairman of the committee). During 2014, the Executive Committee met on one occasion.

The Nominating and Corporate Governance Committee identifies individuals qualified to become Board members consistent with criteria approved by the Board, recommends to the Board the persons to be nominated by the Board for election as directors at a meeting of stockholders, and develops and recommends to the Board a set of corporate governance principles. The Nominating and Corporate Governance Committee consists of Messrs. John L. Cook, Gilbert A. Fuller, Robert G. Hunter, M.D., H. Craig Moody (Chairman of the committee), and Norman G. Wilbur. The Nominating and Corporate Governance Committee is composed solely of independent directors, as defined in the listing standards of The Nasdaq Stock Market. During 2014, the Nominating and Corporate Governance Committee met on three occasions.

Director Nominating Process

The process for identifying and evaluating nominees for directors include the following steps: (1) the Nominating and Corporate Governance Committee, Chairman of the Board or other board members identify a need to fill vacancies or add newly created directorships; (2) the Chairman of the Nominating and Corporate Governance Committee initiates a search and seeks input from Board members and senior management and, if necessary, obtains advice from legal or other advisors (but does not hire an outside search firm); (3) director candidates, including any candidates properly proposed by stockholders in accordance with the Company's Bylaws, are identified and presented to the Nominating and Corporate Governance Committee; (4) initial interviews with candidates are conducted by the Chairman of the Nominating and Corporate Governance Committee; (5) the Nominating and Corporate Governance Committee meets to consider and approve final candidate(s) and conduct further interviews as necessary; and (6) the Nominating and Corporate Governance Committee makes recommendations to the Board for inclusion in the slate of directors at the annual meeting. The evaluation process will be the same whether the nominee is recommended by a stockholder or by a member of the Board of Directors.

The Nominating and Corporate Governance Committee will consider nominees proposed by stockholders. To recommend a perspective nominee for the Nominating and Corporate Governance Committee's consideration, stockholders may submit the candidate's name and qualifications to: Jeffrey R. Stephens, General Counsel and Corporate Secretary, Security National Financial Corporation, 5300 South 360 West, Suite 250, Salt Lake City, Utah 84123.

The Nominating and Corporate Governance Committee operates pursuant to a written charter. The full text of the charter is published on the Company's website at www.securitynational.com. Stockholders may also obtain a copy of the charter without charge by writing to: Jeffrey R. Stephens, General Counsel and Corporate Secretary, Security National Financial Corporation, 5300 South 360 West, Suite 250, Salt Lake City, Utah 84123.

Meetings of Non-Management Directors

Retirement Plans

On December 8, 1988, the Company entered into a deferred compensation plan with George R. Quist, the former Chairman of the Board and Chief Executive Officer of the Company. The plan was later amended on three occasions with the third amendment effective February 1, 2001. Under the terms of the plan as amended, upon the retirement of Mr. Quist, the Company is required to pay him ten annual installments in the amount of \$60,000. Retirement is defined in the plan as the age of 70, or a later retirement age, as specified by the Board of Directors. The \$60,000 annual payments are to be adjusted for inflation in accordance with the United States Consumer Price Index each year.

The plan also provides that the Board of Directors may, in its discretion, pay the amounts due under the plan in a single, lump-sum payment. The Company also agrees to maintain a group term life insurance policy of not less than \$1,000,000 on Mr. Quist's life and a whole life insurance policy in the amount of \$500,000 on Mr. Quist's life. Under the terms of the agreement, Mr. Beckstead is to devote his full time to the Company serving as President of SecurityNational Mortgage Company at not less than his current salary and benefits, and to include \$350,000 of life insurance protection. Employee 401(k) Retirement Savings Plan

In 1995, the Company's Board of Directors adopted a 401(k) Retirement Savings Plan. Under the terms of the 401(k) plan, effective as of January 1, 1995, the Company made discretionary employer matching contributions to its employees who choose to participate in the plan. The plan allows the Board to determine the amount of the contribution at the end of each year. During the period from January 1, 1995 to December 31, 2007 the Board adopted a contribution formula specifying that such discretionary employer matching contributions would equal 50% of the participating employee's contribution to the plan to purchase the Company's stock up to a maximum discretionary employee contribution of ½ of 1% of participating employees' compensation, as defined by the plan.

