HEMISPHERE MEDIA GROUP, INC.
PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON WEDNESDAY, MAY 17, 2017

ABOUT THE ANNUAL MEETING

We are furnishing this proxy statement to stockholders of record of Hemisphere Media Group, Inc. (“Hemisphere” or the “Company”) in connection with the solicitation of proxies for use at the annual meeting of stockholders to be held on Wednesday, May 17, 2017 at 10:30 a.m., local time, at the offices of Holland & Knight LLP, 701 Brickell Avenue, Suite 3300, Miami, FL 33131, and at any adjournments or postponements thereof (the “Annual Meeting”).

The Notice of Annual Meeting of Stockholders (the “Annual Meeting Notice”), this proxy statement, the accompanying proxy card, and an Annual Report to stockholders for the fiscal year ended December 31, 2016 (the “Annual Report”) containing financial statements and other information of interest to stockholders are expected to be first mailed to stockholders on May 5, 2017.

Matters to be Voted Upon at the Annual Meeting

At the Annual Meeting you will be voting on the following proposals:

1. to elect three Class I directors to the Board of Directors for a three-year term expiring at the 2020 annual meeting;
2. to ratify the Board of Directors’ appointment of RSM US LLP as our independent registered public accounting firm for our fiscal year ending on December 31, 2017 (“Fiscal 2017”);
3. to approve an amendment to our Amended and Restated Certificate of Incorporation to provide for the equal treatment of shares of Class A common stock and Class B common stock in connection with certain transactions, effected through the adoption of a new Section 4.5 included in Appendix A hereto;
4. a non-binding advisory resolution regarding the compensation of our named executive officers;
5. a non-binding advisory vote on the frequency (every one, two or three years) of the non-binding stockholder vote on the compensation of our named executive officers; and
6. to consider all other appropriate matters brought before the Annual Meeting or any adjournment or postponement thereof by or at the direction of the Board of Directors.

Recommendations of Our Board of Directors

Our Board of Directors recommends that you vote your shares as follows:

1. **FOR** the election of three Class I directors to the Board of Directors for a three-year term expiring at the 2020 annual meeting (**PROPOSAL 1**);
2. **FOR** the ratification of the appointment by the Board of Directors of RSM US LLP as our independent registered public accounting firm for Fiscal 2017 (**PROPOSAL 2**);
3. **FOR** the approval of the amendment to our Amended and Restated Certificate of Incorporation providing for the equal treatment of shares of Class A common stock and Class B common stock in connection with certain transactions (**PROPOSAL 3**);
4. **FOR** the non-binding advisory resolution approving the compensation of our named executive officers (**PROPOSAL 4**); and
5. **FOR** the approval, on a non-binding advisory basis, of holding the non-binding stockholder vote on the compensation of our named executive officers every “one year” (**PROPOSAL 5**).

Stockholders Entitled to Vote at the Meeting

Stockholders of Record

Only stockholders of record of the Company's (i) Class A common stock, par value \$0.0001 per share (the "Class A common stock") and (ii) Class B common stock, par value \$0.0001 per share (the "Class B common stock" and together with the Class A common stock, the "Common Stock") as of March 20, 2017 (the "Record Date") are entitled to receive notice of and to vote at the Annual Meeting. You are considered the stockholder of record with respect to your shares if your shares are registered directly in your name with Continental Stock Transfer & Trust Company, the Company's stock transfer agent. A holder of our warrants, which are exercisable for shares of our Class A common stock, is not entitled to receive notice of or vote at our meeting unless you exercised your Warrants into shares of our Class A common stock on or prior to the Record Date. If you are a stockholder of record, you can vote your shares in one of two ways: either in person or by proxy at the Annual Meeting. If you are a stockholder of record and choose to vote in person, you must attend the Annual Meeting, which will be held on Wednesday, May 17, 2017 at 10:30 a.m., local time, at the offices of Holland & Knight LLP, 701 Brickell Avenue, Suite 3300, Miami, FL 33131.

If you choose to vote by proxy you may do so by using the Internet, the telephone, or by completing, signing, dating, and returning the enclosed proxy card in the envelope provided. Whichever method you use to vote by proxy, each valid proxy received in time will be voted at the Annual Meeting in accordance with your instructions. To ensure that your proxy is voted, your proxy, whether given by the Internet, the telephone, or by mailing the proxy card, should be received by 7:00 p.m., Eastern time, on May 16, 2017. If you submit a proxy without giving instructions, your shares will be voted as recommended by the Board of Directors.

On the Record Date, there were 21,900,160 shares of Class A common stock and 20,800,998 shares of Class B common stock, issued and outstanding, constituting all of our issued and outstanding voting securities. Stockholders of record are entitled to one (1) vote for each share of Class A common stock and ten (10) votes for each share of Class B common stock they held as of the Record Date.

Shares Held with a Bank, Broker, or Other Nominee

If your shares are held in an account with a bank, broker, or another third party that holds shares on your behalf, referred to herein as a "nominee," then you are considered the "beneficial owner" of these shares, and your shares are referred to as being held in "street name." If you hold your shares in "street name," you must vote your shares in the manner provided for by your bank, broker, or other nominee. Your bank, broker, or other nominee has enclosed or provided a voting instruction card with this proxy statement for you to use in directing the bank, broker, or other nominee how to vote your shares.

If your shares are held by a bank, broker, or other nominee, they may not be voted or may be voted contrary to your wishes if you do not provide your bank, broker, or other nominee with instructions on how to vote your shares. Brokers, banks, and other nominees have the authority under the rules of the NASDAQ STOCK MARKET LLC ("NASDAQ") to vote shares held in accounts by their customers in the manner they see fit, or not at all, on "routine" matters if their customers do not provide them with voting instructions. Proposal 1, Proposal 3, Proposal 4 and Proposal 5 are not considered to be routine matters, but Proposal 2 is considered to be a routine matter. When a proposal is not routine and the bank, broker, or other nominee has not received your voting instructions with respect to such proposal, a bank, broker, or other nominee will not be permitted to vote your shares on such proposal and a broker "non-vote" will occur. To ensure your shares are voted in the manner you desire, you should provide instructions to your bank, broker, or other nominee on how to vote your shares for each of the proposals to be voted on at the Annual Meeting in the manner provided for by your bank, broker, or other nominee.

Quorum

A “quorum” of stockholders is necessary to hold the Annual Meeting. A quorum will exist at the Annual Meeting if the holders of record of a majority of the voting power of all shares of Common Stock outstanding as of the Record Date are present in person or represented by proxy at the Annual Meeting. Shares held as of the Record Date by holders who are present in person or represented by proxy at the Annual Meeting, but who have abstained from voting or have not voted with respect to some or all of such shares on any proposal to be voted on at the Annual Meeting (including as a result of a broker “non-vote”), will be counted as present for purposes of establishing a quorum.

Votes Required with Respect to Each Proposal

To be elected as a Class I director at the Annual Meeting (Proposal 1), each candidate for election must receive a plurality of the votes cast. In a plurality vote, the director nominee with the most affirmative votes in favor of his or her election to a particular directorship will be elected to that directorship. With regard to Proposal 1, shares represented by proxies that are marked “**WITHHELD**” and shares that are not voted (including as a result of a broker “non-vote”) will have no effect on the outcome of this vote because the directors are elected by a plurality vote.

The affirmative vote of a majority in voting power of shares of stock present in person or represented by proxy at the Annual Meeting and entitled to vote thereon is required to (i) ratify the Board of Directors’ appointment of RSM US LLP as our independent registered public accounting firm for Fiscal 2017 (Proposal 2) and (ii) to approve the non-binding advisory resolution relating to the compensation of the Company’s named executive officers (Proposal 4). With regard to Proposals 2 and 4, shares marked as “**ABSTAIN**” and shares which are present in person or by proxy but not voted will have the effect of a vote against this proposal.

The affirmative vote of the holders of a majority of the voting power of our outstanding Common Stock, voting together as a single class, is required to approve the amendment to our Amended and Restated Certificate of Incorporation (Proposal 3). In addition, we are requiring the affirmative vote of the holders of a majority of the voting power of our outstanding Class B common stock, voting as a separate class, to approve Proposal 3, even though it is not clear such a separate class vote is required under Delaware law to approve that Proposal. With regard to Proposal 3, shares marked as “**ABSTAIN**” and shares that are not voted (including as a result of a broker “non-vote”, and regardless of whether such shares are present in person or by proxy) will have the effect of a vote against this proposal.

With respect to the non-binding advisory vote relating to the frequency of the stockholder advisory vote on the named executive officers’ compensation (Proposal 5), the option receiving the most votes cast (i.e., every one, two, or three years) will be considered the frequency approved by the stockholders. With regard to Proposal 5 shares marked as “**ABSTAIN**” and shares which are not voted will have no effect on the outcome of this vote.

Proxies and Voting Procedures

What is a Proxy?

A proxy is another person that you legally designate to vote your stock. If you designate someone as your proxy in a written document, that document is called a proxy or a proxy card. For the purposes of the Annual Meeting, if you use the Internet or telephone to vote your shares, or complete the attached proxy card and return it to us by 7:00 p.m., Eastern time, on May 16, 2017, you will be designating the officers of the Company named on the proxy card to act as your proxy and to vote on your behalf in accordance with the instructions you have given via the Internet, by telephone, or on the proxy card at the Annual Meeting.

Voting by Proxy

Stockholders of Record

If you are a stockholder of record, you can vote your shares in one of two ways: either in person or by proxy at the Annual Meeting. If you are a stockholder of record and choose to vote in person, you must attend the Annual Meeting, which will be held on Wednesday, May 17, 2017 at 10:30 a.m., local time, at the offices of Holland & Knight LLP, 701 Brickell Avenue, Suite 3300, Miami, FL 33131. We recommend that you vote by proxy even if you currently plan to attend the Annual Meeting so that your vote will be counted if you later decide not to or are unable to attend the Annual Meeting. You may revoke your vote at any time before 7:00 p.m. Eastern time, on May 16, 2017, by:

- attending the Annual Meeting in person and voting again; or
- casting a new vote by telephone or over the Internet by 7:00 p.m., Eastern time, on May 16, 2017; or
- signing and returning a new proxy card with a later date or by submitting a later-dated proxy by telephone or via the Internet, since only your latest proxy received by 7:00 p.m., Eastern time, on May 16, 2017 will be counted.

If you are a stockholder of record, there are several ways for you to vote your shares by proxy:

- **By Mail.** You may submit your proxy by completing, signing, and dating the attached proxy card and returning it in the prepaid envelope. Sign your name exactly as it appears on the proxy card. Proxy cards submitted by mail must be received by 7:00 p.m., Eastern time, on May 16, 2017.
- **By Telephone or Over the Internet.** You may submit your proxy by telephone or via the Internet by following the instructions provided on the proxy card. If you submit your proxy by telephone or via the Internet, you do not need to return a proxy card by mail. Internet and telephone proxy submission is available 24 hours a day. Proxies submitted by telephone or the Internet must be received by 7:00 p.m., Eastern time, on May 16, 2017.
- **In Person at the Annual Meeting.** You may vote your shares in person at the Annual Meeting. Even if you plan to attend the Annual Meeting in person, we recommend that you also submit your proxy by telephone or via the Internet, or by completing, signing, dating, and returning the attached proxy card by the applicable deadline so that your vote will be counted if you later decide not to or are unable to attend the meeting. Details regarding requirements for admission to the Annual Meeting are described below under the heading “*Voting in Person.*”

Voting instructions are included on your proxy card. If you properly submit your proxy by telephone, the Internet, or by mail in time for it to be voted at the Annual Meeting, one of the individuals named as your proxy, each of whom is one of our officers, will vote your shares as you have directed. **If you submit your proxy by telephone, the Internet, or by mail, but do not indicate how your shares are to be voted with respect to one or more of the proposals to be voted on at the Annual Meeting, as necessary to vote your shares on each proposal, your shares will be voted in accordance with the recommendations of our Board of Directors: (1) FOR the election of the director nominees, (2) FOR the ratification of the appointment of RSM US LLP as the Company’s independent registered public accounting firm for Fiscal 2017, (3) FOR the approval of the amendment to our Amended and Restated Certificate of Incorporation providing for the equal treatment of shares of Class A common stock and Class B common stock in connection with certain transactions, (4) FOR the approval of the non-binding advisory resolution approving the compensation of our named executive officers, (5) FOR the approval of holding the non-binding vote on the compensation of our named executive officers every “one year,” and (6) in accordance with the best judgment of the named proxies on other matters properly brought before the Annual Meeting.**

Our Board of Directors has no knowledge of any matters that will be presented for consideration at the Annual Meeting other than those described herein. The named proxies will also have discretionary authority to vote upon any adjournment or postponement of the Annual Meeting, including for the purpose of soliciting additional proxies.

