PROXY STATEMENT

FOR THE 2015 ANNUAL MEETING OF STOCKHOLDERS

May 5, 2015

QUESTIONS AND ANSWERS ABOUT THESE PROXY MATERIALS AND VOTING

When and where will the 2015 Annual Meeting will held?

The meeting will be held on May 5, 2015 at 10:00 a.m. local time at the offices of Skadden, Arps, Slate, Meagher & Flom LLP, Four Times Square, New York, NY 10036.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on March 6, 2015 will be entitled to vote at the meeting. On this record date, there were 24,793,342 shares of common stock outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If on March 6, 2015 your shares were registered directly in your name with Varonis Systems, Inc.'s transfer agent, American Stock Transfer & Trust Company, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy over the telephone, through the internet or by using a proxy card that you may request or that we may elect to deliver at a later time. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If on March 6, 2015 your shares were held not in your name, but rather in an account at a brokerage firm, bank, dealer or other similar organization, then you are the beneficial owner of shares held in "street name" and the Notice is being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are three matters scheduled for a vote:

- Proposal 1: Election of two directors, each for a term of three years;
- Proposal 2: Ratification of the appointment by the Audit Committee of the Board of Directors of E&Y as the independent registered public accounting firm of the Company for its fiscal year ending December 31, 2015; and
- Proposal 3: Approval of the Varonis Systems, Inc. 2015 Employee Stock Purchase Plan ("ESPP").

What if another matter is properly brought before the meeting?

The Board of Directors of the Company (the "Board") knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on those matters in accordance with their best judgment.

Table of Contents

How do I vote?

You may either vote “For” all the nominees to the Board or you may “Withhold” your vote for any nominee you specify. For the ESPP approval and for the ratification of the appointment of E&Y as our independent registered public accounting firm, you may vote “For” or “Against” or abstain from voting.

The procedures for voting are fairly simple:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting, vote by proxy over the telephone, vote by proxy through the internet or vote by proxy using a proxy card that you may request or that we may elect to deliver at a later time. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person even if you have already voted by proxy.

- To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive.
- To vote using the proxy card that may be delivered to you, simply complete, sign and date the proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.
- To vote over the telephone, dial toll-free 1-800-690-6903 using a touch-tone phone and follow the recorded instructions. You will be asked to provide the Company number and control number from the Notice. Your telephone vote must be received by 11:59 p.m., Eastern Time, on May 4, 2015 to be counted.
- To vote through the internet, go to [http:// www.proxyvote.com](http://www.proxyvote.com) to complete an electronic proxy card. You will be asked to provide the Company number and control number from the Notice. Your internet vote must be received by 11:59 p.m., Eastern Time, on May 4, 2015 to be counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank or other agent, you should have received a Notice containing voting instructions from that organization rather than from Varonis. Simply follow the voting instructions in the Notice to ensure that your vote is counted. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

Internet proxy voting may be provided to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your internet access, such as usage charges from internet access providers and telephone companies.

Why did I receive a notice regarding the availability of proxy materials on the internet?

Pursuant to rules adopted by the Securities and Exchange Commission (the “SEC”), we have elected to provide access to our proxy materials over the internet. Accordingly, we have sent you a Notice of Internet Availability of Proxy Materials (the “Notice”) because the Board is soliciting your proxy to vote at the 2015 Annual Meeting of Stockholders, including at any adjournments or postponements of the meeting. All stockholders will have the ability to access the proxy materials on the website referred to in the Notice or request to receive a printed set of the proxy materials. Instructions on how to access the proxy materials over the internet or to request a printed copy may be found in the Notice.

We intend to mail the Notice on or about March 26, 2015 to all stockholders of record entitled to vote at the Annual Meeting.

Table of Contents

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. In addition to these proxy materials, our directors and employees may also solicit proxies in person, by telephone or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one Notice?

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on each of the Notices to ensure that all of your shares are voted.

