About Security National Financial Corporation:

Security National Financial Corporation (the "Company") operates in three main business segments: life insurance, cemetery and mortuary, and mortgage loans. The life insurance segment is engaged in the business of selling and servicing selected lines of life insurance, annuity products, and accident and health insurance. These products are marketed in 38 states through a commissioned sales force of independent licensed insurance agents who may also sell insurance products of other companies. The cemetery and mortuary segment consists of seven mortuaries and five cemeteries in the state of Utah and one cemetery in the state of California. The Company also engages in pre-need selling of funeral, cemetery, mortuary and cremation services through its Utah and California operations. Many of the insurance agents also sell pre-need funeral, cemetery and cremation services. The mortgage loan segment originates and underwrites or otherwise purchases residential and commercial loans for new construction, existing homes and real estate projects. The mortgage loan segment operates through 121 retail offices in 23 states, and is an approved mortgage lender in several other states.
