## Attunity CloudBeam Shortlisted as Cloud Awards Program Finalist

### International Cloud Computing Program Celebrates Excellence and Innovation in the Worldwide Cloud Computing Market

BURLINGTON, Massachusetts, January 17, 2017 /PRNewswire/ --

Attunity Ltd. (NASDAQ: ATTU), a leading provider of data integration and Big Data management software solutions, announced today that its high-performance cloud data migration and integration solution, [Attunity CloudBeam](#), has been recognized as a finalist in Cloud International's 2016-2017 [Cloud Awards](#) Program in the 'Best Cloud Business Intelligence or Analytics Solution' category. See the full shortlist [here](#).

Now entering its seventh year, and with more than 300 organizations entered, the [cloud computing awards](#) program celebrates excellence and innovation in the rapid-growth cloud computing market. Accepting entries from across the globe, entrants come from the US, Canada, Australia, Asia and EMEA.

"Attunity CloudBeam facilitates data transfer and analytics for the leading Cloud platforms, and being selected as a finalist in the Cloud Awards' Best Cloud Business Intelligence or Analytics Solution category further demonstrates our leadership and innovation," said **Itamar Ankorion, Chief Marketing Officer at Attunity**. "The Cloud market continues to grow and be a strategic part of corporate infrastructures worldwide. We are thrilled to be recognized for our contributions to it and this award is a testament to the value that Attunity CloudBeam is providing to our Cloud partners and customers."

"After years of recognizing and celebrating excellence and innovation in the cloud, we are pleased to share that the standard of entries this year has been staggering," said **Cloud Awards organizer Larry Johnson**. "This high level of excellence is reflected in the size of organization we are seeing enter - from start-ups to blue chips, and everything in between. But it's also the sheer global presence of cloud technologies and innovators outside of the US that have started to become more prominent this year."

Final winners will be announced on Tuesday, January 31, 2017.

#### About the Cloud Awards

The [Cloud Awards](#) is an international program which has been recognizing and honoring industry leaders, innovators and organizational transformation in cloud computing since 2011. The awards are open to large, small, established and start-up organizations from across the entire globe, with an aim to find and celebrate the pioneers who will shape the future of the Cloud as we move into 2017 and beyond. Categories include Most Promising Start-Up, Best SaaS, and "Best in Mobile" Cloud Solution. Finalists were selected by a judging panel of international industry experts. For more information about the Cloud Awards please visit <http://www.cloud-awards.com>.

#### Safe Harbor Statement

This press release contains forward-looking statements, including statements regarding the anticipated features and benefits of Replicate Solutions, within the meaning of the "safe harbor" provisions of the Private Securities Litigation Reform

Act of 1995 and other Federal Securities laws. Statements preceded by, followed by, or that otherwise include the words "believes", "expects", "anticipates", "intends", "estimates", "plans", and similar expressions or future or conditional verbs such as "will", "should", "would", "may" and "could" are generally forward-looking in nature and not historical facts. Because such statements deal with future events, they are subject to various risks and uncertainties and actual results, expressed or implied by such forward-looking statements, could differ materially from Attunity's current expectations. Factors that could cause or contribute to such differences include, but are not limited to: our reliance on strategic relationships with our distributors, OEM and VAR partners, and on our other significant customers; risks and uncertainties relating to acquisitions, including costs and difficulties related to integration of acquired businesses; timely availability and customer acceptance of Attunity's new and existing products, including Attunity Maestro; changes in the competitive landscape, including new competitors or the impact of competitive pricing and products; a shift in demand for products such as Attunity's products; the impact on revenues of economic and political uncertainties and weaknesses in various regions of the world, including the commencement or escalation of hostilities or acts of terrorism; and other factors and risks on which Attunity may have little or no control. This list is intended to identify only certain of the principal factors that could cause actual results to differ. For a more detailed description of the risks and uncertainties affecting Attunity, reference is made to Attunity's latest Annual Report on Form 20-F which is on file with the Securities and Exchange Commission (SEC) and the other risk factors discussed from time to time by Attunity in reports filed with, or furnished to, the SEC. Except as otherwise required by law, Attunity undertakes no obligation to publicly release any revisions to these forward-looking statements to reflect events or circumstances after the date hereof or to reflect the occurrence of unanticipated events.