Can I change my vote after submitting my proxy?

Stockholder of Record: Shares Registered in Your Name

Yes. You can revoke your proxy at any time before the final vote at the meeting. If you are the record holder of your shares, you may revoke your proxy in any one of the following ways:

- You may submit another properly completed proxy card with a later date.
- You may grant a subsequent proxy by telephone or through the internet.
- You may send a timely written notice that you are revoking your proxy to Varonis Systems, Inc.'s Corporate Secretary.
- You may attend the Annual Meeting and vote in person. Simply attending the meeting will not, by itself, revoke your proxy.

Your most current proxy card or telephone or internet proxy is the one that is counted.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

What is the quorum requirement?

The presence at the Annual Meeting, in person or by proxy, of the holders as of the record date of shares of common stock having a majority of the voting power of all shares of common stock outstanding on the record date will constitute a quorum for the transaction of business at the Annual Meeting. Shares held as of the record date by holders who are present or represented by proxy at the Annual Meeting but who have abstained from voting or have not voted with respect to some or all of such shares on any proposal to be voted on at the Annual Meeting will be counted as present for purposes of establishing a quorum.

PROPOSAL NO. 1

ELECTION OF DIRECTORS

Pursuant to our Amended and Restated Certificate of Incorporation, the Board is divided into three classes denominated Class I, Class II and Class III, with members of each class holding office for staggered three year terms. At each annual meeting of stockholders, a class of directors is elected for a three-year term to succeed the same class whose terms are then expiring. The terms of the directors will expire upon the election and qualification of successor directors at the annual meeting of stockholders to be held during the year 2015 for the Class I directors, 2016 for the Class II directors and 2017 for the Class III directors.

The Board presently has seven members. The term of the two Class I directors expires at the 2015 annual meeting. If elected at the Annual Meeting, each of these nominees would serve until the 2018 Annual Meeting and until his or her successor has been duly elected and qualified, or, if sooner, until the director's death, resignation or removal. The following table sets forth information with respect to our directors, as of February 28, 2015:

<u>Name</u>	<u>Age</u>	<u>Position</u>
<i>Class III Directors</i>		
Yakov Faitelson	39	Chief Executive Officer, President, Co-founder and Chairman of the Board
Ohad Korkus	36	Chief Technology Officer, Co-founder and Director
<i>Class II Directors</i>		
Kevin Comolli	55	Director
John J. Gavin, Jr.	59	Director
Fred Van Den Bosch	68	Director
<i>Class I Directors</i>		
Rona Segev-Gal	45	Director
Ofar Segev*	55	Director

* Elected a Class I Director by the Board on February 26, 2015 to fill the vacancy resulting from the resignation of Mr. Erez Shachar.

Each of the nominees listed below was recommended for election by the full Board. Ms. Segev-Gal is currently our director and was elected to the Board prior to our initial public offering, and Mr. Segev was elected a Class I Director by the Board on February 26, 2015 to fill the vacancy resulting from the resignation of Mr. Erez Shachar. Mr. Segev's term expires at the 2015 Annual Meeting. Directors are elected by a plurality of the votes of the holders of shares present in person or represented by proxy and entitled to vote on the election of directors. Accordingly, the two nominees receiving the highest number of affirmative votes will be elected. Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the nominees named below. If any nominee becomes unavailable for election as a result of an unexpected occurrence, shares that would have been voted for that nominee will instead be voted for the election of a substitute nominee proposed by Varonis. Each person nominated for election has agreed to serve if elected. Our management has no reason to believe that any nominee will be unable to serve.