All persons who have completed at least one year's service with the Company and satisfy other plan requirements are eligible to participate in the 401(k) plan. All Company matching contributions are invested in the Company's Class A common stock. Also, the Company may contribute at the discretion of the Company's Board of Directors an employer profit sharing contribution to the 401(k) plan. The employer profit sharing contribution is to be divided among three different classes of participants in the plan based upon the participant's title in the Company. All amounts contributed to the plan are deposited into a trust fund administered by an independent trustee.

Beginning January 1, 2008, the Company elected to be a "Safe Harbor" Plan for its matching 401(k) contributions. The Company will match 100% of up to 3% of an employee's total annual compensation and 50% of 4% to 5% of an employee's annual compensation. The match is in shares of the Company's Class A common stock. The Company's contribution for 2014, 2013 and 2012 was \$808,572, \$749,898 and \$222,719, respectively, under the "Safe Harbor" plan.

Employee Stock Ownership Plan

Effective January 1, 1980, the Company adopted an employee stock ownership plan (the "ESOP Plan") for the benefit of career employees of the Company and its subsidiaries. Under the ESOP Plan, the Company has discretionary power to make contributions on behalf of all eligible employees into a trust created under the ESOP Plan. Employees become eligible to participate in the ESOP Plan when they have attained the age of 19 and have completed one year of service (a twelve-month period in which the employee completes at least 1,040 hours of service).

The Company's contributions under the ESOP Plan are allocated to eligible employees on the same ratio that each eligible employee's compensation bears to total compensation for all eligible employees during each year. To date, the ESOP Plan has approximately 314 participants and had \$0 in contributions payable to the Plan in 2014. Benefits under the ESOP Plan vest as follows: 20% after the third year of eligible service by an employee, and an additional 20% in the fourth, fifth, sixth and seventh years of eligible service by an employee.

Benefits under the ESOP Plan will be paid out in one lump sum or in installments in the event the employee becomes disabled, reaches the age of 65, or is terminated by the Company and demonstrates financial hardship. The ESOP Plan Committee, however, retains discretion to determine the final method of payment. Finally, the Company reserves the right to amend or terminate the ESOP Plan at any time. The trustees of the trust fund under the ESOP Plan are Scott M. Quist (Chairman), S. Andrew Quist and Robert G. Hunter, who each serve as a director of the Company.

Deferred Compensation Plan

In 2001, the Company's Board of Directors adopted a Non-Qualified Deferred Compensation Plan. Under the terms of the Non-Qualified Deferred Compensation Plan, the Company will provide deferred compensation for a select group of management or highly compensated employees, within the meaning of Sections 201(2), 301(a)(3) and 401(a)(1) of the Employee Retirement Income Security Act of 1974, as amended. The Board has appointed a committee of the Company to be the plan administrator and to determine the employees who are eligible to participate in the plan. The employees who participate may elect to defer a portion of their compensation into the plan. The Company may contribute into the plan at the discretion of the Company's Board of Directors. The Company did not make any contributions during 2014, 2013 or 2012.

2013 Stock Option Plan

On August 23, 2013, the Company adopted the Security National Financial Corporation 2013 Stock Option Plan (the "2013 Plan"), which reserved 450,000 shares of Class A common stock to be made available for issuance thereunder, of which up to 150,000 shares of Class A common stock may be issued as up to 150,000 shares of Class C common stock. The 2013 Plan was approved by the Board of Directors on May 14, 2013, and by the stockholders at the adjourned meeting of the stockholders held on August 23, 2013. The 2013 Plan allows the Company to grant options and issue shares as a means of providing equity incentives to key personnel, giving them a proprietary interest in the Company and its success and progress.

