**CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS**

This report contains "forward-looking statements" within the meaning of the U.S. federal securities laws, with respect to the Company's financial condition, results of operations, cash flows and business, and expectations or beliefs concerning future events. These forward-looking statements can generally be identified by phrases such as "expects," "anticipates," "believes," "estimates," "intends," "plans to," "ought," "could," "will," "should," "likely," "appears," "projects," "forecasts," "outlook" or other similar words or phrases. There are inherent risks and uncertainties in any forward-looking statements. Although the Company believes that its expectations are reasonable, it can give no assurance that these expectations will prove to have been correct, and actual results may vary materially. Except as required by law, the Company undertakes no obligation to update, amend or clarify any forward-looking statements to reflect events, new information or otherwise. Some of the important factors that could cause actual results to differ materially from the Company's expectations are discussed below. All written and oral forward-looking statements attributable to the Company, or persons acting on its behalf, are expressly qualified in their entirety by these cautionary statements.

You should refer to the risk factors from the Company's Annual Report filed on March 15, 2017, for the fiscal year ended December 31, 2016, and as updated in its Form 10-Q filed for the period ended March 31, 2017, for specific risks which would cause actual results to be significantly different from those expressed or implied by any of the Company's forward-looking statements. It is not possible to identify all of the risks, uncertainties and other factors that may affect future results. In light of these risks and uncertainties, the forward-looking events and circumstances discussed in this report may not occur and actual results could differ materially from those anticipated or implied in the forward-looking statements. Accordingly, readers of this report are cautioned not to place undue reliance on the forward-looking statements.