The following is a brief biography of each nominee and each director whose term will continue after the Annual Meeting:

INFORMATION REGARDING THE BOARD OF DIRECTORS AND CORPORATE GOVERNANCE

Director Independence

On February 13, 2015, the Board reviewed its composition, the composition of its committees and the independence of each director. The determination of independence of members of the Board was based upon information requested from and provided by each director concerning his background, employment and affiliations, including family relationships. In making this determination, the Board considered the relationships that each non-employee director has with us and all other facts and circumstances the Board deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director. The Board has determined that Mr. Comolli, Mr. Gavin, Mr. Segev, Ms. Segev-Gal and Mr. Van Den Bosch, representing five of our seven directors, are “independent” as that term is defined under the rules of The Nasdaq Global Select Market for purposes of serving on the Board.

Role of the Board in Risk Oversight

One of the Board's key functions is informed oversight of our risk management process. The Board does not have a standing risk management committee, but rather administers this oversight function directly through the Board as a whole, as well as through various Board standing committees that address risks inherent in their respective areas of oversight. In particular, the Board is responsible for monitoring and assessing strategic risk exposure, including a determination of the nature and level of risk appropriate for us. Our Audit Committee has the responsibility to consider and discuss our major financial risk exposures and the steps our management has taken to monitor and control these exposures, including guidelines and policies to govern the process by which risk assessment and management is undertaken. Our Audit Committee also monitors compliance with legal and regulatory requirements, in addition to oversight of the performance of our internal audit function. Our Nominating and Corporate Governance Committee monitors the effectiveness of our corporate governance guidelines, including whether they are successful in preventing illegal or improper liability-creating conduct. Our Compensation Committee assesses and monitors whether any of our compensation policies and programs has the potential to encourage excessive risk-taking. Typically, the entire Board meets periodically with senior management responsible for our risk management, and the applicable Board committees meet periodically with the employees responsible for risk management in the committees' respective areas of oversight. The Board as a whole and the various standing committees receive periodic reports from the head of our legal and operations groups, as well as incidental reports as matters may arise. It is the responsibility of the committee chairs to report findings regarding material risk exposures to the Board as quickly as possible.

Meetings of the Board of Directors

The Board met eight times and took action by unanimous written consent two times during the last fiscal year. Each Board member attended 75% or more of the aggregate number of meetings of the Board and of the committees on which he served, held during the portion of the last fiscal year for which he was a director or committee member.

Information Regarding Committees of the Board of Directors

The Board has three committees: an Audit Committee, a Compensation Committee and a Nominating and Corporate Governance Committee. The following table provides membership and meeting information for fiscal 2014 for each of the Board committees:

On February 26, 2015, the Board adopted corporate governance guidelines to assure that the Board will have the necessary authority and practices in place to review and evaluate our business operations as needed and to make decisions that are independent of our management. The guidelines are also intended to align the interests of directors and management with those of our stockholders. The corporate governance guidelines set forth the practices the Board intends to follow with respect to board composition and selection, board meetings and involvement of senior management, Chief Executive Officer performance evaluation and succession planning, and board committees and compensation. The corporate governance guidelines are available on our website at <http://ir.varonis.com/corporate-governance.cfm>.

Other Policies

Insider Trading Policy . Our insider trading policy prohibits our employees and directors from engaging in short sales of Company securities, in transactions in publicly-traded options, such as puts and calls, and other derivative securities with respect to our securities. This prohibition extends to any hedging, inherently speculative transaction or similar transaction designed to decrease the risks associated with holding Company securities. In addition, our directors and executive officers and any person required to comply with the blackout periods or pre-clearance requirements under our insider trading policy are prohibited from pledging Company securities as collateral for loans and may not hold Company securities in margin accounts.

PROPOSAL NO. 2

RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee of the Board has selected E&Y as our independent registered public accounting firm for the fiscal year ending December 31, 2015 and has further directed that management submit the selection of its independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. E&Y has audited our financial statements since the fiscal year ended December 31, 2007. Representatives of E&Y are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither our bylaws nor other governing documents or law require stockholder ratification of the selection of E&Y as our independent registered public accounting firm. However, the Audit Committee of the Board is submitting the selection of E&Y to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee of the Board will reconsider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee of the Board in its discretion may direct the appointment of different independent auditors at any time during the year if they determine that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of shares representing a majority of the voting power of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the selection of E&Y.

