Noodle & Company's new fall and winter menu items include:

- **Thai Hot Pot** — A 30-ingredient curry broth made with a fresh cabbage blend, sprouts, Fresno peppers and shiitake mushrooms with a sprinkling of rice noodles and pulled chicken and naturally-raised pork. It is finished with a lime wedge and sprig of cilantro, served with a side of toasted Asian flatbread.
- **Spaghetti Alfredo MontAmore®** — Spaghetti noodles tossed with a decadent four cheese blend, roasted mushrooms and grape tomatoes, spinach and Parmesan chicken. It is topped with a sprinkle of MontAmore® cheese, parsley and fresh cracked pepper. The MontAmore cheese, though inspired by Piave (an Italian cheese), is made with milk that comes directly from independently owned, patron farms all of which are located within 50 miles of the Sartori Cheese headquarters in Wisconsin.
- **Pork Adobo Flatbread** — Features spicy Latin adobo flavors of toasted cumin and fire-roasted tomatoes, naturally raised pork, cheese and Fresno peppers toasted atop flatbread and finished with fresh lime and cilantro.

With the addition of the spicy, smoky, Pork Adobo Flatbread, Noodles & Company further develops its concept of Your World Kitchen by utilizing ingredients like red bell peppers, roasted cumin, jalapeños to spice traditional comfort foods. Noodles & Company has more than 340 restaurant locations across the United States and delivers its globally inspired, cooked-to-order menu in a real bowl, delivered to the table with a smile.
