## **LGI Homes Opens New Section in Windmill Farms Community**

FORNEY, Texas, Sept. 26, 2017 (GLOBE NEWSWIRE) -- LGI Homes, Inc. (Nasdaq:LGIH) announces the opening of a new section and lot offering in the Windmill Farms community, located in the highly desirable East Dallas corridor.

The family-centric master-planned community of Windmill Farms is situated just east of I-635 off Hwy 80, in Forney, Texas, just a short drive from Dallas' top dining, shopping and entertainment. This exceptional community rewards homeowners with endless amenities including swimming pools, children's playgrounds, beautiful ponds with walking trails, picnic areas and much more. In addition, Windmill Farms features highly acclaimed schools located within the community, allowing for the convenience for students to walk or bike to school from their home.

In Windmill Farms, this new section offers 76 new homes featuring open floor plans, spacious kitchens, large master bedroom suites, and ample storage. LGI Homes is offering a variety of options ranging in size from 1,600 to 2,600 square feet in this community featuring up to five bedrooms with two-and-a-half baths, and two-car garages. Each of these floor plans come standard with thousands of dollars in upgrades such as energy efficient kitchen appliances including refrigerator, granite countertops, front yard landscaping, and fully-fenced backyards.

LGI Homes at Windmill Farms offers impeccable customer service, quick move-in opportunities, and \$0 down financing for qualified buyers. New inventory is now available. For more information on available homes, interested homebuyers are encouraged to call (855) 972-7377 ext. 1896 or visit [www.LGIHomes.com](http://www.LGIHomes.com).