The 2013 Plan provides for the grant of options and the award or sale of stock to officers, directors, and employees of the Company. Both "incentive stock options", as defined under Section 422A of the Internal Revenue Code of 1986 and "non-qualified options" may be granted under the 2013 Plan. The exercise prices for the options granted are equal to or greater than the fair market value of the stock subject to such options as of the date of grant, as determined by the Company's Board of Directors. The options granted under the 2013 Plan are to reward certain officers and key employees who have been employed by the Company for a number of years and to help the Company retain these officers by providing them with an additional incentive to contribute to the success of the Company.

The 2013 Plan is to be administered by the Board of Directors or by a committee designated by the Board. The terms of options granted or stock awards or sales affected under the 2013 Plan are to be determined by the Board of Directors or its committee. The options shall be either fully exercisable on the date of grant or shall become exercisable thereafter in such installments as the Board or the committee may specify.

The plan also provides that if the shares of common stock shall be subdivided or combined into a greater or smaller number of shares or if the Company shall issue any shares of common stock as a stock dividend on its outstanding common stock, the number of shares of common stock deliverable upon the exercise of options shall be increased or decreased proportionately, and appropriate adjustments shall be made in the purchase price to reflect such subdivision, combination or stock dividend. In addition, the number of shares of common stock reserved for purposes of the plan shall be adjusted by the same proportion. No options may be exercised for a term of more than ten years from the date of grant.

Options intended as incentive stock options may be issued only to employees, and must meet certain conditions imposed by the code, including a requirement that the option exercise price be no less than then fair market value of the option shares on the date of grant. The 2013 Plan provides that the exercise price for non-qualified options will not be less than at least 50% of the fair market value of the stock subject to such option as of the date of grant of such options, as determined by the Company's Board of Directors. The 2013 Plan has a term of ten years.

Director Compensation

Directors of the Company (but not including directors who are employees) are currently paid a director's fee of \$16,800 per year by the Company for their services and are reimbursed for their expenses in attending board and committee meetings. An additional fee of \$750 is paid to each audit committee member for each audit committee meeting attended. Each director is provided with an annual grant of stock options to purchase 1,000 shares of Class A common stock, which occurred under the 2000 Director Stock Option Plan for years 2000 to 2005 and under the 2006 Director Stock Option Plan for years 2006 to 2014. During 2014 and 2013, each director was granted options to purchase an additional 5,000 and 4,842 shares, respectively, of Class A common stock.

2014 Director Stock Option Plan

On July 2, 2014, the Company adopted the 2014 Director Stock Option Plan (the "2014 Director Plan"). The 2014 Director Plan was approved by the Board of Directors on May 16, 2014, and by the stockholders at the annual meeting of stockholders held on July 2, 2014. The 2014 Director Plan provides for the reservation of 150,000 shares of Class A common stock to be made available for issuance under the plan. The 2014 Director Plan also provides that each member of the Company's Board of Directors who is not an employee or paid consultant of the Company is automatically eligible to receive options to purchase the Company's Class A common stock under the plan. The 2014 Director Plan was effective on July 2, 2014; it replaces the Company's 2006 Director Stock Option Plan, which was terminated on July 2, 2014.

Moreover, the 2014 Director Plan provides that beginning on December 7, 2014, and on each year thereafter during the term of the plan, each outside director shall automatically receive an option to purchase 1,000 shares of Class A common stock. In addition, each new outside director who first joins the Board after the effective date shall be granted an option to purchase 1,000 shares of Class A common stock upon the date which such person first becomes an outside director and an annual grant of an option to purchase 1,000 shares of Class A common stock on each anniversary date thereof during the term of the 2014 Director Plan. The options granted to outside directors shall vest in their entirety on the first anniversary date of the grant. The primary purposes of the 2014 Director Plan are to enhance the Company's ability to attract and retain well-qualified persons for service as directors and to provide incentives to such directors to continue their association with the Company.

In the event of a merger of the Company with or into another company, or a consolidation, acquisition of stock or assets or other change in control transaction involving the Company, each option granted under the 2014 Director Plan becomes fully vested and exercisable in full, unless such option is assumed by the successor corporation. In the event the transaction is not approved by a majority of the “continuing directors” (as defined in the 2014 Director Plan), each option becomes fully vested and exercisable in full immediately prior to the consummation of such transaction, whether or not assumed by the successor corporation.