Pre-Approval Policies And Procedures

Consistent with requirements of the SEC and the Public Company Accounting Oversight Board, or PCAOB, regarding auditor independence, our Audit Committee is responsible for the appointment, compensation and oversight of the work of our independent registered public accounting firm. In recognition of this responsibility, our Audit Committee has established a policy for the pre-approval of all audit and permissible non-audit services provided by the independent registered public accounting firm. These services may include audit services, audit-related services, tax services and other services.

Before engagement of the independent registered public accounting firm for the next year's audit, the independent registered public accounting firm submits a description of services expected to be rendered during that year to the Audit Committee for approval.

The Audit Committee pre-approves particular services or categories of services on a case-by-case basis. The fees are budgeted, and the Audit Committee requires the independent registered public accounting firm and management to report actual fees versus budgeted fees periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval. In those instances, the services must be pre-approved by the Audit Committee before the independent registered public accounting firm is engaged.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee is a committee of the board of directors comprised solely of independent directors as required by the listing standards of The NASDAQ Global Select Market and rules of the SEC. The Audit Committee operates under a written charter approved by the board of directors, which is available on our investor website at <http://ir.varonis.com/corporate-governance.cfm>. The composition of the Audit Committee, the attributes of its members and the responsibilities of the Audit Committee, as reflected in its charter, are intended to be in accordance with applicable requirements for corporate audit committees. The Audit Committee reviews and assesses the adequacy of its charter and the Audit Committee's performance on an annual basis.

The Audit Committee consists of three members: Mr. Gavin, Mr. Segev and Mr. Van Den Bosch. Mr. Gavin is the chairman of our Audit Committee. Mr. Segev was appointed to the Audit Committee effective February 26, 2015. With respect to our financial reporting process, our management is responsible for (1) establishing and maintaining internal controls and (2) preparing our consolidated financial statements. E&Y is responsible for auditing these financial statements. It is the responsibility of the Audit Committee to oversee these activities. It is not the responsibility of the Audit Committee to prepare or certify our financial statements or guarantee the audits or reports of E&Y. These are the fundamental responsibilities of management and E&Y. In the performance of its oversight function, the Audit Committee has:

- reviewed and discussed the audited financial statements with management and E&Y;
- discussed with E&Y the matters required to be discussed by the statement on Auditing Standards No. 61, as amended (AICPA, Professional Standards, Vol. 1. AU section 380), as adopted by the Public Company Accounting Oversight Board in Rule 3200T; and
- received the written disclosures and the letter from E&Y required by applicable requirements of the Public Company Accounting Oversight Board regarding E&Y's communications with the Audit Committee concerning independence, and has discussed with E&Y its independence.

Based on the Audit Committee's review and discussions with management and E&Y, the Audit Committee recommended to the board of directors that the audited financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2014 for filing with the SEC.

Respectfully submitted by the members of the Audit Committee of the board of directors: *

John J. Gavin, Jr. (Chair)
Fred Van Den Bosch

* Mr. Segev was appointed to the Audit Committee subsequent to the preparation and recommendation to the Board that the audited financial statements for the fiscal year ended December 31, 2014 be included in the Annual Report on Form 10-K for filing with the SEC.

PROPOSAL NO. 3

APPROVAL OF THE VARONIS SYSTEMS, INC. 2015 EMPLOYEE STOCK PURCHASE PLAN

On March 19, 2015, the Board adopted the Varonis Systems, Inc. 2015 Employee Stock Purchase Plan (the “ESPP”), subject to stockholder approval at the 2015 Annual Meeting. Subject to approval of our stockholders, the ESPP will become effective as of June 30, 2015.

