Capitala Finance Corp. Announces Distributions

CHARLOTTE, N.C., October 2, 2017 -- Capitala Finance Corp. (the “Company”, “our”, or “Capitala”) (Nasdaq:CPTA) declared normal distributions for the fourth quarter of 2017.

Fourth Quarter 2017 Distributions

On October 2, 2017, the Company’s Board of Directors declared normal monthly distributions for the fourth quarter of 2017 as set forth below:

Record Date	Payment Date	Amount Per Share
10/23/17	10/30/17	\$0.0833
11/21/17	11/29/17	\$0.0833
12/20/17	12/28/17	\$0.0833

Capitala Chairman and CEO Joseph B. Alala, III stated “The Company’s Board of Directors has approved a \$0.25 per share distribution for the fourth quarter of 2017. We are pursuing a more conservative strategy targeting more senior secured and unitranche loans with lower aggregate average yields instead of unsecured and mezzanine loans with higher aggregate yields but with higher associated risk. The management team is focused on investing its liquidity into quality deals, rotating equity realizations into yield, and improving the underperforming portfolio investments, with the objective of future earnings and NAV growth.”

The Company has adopted an opt-out distribution reinvestment plan (“DRIP”) that provides for reinvestment of distributions on behalf of its shareholders, unless a shareholder elects to receive cash. As a result, when the Company declares a cash distribution, shareholders who have not opted out of the DRIP will have their cash distributions automatically reinvested in additional shares of the Company’s common stock, rather than receiving cash.