Shares Held with a Bank, Broker, or Other Nominee

If you hold your shares in “street name,” you must vote your shares in the manner provided for by your bank, broker, or other nominee. Your bank, broker, or other nominee has enclosed or provided a voting instruction card for you to use in directing the bank, broker, or other nominee on how to vote your shares. To ensure that your shares are voted according to your wishes, be certain that you provide instructions to your bank, broker, or other nominee on how to vote your shares in the manner that they specify. Your bank, broker, or other nominee will be permitted to vote your shares without instruction from you on Proposal 2, but will not be permitted to vote your shares on Proposals 1, 3, 4 or 5 without your instructions. As a result, if you do not provide your bank, broker, or other nominee with instructions on how to vote your shares, then your bank, broker, or other nominee may vote your shares in a different manner than you would have voted if you had provided instructions to your bank, broker, or other nominee with respect to Proposal 2, and your vote will not be cast for Proposals 1, 3, 4 or 5, an outcome referred to as a broker “non-vote”. Broker “non-votes” will have the same effect as a vote against adoption of Proposal 3 and will have no effect on the outcome of the vote on Proposals 1, 4 or 5.

Revoking Your Proxy

If you are a stockholder of record, you may revoke your proxy before it is voted by:

- signing and returning a new proxy card with a later date or by submitting a later-dated proxy by telephone or the Internet, since only your last proxy received by 7:00 p.m., Eastern time, on May 16, 2017 will be counted;
- notifying the Corporate Secretary of the Company in writing by 7:00 p.m., Eastern time, on May 16, 2017 that you have revoked your proxy; or
- voting in person at the Annual Meeting.

If you hold your shares in “street name,” you must contact your bank, broker, or other nominee to revoke your proxy.

Voting in Person

If you are a stockholder of record and you plan to attend the Annual Meeting and wish to vote in person, we will give you a ballot at the Annual Meeting. All stockholders planning to attend the Annual Meeting in person should contact our Investor Relations Department at (212) 486-9500 by May 16, 2017 to reserve a seat at the Annual Meeting. For admission, stockholders should come to the Annual Meeting check-in area no less than 15 minutes before the Annual Meeting is scheduled to begin. Stockholders of record should bring a form of photo identification so their share ownership can be verified. A beneficial owner holding shares in “street name” must also bring an account statement or letter from his or her bank or brokerage firm showing that he or she beneficially owns shares as of the close of business on the record date, along with a form of photo identification. Registration will begin at 10:00 a.m., local time and the Annual Meeting will begin at 10:30 a.m., local time.

If your shares are held in the name of your broker, bank, or other nominee, and you plan to attend the Annual Meeting and wish to vote in person, you must bring a legal proxy from your broker, bank, or other nominee authorizing you to vote your “street name” shares held as of the Record Date

in order to be able to vote at the Annual Meeting. A legal proxy is an authorization from your bank, broker or other nominee permitting you to vote the shares that it holds in its name.

Results of the Annual Meeting

We will announce preliminary results at the Annual Meeting. We will publish final results in a current report on Form 8-K that we will file with the Securities and Exchange Commission (the “SEC”) within four business days after the Annual Meeting. If the official results are not available at that time, we will provide preliminary voting results in the Form 8-K and will provide the final results in an amendment to the Form 8-K as soon as they become available.

Proxy Solicitation

We, on behalf of the Board of Directors, are soliciting proxies in connection with this Annual Meeting. The Company will bear the costs of the solicitation. No proxy solicitation firm has been hired in connection with our Annual Meeting. In addition to the solicitation of proxies by mail, proxies may also be solicited by our directors, officers, and employees in person or by telephone, e-mail, or fax, for which they will receive no additional compensation. We will also reimburse banks, brokerage firms, and other custodians, nominees, and fiduciaries for reasonable expenses incurred by them in sending proxy materials to stockholders.

Delivery of Proxy Materials and Annual Report to Households

The rules of the SEC permit companies and banks, brokers, or other nominees to deliver a single copy of an annual report and proxy statement to households at which two or more stockholders reside (commonly referred to as “householding”). Beneficial owners sharing an address who have been previously notified by their broker, bank, or other nominee and who have consented to householding, either affirmatively or implicitly by not objecting to householding, will receive only one copy of the Annual Meeting Notice, our Annual Report and this proxy statement. If you hold your shares in your own name as a holder of record, householding will not apply to your shares.

Beneficial owners who reside at a shared address at which a single copy of the Annual Meeting Notice, our Annual Report and this proxy statement is delivered may obtain a separate copy of the Annual Meeting Notice, our Annual Report and/or this proxy statement without charge by sending a written request to Hemisphere Media Group, Inc., 4000 Ponce de Leon Boulevard, Suite 650, Coral Gables, FL 33146, Attention: Investor Relations, by calling us at (212) 486-9500, or by writing to us via e-mail at ir@hemispheretv.com. We will promptly deliver an Annual Meeting Notice, Annual Report and/or this proxy statement upon request.

Not all banks, brokers, or other nominees may offer the opportunity to permit beneficial owners to participate in householding. If you want to participate in householding and eliminate duplicate mailings in the future, you must contact your bank, broker, or other nominee directly. Alternatively, if you want to revoke your consent to householding and receive separate annual reports and proxy statements for each beneficial owner sharing your address, you must contact your bank, broker, or other nominee to revoke your consent.

**IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE
STOCKHOLDER MEETING TO BE HELD ON MAY 17, 2017**

You may obtain copies of our public filings, including this proxy statement, our Annual Report, and the form of proxy relating to the Annual Meeting, without charge from our website at www.hemispheretv.com under “Investor Relations—SEC Filings” and “Investor Relations—Annual Report and Proxy Materials,” or from the SEC’s website at www.sec.gov. You also may request a copy of these materials, without charge, by sending an e-mail to ir@hemispheretv.com. Please make your request no later than May 11, 2017 to facilitate timely delivery. If you do not request materials pursuant to the foregoing procedures, you will not otherwise receive an e-mail or electronic copy of the materials. For meeting directions please call (212) 486-9500.

CORPORATE GOVERNANCE; BOARD ACTIONS; BOARD MEMBER INDEPENDENCE; COMMITTEES OF THE BOARD OF DIRECTORS

Board Activities

During our fiscal year ended December 31, 2016 ("Fiscal 2016"), our Board of Directors (or "Board") held four regular meetings, four special meetings and acted by unanimous written consent on five occasions. The independent directors met separately in an executive session immediately following certain meetings of our Audit Committee. Eric C. Neuman, the Chairman of our Audit Committee, presided at the independent director executive sessions of the Board of Directors. No director attended fewer than 75% of the total number of meetings held by the Board of Directors and any committees

on which he served, with exception only for Mr. Zinterhofer, who was unable, due to scheduling conflicts, to attend a single special telephonic meeting of the Board, scheduled on short notice. Mr. Zinterhofer, who was appointed to the Board in October 2016, has attended all other meetings of the Board held during his time as a director.

Our Board of Directors has affirmatively determined that none of the following directors has a material relationship with the Company (either directly or as a partner, stockholder, or officer of an organization that has a relationship with the Company): Eric C. Neuman, Vincent L. Sadusky, John Engelman and Andrew S. Frey. Our Board of Directors reviews all facts and circumstances that it deems relevant to its review, including the standards set forth in the Company's Corporate Governance Guidelines, applicable NASDAQ rules and regulations and applicable federal securities laws and regulations to assist it in making determinations of independence. The Board of Directors has determined that the directors referred to above currently meet these standards and qualify as independent. The Board of Directors has made no determination with respect to the remaining directors.

All of our then-current directors attended the 2016 Annual meeting of stockholders. While our Board of Directors has not adopted a mandatory attendance policy for our annual meetings, directors are encouraged to attend and we expect all members of our Board of Directors to attend the Annual Meeting.

Our Board of Directors evaluates the appropriate leadership structure for the Company on an ongoing basis, including whether or not one individual should serve as both Chief Executive Officer and Chairman of our Board of Directors. While the Board of Directors has not adopted a formal policy, we currently separate the positions of Chief Executive Officer and Chairman of our Board of Directors. Alan J. Sokol currently serves as our Chief Executive Officer and Peter M. Kern currently serves as our Chairman of the Board of Directors. The Board of Directors believes that the respective roles of Mr. Sokol and Mr. Kern best utilize their skills and qualifications in the service of the Company at this time. The Board retains the ability to adjust its leadership structure as the needs of the business change, including the appointment of Co-Chairmen, each of whom may exercise the full powers and authorities of the office of Chairman.

Controlled Company

Our Board of Directors has determined that the Company is a "controlled company" within the meaning of the rules and corporate governance standards of NASDAQ, as our controlling stockholders control more than 50% of the Company's voting power. A controlled company may elect not to comply with certain NASDAQ rules, including (1) the requirement that a majority of our Board consist of independent directors, (2) the requirement that a nominating/corporate governance committee be in place that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities, and (3) the requirement that a compensation committee be in place that is composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities. We currently avail ourselves of the "controlled company" exemptions. Our Board has determined that it is appropriate not to have a nominating/corporate governance committee or compensation committee because of our relatively limited number of directors, our limited number of senior executives and our status as a "controlled company" under applicable NASDAQ rules. Our Board undertakes the function of both committees.

Committees Established by Our Board of Directors

The Board of Directors has designated two principal standing committees: the Audit Committee and the Executive Committee. The functions of the Audit Committee and Executive Committee and the number of meetings held by each such committee in Fiscal 2016 are noted below.

Audit Committee. The Audit Committee has been established in accordance with Rule 10A-3 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and applicable NASDAQ rules, for the overall purpose of overseeing the Company’s accounting and financial reporting processes and audits of our financial statements. The Audit Committee is responsible for monitoring (i) the integrity of our financial statements, (ii) the independent registered public accounting firm’s qualifications and independence, (iii) the performance of our internal audit function and independent auditors (iv) preparing the report that SEC rules require to be included in our Annual Report and (v) our compliance with legal and regulatory requirements, including, without limitation, reviewing and addressing conflicts of interests of directors and executive officers, as well as reviewing and discussing with management and the independent registered public accounting firm, and approving as the case may be, any transactions or courses of dealing with related parties that are required to be disclosed pursuant to Item 404 of Regulation S-K, which is the SEC’s disclosure rules for certain related party transactions. The responsibilities and authority of the Audit Committee are described in further detail in the Charter of the Audit Committee of the Board of Directors of Hemisphere Media Group, Inc., a copy of which is available at our Internet website at www.hemispheretv.com under “Investor Relations—Corporate Governance.” The report of the Audit Committee for Fiscal 2016 is included elsewhere in this proxy statement.

The current members of our Audit Committee are Eric C. Neuman, Vincent L. Sadusky, John Engelman and, as of October 2016, Andrew S. Frey. Our Audit Committee held eight meetings during Fiscal 2016 (attended in person or by teleconference) and acted by unanimous written consent on no occasions. Our Board of Directors has determined that each of the Audit Committee members is independent, as that term is defined under the independence standards for audit committee members in the Exchange Act and rules thereunder, as amended, and under the listing standards of NASDAQ.

Mr. Neuman is the Chairman of our Audit Committee and is our Audit Committee Financial Expert. Mr. Neuman possesses the attributes of an “audit committee financial expert” set forth in the rules promulgated by the SEC in furtherance of Section 407 of the Sarbanes-Oxley Act of 2002. Mr. Neuman does not serve on the audit committees of any other public companies.

Executive Committee. The Executive Committee, serves as an administrative committee of the Board of Directors to act upon and facilitate the consideration by senior management and the Board of certain high-level business and strategic matters, including approval of (i) certain employment and consulting agreements entered into by the Company and compensation paid thereunder (subject to approval of the full Board of Directors, as necessary under applicable rules) and (ii) affiliate agreements entered into by the Company (in each case, subject to approval by the Audit Committee, in the event an agreement is determined to be a related party transaction as set forth in the Company’s Related Person Transactions Policy).

The current members of our Executive Committee are Peter M. Kern, Ernesto Vargas Guajardo and Eric Zinterhofer. Our Executive Committee held no meetings in Fiscal 2016. The Board of Directors has made no determination with respect to the independence of the members of our Executive Committee.

