## Audit Committee Charter

As of August 3, 2017

### 1. Introduction

The Audit Committee (the “**Committee**” or the “**Audit Committee**”) of **Pattern Energy Group Inc.** (the “**Company**”) is a committee of the Board of Directors (the “**Board**”). The Committee shall provide assistance to the Board in fulfilling its oversight responsibility to the Company’s shareholders relating to: (i) the integrity of the Company’s financial statements; (ii) the effectiveness of the Company’s internal controls over financial reporting; (iii) the Company’s compliance with legal and regulatory requirements; (iv) the external auditor’s qualifications and independence; (v) the performance of the Company’s internal audit function and external auditors; and (vi) the Company’s risk management. In addition, the Committee shall prepare the Audit Committee report that U.S. Securities Exchange Commission (“**SEC**”) proxy rules require to be included in the Company’s annual proxy statement.

### 2. Membership

#### *Number of Members*

The Committee shall be composed of three or more members of the Board.

#### *Independence of Members*

Each member of the Committee shall qualify as an “independent director” within the meaning of National Instrument 52-110 – *Audit Committees*, NASDAQ Section Rule 5605(a)(2) and Rule 10A-3(b)(1) under the Securities Exchange Act of 1934, as each may be amended from time to time.

#### *Chair*

At the time of the annual appointment of the members of the Audit Committee, the Board shall appoint a chair (the “**Chair**”) of the Audit Committee. The Chair will be responsible for managing the responsibilities and functions of the Committee. The Chair’s primary functions are to develop the agenda for each Committee meeting, lead Committee meetings, facilitate the operations and deliberations of the Committee, foster communications among Committee members and ensure the Committee carries out its responsibilities in a timely and effective manner. The Chair will be the Committee’s primary contact with the Board with respect to the dealings of the Committee.

#### *Financial Literacy of Members*

At the time of his or her appointment to the Committee, each member of the Committee shall have, or shall acquire within a reasonable time following appointment to the Committee, the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of

the issues that can reasonably be expected to be raised by the Company's financial statements. One or more members of the Committee shall qualify as an "audit committee financial expert" under Item 407(d)(5)(ii) of SEC Regulation S-K.

Each member of the Committee shall be entitled to rely on the integrity of those persons within the Company and of the professionals and experts (including the Company's internal auditor (or others responsible for the internal audit function, including contracted non-employee or audit or accounting firms engaged to provide internal audit services) and the Company's external auditor) from which the Committee receives information and, absent actual knowledge to the contrary, the accuracy of the financial and other information provided to the Committee by such persons, professionals or experts.

Further, auditing literature, particularly Statement of Accounting Standards No. 71, defines the term "review" to include a particular set of required procedures to be undertaken by independent auditors. The members of the Committee are not independent auditors, and the term "review" as used in this Charter is not intended to have that meaning and should not be interpreted to suggest that the Committee members can or should follow the procedures required of auditors performing reviews of financial statements.

Members shall not serve on more than three public company audit committees simultaneously unless the Board determines that such simultaneous service would not impair the member's ability to serve effectively on the Committee.

### ***Term of Members***

The members of the Committee shall be appointed annually by the Board. Each member of the Committee shall serve at the pleasure of the Board until the member resigns, is removed, or ceases to be a member of the Board. Unless a Chair is elected by the Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

### ***Retention of Advisors***

If the Committee determines that it is useful for the Committee to carry out its duties, the Committee may engage, or seek advice from, at the expense of the Company, independent counsel or other advisors (whether financial, accounting or otherwise). The Committee has the authority to set reasonable compensation and provide for reimbursement of expenses for any advisors engaged by the Committee. The Committee will retain independent advisors selectively, and only to assist, not replace, Committee decision making. Prior to retaining an independent advisor, the Chair of the Committee will provide advance notice to the Board.

The Committee shall have available appropriate funding from the Company as determined by the Audit Committee for payment of:

- compensation to any accounting firm engaged for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the Company;
- compensation to any advisors employed by the Committee; and
- ordinary administrative expenses of the Committee that are necessary or appropriate in carrying out its duties.

#### ***Calling of Meetings***

The Chair, any member of the Audit Committee, the Chairman of the Board, or the Chief Executive Officer or the Chief Financial Officer may call a meeting of the Audit Committee by notifying the Company's Corporate Secretary who will notify the members of the Audit Committee. The Committee will maintain appropriate records, including minutes of its meetings and copies of written reports provided to it or prepared by it. Upon approval of the minutes by the Committee, the minutes shall be circulated to the members of the Board and unless otherwise directed by the Committee, to the Chief Financial Officer. However, the Chair may report orally to the Board on any matter in his or her view requiring the immediate attention of the Board. Approved minutes shall be provided to the Company's Corporate Secretary for maintaining with the Company's legal records.

At least once per year, the Committee shall meet with the internal auditor and management in separate sessions to discuss any matters that the Committee or such individuals consider appropriate.