The purpose of the ESPP is to provide our eligible employees the opportunity to become stockholders through the purchase of shares of our common stock. We believe that our future success depends, in large part, upon our ability to maintain a competitive position in attracting, retaining and motivating key personnel, and we believe that the ability to participate in the ESPP is an attractive feature for our employees and potential employees. The Board believes that it is in the best interest of the Company and its stockholders to approve the ESPP.

The following description is a summary of the material terms of the ESPP and is qualified in its entirety by reference to the ESPP, a copy of which is attached to this proxy statement as Appendix A. You can request a copy of the ESPP by writing to Varonis Systems, Inc., Attn: Legal Department, 1250 Broadway, 31st Floor, New York, New York 10001. A copy of the ESPP, which is attached to the electronic copy of this proxy statement filed with the SEC, also may be accessed from the SEC’s home page, www.sec.gov.

Administration

The ESPP will be administered by the Board, which may delegate its authority to the Compensation Committee. Subject to the terms and conditions of the ESPP, the Board or Compensation Committee has authority to manage and control the operation of the ESPP, conclusively interpret and construe the provisions of the ESPP, prescribe, amend and rescind rules, regulations and procedures relating to the ESPP, correct any defect or omission and reconcile any inconsistency in the ESPP and make all other determinations and take all other actions as it deems necessary or desirable for implementation and administration of the ESPP. The Board or Compensation Committee has the authority to appoint a “Plan Administrator” and to grant the Plan Administrator such authority to administer the plan as the Board or Compensation Committee deems necessary or desirable.

Amendment/Termination of the ESPP

The Board or the Compensation Committee may amend the ESPP at any time. However, the ESPP may not be amended in any way that will cause rights issued thereunder to fail to meet the requirements for employee stock purchase plans as defined in Section 423 of the Internal Revenue Code of 1986, as amended (the “Code”), including stockholder approval if required. The Board or the Compensation Committee can terminate the ESPP at any time. Upon termination of the ESPP, all amounts in the accounts of participants shall be promptly refunded.

Share Reserve

The maximum number of shares of common stock reserved for issuance under the ESPP is limited to 500,000 shares upon the effective date of the ESPP. The number of shares available for issuance under the ESPP will be increased on January 1, 2016, and each January thereafter, by an amount equal to the lesser of (i) one percent (1%) of the number of shares of common stock issued and outstanding on each December 31 immediately prior to the date of increase, except that the amount of each such increase will be limited to the number of shares of common stock necessary to bring the total number of shares of common stock available for issuance under the ESPP to two percent (2%) of the number of shares of common stock issued and outstanding on each such December 31, or (ii) 400,000 shares of common stock. For example, if on December 31, 2015, the number of shares of common stock available for issuance under the ESPP remains equal to two percent (2%) (or more) of the number of shares of common stock issued and outstanding on that date, then no increase will be made as of January 1, 2016. If, however, the number of shares of common stock available for issuance under the ESPP remains equal to one and one-half percent (1.5%) of the number of shares of common stock issued and outstanding on December 31, 2015, then the increase on January 1, 2016 will be limited to an additional half percent (0.5%), but in no event will the annual increase exceed 400,000 shares of common stock.

Table of Contents

The shares issuable under the ESPP may be made available from treasury shares, shares purchased on the open market, and newly authorized shares.

Eligibility and Participation

All of our employees and the employees of our participating subsidiaries who are regularly scheduled to work twenty (20) hours or more per week are eligible to participate in the ESPP. In order to be a participating subsidiary, a subsidiary must be our present or future subsidiary as defined under applicable Code rules. As of February 28, 2015, approximately 750 employees would have been eligible to participate in the ESPP, including our named executive officers.

Participation in the ESPP is discretionary. Eligible employees may elect to become “Participants” in the ESPP by completing enrollment procedures in the time, form and manner specified by the Board, Compensation Committee or Plan Administrator. The enrollment procedures will authorize after-tax payroll deductions from a Participant’s compensation in such amounts as authorized by the Participant. Participants may contribute up to fifteen percent (15%) of their compensation. Accumulated payroll deductions are credited to a Participant’s individual bookkeeping account under the ESPP.