Risk Management and the Board’s Role

The Company’s risk assessment and management function is led by the Company’s senior management, which is responsible for day-to-day management of the Company’s risk profile, with oversight from the Board of Directors and its Committees. Central to the Board of Directors’ oversight function is our Audit Committee. In accordance with the Audit Committee Charter, the Audit Committee is responsible for the oversight of the financial reporting process and internal controls. In this capacity, the Audit Committee is responsible for discussing guidelines and policies governing the process by which senior management of the Company and the relevant departments of the Company, including the internal auditing department, assess and manage the Company’s exposure to risk, as well

as the Company's major financial risk exposures and the steps management has taken to monitor and control such exposures. In addition to receiving regular reports from management on the Company's reporting processes and risk profile, the Audit Committee also meets with our independent auditors outside the presence of and without the participation of senior management. With respect to potential risks related to our compensation policies and programs, the Board of Directors acts in the primary oversight role.

Corporate Governance Guidelines and Code of Ethics and Business Conduct

The Board of Directors has adopted Corporate Governance Guidelines to assist it in the exercise of its responsibilities. These Guidelines reflect the Board's commitment to monitor the effectiveness of policy and decision making both at the Board and management level, with a view to enhancing stockholder value over the long term. The Corporate Governance Guidelines address, among other things, Board composition, director qualifications standards, selection of the Chairman of the Board and the Chief Executive Officer, director responsibilities and the Board committees. The Board of Directors has adopted a Code of Ethics and Business Conduct to provide guidance to all the Company's directors, officers and employees, including the Company's principal executive officer, principal accounting officer or controller or persons performing similar functions.

Availability of Corporate Governance Guidelines, Committee Charters, and Code of Ethics

Copies of our (i) Corporate Governance Guidelines, (ii) Audit Committee Charter and (iii) Code of Business Conduct and Ethics are available at our Internet website at www.hemispheretv.com under "Investor Relations—Corporate Governance." Any stockholder may obtain copies of these documents by sending a written request to Hemisphere Media Group, Inc., 4000 Ponce de Leon Boulevard, Suite 650, Coral Gables, FL 33146, Attention: Investor Relations, by calling us at (212) 486-9500, or by writing to us via e-mail at ir@hemispheretv.com. None of the information posted on our website is incorporated by reference into this proxy statement.

DIRECTOR NOMINATION PROCESS

As stated above, we do not have a nominating/corporate governance committee. The entire Board of Directors performs the function of the nominating/corporate governance committee. Stockholders and members of the Board may, however, submit nominees for election to the Company's Board of Directors to the entire Board for its consideration.

We do not have a formal policy concerning stockholder recommendations to the Board of Directors. The Board of Directors has determined that it is appropriate to not have such a policy given the infrequency of such recommendations and our status as a "controlled company" under applicable NASDAQ rules. We did not receive any recommendations from stockholders requesting that the Board consider a candidate for inclusion among the slate of nominees in this proxy statement. The absence of such a policy does not mean, however, that a recommendation would not have been considered had one been received. The Board of Directors would consider any candidate proposed in good faith by a stockholder. To do so, a stockholder should send the candidate's name, credentials, contact information and his or her consent to be considered as a candidate to our Board of Directors at 4000 Ponce de Leon Boulevard, Suite 650, Coral Gables, FL, 33146. See "Communications with the Board" below.

You should note that the foregoing process relates only to bringing potential candidates to the attention of the Board of Directors. This process will not give you the right to directly propose a nominee at any meeting of stockholders.

Under our Amended and Restated By-Laws, stockholders may nominate candidates for election at an annual meeting of stockholders. See "Stockholder Proposals for 2018 Annual Meeting" for details regarding the procedures and timing for the submission of such nominations. Director nominees submitted through this process will be eligible for election at the annual meeting, but information

about these candidates will not be included in proxy materials sent to stockholders prior to the meeting, except as described in that section.

In evaluating director nominees, the Board considers the appropriate skills and personal characteristics needed in light of the makeup of the current Board, including considerations of character, integrity, judgment, knowledge, experience and other relevant factors to develop an informed opinion of the candidate's qualifications and his or her ability and dedication. Other than the foregoing, there are no stated minimum criteria for director nominees, although the Board may also consider such other factors as it may deem are in the best interests of the Company and its stockholders. The Board does, however, believe it is appropriate for at least one member of the Board to meet the criteria for an "audit committee financial expert" as defined by SEC rules and for a "financially sophisticated" audit committee member as defined by NASDAQ rules. The Company also believes it is appropriate for a member or members of the Company's management to participate as members of the Board.

The Board of Directors identifies nominees by first evaluating the current members of the Board of Directors willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company's business and who are willing to continue in service are considered for re-nomination. If any member of the Board of Directors does not wish to continue in service or if the Board of Directors decides not to re-nominate a member for re-election, the Board of Directors then identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of the Board of Directors would be polled for suggestions as to individuals meeting the criteria described above. The Board of directors may also engage in research to identify qualified individuals. To date, the Company has not engaged third parties to identify or evaluate or assist in identifying potential nominees, although the Company reserves the right in the future to retain a third party search firm, if appropriate.

Compensation Committee Interlocks and Insider Participation

As noted above, our Board undertakes the function of a nominating/corporate governance committee. None of our executive officers serves, or has served, during the last completed fiscal year, on the compensation committee or board of directors of any other company that has one or more executive officers serving on our Board.

Compensation Committee Report

The information contained in this report shall not be deemed to be "soliciting material" or "filed" or incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933 or the Exchange Act.

The Company does not have a compensation committee. The Board of Directors has reviewed and discussed the Compensation Discussion and Analysis required by Item 402(b) of Regulation S-K with management. Based on this review and discussion the Board of Directors has determined that the Compensation Discussion and Analysis be included in this proxy statement for the Annual Meeting of Stockholders.

The foregoing report is furnished by the Board of Directors.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This Compensation Discussion and Analysis provides an overview and analysis of our compensation programs, the compensation decisions we have made under these programs, and the factors we considered in making these decisions with respect to the compensation earned by our principal executive officer, principal financial officer, and each of the next three highest paid executive officers of the Company (collectively, the “NEOs”) for Fiscal 2016:

- Alan J. Sokol, Chief Executive Officer and President
- Craig D. Fischer, Chief Financial Officer
- Jose E. Ramos, President and General Manager, WAPA-TV, a division of WAPA
- Alex J. Tolston, Executive Vice President, General Counsel and Corporate Secretary
- Karen A. Maloney, Controller

Overview of the Compensation Program

Compensation Philosophy

The objective of our corporate compensation and benefits program is to establish and maintain competitive total compensation programs that will attract, motivate, and retain the qualified and skilled workforce necessary for our continued success. To help align compensation paid to executive officers with the achievement of corporate goals, we have designed our cash compensation program as a pay-for-performance based system that rewards NEOs for their individual performance and contribution in achieving corporate goals. In determining the components and levels of NEO compensation each year, the Board considers Company performance, the business objectives for specific divisions of the Company, personal management performance objectives, as well as each individual’s performance and potential to enhance long-term stockholder value. To remain competitive, the Board may also periodically review compensation survey information published by various organizations or information provided by independent compensation consultants as another factor in setting NEO compensation. The Board relies on judgment and does not have any formal guidelines or formulas for allocating between long-term and currently paid compensation, between cash and non-cash compensation, or among different forms of non-cash compensation for our NEOs.

Components of Total Compensation

Compensation packages in Fiscal 2016 for our NEOs were comprised of the following elements:

Short-Term Compensation Elements

<u>Element</u>	<u>Role and Purpose</u>
Base Salary	Attract and retain executives and reward their skills and contributions to the day-to-day management of our Company.
Annual Performance-Based Bonus .	Encourage the attainment of annual Company, division, and individual financial, operational, and strategic goals by paying bonuses determined by the achievement of specified performance targets with a performance period of one year.

Long-Term Compensation Elements

Element	Role and Purpose
Stock Options and Restricted Stock	Encourage the attainment of long-term value creation, align executive interests with the interests of our stockholders, create accountability for executives to enhance stockholder value, and promote long-term retention through the use of multi-year vesting awards.
Severance and Change-of-Control Benefits	Promote long-term retention and align the interests of executives with stockholders in the event of a change in control transaction which, although in the best interests of stockholders generally, may result in loss of employment for an individual NEO.

Benefits

Element	Role and Purpose
Employee Benefit Plans and Perquisites	Provide financial security and additional compensation commensurate with senior executive level duties and responsibilities.

Process

Role of the Board and Management

The Board meets annually to review and consider base salary and any proposed adjustments, prior year annual performance bonus results and targets for the current year, and any long-term incentive awards. The Board also reviews the compensation package for all new executive officer hires; however, an Executive Committee of the Board comprised of Peter Kern, Ernesto Vargas Guajardo and Eric Zinterhofer is empowered to approve such compensation packages, subject to the Board’s approval of any equity grants.

The key member of management involved in the compensation process is our Chief Executive Officer (“CEO”), Alan J. Sokol. Our CEO presents recommendations to the Board for each element of compensation for each NEO, other than himself, which in turn evaluates these goals and either approves or appropriately revises them.

Determination of CEO Compensation

The Board determines the level of each element of compensation for our CEO. Consistent with its determination process for other NEOs, the Board considers a variety of factors when determining compensation for our CEO, including past corporate and individual performance, general market survey data for similar size companies and the degree to which the individual’s contributions have the potential to influence the outcome of the Company’s short- and long-term operating goals and alignment with stockholder value.

Assessment of Market Data and Use of Compensation Consultants

In establishing the compensation for each NEO, the Board considers information about the compensation practices of companies both within and outside our industry and geographic region, and considers evolving compensation trends and practices generally. The Board may periodically review third-party market data published by various organizations for market trends and developments, and as one factor when making its annual compensation determinations. The Board does not typically use

market data to establish specific targets for compensation or any particular component of compensation, and does not otherwise numerically benchmark its compensation decisions. The Board does not typically use market data to establish specific targets for compensation or any particular component of compensation, and does not otherwise numerically benchmark its compensation decisions. In connection with the compensation packages for the CEO, CFO and Executive Vice President, General Counsel and Corporate Secretary, our controlling stockholder sought the independent advice of Frederic W. Cook & Co. Inc. (“Cook”) to analyze the reasonableness of the compensation packages in comparison to similarly sized publicly traded media companies. In addition, our controlling stockholder sought the independent advice of Cook to analyze the reasonableness of the compensation packages for non-employee directors in comparison to similarly sized publicly traded media companies. No fees were paid to Cook for any other services during Fiscal 2016.

Short-Term Compensation Elements

Base Salary

Hemisphere believes that executive base salaries are necessary to provide financial security and a minimum level of fixed compensation for services rendered to the Company, and aid in attracting and retaining talented and qualified executives. Base salary adjustments typically reflect an individual’s performance, experience, and/or change in job responsibilities.

Annual base salaries for each NEO for Fiscal 2016 were as follows: \$600,000 for Mr. Sokol, \$450,000 for Mr. Fischer, \$700,000 for Mr. Ramos, \$400,000 for Mr. Tolston (as of April 9, 2016) and \$325,000 for Ms. Maloney.

The actual salary earned by each NEO for Fiscal 2016 is set forth in the Summary Compensation Table that follows.

Annual Performance-Based Bonuses

Pursuant to their employment agreements, each of Messrs. Sokol, Fischer and Tolston is eligible to receive an annual cash bonus under the terms of a performance-based bonus plan. The employment agreement for Messrs. Sokol, Fischer and Tolston specify an annual target and maximum bonus as a percentage of the NEO’s annual base salary, with actual bonuses determined based on linear interpolation. Ms. Maloney’s employment agreement provides for a discretionary annual bonus with a target bonus amount of \$100,000. The specific performance criteria and performance goals for the bonus plan are established annually by our Board in consultation with our CEO (other than with respect to himself) and approved by our Board. The performance goals are communicated to the NEOs following formal approval by the Board. The table below shows the target bonus and maximum bonuses established for each NEO for Fiscal 2016.