Compliance with Section 16(a) of the Securities Exchange Act of 1934

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires the Company’s executive officers, directors and persons who own more than 10% of a registered class of the Company’s equity securities to file reports of ownership and periodic changes in ownership of the Company’s common stock with the Securities and Exchange Commission. Such persons are also required to furnish the Company with copies of all Section 16(a) reports they file.

Based solely on its review of the copies of stock reports received by it with respect to fiscal 2014, or written representations from certain reporting persons, the Company believes that its directors, officers and greater than 10% beneficial owners complied with all Section 16(a) filing requirements applicable to them, except each of the Company’s executive officers and directors, through an oversight, filed two late Form 4 reports reporting the granting of stock options on July 2, 2014 and December 5, 2014.

As a result, each share of Class C common stock has weighted voting of ten votes per share and may be converted into one share of Class A common stock.

Certain Relationships and Related Transactions and Director Independence

The Company's Board of Directors has a written procedure, which requires disclosure to the board of any material interest or any affiliation on the part of its officers, directors or employees that is in conflict or may be in conflict with the interests of the Company.

On December 19, 2013, Mr. and Mrs. Scott M. Quist and Security National Life jointly purchased a house in St. George, Utah, pursuant to the terms of the Amendment to the Use and Buy Sale Agreement, dated February 15, 2007, among Security National Life and Mr. and Mrs. Quist. The amendment is dated December 6, 2013. Mr. Quist is the Company's Chairman, President and Chief Executive Officer. The house is to be used in place of the St. George condominium, which was purchased in 2007, for the entertainment of the Company's executive officers, employees, outside vendors and prospective customers.

The purchase price of the house was \$695,000. Mr. Quist paid \$185,000 of the purchase price plus closing costs, Security National Life paid \$100,000, and Mr. Quist and his wife signed a note for \$410,000, which is secured by a first trust deed on the property. The St. George condominium is in the process of being sold, with the proceeds from the sale to be applied toward the purchase price of the St. George house.

The other terms of the agreement are to remain the same. Accordingly, Security National Life and Mr. and Mrs. Quist will continue to have the right to use the house in proportion to their respective contributions toward the purchase price, including furnishings and fixtures. Mr. Quist will be responsible for the care and maintenance of the house. The payment of taxes, insurance, utilities and homeowners' fees will be divided between Security National Life and Mr. and Mrs. Quist according to their respective ownership percentages in the house.

Upon the death, disability or retirement of Mr. Quist or his separation from employment with the Company, Mr. Quist or his estate will have the right to purchase Security National Life's share of the house at a purchase price equal to Security National Life's contribution to the purchase price of the house or the fair market value of its interest in the house, whichever is less. Security National Life's contribution to the purchase price of the house is equal to the amount of the accrued but unpaid bonus owed to Mr. Quist for fiscal year 2013, which he agreed to defer for the option to purchase Security National Life's interest in the house upon his death, disability or retirement or his separation from employment with the Company.

REPORT OF THE COMPENSATION COMMITTEE

Compensation Discussion and Analysis

Under rules established by the Securities and Exchange Commission (the "Commission"), the Company is required to provide certain data and information in regard to the compensation and benefits provided to its Chief Executive Officer, Chief Financial Officer, and the three other most highly compensated executive officers. In fulfillment of this requirement, the Compensation Committee, at the direction of the Board of Directors, has prepared the following report for inclusion in this Proxy Statement.

Executive Compensation Philosophy. The Compensation Committee of the Board of Directors is composed of five directors, all of whom are independent, outside directors. The Compensation Committee is responsible for setting and administering the policies and programs that govern both annual compensation and stock ownership programs for the executive officers of the Company. The Company's executive compensation policy is based on principles designed to ensure that an appropriate relationship exists between executive pay and corporate performance, while at the same time motivating and retaining executive officers.