Plan Operation

The ESPP permits Participants to purchase shares of our common stock using amounts deducted from their pay during the six month period commencing on June 30, 2015 (the “Initial Offering Period”) and during six-month periods commencing on each December 31 and June 30 thereafter (the “Offering Period”). As of the first day of the Initial Offering Period or any subsequent Offering Period (the “Grant Date”), each Participant will receive an option to purchase on the last day of the Initial Offering Period or the Offering Period the largest whole number of shares of common stock that can be purchased with the deductions accumulated as of the last day of the period (the “Exercise Date”). Notwithstanding the previous sentence, (a) no Participant will be granted an option on any Grant Date if the Participant, immediately after the option is granted, owns stock possessing five percent (5%) or more of the total combined voting power or value of all classes of shares of the Company or its subsidiaries, or (b) for any calendar year, no Participant may purchase shares under the ESPP (or any other employee stock purchase plan of ours or any of our subsidiaries) having a fair market value (as determined as of the Grant Date) in excess of \$25,000.

On the Exercise Date, each Participant whose participation in the ESPP for the Initial Offering Period or Offering Period has not terminated will be deemed to have exercised his or her option with respect to that number of whole shares of our common stock equal to the quotient of (a) the balance in the Participant’s account as of the Exercise Date, and (b) the Option Price. The “Option Price” shall not be less than the lesser of (i) eighty-five (85%) of the fair market value of a share on the Grant Date or (ii) eighty-five (85%) of the fair market value of a share at the time that the option is exercised. In no event will the Option Price be less than the par value of the company’s common stock. Any amounts remaining in a Participant’s account as of any Exercise Date after the purchase of shares will be distributed to the Participant as soon as practicable after the Exercise Date.

Termination of Participation

A Participant may withdraw from the ESPP at any time, and his or her accumulated payroll deductions for the offering period in which the withdrawal occurred will be promptly refunded to the Participant. Following withdrawal, no further payroll deductions will be collected from the participant with respect to the offering period in which such withdrawal occurs. A Participant may re-enroll in the ESPP for any subsequent offering period. A Participant’s purchase right will immediately terminate upon his or her cessation of employment or loss of eligible employee status. Any payroll deductions that the Participant may have made for the offering period in which such cessation of employment or loss of eligibility occurs will be refunded and will not be applied to the purchase of common stock.

Adjustments

In the event of any merger, consolidation, stock dividend, stock split, recapitalization or other change affecting our common stock or otherwise there occurs an event involving the Company which in the discretion of the Board requires adjustment, the Board may make appropriate adjustments in (i) the number and class of shares or other securities that may be reserved for purchase, or purchased, hereunder, and (ii) the option price, provided that in no event shall the option price be reduced to an amount that is lower than the par value of a share.

Assignability

Neither the right of a Participant to purchase shares of our common stock under the ESPP, nor her or his account balance, may be transferred, pledged or assigned by the Participant other than by will or the laws of descent and distribution. An option to purchase shares granted under the ESPP may be exercised during a Participant's lifetime only by the Participant.

Stockholder Rights

No Participant has any rights as a stockholder with respect to the shares covered by his or her purchase rights until the shares are actually purchased on behalf of the Participant and issued by us.

Term of the ESPP

The ESPP will continue in effect until the tenth anniversary of June 30, 2015 unless terminated prior to such date by the Board or the Compensation Committee as discussed above.

Federal Income Tax Consequences

The following is a brief discussion of the U.S. Federal income tax treatment that will generally apply to grants of options and purchases under the ESPP by U.S. taxpayers based on the current U.S. Federal tax laws and regulations presently in effect, which are subject to change, and it does not purport to be a complete description of the Federal income tax aspects of the ESPP. A Participant may also be subject to foreign, state and local taxes in connection with grants of options and purchases under the ESPP. We recommend Participants consult with their individual tax advisors to determine the applicability of the tax rules to their participation in the ESPP in their personal circumstances.