2016 Target and Maximum Bonus

<u>Name</u>	<u>2016 Target Bonus</u>	<u>2016 Maximum Bonus</u>
Alan J. Sokol	100% of Base Salary	150% of Base Salary
Craig D. Fischer	85% of Base Salary	100% of Base Salary
Jose E. Ramos	—	—
Alex J. Tolston	50% of Base Salary	62.5% of Base Salary
Karen A. Maloney	\$100,000	—

For Fiscal 2016, the performance criterion applicable to Messrs. Sokol, Fischer, and Tolston was the achievement of adjusted EBITDA of \$64.95 million. The Company’s actual adjusted EBITDA for Fiscal 2016 was 64.32 million, representing a 99% achievement of the Fiscal 2016 performance goals. As a result, performance bonuses were paid to Messrs. Sokol, Fischer, and Tolston in the amounts set forth in the Summary Compensation Table below.

Long-Term Compensation Elements

All equity awards are granted under the Hemisphere Media Group, Inc. 2013 Amended and Restated Equity Incentive Plan (the “Equity Plan”). The Equity Plan is designed to align the interests of our stockholders and executive officers by increasing the proprietary interest of our executive officers in our growth and success, to advance our interests by attracting and retaining key employees, and to motivate our executives to act in our long-term best interests. We grant equity awards to promote the success and enhance the value of the Company by providing participants with an incentive for outstanding performance. Equity-based awards also provide the Company with necessary flexibility to motivate, attract, and retain the services of employees upon whose judgment, interest, and special effort the successful conduct of our operation is largely dependent. In Fiscal 2016, Messrs. Sokol, Fischer and Tolston were granted 175,000, 75,000 and 25,000 shares of restricted stock, respectively. In addition, Messrs. Sokol, Fischer, and Tolston were granted options to purchase 300,000, 150,000 and 200,000 shares of stock, respectively, and Ms. Maloney was granted options to purchase 30,000 shares of stock. These grants are set forth below in the Summary Compensation Table and Grants of Plan-Based Awards table below.

Severance and Change in Control Benefits

The Company has entered into an employment agreement with each of the NEOs that provides for severance payments and benefits in the event that the NEO’s employment is terminated or the NEO resigns under specified conditions described in their employment agreements. Employment agreements for Messrs. Sokol, Fischer and Tolston, provide for certain enhanced severance payments if such termination or resignation occurs within 60 days before or 12 months following a change in control. The payments provided in the event of termination without “cause” or resignation for “good reason,” following a change in control are designed to assure the Company of the continued employment, attention and dedication to duty of these key management employees and to seek to ensure the availability of their continued service, notwithstanding the possibility or occurrence of a change in control of the Company and termination of their employment. The severance payments and benefits payable both in the event of, and independently from, a change in control are in amounts that the Company has determined are necessary to remain competitive in the marketplace for executive talent. See “Potential Payments Upon Termination or Change in Control” for additional information.

Employee Benefit Plans and Perquisites

Executives are eligible to participate in the same health and benefit plans generally available to all full-time employees, including health, dental, vision, and disability insurance.

Perquisites

The Company provides certain limited perquisites to certain executives, including our NEOs, which we believe is necessary to ensure our compensation packages are competitive with our peers. Among these benefits are car allowances and executive life and disability insurance.

Miscellaneous

The Company does not have any equity or security ownership guidelines for executives, including the NEOs. The Company considers the accounting and tax treatment of particular forms of compensation awarded to NEOs as part of its overall review of compensation (including the deduction limitations imposed under Section 162(m) of the Code), but does not generally structure its compensation practices to comply with any specific accounting or tax treatment, and the Company reserves the right to award compensation that may not be deductible under Section 162(m) of the Code where the Company believes it is appropriate to do so.

Non-Binding Stockholder Advisory Votes

The Company's executive compensation program received substantial stockholder support and was approved, on an advisory basis, by over 99% of stockholders voting on the proposal at the 2014 Annual Meeting of Stockholders. In addition, over 99% of the Company's stockholders indicated their preference, on an advisory basis, to conduct the advisory vote on executive compensation every three years. The Board values stockholder feedback on all governance matters, including executive compensation. As a result, the Company has included materials in this proxy statement to conduct an advisory stockholder vote on the Company's executive compensation program, as well as, the frequency of such advisory stockholder vote on the Company's executive compensation program.

Potential Payments Upon Termination of Employment or Change in Control

Severance Payments and Benefits under Employment Agreements

All of our NEOs are entitled to certain severance benefits following termination of employment as described below. No severance payments or benefits are payable in the event of termination for cause or resignation without good reason. All severance payments and benefits are conditioned upon the execution by the executive of a release of claims against the Company and the NEO's continued compliance with the restrictive covenants contained in the executive's employment agreement. All of the NEO's employment agreements require the executive not to disclose at any time confidential information of the Company or any third party to which the Company has a duty of confidentiality and to assign to the Company all intellectual property developed during employment. In addition, the executive may not make disparaging statements about the Company. All our NEOs are required during employment and for one year thereafter not to compete with the Company and are required not to solicit the employees of the Company. In the case of Mr. Ramos, references to the "Company" in this paragraph mean WAPA.

Alan J. Sokol, Craig D. Fischer and Alex J. Tolston

For Messrs. Sokol, Fischer and Tolston, if the executive's employment is terminated by the Company without cause (defined below) or by the executive for good reason (defined below), the executive will be entitled to: (i) an amount equal to one times his base salary and target bonus and (ii) a prorated amount of the actual annual bonus he would have received had he remained employed through the year of his termination (a "Prorated Bonus"). The severance payment will be paid during the 12-month period immediately following termination in substantially equal installments, and the prorated bonus will be paid on the date that other executives are paid their annual bonuses in respect of the year in which the executive's termination occurs.

For Messrs. Sokol, Fischer and Tolston, if the executive's employment is terminated by the Company without cause or by the executive for good reason within 60 days before, or 12 months following a change in control (defined below), the executive will be entitled to: (i) an amount equal to two times his base salary and target bonus and (ii) a prorated amount of the target bonus he would have been eligible to receive in the year of his termination (a "Prorated Target Bonus"). The severance payment and prorated bonus will be paid in cash in a lump sum within 30 days following the execution of the release of claims that has become irrevocable by its terms.

For Messrs. Sokol, Fischer and Tolston, if the executive's employment is terminated due to the Company's election not to renew his employment agreement prior to a change in control, the executive will be entitled to: (A) for Mr. Sokol, (i) an amount equal to one times his base salary and target bonus and (ii) the Prorated Bonus, (B), for Mr. Fischer, (i) base salary continuation for 6 months and (ii) the Prorated Bonus, and (C) for Mr. Tolston, (i) base salary continuation for 6 months, (ii) the Prorated Bonus and (iii) the Prorated Target Bonus.

For Messrs. Sokol, Fischer and Tolston, if the executive's employment is terminated due to the Company's election not to renew his employment agreement following a change in control, the

executive will be entitled to: (i) an amount equal to one-and-one-half times (one times for Mr. Tolston) his base salary and target bonus and (ii) the Prorated Target Bonus.

If the executive is terminated due to death or disability, the executive or his estate will be entitled to receive the Prorated Bonus.

In addition to the payments set forth above, upon the termination of the executive's employment without "cause" or for "good reason", by reason of death or disability or the expiration of the term of the employment agreement, the executive will be entitled to reimbursements for COBRA premiums that the executive incurs as a result of his (or his eligible dependents') election to continue participating in the Company's medical and dental plans following his termination for a period of (x) 12 months, if such termination occurs prior to a "change in control," or (y) 18 months, if such termination occurs following a "change in control," but in each case only until the executive enrolls in the medical and dental plans offered by a subsequent employer.

For purposes of the employment agreements, "cause" generally means: (i) executive's willful refusal to perform his duties for the Company, (ii) in carrying out his duties under the employment agreement, executive engages in willful misconduct, or gross neglect, that in either case causes material economic harm to the Company's business or reputation, or (iii) executive is convicted of, or enters a plea of guilty or *nolo contendere* to, a felony and such conviction or plea has a material adverse effect on his ability to perform his duties for the Company or causes material harm to the Company or its affiliates.

For purposes of the employment agreements, "good reason" generally means the occurrence of any of the following events without executive's prior express written consent: (i) any reduction in executive's base salary or target bonus, or any material diminution in executive's authorities, titles or offices, or the assignment to him of duties that materially impair his ability to perform his duties; (ii) any change in the reporting structure so that executive reports other than to the Board, CEO or CFO (as applicable) or the Executive Committee of the Board (as applicable); (iii) any relocation of executive's principal place of employment; (iv) any material breach by the Company, or any of its affiliates, of any material obligation to executive; or (v) the failure of the Company to obtain the assumption in writing of its obligation to perform the employment agreement by any successor to all or substantially all of the business and assets of the Company within 15 days after any merger, consolidation, sale or similar transaction.

For purposes of the employment agreements, "change in control" generally means (i) the acquisition by any person of beneficial ownership of 30% or more (on a fully diluted basis) of either (A) the then outstanding shares of common stock of the Company or (B) the combined voting power of the then outstanding voting securities of the Company entitled to vote in the election of directors, (ii) a change in the composition of the Board such that members of the Board during any consecutive 12-month period cease to constitute a majority of the Board, (iii) the approval by the stockholders of the Company of a plan of complete dissolution or liquidation of the Company, or (iv) the consummation of a reorganization, recapitalization, merger, consolidation, statutory share exchange or similar form of corporate transaction involving the Company or sale, transfer or other disposition of all or substantially all of the business or assets of the Company to an entity that is not an affiliate of the Company.

Jose E. Ramos

If Mr. Ramos' employment were terminated without cause prior to the beginning of the advisory services period on January 1, 2017, he would have been entitled to (i) the base salary that he would have been entitled to receive had he remained employed with WAPA through the expiration of his employment term and (ii) 50% of the advisory services fees he would have been entitled to receive had he continued to be engaged through the expiration of the advisory services period. If Mr. Ramos'

advisory services are terminated without cause during the advisory services period, he is entitled to the advisory services fees he would have been entitled to receive had he continued to be engaged through the expiration of the advisory services period.

If Mr. Ramos' employment or advisory services are terminated due to disability he will be entitled to his base salary or advisory services fees (as the case may be) through the earliest of (A) December 31, 2016 or December 31, 2018, as applicable, (B) 180 days after the date of such disability or (C) the date of his death, which in each case shall be subject to offset on a dollar-for-dollar basis for any amounts paid to him under any of the Company's benefit plan which provides income-disability benefits. If Mr. Ramos's employment or advisory services are terminated due to death, he is entitled to continued salary or advisory services fees (as the case may be) through the end of the month of his death.

For purposes of his employment agreement, "cause" generally means: (i) executive's willful refusal to perform his duties for WAPA, (ii) in carrying out his duties under the employment agreement, executive engages in willful misconduct, or neglect, that in either case causes material economic harm to WAPA's or the Company's business or reputation, (iii) executive's material failure to comply with WAPA policies, (iv) executive's engagement in conduct which (A) constitutes a criminal offense, or (B) is or may be unlawful, to the possible detriment of WAPA, any of its affiliates or executive's own reputation, or (v) executive's indulgence in a pattern of improper or disorderly conduct, executive's failure to perform his work in an efficient manner, or executive's performance of work belatedly, negligently or in violation of WAPA's standards.

Karen A. Maloney

If Ms. Maloney's employment is terminated by the Company without cause (defined below) she will be entitled to an amount equal to one-half times her base salary. For purposes of her employment agreement, "cause" generally means: (i) executive's willful refusal to perform her duties for the Company, (ii) in carrying out her duties under the employment agreement, executive engages in willful misconduct or neglect, that in either case causes economic harm to the Company's business or reputation, (iii) executive fails to comply with Company policies, (iv) executive engagement in conduct which (A) constitutes a criminal offense, or (B) is or may be unlawful, to the possible detriment of the Company, any of its Affiliates or executive's own reputation; or (v) executive's indulgence in a pattern of improper or disorderly conduct, executive's failure to perform her work in an efficient manner, or executive's performance or work belatedly, negligently or in violation of the Company's standards.

Equity Vesting

If Messrs. Sokol, Fischer or Tolston's employment is terminated by the Company without cause (as defined in his employment agreement), due to death or disability, on the expiration date of his employment agreement or if the executive terminates his employment for good reason (as defined in his employment agreement), then all unvested time-based stock options and restricted shares fully accelerate and become 100% vested, and all performance-based stock options and restricted shares remain outstanding for 6 months following termination and are eligible to vest if the applicable performance goals are achieved.

