## Endurance International Group Announces Successful Pricing of \$1,697 Million Senior Secured Refinancing Term Loans

BURLINGTON, Mass., June 08, 2017 (GLOBE NEWSWIRE) -- Endurance International Group Holdings, Inc. ("Endurance" or the "Company") (NASDAQ:EIGI), a leading provider of cloud-based platform solutions designed to help small and medium-sized businesses succeed online, today announced the pricing of its \$1,697 million refinancing first-lien term loans due February 2023 (the "Refinancing Term Loans"). The Company successfully priced the Refinancing Term Loans at an interest rate of LIBOR + 400, which priced 148 basis points lower than the current pricing of the Company's existing term loans due November 2019 (the "2019 Term Loans") and 100 basis points lower than the current pricing of the Company's incremental term loans due February 2023 (the "2023 Term Loans"). Endurance expects to reduce its cash interest expense by approximately \$22 million on an annual basis as a result of this refinancing.

The proceeds of the Refinancing Term Loans will be used to repay the \$716.625 million 2019 Term Loans outstanding and the \$980.625 million 2023 Term Loans outstanding. The Refinancing Term Loans will be subject to the same maximum senior secured net leverage covenant as the 2019 Term Loans and the 2023 Term Loans. The Refinancing Term Loans will mature on February 9, 2023, extending the maturity of the 2019 Term Loans.

The closing of the refinancing transaction and the borrowing of the Refinancing Term Loans in connection therewith are subject to customary documentation and other customary conditions precedent.

Affiliates of Credit Suisse, Goldman Sachs and Morgan Stanley are acting as joint lead arrangers and bookrunners for the Refinancing Term Loans and affiliates of Jefferies and Societe Generale CIB are acting as joint bookrunners for the Refinancing Term Loans.