No income will be taxable to a Participant upon the grant of an option under the ESPP or at the time shares of our common stock are purchased under the ESPP. A Participant in the ESPP may become liable for tax upon the disposition of the shares acquired upon exercise of an option, as summarized below.

In the event that shares of our common stock acquired pursuant to the ESPP are sold or disposed of (including by way of gift) at least two (2) years after the date the option is granted and at least one year after the relevant Exercise Date, the excess of the fair market value of the shares at the time of such disposition over the exercise price will be treated as ordinary income to the Participant. Any further gain on disposition will be treated as capital gain and any loss will be treated as a capital loss. If the Participant holds the acquired shares for the periods described above, we will not be entitled to a deduction for Federal income tax purposes with respect to shares transferred to a Participant.

In the event shares of our common stock are sold or disposed of before the expiration of the holding periods described above, the excess of the fair market value of the shares on the Exercise Date over the exercise price will be treated as ordinary income to the Participant. This excess will constitute ordinary income in the year of sale or other disposition even if no gain is realized on the sale or a gratuitous transfer of the shares is made. The balance of any gain will be treated as capital gain. Even if the shares are sold for less than their fair market value on the Exercise Date, the same amount of ordinary income is attributed to a participant and a capital loss is recognized equal to the difference between the sale price and the value of the shares on the Exercise Date. If a sale or disposition occurs before the expiration of the holding periods described above, we will be entitled to a deduction for the taxable year in which such sale or disposition occurs in the same amount includible as compensation in the Participant's gross income.

Table of Contents

The ESPP is not subject to the Employee Retirement Income Security Act of 1974, as amended, or qualified under Section 401(a) of the Code.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth, as of February 28, 2015, information regarding beneficial ownership of our capital stock by:

- each person, or group of affiliated persons, known by us to beneficially own more than 5% of our common stock;
- each of our named executive officers;
- each of our directors; and
- all of our current executive officers and directors as a group.

Beneficial ownership is determined according to the rules of the SEC and generally means that a person has beneficial ownership of a security if he, she or it possesses sole or shared voting or investment power of that security, or has the right to acquire beneficial ownership of that security within 60 days. Except as indicated by the footnotes below, we believe, based on the information furnished to us, that the persons named in the table below have or will have sole voting and investment power with respect to all shares of common stock shown that they beneficially own, subject to community property laws where applicable.

Our calculation of the percentage of beneficial ownership is based on 24,755,458 shares of our common stock outstanding as of February 28, 2015. Common stock subject to stock options currently exercisable or exercisable within 60 days of February 28, 2015 is deemed to be outstanding for computing the percentage ownership of the person holding these options and the percentage ownership of any group of which the holder is a member but is not deemed outstanding for computing the percentage of any other person.

The table is based upon information supplied by officers, directors and principal stockholders and Schedules 13G filed with the SEC. Except as otherwise indicated in the table below, addresses of named beneficial owners are care of Varonis Systems, Inc., 1250 Broadway, 31st Floor, New York, NY 10001.

As an emerging growth company, we have opted to comply with the executive compensation rules applicable to “smaller reporting companies,” as such term is defined under the Securities Act of 1933, as amended (the “Securities Act”), which require compensation disclosure for our principal executive officer and the two most highly compensated executive officers other than our principal executive officer. The table below sets forth the annual compensation earned during fiscal 2013 and 2014 by our principal executive officer and our next two most highly-compensated executive officers, or our named executive officers or NEOs.

EXECUTIVE OFFER LETTERS AND ARRANGEMENTS

Employment Agreements

Employment Agreements . On February 10, 2014, in connection with our initial public offering, we entered into the current employment agreements with each of our NEOs.