If Mr. Ramos' employment is terminated by the Company or any of its affiliates without cause (as defined in his employment agreement), then his unvested stock options and restricted shares fully accelerate and become 100% vested. If Mr. Ramos' employment with the Company or any of its affiliates is terminated due to death or disability, then the unvested stock options and restricted shares that would have vested in the year of such death or disability accelerate and immediately become vested.

If Ms. Maloney's employment with the Company is terminated due to death or by the Company due to Disability, then the unvested options that would have vested in the year of such death or disability accelerate and immediately become vested.

Estimated Payments Upon Termination of Employment or Change in Control

The table below shows the severance payments and benefits that each NEO would receive upon (1) death or disability, (2) termination without cause, (3) termination with good reason, (4) termination without cause within 60 days prior to or 12 months following a change in control, (5) termination with good reason within 60 days prior to or 12 months following a change in control, (6) non-renewal by the Company prior to a change in control, (7) non-renewal by the Company following a change in control or (8) the expiration of the employment term. None of the NEOs are entitled to a payment upon a change in control absent a termination of employment. The amounts are calculated as if the date of termination (and change in control where applicable) occurred on December 31, 2016.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our directors, officers, and persons who own more than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC. Based solely upon review of Forms 3, 4, and 5 (and amendments thereto) furnished to us during or in respect of Fiscal 2016 and written representations from certain reporting persons, we believe that all Section 16(a) filing requirements applicable to our directors, executive officers, and 10% stockholders were satisfied in a timely manner during Fiscal 2016.

EQUITY COMPENSATION PLAN INFORMATION

The following table sets forth information with respect to compensation plans under which our equity securities are authorized for issuance as of December 31, 2016:

<u>Plan category</u>	<u>Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)</u>	<u>Weighted-average exercise price of outstanding options, warrants and rights</u>	<u>Number of securities remaining available for future issuance under equity compensation plans (excluding securities reflected in column(a)) (b)</u>
Equity compensation plans approved by security holders	2,920,000	\$11.64	2,836,461
Equity compensation plans not approved by security holders	—	—	—
Total	<u>2,920,000</u>	<u>\$11.64</u>	<u>2,836,461</u>

On May 16, 2016, our board of directors approved the adoption of the Hemisphere Media Group, Inc. Amended and Restated 2013 Equity Incentive Plan (the “Equity Incentive Plan”) pursuant to which incentive compensation and performance compensation awards may be provided to our employees, directors, officers, consultants or advisors or our subsidiaries or their respective affiliates. The Equity Incentive Plan authorizes the issuance of up to 7.2 million shares of our Class A common stock. The number of securities remaining available for issuance in column (b) of the table above reflects our issuance of certain shares of restricted Class A common stock in connection with grants authorized by our board of directors. The description of the Equity Incentive Plan above is qualified in its entirety by reference to the full text of the Equity Incentive Plan.

COMPARISON OF TOTAL STOCKHOLDER RETURN

The following graph compares the performance of our Class A common stock with the performance of the S&P 500 and a peer group index of companies that we believe are closest to ours (the “Peer Group Index”) by measuring the changes in our Class A common stock prices from April 5, 2013, through December 31, 2016. Because no published index of comparable media companies currently reports values on a dividends-reinvested basis, we have created a Peer Group Index for purposes of this graph in accordance with the requirements of the Commission. The Peer Group Index is made up of companies that engage in the broadcast and cable television programming as a significant element of their business, although not all of the companies included in the Peer Group Index participate in all of the lines of business in which we are engaged, and some of the companies included in the Peer Group Index also engage in lines of business in which we do not participate. Additionally, the market capitalizations of many of the companies included in the Peer Group Index are quite different from ours. The common stock of the following companies has been included in the Peer Group Index: AMC Networks Inc., Discovery Communications Inc., Entravision Communications Corporation and Scripps Networks Interactive, Inc. The chart assumes \$100 was invested on April 5, 2013 in each of our Class A common stock, S&P 500 and in a peer group weighted by market capitalization at the beginning of the period.

Hemisphere Stock Performance vs. Peer Index

In accordance with the rules of the SEC, this section, captioned “Comparison of Total Stockholder Return,” shall not be incorporated by reference into any of our future filings made under the Securities Exchange Act of 1934 or the Securities Act of 1933. The Comparison of Cumulative Total Return graph above, including any accompanying tables and footnotes, is not deemed to be soliciting material or deemed to be filed under the Exchange Act or the Securities Act.

AUDIT COMMITTEE REPORT

The information contained in this report shall not be deemed to be “soliciting material” or “filed” or incorporated by reference in future filings with the SEC, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933 or the Exchange Act.

Our Audit Committee consists of Eric C. Neuman, Vincent L. Sadusky, John Engelman and Andrew S. Frey. The Audit Committee operates under, and has the responsibility and authority set forth in, the written charter adopted by the Board of Directors, which can be viewed on our website, www.hemispheretv.com, under “Investor Relations—Corporate Governance.” The Audit Committee has reviewed and reassessed the adequacy of our Audit Committee Charter.

The Audit Committee Charter adopted by the Board of Directors incorporates requirements mandated by the Sarbanes-Oxley Act of 2002 and the NASDAQ listing standards. All members of the Audit Committee are independent as defined by SEC rules and NASDAQ listing standards. At least one member of the Audit Committee is an “audit committee financial expert” as defined by SEC rules.

Management is responsible for our internal controls and the financial reporting process. Our independent registered public accounting firm, RSM US LLP, is responsible for performing an independent audit of our consolidated financial statements in accordance with generally accepted auditing standards in the United States of America and auditing the Company’s internal control over financial reporting and issuing their reports thereon. The Audit Committee’s responsibility is to monitor and oversee these processes.

In this context, the Audit Committee has reviewed and discussed with management and RSM US LLP the audited consolidated financial statements for the fiscal year ended December 31, 2016, management’s assessment of the effectiveness of the Company’s internal control over financial reporting, and RSM US LLP’s audit of the Company’s internal control over financial reporting. The Audit Committee has discussed with RSM US LLP the matters that are required to be discussed by Statement on Auditing Standards No. 1301, as amended (Communication With Audit Committees). In addition, RSM US LLP has provided the Audit Committee with the written disclosures and the letter required by the applicable requirements of the Public Company Accounting Oversight Board regarding the independent accountant’s communications with the Audit Committee concerning independence and the Audit Committee has discussed with RSM US LLP their firm’s independence. The Audit Committee has concluded that RSM US LLP’s provision of audit and non-audit services to Hemisphere and its affiliates is compatible with RSM US LLP’s independence.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements for the fiscal year ended December 31, 2016 be included in our Annual Report on Form 10-K filed with the SEC for that year. The Audit Committee also recommended to the Board of Directors that RSM US LLP be appointed as our independent registered public accounting firm for Fiscal 2017.

The foregoing report is furnished by the Audit Committee of the Board of Directors.

We entered into agreements to license the rights to motion pictures from Lions Gate for a total license fee of \$1.0 million. **PROPOSAL 1:
ELECTION OF DIRECTORS**

At the Annual Meeting, stockholders will be asked to elect Peter M. Kern, Leo Hindery, Jr. and Nina C. Tassler as Class I directors to hold office until our 2020 annual meeting of stockholders. The directors will serve until their successors have been duly elected and qualified or until any such director's earlier resignation or removal. If you submit your proxy via the Internet, by telephone, or by mail, your shares will be voted for the election of the three nominees recommended by the Board of Directors, unless you mark the proxy in such a manner as to withhold authority to vote. The named proxies will vote all shares represented by proxy for the nominees for these vacancies, except to the extent authority to do so is withheld. Stockholders may withhold authority from the named proxies to vote for the nominees by marking the box under the "WITHHOLD" column adjacent to the name of the director via the Internet or on the attached proxy card, or by indicating by telephone that authority is withheld. Withholding authority to vote for the nominee will result in the nominee receiving fewer votes. If any nominee for any reason is or becomes unable or unwilling to serve, all shares represented by proxy will be voted at the Annual Meeting by the named proxies for the person, if any, as shall be designated by the Board of Directors to replace the nominee. Please see "Proxies and Voting Procedures" for information on how your shares will be voted in the absence of your instructions if you hold shares through a bank, broker, or other nominee. Each nominee has agreed to serve as a director if elected, and the Board of Directors has no reason to believe that any nominee will be unavailable to serve as a director.

Directors

Incumbent directors Peter M. Kern and Leo Hindery, Jr. and new director nominee Nina C. Tassler are being nominated for election to the Board of Directors as Class I directors. Please see "Nominees for Election to the Board of Directors" for information concerning each of the nominees for election as Class I directors.

Vote Required

To be elected as a Class I director at the Annual Meeting, each candidate for election must receive a plurality of the votes cast. A plurality vote means that the director nominee with the most affirmative votes in favor of his election to a particular directorship will be elected to that directorship.

The Board of Directors recommends that you vote FOR the election of each of Peter M. Kern, Leo Hindery, Jr. and Nina C. Tassler as Class I directors of the Company.

**PROPOSAL 2:
RATIFICATION OF APPOINTMENT OF
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR FISCAL 2017**

General

Upon recommendation of the Audit Committee, our Board of Directors has appointed RSM US LLP as our independent registered public accounting firm for Fiscal 2017. The stockholders are asked to ratify this action of the Board of Directors. Stockholder ratification of the selection of RSM US LLP as our independent registered public accounting firm for Fiscal 2017 is not required by our By-Laws, or otherwise, but is being pursued as a matter of good corporate practice. If stockholders do not ratify the selection of RSM US LLP as our independent registered public accounting firm for Fiscal 2017, our Board of Directors will reconsider the selection of our independent registered public accounting firm for Fiscal 2017. Even if the appointment is ratified, our Board of Directors, upon the recommendation of our Audit Committee, may select a different independent registered public accounting firm at any time during Fiscal 2017 if it determines such a change would be in our best interests and the best interests of our stockholders.

It is anticipated that one or more representatives of RSM US LLP will be present at the Annual Meeting with an opportunity to make a statement, if desired, and will be available to answer appropriate questions from stockholders who are present.

Independent Auditor Fees

The following table summarizes the fees RSM US LLP, our independent auditor, billed to us for each of the last two fiscal years (in thousands):

	Audit Fees \$	Audit-Related Fees \$	Tax Fees \$	All Other Fees \$	Total
2016	440,000	10,000	76,400	9,400	535,800
2015	453,702	115,256	67,345	—	636,303

In the above table, in accordance with the SEC’s definitions and rules, “Audit Fees” are fees we paid RSM US LLP for professional services for the audit of our consolidated financial statements included in our Form 10-K and the review of our financial statements included in Form 10-Qs or services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements. “Audit-Related Fees” are fees for assurance and related services that are reasonably related to the performance of the audit or review of our financial statements. “Tax Fees” are fees for tax compliance, tax advice, and tax planning. Such fees were attributable to services for tax-compliance assistance and tax advice. “All Other Fees” are fees, if any, for any services not included in the first three categories.

Pre-Approval of Independent Auditor Services and Fees

It is the policy of the Audit Committee to pre-approve all services, audit and non-audit, to be provided to the Company by its independent registered public accounting firm. Under the policy, the Audit Committee is generally required to pre-approve the provision by the Company’s independent registered public accounting firm of specific audit, audit-related, tax and other non-audit services, subject to the fee limits established from time to time by the Audit Committee, as being consistent with auditor independence. The Audit Committee pre-approved the Fiscal 2016 audit services engagement performed by RSM US LLP. In accordance with the Audit Committee’s pre-approval policy, the Audit Committee has pre-approved all other specified audit, non-audit, tax, and other services.

Vote Required

The affirmative vote of a majority in voting power of shares of stock present in person or represented by proxy at the Annual Meeting and entitled to vote thereon is required to ratify the Board of Directors' appointment of RSM US LLP as our independent registered public accounting firm for Fiscal 2017.

The Board of Directors recommends that you vote FOR the ratification of the appointment of RSM US LLP as our independent registered public accounting firm for Fiscal 2017.

**PROPOSAL 3:
APPROVAL OF AMENDMENT TO THE
CERTIFICATE OF INCORPORATION**

General

We are seeking the approval by our stockholders of an amendment to the Company's Charter. Our Board of Directors unanimously determined that it is advisable and in our best interests, and in the best interests of our stockholders to amend the Charter to provide for the equal treatment of shares of the Company's Class A common stock and Class B common stock in connection with certain transactions, as described further below.