Executive Compensation Components. The key components of the Company's compensation program are base salary, an annual incentive award, and equity participation. These components are administered with the goal of providing total compensation that is competitive in the marketplace, rewards successful financial performance and aligns executive

officers' interests with those of stockholders. The Compensation Committee reviews each component of executive compensation on an annual basis.

Base Salary. Base salaries for executive officers are set at levels believed by the Compensation Committee to be sufficient to attract and retain qualified executive officers. Base pay increases are provided to executive officers based on an evaluation of each executive's performance, as well as the performance of the Company as a whole. In establishing base salaries, the Compensation Committee not only considers the financial performance of the Company, but also the success of the executive officers in developing and executing the Company's strategic plans, developing management employees and exercising leadership. The Compensation Committee believes that executive officer base salaries for 2014 were reasonable as compared to amounts paid by companies of similar size.

Annual Incentive. The Compensation Committee believes that a significant proportion of total cash compensation for executive officers should be subject to attainment of specific Company financial performance. This approach creates a direct incentive for executive officers to achieve desired performance goals and places a significant percentage of each executive officer's compensation at risk. Consequently, each year the Compensation Committee establishes potential bonuses for executive officers based on the Company's achievement of certain financial performance. The Compensation Committee believes that executive officer annual bonuses for 2014 were reasonable as compared to amounts paid by companies of similar size.

Stock Options. The Compensation Committee believes that equity participation is a key component of its executive compensation program. Stock options are granted to executive officers primarily based on the officer's actual and potential contribution to the Company's growth and profitability and competitive marketplace practices. Option grants are designed to retain executive officers and motivate them to enhance stockholder value by aligning the financial interests of executive officers with those of stockholders. Stock options also provide an effective incentive for management to create stockholder value over the long term since the full benefit of the compensation package cannot be realized unless an appreciation in the price of the Company's Class A common stock occurs over a number of years.

Compensation of Chief Executive Officer. Consistent with the executive compensation policy and components described above, the Compensation Committee determined the salary, bonus and stock options received by Scott M. Quist, Chairman of the Board, President and Chief Executive Officer of the Company, for services rendered in 2014. Mr. Quist had received a base salary of \$429,400 for 2014. Under the Compensation Committee's rules, the Chief Executive Officer may not be present during voting or deliberations related to his compensation.

REPORT OF THE AUDIT COMMITTEE

The Company has an Audit Committee consisting of three non-management directors: Gilbert A. Fuller, H. Craig Moody and Norman G. Wilbur (Chairman of the committee). Each member of the Audit Committee is considered independent and qualified in accordance with applicable independent director and audit committee listing standards. The Company's Board of Directors has adopted a written charter for the Audit Committee.

During the year 2014, the Audit Committee met three times. The Audit Committee has met with management and discussed the Company's internal controls, the quality of the Company's financial reporting, the results of internal and external audit examinations, and the audited financial statements. In addition, the Audit Committee met with the Company's independent registered public accountants, Eide Bailly LLP and discussed all matters required to be discussed by the auditors with the Audit Committee under Statement on Auditing Standards No. 114 (communication with audit committees). The Audit Committee reviewed and discussed with the auditors their annual written report on their

independence from the Company and its management, which is made under Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees) and Public Company Accounting Oversight Board Rule No. 3526 (Communication with Audit Committees Concerning Independence), and considered with the auditors whether the non-audit services provided by them to the Company during 2014 was compatible with the auditors' independence.

In performing these functions, the Audit Committee acts only in an oversight capacity. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which is responsible for the integrity of the Company's internal controls and its financial statements and reports, and the Company's independent auditors, who are responsible for performing an independent audit of the Company's financial statements in accordance with generally accepted auditing standards and for issuing a report on these financial statements.

Pursuant to the reviews and discussions described above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2014, for filing with the Securities and Exchange Commission.

