Benefitfocus and Zions Bancorporation to Share Best Practices in CDHP Design & Adoption at Health & Benefits Leadership Conference

Attendees to hear how technology powers personalized plan design and supports employees in plan selection

LAS VEGAS, April 13, 2017 /PRNewswire/ -- [Benefitfocus, Inc.](#) (NASDAQ: BNFT), a leading provider of cloud-based benefits management software, today announced Annmarie Fini, SVP of Product Strategy at Benefitfocus, and customer Diana Andersen, EVP & Corporate Benefits Director at Zions Bancorporation, will co-present at the [2017 Health & Benefits Leadership Conference](#). In their session, Fini and Andersen will review the benefits of Consumer-Directed Health Plans (CDHPs) and share best practices on how to design an exceptional benefits offering across a diverse workforce and guide employees to select the best-fit plan.

What: "Enabling Personalized Plan Design at Zions Bancorporation" - a session on how technology is enabling Zions' successful transition to CDHPs and to address today's challenging workforce needs - containing costs without compromising coverage, offering more benefit options, dealing with unprecedented regulatory change and communicating health and benefit options across multiple generations

When: Thursday, April 20th at 9:30 a.m. PT

Where: 2017 Health & Benefits Leadership Conference, Aria Resort & Casino, Las Vegas

"Our shift to CDHPs was driven by far more than bottom line savings - it's about providing our 10,000+ employees with options so each employee has the right plan to lead a healthy life," said Zion Bancorporation EVP & Corporate Benefits Director Diana Andersen. "Technology has been a great enabler in this, and I look forward to sharing how other organizations can use data and personalized communications to build a personalized benefits offering in a cost-effective way."

"The average employer on our platform now offers 15 types of benefits," said Benefitfocus SVP of Product Strategy Annmarie Fini. "Employees have become health care consumers, and employers that offer more options along with the tools and resources to guide their decision-making have an edge in attracting and keeping top talent. I am excited to speak alongside our long-time customer Diana and share how technology has helped Zions in plan design, enrollment and employee engagement in the new world of health care consumerism."