On September 7, 2016, in order to provide liquidity options to its limited partners, InterMedia offered its limited partners several alternatives with respect to the equity securities of the Company owned by InterMedia, and its wholly-owned subsidiary, InterMedia Cine Latino, LLC. In connection therewith, the Company entered into the Stockholders Agreement, pursuant to which the Company agreed to hold a stockholder vote on Proposal 3 and Gato has agreed to vote in favor of this Proposal 3.

The amendment would add a new provision (a new Section 4.5) to the Charter, which would provide that, except as provided in the Charter, in the event of a merger, consolidation or similar business combination, the holders of shares of Class A common stock and Class B common stock will receive the same form of consideration and the same amount of consideration, identically and ratably, on a per share basis. The full text of the new Section 4.5, would read in its entirety, as follows:

“Section 4.5: Notwithstanding anything herein to the contrary, in the event that the Company shall enter into any consolidation, merger, combination or other transaction in which shares of Common Stock are exchanged for, converted into, or otherwise changed into other stock or securities, or the right to receive cash or any other property, shares of Class A Common Stock and Class B Common Stock shall receive the same consideration, identically and ratably, on a per share basis, with respect to any consideration into which such shares are converted or any consideration paid or otherwise distributed to stockholders of the Company; provided, however, that in the event that the holders of a class of Common Stock are granted rights to elect to receive one of two or more alternative forms of consideration, the foregoing shall be deemed satisfied if holders of each class of Common Stock are granted identical election rights.”

On March 9, 2017, our Board of Directors adopted, subject to stockholder approval, resolutions approving and declaring advisable, and recommending our stockholders approve, the Charter as amended to include Section 4.5, (the “Amended Charter”), in the form attached to this proxy statement as Appendix A. If the Amended Charter is adopted by the required vote of our stockholders, we intend to file the Amended Charter with the Secretary of State of the State of Delaware (such filing which is expected to occur promptly following the Annual Meeting). The Amended Charter will be effective immediately upon acceptance of filing by the Secretary of State (Effective Date). Our Board of Directors reserves the right to abandon or delay the filing of the Amended Charter even if it is approved by our stockholders. This summary of the proposed amendment to the Charter is qualified in its entirety by reference to Appendix A.

Vote Required

The affirmative vote of the holders of a majority of the voting power of our outstanding Common Stock, voting together as a single class is required to approve the Amended Charter. In addition, we are requiring the affirmative vote of the holders of a majority of the voting power of our outstanding Class B common stock, voting as a separate class, to approve the Amended Charter, even though it is not clear that such a separate class vote is required under Delaware law to approve that Proposal.

The Board of Directors recommends that you vote FOR the approval of the Amended Charter.

**PROPOSAL 4:
NON-BINDING ADVISORY VOTE ON EXECUTIVE COMPENSATION**

In accordance with Section 14A of the Exchange Act (which was added by the Dodd-Frank Wall Street Reform and Consumer Protection Act (the “Dodd-Frank Act”)) and the related rules of the SEC, we are including in this proxy statement a separate resolution to enable our stockholders to approve, on an advisory and non-binding basis, the compensation of our named executive officers. The compensation of our named executive officers is described in the Compensation Discussion and Analysis, the compensation tables, and the accompanying narrative starting on page 20 of this proxy statement.

This proposal, commonly known as a “say-on-pay” proposal, gives our stockholders the opportunity to express their views on our named executive officers’ compensation. This vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers and the philosophy, policies, and practices described in this proxy statement.

The Compensation Discussion and Analysis section of this proxy statement and the accompanying tables and narrative starting on page 20 above provide a comprehensive review of our named executive officer compensation strategy, objectives, factors, program, and rationale. We urge you to read this disclosure before voting on this non-binding proposal. As described in detail in such disclosure, our compensation programs are designed to attract and retain highly qualified executives, to align the compensation paid to executives with the business strategies of our Company, and to align the interests of our executives with the interests of our stockholders. We believe that our compensation program, with its balance of guaranteed salary, performance-based cash bonuses, and performance conditions for equity awards reward sustained performance that is aligned with long-term stockholder interests.

For the reasons stated above, and pursuant to Section 14A of the Exchange Act, we are requesting your non-binding approval of the following resolution:

“RESOLVED, that the compensation paid to the Company’s named executive officers, as disclosed pursuant to Item 402 of Regulation S-K, including the Compensation Discussion and Analysis, compensation tables, and narrative discussion is hereby APPROVED.”

Your vote on this proposal is advisory, and therefore nonbinding on the Company and the Board of Directors and will not be construed as overruling a decision by the Company or the Board of Directors. Your vote will not create or imply any change to our fiduciary duties or create or imply any additional fiduciary duties for the Company or the Board of Directors. However, the Board of Directors and the Compensation Committee, which is responsible for designing and administering our executive compensation program, each value the opinions that our stockholders express in their votes and will consider the outcome of the vote when making future executive compensation decisions, as they deem appropriate.

Frequency Vote

In addition to requesting the non-binding stockholder advisory approval of the Company’s executive compensation program, the Dodd-Frank Act also requires the Company to separately seek, once every six years, stockholder approval of how often the Company will seek advisory approval of the named executive officers’ compensation (referred to as the “say-on-frequency” vote). The Dodd-Frank Act requires that the Company present every one, two, or three years, or abstain, as voting alternatives for stockholders with respect to the “say-on-frequency” vote. As set forth in Proposal 5 below, this year our stockholders are requested to cast an advisory “say-on-frequency” vote.

Vote Required

The affirmative vote of a majority in voting power of shares of stock present in person or represented by proxy at the Annual Meeting and entitled to vote thereon is required to approve, on an advisory basis, the compensation of the Company’s named executive officers.

The Board of Directors recommends that you vote FOR the approval, on an advisory basis, of the compensation of our named executive officers.

**PROPOSAL 5:
NON-BINDING ADVISORY VOTE ON THE FREQUENCY OF
STOCKHOLDER ADVISORY VOTES ON EXECUTIVE COMPENSATION**

In addition to providing stockholders with the opportunity to cast an advisory vote on executive compensation, the Dodd-Frank Act also requires the Company to seek, once every six years, stockholder approval of how often the Company will seek advisory approval of the named executive officers' compensation. This non-binding advisory vote is commonly referred to as a "say-on-frequency" vote. The Dodd-Frank Act requires that the Company present every one, two, or three years, or abstain, as voting alternatives for stockholders.

After careful consideration, the Board of Directors has determined that a non-binding advisory vote on named executive officer compensation that occurs annually is the most appropriate, and the Board recommends that stockholders vote for the approval of this interval. The Board believes that holding a vote every year is the most appropriate option because (i) it would enable our stockholders to provide us with input regarding the compensation of our named executive officers on an annual basis; and (ii) it would encourage greater engagement with our stockholders to obtain their input on our corporate governance matters and our executive compensation philosophy, policies, and practices.

Stockholders are not voting to approve or disapprove the recommendation of our Board of Directors. Instead, stockholders may cast a vote on their preferred voting frequency by choosing any of the following four options with respect to this proposal: "one year," "two years," "three years," or "abstain." For the reasons discussed above, we are asking our stockholders to vote for a frequency of "one year." The option that receives the most votes cast at the Annual Meeting will be considered by the Board of Directors in determining the preferred frequency with which we will hold a stockholder vote to approve the compensation of our named executive officers.

Your vote on this proposal will be advisory and non-binding on the Company, the Board, and the Compensation Committee. However, the Board of Directors and Compensation Committee value the opinions expressed by stockholders in their vote on this proposal and will consider the option that receives the most votes in determining the frequency of future votes on the compensation of our named executive officers.

Vote Required

Generally, the affirmative vote of a majority in voting power of shares of stock present in person or represented by proxy at the Annual Meeting and entitled to vote thereon is required to approve matters presented to the stockholders. However, because the vote on this proposal is not binding on the Board or the Company, if none of the frequency options—one year, two years or three years—receives the required majority vote, the option receiving the greatest number of votes will be considered the frequency preferred by the stockholders. This vote is not binding, but the Board will take into account the outcome of this vote in making a determination on the frequency with which advisory votes on executive compensation will be held.

The Board of Directors recommends that stockholders vote for a non-binding advisory vote on the compensation of our named executive officers be held every "ONE YEAR."

OTHER MATTERS

The Board of Directors knows of no items of business to be brought before the Annual Meeting other than as described above. If any other items of business should properly come before the Annual Meeting, it is the intention of the persons named in the enclosed proxy card to vote such proxies in accordance with their best judgment with respect to any such items. Discretionary authority for them to do so is contained in the enclosed proxy card and the Internet and telephone proxy submission procedures.

4.3 *Common Stock.* Except as otherwise provided in this Section 4.3 or as otherwise required by applicable law, all shares of Class A Common Stock and Class B Common Stock shall be identical in all respects and shall entitle the holders thereof to the same rights and privileges and shall be subject to the same qualifications, limitations and restrictions. Except as may otherwise be provided in this Amended and Restated Certificate of Incorporation (including any certificate filed with the Secretary of State of the State of Delaware establishing the terms of a series of Preferred Stock in accordance with Section 4.2) or by applicable law, no holder of any series of Preferred Stock, as such, shall be entitled to any voting powers in respect thereof.

(a) *Voting Rights.* At every meeting of the stockholders, except as specifically otherwise required by law or provided below, the holders of Class A Common Stock and the holders of Class B Common Stock shall vote together as a single class, provided that the holders of Class A Common Stock shall be entitled to one (1) vote per share, and the holders of Class B Common Stock shall be entitled to ten (10) votes per share, on all matters presented for a vote of the stockholders of the Corporation; provided further that, except as otherwise required by law, holders of Common Stock shall not be entitled to vote on any amendment to this Amended and Restated Certificate of Incorporation (including any Certificate of Designations relating to any series of Preferred Stock) that relates solely to the terms of one or more outstanding series of Preferred Stock if the holders of such affected series are entitled, either separately or together as a class with the holders of one or more other such series, to vote thereon by law or pursuant to this Amended and Restated Certificate of Incorporation (including any Certificate of Designations relating to any series of Preferred Stock). At every meeting of the stockholders called for the election of directors the holders of Class A Common Stock and Class B Common Stock, voting together as a class, shall be entitled to elect the directors to be elected at such meeting. If, during the interval between annual meetings of stockholders for the election of directors, the number of directors who have been elected by the holders of Common Stock shall, by reason of resignation, death or removal, be reduced, the vacancy or vacancies in the directors elected by the holders of Common Stock may be filled by a majority vote of the remaining directors then in office. Any director elected to fill any vacancy by the remaining directors then in office may be removed from office without cause by a vote of the holders of a majority of the voting power represented by the shares of Common Stock then outstanding. Any election of directors need not be by written ballot unless the Bylaws of the Corporation shall so provide.

(b) *Dividends.* Subject to applicable law and the rights, if any, of the holders of any outstanding series of Preferred Stock, dividends may be declared and paid on the Common Stock at such times and in such amounts as the Board in its discretion shall determine. As and when dividends are declared or paid with respect to shares of Common Stock, whether in cash, property or securities of the Corporation, the holders of Class A Common Stock and the holders of Class B Common Stock shall be entitled to receive such dividends pro rata at the same rate per share for each such class of Common Stock; provided that if dividends are declared or paid in shares of Common Stock (or rights to subscribe for or purchase shares of Common Stock or securities or indebtedness convertible into or exchangeable for shares of Common Stock), the dividends payable to the holders of Class A Common Stock shall be payable in shares of Class A Common Stock (or rights to subscribe for or purchase shares of Class A Common Stock or securities or indebtedness convertible into or exchangeable for shares of Class A Common Stock) and the dividends payable to the holders of Class B Common Stock shall be payable in shares of Class B Common Stock (or

rights to subscribe for or purchase shares of Class B Common Stock or securities or indebtedness convertible into or exchangeable for shares of Class B Common Stock).

(c) *Reservation.* The Corporation shall at all times reserve and keep available out of its authorized but unissued shares of Common Stock Class A Common Stock in a quantity sufficient to provide for the conversion of all outstanding shares of the Class B Common Stock.

