### Forward-Looking Statements and Preliminary Results

This press release includes "forward-looking statements" within the meaning of Section 27A of the Securities Act and Section 21E of the Exchange Act. Forward-looking statements are based on management's beliefs and assumptions and information currently available to management and are subject to known and unknown risks and uncertainties, many of which may be beyond our control. We caution you that the forward-looking information presented in this press release is not a guarantee of future results, and that actual results may differ materially from those made in or suggested by the forward-looking information contained in this press release. In addition, forward-looking statements generally can be identified by the use of forward-looking terminology such as "may," "plan," "seek," "comfortable with," "will," "expect," "intend," "estimate," "anticipate," "believe" or "continue" or the negative thereof or variations thereon or similar terminology. A number of important factors could cause actual events to differ materially from those contained in or implied by the forward-looking statements, including those "Risk factors" in our annual report on Form 10-K, for the fiscal year ended January 31, 2016, filed on March 18, 2016 and those described from time to time in our, and HD Supply, Inc.'s, other filings with the U.S. Securities and Exchange Commission, which can be found at the SEC's website [www.sec.gov](http://www.sec.gov). Any forward-looking information presented herein is made only as of the date of this press release, and we do not undertake any obligation to update or revise any forward-looking information to reflect changes in assumptions, the occurrence of unanticipated events, or otherwise.

Estimates provided in the presentation will be preliminary and subject to risks and uncertainties, including, among others, changes in connection with quarter-end adjustments. Any variation between HD Supply's actual results and the preliminary financial data provided in the presentation may be material.