APPROVAL, ON AN ADVISORY BASIS, OF THE COMPENSATION OF THE COMPANY'S NAMED EXECUTIVE OFFICERS

PROPOSAL 2

The Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010, or the Dodd-Frank Act, enables the Company's stockholders to vote to approve, on an advisory (nonbinding) basis, the compensation of the Named Executive Officers as disclosed in this Proxy Statement in accordance with the SEC's rules. Thus, pursuant to Section 14A of the Securities Exchange Act of 1934, the Company is asking stockholders for an advisory approval of the compensation of the Company's Named Executive Officers as described in the Compensation Discussion and Analysis, the compensation tables, and related narrative discussion included in this Proxy Statement.

As discussed in the Compensation Discussion and Analysis, the Company designs its compensation programs to maintain a performance- and achievement-oriented environment throughout the Company. The goals of the Company's executive compensation program are to provide total compensation that is competitive in the market place and that rewards successful financial performance in order to attract, retain, and motivate highly-qualified executive officers and other key employees who contribute to the Company's long-term success, to align executive compensation with the Company's business objectives and performance, and to motivate executive officers to enhance long-term stockholder value.

Consistent with these goals and as discussed in the Compensation Discussion and Analysis, the Compensation Committee has designed guiding principles to ensure that an appropriate relationship exists between executive pay and corporate performance, while at the same time motivating and retaining executive officers.

The Company is asking its stockholders to indicate their support for the compensation of the Company's Named Executive Officers as described in this Proxy Statement. This proposal, commonly known as a "say-on-pay" proposal, gives the stockholders the opportunity to express their views on the compensation of the Named Executive Officers. This vote is not intended to address any specific item of compensation, but rather the overall compensation of the Company's Named Executive Officers and the philosophy, policies, and practices described in this Proxy Statement. Accordingly, the Board of Directors asks the stockholders to vote "FOR" the following resolution at the Annual Meeting:

"RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the Named Executive Officers, as disclosed in the Company's Proxy Statement for the 2015 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, the 2014 Summary Compensation Table, and the other related tables and disclosures."

The say-on-pay vote is advisory, and therefore not binding on the Company, the Board of Directors, or the Compensation Committee. The Board of Directors and the Compensation Committee value the opinions of the Company's stockholders and will take into account the outcome of this vote in considering future compensation arrangements for the Named Executive Officers.

The Board of Directors recommends that the stockholders vote "FOR" approval, on an advisory basis, of the compensation paid to the Company's Named Executive Officers.

APPROVAL OF AMENDMENT TO THE 2013 STOCK OPTION PLAN

PROPOSAL 3

The Board of Directors is asking the Company's stockholders to approve an amendment to the Company's 2013 Stock Option Plan (the "2013 Plan") at the Annual Meeting. On March 20, 2015, the Board approved the amendment to the 2013 Plan. The amendment to the 2013 Plan provides for the reservation of an additional 450,000 shares of Class A common stock to be available for issuance under the plan, of which up to 200,000 shares of Class A common stock may be issued as up to 200,000 shares of Class C common stock. Subject to stockholder approval of the amendment to the 2013 Plan, the 450,000 shares of Class A common stock to be reserved for issuance under the plan represent approximately 3.6% of the total outstanding shares of Class A common stock as of March 31, 2015 on a fully converted basis.

On March 31, 2015, there were 12,459,785 shares of Class A common stock and 1,393,766 shares of Class C common stock issued and outstanding. Thus, if the stockholders approve the amendment to the 2013 Plan, including the reservation of the additional 450,000 shares of Class A common stock for issuance thereunder, the holders of Class A common stock could realize up to a 3.5% dilution with respect to their shares. Assuming all the Class C common stockholders, whose shares may be converted to Class A common shares at a conversion rate of one-for-one, convert their Class C common shares to Class A common shares, the Class A and Class C common stockholders could realize up to a 3.2% dilution with respect to their shares on a fully converted basis.

The stockholders are being asked to approve the amendment to the 2013 Plan and the reservation of shares for issuance under the plan at the Annual Meeting. The affirmative vote of the holders of a majority of the outstanding shares of Class A and Class C common stock entitled to vote at the Annual Meeting will be required to approve the amendment to the 2013 Plan.