(d) *Conversion of Class B Common Stock.* The shares of Class B Common Stock shall be convertible in whole or in part at any time at the option of the holder or holders thereof, into an equal number of fully paid and non-assessable shares of Class A Common Stock. Such right shall be exercised by delivering to the office of the Corporation (i) the certificate or certificates representing the shares of Class B Common Stock to be converted, duly endorsed in blank or accompanied by duly executed proper instruments of transfer, and (ii) written notice to the Corporation stating that such holder or holders elect(s) to convert such share or shares and stating the name and address in which each certificate for shares of Class A Common Stock issued upon conversion is to be issued. Conversion shall be deemed to have been effected as of the date as of which the conversion is recorded on the books of the Corporation. The Corporation shall cause the transfer agent to deliver a certificate or certificates for the Class A Common Stock as promptly as reasonably practicable after the conversion has been recorded on the books of the Corporation. Any conversion of Class B Common Stock effected subject to this Section 4.3(d) or any other section of this Amended and Restated Certificate of Incorporation shall be subject to any necessary approval of the Federal Communications Commission (the "FCC") and such conversion shall not become effective until such time and date as the order of the FCC approving such event shall be granted.

(e) *Listing.* If the shares of Class A Common Stock required to be reserved for the purpose of conversion hereunder require listing on any national securities exchange or automated interdealer quotation system, before such shares are issued upon conversion, the Corporation will, at its expense and as expeditiously as possible, use its commercially reasonable best efforts to cause such shares to be so listed or duly approved for listing.

(f) *No Charge.* The issuance of certificates representing Class A Common Stock upon conversion of Class B Common Stock, as hereinabove set forth shall be made without charge or any expense or issuance tax in respect thereof; provided, however, that the Corporation shall not be required to pay any taxes which may be payable in respect of any transfer involved in the issuance and delivery of any certificate in a name other than that of the holder of the shares converted.

(g) *Transfer of Class B Common Stock.*

(i) A Beneficial Owner (as hereinafter defined) of shares of Class B Common Stock (herein referred to as a "Class B Stockholder") may transfer, directly or indirectly, shares of Class B Common Stock, whether by sale, assignment, gift or otherwise, only to a Class B Permitted Transferee (as hereinafter defined) and no Class B Stockholder may otherwise transfer Beneficial Ownership (as hereinafter defined) of any shares of Class B Common Stock. In the event of any attempted transfer of the Beneficial Ownership of any shares of Class B Common Stock in violation of the limitation provided in the preceding sentence, the shares of Class B Common Stock with respect to which the transfer of such Beneficial Ownership has been attempted shall be deemed to have been converted automatically, without further deed or action by or on behalf of any person, into shares of Class A Common Stock. A "Class B Permitted Transferee" shall be limited to the Corporation, Leo Hindery, Jr., Peter Kern or any corporation, partnership or other business entity if Substantial Beneficial Ownership is held by Leo Hindery, Jr. and/or Peter Kern.

(ii) Any person who holds shares of Class B Common Stock for the Beneficial Ownership of another, including (A) any broker or dealer in securities; (B) any clearing house; (C) any bank, trust company, savings and loan association or other financial institution; (D) any other nominee; and (E) any savings plan or account or related trust, such as an individual retirement account, principally for the benefit of any individual, may transfer such shares to the person or persons for whose benefit it holds such shares. Notwithstanding anything to the contrary set forth herein, any holder of Class B Common Stock may pledge such shares to a pledgee pursuant to a bona fide pledge of such shares as collateral security for indebtedness due to the pledgee, provided that such shares may not be transferred to or registered in the name of the pledgee unless such pledgee is a Class B Permitted Transferee. In the event of foreclosure or other similar action by the pledgee, such pledged shares shall automatically, without any act or deed on the part of the Corporation or any other person, be converted into shares of Class A Common Stock unless within five business days after such foreclosure or similar event such pledged shares are returned to the pledgor or transferred to a Class B Permitted Transferee. The foregoing provisions of this paragraph shall not be deemed to restrict or prevent any transfer of such shares by operation of law upon incompetence, death, dissolution or bankruptcy of any Class B Stockholder or any provision of law providing for, or judicial order of, forfeiture, seizure or impoundment; provided that any shares so transferred by operation of law other than to a Class B Permitted Transferee shall convert automatically into shares of Class A Common Stock.

(iii) Any transferee of shares of Class B Common Stock pursuant to a transfer made in violation of paragraphs (i) and (ii) of this Section 4.3(g) shall have no rights as a stockholder of the Corporation and no other rights against or with respect to the Corporation except the right to receive, in accordance with paragraph (ii) of Section 4.3(d) or paragraphs (i) and (ii) of this Section 4.3(g), as applicable, shares of Class A Common Stock upon the conversion of such transferred shares. Notwithstanding any other provision of this Restated Certificate of Incorporation, the Corporation shall, to the full extent permitted by law, be entitled to issue shares of Class B Common Stock to any person from time to time.

(iv) The Corporation and any transfer agent of Class B Common Stock may as a condition to the transfer or the registration of any transfer of shares of Class B Common Stock permitted by paragraphs (i) and (ii) of this Section 4.3(g) require the furnishing of such affidavits or other proof as they deem necessary to establish that such transferee is a Class B Permitted Transferee.

(h) *No Interference.* The Corporation will not close its books against the transfer of any share of Common Stock or of any of the shares of Common Stock issued or issuable upon the conversion of such shares of Common Stock in any manner which interferes with the timely conversion of any of such shares.

(j) *Liquidation, Dissolution or Winding Up.* Subject to the provisions of the Preferred Stock, including any resolution or resolutions adopted pursuant to the provisions of Section 4.2, in the event of any liquidation, dissolution or winding up of the Corporation, all remaining assets of the Corporation shall be distributed to holders of the Common Stock pro rata at the same rate per share of each class of Common Stock according to their respective holdings of shares of the Common Stock.

(k) *Stock Splits.* The Corporation shall not in any manner subdivide or combine (by any stock split, stock dividend, reclassification, recapitalization or otherwise) the outstanding shares of one class of Common Stock unless the outstanding shares of all classes of Common Stock shall be proportionately subdivided or combined.

4.4 *Definitions.* For the purposes of this Article 4:

“Beneficial Owner” in respect of shares of Class B Common Stock shall mean the person or persons who possess Beneficial Ownership.

“Beneficial Ownership” in respect of shares of Class B Common Stock shall mean possession of the power and authority, either singly or jointly with another, to vote or dispose of or to direct the voting or disposition of such shares.

“Substantial Beneficial Ownership” in respect of any corporation, partnership or other business entity shall mean possession of the power and authority, either singly or jointly with another, to vote or dispose of or to direct the voting or disposition of at least 80% of each class of equity ownership interest in such corporation, partnership or other business entity.

4.5 *Equal Treatment.* Notwithstanding anything herein to the contrary, in the event that the Company shall enter into any consolidation, merger, combination or other transaction in which shares of Common Stock are exchanged for, converted into, or otherwise changed into other stock or securities, or the right to receive cash or any other property, shares of Class A Common Stock and Class B Common Stock shall receive the same consideration, identically and ratably, on a per share basis, with respect to any consideration into which such shares are converted or any consideration paid or otherwise distributed to stockholders of the Company; provided, however, that in the event that the holders of a class of Common Stock are granted rights to elect to receive one of two or more alternative forms of consideration, the foregoing shall be deemed satisfied if holders of each class of Common Stock are granted identical election rights.

5. *Board of Directors.*

5.1 *Number of Directors.*

5.1.1 The business and affairs of the Corporation shall be managed by, or under the direction of, the Board. Except as otherwise provided for or fixed pursuant to Article 4 relating to the rights of the holders of any series of Preferred Stock to elect additional directors, the total number of directors constituting the entire Board shall be not less than six (6) nor more than fifteen (15), with the then-authorized number of directors being fixed from time to time by the Board.

5.1.2 During any period when the holders of any series of Preferred Stock have the right to elect additional directors as provided for or fixed pursuant to the provisions of Article 4, then upon the commencement, and for the duration, of the period during which such right continues: (i) the then total authorized number of directors of the Corporation shall automatically be increased by such specified number of additional directors, and the holders of such Preferred Stock shall be entitled to elect the additional directors pursuant to the terms of the Board’s designation, and (ii) each such additional director shall serve until such director’s successor shall have been duly elected and qualified, or until such director’s right to hold such office terminates pursuant to such provisions, whichever occurs earlier, subject to his or her earlier death, disqualification, resignation or removal. Except as otherwise provided by the Board, whenever the holders of any series of Preferred Stock having such right to elect additional directors are divested of such right pursuant to the provisions of such stock, the terms of office of all such additional directors elected by the holders of such stock, or elected to fill any vacancies resulting from the death, resignation, disqualification or removal of such additional directors, shall forthwith terminate and the total and authorized number of directors of the Corporation shall be reduced accordingly.

5.2 *Staggered Board.* The Board (other than those directors elected by the holders of any series of Preferred Stock provided for or fixed pursuant to Article 4 (the “Preferred Stock Directors”)) shall be divided into three classes, as nearly equal in number as possible, designated Class I, Class II and Class III. Class I directors shall initially serve until the first annual meeting of stockholders following the effectiveness of this Article; Class II directors shall initially serve until the second annual meeting of stockholders following the effectiveness of this Article; and Class III directors shall initially serve until the third annual meeting of stockholders following the effectiveness of this Article. Commencing with the first annual meeting of stockholders following the effectiveness of this Article, directors of each class the term of which shall then expire shall be elected to hold office for a three-year term and until the election and qualification of their respective successors in office. In case of any increase or decrease, from time to time, in the number of directors (other than Preferred Stock Directors), the number of directors in each class shall be apportioned as nearly equal as possible.

5.3 *Vacancies and Newly Created Directorships.* Subject to the rights of the holders of any one or more series of Preferred Stock then outstanding, newly created directorships resulting from any increase in the authorized number of directors or any vacancies in the Board resulting from death, resignation, retirement, disqualification, removal or other cause shall be filled solely by the affirmative vote of a majority of the remaining directors then in office, even though less than a quorum of the Board. Any director so chosen shall hold office until the next election of the class for which such director shall have been chosen and until his or her successor shall be elected and qualified. No decrease in the number of directors shall shorten the term of any incumbent director.

5.4 *Removal of Directors for Cause.* Except for such additional directors, if any, as are elected by the holders of any series of Preferred Stock as provided for or fixed pursuant to Article 4, any director or the entire Board may be removed from office at any time, but only for cause and only by the affirmative vote of a majority of the total voting power of the outstanding shares of capital stock of the Corporation entitled to vote generally in the election of directors, voting together as a single class.

6. *Stock Ownership and the Federal Communications Laws*

6.1 *Restrictions on Stock Ownership or Transfer.* As contemplated by this Article 6, the Corporation may restrict the ownership, or proposed ownership, of shares of capital stock of the Corporation by any person if such ownership or proposed ownership (a) is or could be inconsistent with, or in violation of, any provision of the Federal Communications Laws (as hereinafter defined), (b) limits or impairs or could limit or impair any business activities or proposed business activities of the Corporation under the Federal Communications Laws or (c) subjects or could subject the Corporation to any regulation under the Federal Communications Laws to which the Corporation would not be subject but for such ownership or proposed ownership (clauses (a), (b) and (c) collectively, “FCC Regulatory Limitations”). For purposes of this Article 6, the term “Federal Communications Laws” shall mean any law of the United States now or hereafter in effect (and any regulation thereunder), including, without limitation, the Communications Act of 1934, as amended (the “Communications Act”), and regulations thereunder, pertaining to the ownership and/or operation or regulating the business activities of (x) any television or radio station, daily newspaper, cable television system or other medium of mass communications or (y) any provider of programming content to any such medium.

6.2 *Requests for Information.* If the Corporation believes that the ownership or proposed ownership of shares of capital stock of the Corporation by any person may result in an FCC Regulatory Limitation, such person shall furnish promptly to the Corporation such information (including, without limitation, information with respect to citizenship, other ownership interests and affiliations) as the Corporation shall request.

6.3 *Denial of Rights, Refusal to Transfer.* If (a) any person from whom information is requested pursuant to Section 6.2 should not provide all the information requested by the Corporation, or (b) the Corporation shall reasonably conclude that a stockholder's ownership or proposed ownership of, or that a stockholder's exercise of any rights of ownership with respect to, shares of capital stock of the Corporation results or could result in an FCC Regulatory Limitation, then, in the case of either clause (a) or clause (b), the Corporation may (i) refuse to permit the transfer of shares of capital stock of the Corporation to such proposed stockholder, (ii) suspend those rights of stock ownership the exercise of which causes or could cause such FCC Regulatory Limitation, (iii) redeem such shares of capital stock of the Corporation held by such stockholder in accordance with the terms and conditions set forth in this Section 6.3, (iv) require the conversion of any or all of the shares of Class B Common Stock held by such stockholder into an equal number of shares of Class A Common Stock, and/or (v) exercise any and all appropriate remedies, at law or in equity, in any court of competent jurisdiction, against any such stockholder or proposed transferee, with a view towards obtaining such information or preventing or curing any situation which causes or could cause an FCC Regulatory Limitation. Any such refusal of transfer or suspension of rights pursuant to clauses (i) and (ii), respectively, of the immediately preceding sentence shall remain in effect until the requested information has been received and the Corporation has determined that such transfer, or the exercise of such suspended rights, as the case may be, will not result in an FCC Regulatory Limitation. The terms and conditions of redemption pursuant to clause (iv) of this Section 6.3 shall be as follows:

(i) the redemption price of any shares to be redeemed pursuant to this Section 6.3 shall be equal to the Fair Market Value (as hereinafter defined) of such shares;

(ii) the redemption price of such shares may be paid in cash, Redemption Securities (as hereinafter defined) or any combination thereof;

(iii) if less than all such shares are to be redeemed, the shares to be redeemed shall be selected in such manner as shall be determined by the Board of Directors, which may include selection first of the most recently purchased shares thereof, selection by lot or selection in any other manner determined by the Board of Directors;

(iv) at least 15 days' written notice of the Redemption Date (as hereinafter defined) shall be given to the record holders of the shares selected to be redeemed (unless waived in writing by any such holder); provided that the Redemption Date may be the date on which written notice shall be given to record holders if the cash or Redemption Securities necessary to effect the redemption shall have been deposited in trust for the benefit of such record holders and subject to immediate withdrawal by them upon surrender of the stock certificates for their shares to be redeemed;

(v) from and after the Redemption Date, any and all rights of whatever nature in respect of the shares selected for redemption (including, without limitation, any rights to vote or participate in dividends declared on stock of the same class or series as such shares), shall cease and terminate and the holders of such shares shall thenceforth be entitled only to receive the cash or Redemption Securities payable upon redemption; and

(vi) such other terms and conditions as the Board of Directors shall determine.

For purposes of this Section 6.3:

(A) "Fair Market Value" shall mean, with respect to a share of the Corporation's capital stock of any class or series, the volume weighted average sales price for such a share on the NASDAQ Stock Market or, if such stock is not listed on such exchange, on the principal U.S. registered securities exchange on which such stock is listed, during the 30 most recent days on which shares of stock of such class or series shall have been traded preceding the day on which notice of redemption shall be given pursuant to this Section 6.3; provided, however, that if shares of stock of

such class or series are not traded on any securities exchange, “Fair Market Value” shall be determined by the Board of Directors in good faith; and provided, further, that “Fair Market Value” as to any stockholder who purchased his stock within 120 days of a Redemption Date need not (unless otherwise determined by the Board of Directors) exceed the purchase price paid by him.

(B) “Redemption Date” shall mean the date fixed by the Board of Directors for the redemption of any shares of stock of the Corporation pursuant to this Section 6.3.

(C) “Redemption Securities” shall mean any debt or equity securities of the Corporation, any subsidiary of the Corporation or any other corporation or other entity, or any combination thereof, having such terms and conditions as shall be approved by the Board of Directors and which, together with any cash to be paid as part of the redemption price, in the opinion of any nationally recognized investment banking firm selected by the Board of Directors (which may be a firm which provides other investment banking, brokerage or other services to the Corporation), has a value, at the time notice of redemption is given pursuant to this Section 6.3, at least equal to the Fair Market Value of the shares to be redeemed pursuant to this Section 6.3 (assuming, in the case of Redemption Securities to be publicly traded, such Redemption Securities were fully distributed and subject only to normal trading activity).

6.4 *Legends.* The Corporation shall instruct the Corporation’s transfer agent that the shares of capital stock of the Corporation are subject to the restrictions set forth in this Article 6 and such restrictions shall be noted conspicuously on the certificate or certificates representing such capital stock or, in the case of uncertificated securities, contained in the notice or notices sent as required by applicable law.

6.5 *Certain Definitions.* For purposes of this Article 6, the word “person” shall include not only natural persons but partnerships (limited or general), associations, corporations, limited liability companies, joint ventures and other legal entities, and the word “regulation” shall include not only regulations but rules, published policies and published controlling interpretations by an administrative agency or body empowered to administer a statutory provision of the Federal Communications Laws.

7. *Limitation of Liability.*

7.1 To the fullest extent permitted under the DGCL, as amended from time to time, no director of the Corporation shall be personally liable to the Corporation or its stockholders for monetary damages for breach of fiduciary duty as a director.

7.2 Any amendment or repeal of Section 7.1 shall not adversely affect any right or protection of a director of the Corporation hereunder in respect of any act or omission occurring prior to the time of such amendment or repeal.

8. *Indemnification.*

8.1 *Right to Indemnification.* The Corporation shall indemnify and hold harmless, to the fullest extent permitted by applicable law as it presently exists or may hereafter be amended, any person (a “Covered Person”) who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (a “Proceeding”), by reason of the fact that he or she, or a person for whom he or she is the legal representative, is or was a director or officer of the Corporation or, while a director or officer of the Corporation, is or was serving at the request of the Corporation as a director, officer, employee or agent of another entity or enterprise, including service with respect to employee benefit plans, against all liability and loss suffered and expenses (including attorneys’ fees) reasonably incurred by such Covered Person. Notwithstanding the preceding sentence, except

as otherwise provided in Section 8.3, the Corporation shall be required to indemnify a Covered Person in connection with a Proceeding (or part thereof) commenced by such Covered Person only if the commencement of such Proceeding (or part thereof) by the Covered Person was authorized by the Board.

8.2 *Prepayment of Expenses.* To the extent not prohibited by applicable law, the Corporation shall pay the expenses (including attorneys' fees) incurred by a Covered Person in defending any Proceeding in advance of its final disposition; *provided, however,* that, to the extent required by applicable law, such payment of expenses in advance of the final disposition of the Proceeding shall be made only upon receipt of an undertaking by the Covered Person to repay all amounts advanced if it should be ultimately determined that the Covered Person is not entitled to be indemnified under this Article 8 or otherwise.

8.3 *Claims.* If a claim for indemnification or advancement of expenses under this Article 8 is not paid in full within 30 days after a written claim therefor by the Covered Person has been received by the Corporation, the Covered Person may file suit to recover the unpaid amount of such claim and, if successful in whole or in part, shall be entitled to be paid the expense of prosecuting such claim. In any such action the Corporation shall have the burden of proving that the Covered Person is not entitled to the requested indemnification or advancement of expenses under applicable law.

8.4 *Nonexclusivity of Rights.* The rights conferred on any Covered Person by this Article 8 shall not be exclusive of any other rights that such Covered Person may have or hereafter acquire under any statute, provision of this Certificate of Incorporation, the By-laws, agreement, vote of stockholders or disinterested directors or otherwise.

8.5 *Other Sources.* The Corporation's obligation, if any, to indemnify or to advance expenses to any Covered Person who was or is serving at its request as a director, officer, employee or agent of another entity or enterprise shall be reduced by any amount such Covered Person may collect as indemnification or advancement of expenses from such other entity or enterprise.

8.6 *Amendment or Repeal.* Any amendment or repeal of the foregoing provisions of this Article 8 shall not adversely affect any right or protection hereunder of any Covered Person in respect of any act or omission occurring prior to the time of such amendment or repeal.

8.7 *Specified Directors.* The Corporation hereby acknowledges that some of its directors (the "Specified Directors") may have certain rights to indemnification and advancement of expenses provided by other entities and/or organizations (collectively, the "Fund Indemnitors"). The Corporation hereby agrees and acknowledges (i) that it is the indemnitor of first resort with respect to the Specified Directors (i.e., its obligations to the Specified Directors are primary and any obligation of the Fund Indemnitors to advance expenses or to provide indemnification for the same expenses or liabilities incurred by the Specified Directors are secondary), (ii) that it shall be required to advance the full amount of expenses incurred by the Specified Directors and shall be liable for the full amount of all expenses, judgments, penalties, fines and amounts paid in settlement to the extent not prohibited by (and not merely to the extent affirmatively permitted by) applicable law and as required by this Certificate of Incorporation (or any other agreement between the Corporation and the Specified Directors), without regard to any rights the Specified Directors may have against the Fund Indemnitors and (iii) that it irrevocably waives, relinquishes and releases the Fund Indemnitors from any and all claims against the Fund Indemnitors for contribution, subrogation or any other recovery of any kind in respect thereof. The Corporation further agrees and acknowledges that no advancement or payment by the Fund Indemnitors on behalf of the Specified Directors with respect to any claim for which the Specified Directors have sought indemnification from the Corporation shall affect the foregoing and the Fund Indemnitors

shall have a right of contribution and/or be subrogated to the extent of such advancement or payment to all of the rights of recovery of the Specified Directors against the Corporation.

8.8 *Other Indemnification and Prepayment of Expenses.* This Article 8 shall not limit the right of the Corporation, to the extent and in the manner permitted by applicable law, to indemnify and to advance expenses to persons other than Covered Persons when and as authorized by appropriate corporate action.

9. *Conflicts of Interest.* The stockholders, their affiliates and the directors elected or appointed to the Board by the stockholders (other than the Chief Executive Officer, who may also serve as a director): (a) may have participated, directly or indirectly, and may continue to participate (including, without limitation, in the capacity of investor, manager, officer and employee) in businesses that are similar to or compete with the business (or proposed business) of the Corporation; (b) may have interests in, participate with, aid and maintain seats on the board of directors of other such entities; and (c) may develop opportunities for such entities (collectively, the “*Position*”). In such Position, the stockholders, their affiliates and the directors elected or appointed to the Board by the stockholders may encounter business opportunities that the Corporation or the stockholders may desire to pursue. The stockholders, their affiliates and the directors elected or appointed by the stockholders (other than the Chief Executive Officer, who may also serve as a director) to the Board shall have no obligation to the Corporation, the stockholders or to any other person to present any such business opportunity to the Corporation before presenting and/or developing such opportunity with any other persons, other than such opportunities specifically presented to any such stockholder or Director for the Corporation’s benefit in his or her capacity as a stockholder or director. In any such case, to the extent a court might hold that the conduct of such activity is a breach of a duty to the Corporation, the Corporation hereby waives any and all claims and causes of action that the Corporation believes that it may have for such activities and hereby renounces any expectancy in any such corporate opportunity.

10. *Adoption, Amendment or Repeal of By-Laws.* In furtherance and not in limitation of the powers conferred by the laws of the State of Delaware, the Board is expressly authorized to adopt, amend and repeal By-laws, subject to the power of the stockholders of the Corporation to adopt, amend and repeal any By-laws whether adopted by them or otherwise. Notwithstanding any other provisions of this Amended and Restated Certificate of Incorporation or the By-laws (and notwithstanding the fact that a lesser percentage may be permitted by applicable law, this Amended and Restated Certificate of Incorporation or the By-laws), but in addition to any affirmative vote of the holders of any particular class of stock of the Corporation required by applicable law or this Amended and Restated Certificate of Incorporation, the affirmative vote of the holders of a majority of the voting power of the shares of the then outstanding voting stock of the Corporation, voting together as a single class, shall be required for the stockholders to adopt new By-laws or to alter, amend or repeal the By-laws.

11. *Certificate Amendments.* The Corporation reserves the right at any time, and from time to time, to amend or repeal any provision contained in this Amended and Restated Certificate of Incorporation, and add other provisions authorized by the laws of the State of Delaware at the time in force, in the manner now or hereafter prescribed by applicable law; and all rights, preferences and privileges of whatsoever nature conferred upon stockholders, directors or any other persons whomsoever by and pursuant to this Amended and Restated Certificate of Incorporation (as amended) are granted subject to the rights reserved in this Article. Notwithstanding any other provision of this Amended and Restated Certificate of Incorporation or the By-laws and in addition to any affirmative vote of the holders of any particular class of stock of the Corporation required by applicable law, this Amended and Restated Certificate of Incorporation or the By-laws, the affirmative vote of the holders of at least a majority of the voting power of the shares of the then outstanding voting stock of the Corporation, voting together as a single class, shall be required to amend, repeal or adopt any provisions inconsistent with Article 5, Article 6, Article 7, Article 8, Article 9 and this Article 11 of this Amended and Restated Certificate of Incorporation.

IN WITNESS WHEREOF, the undersigned has caused this Amended and Restated Certificate of Incorporation to be duly executed in its corporate name by its duly authorized officer.