The Board believes that approving the amendment to the 2013 Plan is in the best interests of the stockholders. The Board has unanimously approved the proposed amendment to the 2013 Plan and recommends that the Company's stockholders adopt and approve the proposed amendment to the 2013 Plan at the Annual Meeting to provide the Company with the continued ability to grant a variety of equity awards to help attract, motivate and retain officers, directors and employees of the Company and its subsidiaries. If the stockholders approve the amendment to the 2013 Plan at the Annual Meeting, the amendment will be effective as of the date of the Annual Meeting.

The purpose of the amendment to the 2013 Plan is to promote the success and enhance the value of the Company by aligning the financial interests of the officers, employees and members of the Board with those of stockholders and by providing these individuals with an incentive to work to enhance stockholder value. The 2013 Plan also provides an incentive for officers, directors and employees to create stockholder value over the long term since the full value of their compensation package cannot be realized unless an appreciation in the price of the Company's Class A common stock occurs over a number of years. The 2013 Plan is also intended to provide the Company with flexibility in creating ways to attract, motivate, and retain the services of its officers, directors and employees.

As explained in greater detail in the Compensation Discussion and Analysis section of this Proxy Statement, the Company grants its officers and employees equity participation in the Company. The 2013 Plan provides officers and employees with opportunities to purchase stock in the Company pursuant to incentive stock options, and officers, directors, employees and consultants of the Company with opportunities to purchase stock in the Company pursuant to non-qualified options, stock awards, and direct purchasers of stock in the Company. Neither the Board nor the Compensation Committee has retained any consultant to provide any analysis or opinion in connection with the amendment to the 2013 Plan.

In order to continue to make grants in accordance with the compensation philosophy adopted by the Board and the Compensation Committee, the Board has approved and is requesting the stockholders to approve the amendment to the 2013 Plan. The Board believes that the availability of such equity incentives has served, and will continue to serve, an important part in the implementation of the Company's growth strategy.

The Board's rationale for reserving an additional 450,000 Class A common shares for issuance under the 2013 Plan, of which up to 200,000 shares of Class A common stock may be issued as up to 200,000 shares of Class C common stock, is that this number of shares is similar to the number of shares the Board initially reserved for the Company's 2013 Plan for purposes of motivating the Company's officers, directors and employees to accomplish the Company's goals while balancing the dilutive effect of such additional shares to the stockholders. When the 2013 Plan was adopted, the Board initially reserved 450,000 shares of Class A common stock for issuance under the plan, of which up to 150,000 shares of Class A common stock could be issued as up to 150,000 shares of Class C common stock.

It may be desirable, however, within the next several years for the Board to propose additional amendments to the 2013 Plan to authorize additional shares of Class A common stock to be made available for issuance under the plan. Such amendments would be subject to stockholder approval at an annual or special meeting of the stockholders. The 2003 Stock Option Plan, for instance, was amended on July 13, 2007, July 10, 2009, July 9, 2010, July 10, 2011 and July 6, 2012 to authorize additional shares of Class A and Class C common stock to be made available for issuance under the plan.

The Board believes that while the Company's officers and employees are compensated in a variety of ways, including salary, health insurance, 401(k) and cafeteria plans, granting stock options represent an important form of compensation in furtherance of the objective of increasing the price of the Company's Class A common stock and thus enhancing stockholder value.

As of March 31, 2015, the Company had a total of 263,414 Class A common shares available for grant under equity incentive plans, consisting of 127,500 Class A common shares available for grant under the 2014 Director Plan, and 135,914 Class A common shares available for grant under the Company's 2013 Plan.

Assuming stockholder approval of the amendment to the 2013 Plan, and based on the equity awards currently outstanding under the 2013 Plan and the 2014 Director Plan, the Company would have a total of 713,414 Class A common shares available for grant under all plans, consisting of a total of 585,914 Class A common shares available for grant under the 2013 Plan, of which up to 200,000 shares of Class A common stock may be issued as up to 200,000 shares of Class C common stock, and 127,500 shares of Class A common stock available for grant under the 2014 Director Plan. The number of shares available for grant under the 2013 Plan and the 2014 Director Plan may increase in connection with the cancellation or forfeiture of awards outstanding under such plans, but such increases would not have a dilutive effect on the stockholders' common shares.

Outstanding Stock Options and Equity Overhang

The following tables provide information about the Company's outstanding stock options as of March 31, 2015. Approximately 80.4% of outstanding stock options were exercisable on that date and approximately 2.5% of exercisable options had exercise prices above the closing price on that date. On March 31, 2015, the closing price of the Company's Class A common stock on The Nasdaq National Market was \$5.34 per share.

(2) Assumes all shares of Class C common stock are converted into shares of Class A common stock at a conversion rate of one share of Class A common stock for each share of Class C common stock.

As of March 31, 2015, the sum of (i) the total number of stock options and other equity awards granted and outstanding plus (ii) the shares available for grant under all active equity plans (but not giving effect to the proposed amendment to the 2013 Plan), as a percentage of the Company's outstanding shares of Class A common stock (also referred to as the Company's "equity overhang"), was equal to 8.7%.

Three-Year Burn Rate

The Board reviews the Company's equity programs annually in its effort to balance the Board's goal of including the use of equity in its compensation programs to attract, motivate and retain its executive officers, directors and employees, with the stockholders' interest in limiting dilution due to the equity plans. The following table provides information on the Company's annual share usage.

	2012	2013	2014	3-Year Average
Stock options granted (1)	415,443	174,144	380,880	323,489

(1) Adjusted for annual 5% stock dividends.

(2) Burn rate is equal to the stock options granted *plus* restricted stock awards and purchases, minus the number of shares cancelled, *divided* by weighted average of common shares outstanding.

2013 Plan Equity Awards

Equity awards under the 2013 Plan are subject to the discretion of the Board and the Compensation Committee. There are no projections under consideration by the Board or the Compensation Committee for future equity awards under the 2013 Plan. Therefore, it is not possible to determine the awards that will be made in the future to participants in the 2013 Plan. As of March 31, 2015, the Company had made the following equity grants consisting of stock options under the 2013 Plan:

	Number of Equity Awards Granted Under 2013 Plan ⁽¹⁾
Scott M. Quist	212,625
Garrett S. Sill	17,010
J. Lynn Beckstead, Jr.	6,379
Jeffrey R. Stephens	10,631

All executive officers as a group	352,958
All non-executive officer employees as a group	65,710

Dilutive Impact of Amendments to 2013 Director Plan

Neither the Board nor the Compensation Committee have any future plans under consideration to again amend the 2013 Plan to authorize additional shares of Class A or Class C common stock to be made available for issuance under the plan. In addition, there are not any projections under consideration for future stock options or other equity awards to be made available under the 2013 Plan. There can be no assurance, however, that there will be no additional amendments proposed to the 2013 Plan in the future to make additional common shares available for issuance under the plan.

Any future amendment, if any, to the 2013 Plan to reserve additional shares for issuance thereunder would require stockholder approval at an annual or special meeting of the stockholders. Stockholders would be furnished with a proxy statement in connection with any such amendment, explaining the reasons for the amendment and the dilutive impact of the amendment on the stockholders' common shares.

Vote Required

The Board is requesting stockholders of record at the close of business on May 15, 2015 to approve the amendment to the 2013 Director Plan, including the reservation of 450,000 shares of Class A common stock to be made available for issuance under the plan, of which up to 200,000 shares of Class A common stock may be issued as up to 200,000 shares of Class C common stock. The affirmative vote of a majority of the Class A and Class C shares of common stock presented in person or represented by proxy, and entitled to vote on the proposal at the Annual Meeting, is required for approval of the amendment to the 2013 Plan.

The Board of Directors recommends that the stockholders vote “FOR” approval of the amendment to the 2013 Stock Option Plan and the reservation of 450,000 shares of Class A common stock to be made available for issuance under the plan, of which up to 200,000 shares of Class A common stock may be issued as up to 200,000 shares of Class C common stock.