The current employment agreements with each of Mr. Faitelson, Ms. Iohan and Mr. O’Boyle became effective upon the completion of our initial public offering and is in effect for an initial three-year term. According to the employment agreements each executive will receive an annual base salary (for Mr. Faitelson, an annual base salary of \$380,000, for Ms. Iohan, an annual base salary of \$302,000 and, for Mr. O’Boyle, an annual base salary of \$240,000), which may be increased during the employment term (but not decreased other than pursuant to an across-the-board reduction that applies to all employees or to senior executives), in the sole discretion of the Compensation Committee. With respect to Mr. Faitelson and Ms. Iohan, the employment agreements also provide that the executive will have an annual target bonus opportunity equal to \$160,000 and \$110,000, respectively. With respect to Mr. O’Boyle, the employment agreement provides for an annual target commission bonus opportunity equal to \$210,000. Unless terminated earlier, the employment agreements have an initial term of three years following the effective date, subject to automatic one-year renewals unless either party provides ninety days’ written notice to the other prior to the expiration of the term.

2014 Bonus Arrangements

Mr. Yakov Faitelson and Ms. Gili Iohan . Mr. Faitelson and Ms. Iohan participated in our 2014 Cash Incentive Plan, which provided the opportunity for each of Mr. Faitelson and Ms. Iohan to earn targeted total bonus compensation in the amount of \$160,000 and \$110,000, respectively, in the form of quarterly and year-end bonus awards weighted as follows: (i) 90% based on the quarterly achievement of company revenue targets and (ii) 10% based upon individual performance as determined by the Compensation Committee in its discretion. We must achieve the predetermined threshold level of corporate performance before any payments may be made under the plan. The Cash Incentive Plan also provided for no bonus to be paid if our revenues were less than 90% of the target (i.e., a threshold amount below which no bonus would be paid) and for a cap equal to 110% of the target bonus amount to be paid if our revenue performance equaled a “stretch” goal of 110% of the target or more. Based on Company performance, Mr. Faitelson and Ms. Iohan were each awarded bonuses in 2014 in the aggregate amount of \$173,760 and \$119,460, respectively.

Mr. James O’Boyle . Mr. O’Boyle participated in a 2014 Sales Compensation Plan pursuant to which he was entitled to annual sales commissions based on the revenues, generated with Mr. O’Boyle’s assistance, which we receive from the sale of our products and services worldwide. Pursuant to Mr. O’Boyle’s 2014 Sales Compensation Plan, Mr. O’Boyle had the opportunity to earn an annualized target commission of \$210,000 for the year if the annual “collected net revenues target” (as defined in the plan) was met, or a pro-rata portion of his target compensation if annual collected net revenues were below the annual collected net revenues target. For any additional annual collected net revenues in excess of 100% of the annual collected net revenues target, Mr. O’Boyle was entitled to receive 0.35% of any such excess. Pursuant to the 2014 Sales Compensation Plan (as well as prior plans), the performance condition for the sales commission was not met unless related revenues were collected by us; accordingly, Mr. O’Boyle became entitled to receive commission bonus payments with respect to any fiscal year only after we collected the net revenues to which the commission bonus payments relate. Mr. O’Boyle received in 2014 an aggregate amount of commissions equal to \$193,370, which represents the sum of (i) \$115,588 resulting from collected net revenues under the 2014 Sales Compensation Plan; (ii) \$77,691 resulting from collected net revenues under his 2013 Sales Compensation Plan; and (iii) \$91 resulting from collected net revenues under his 2012 and 2011 Sales Compensation Plan. Assuming 100% collection of 2014 net revenues, Mr. O’Boyle would receive an additional amount equal to \$76,992 as a commission bonus.

Pension and Non-Qualified Deferred Compensation Plans

We did not maintain a pension plan or non-qualified deferred compensation plan for any of our NEOs in fiscal year 2014.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

Upon a termination by us without “cause” (as defined in the respective employment agreements) or upon a termination by the executive for “good reason” (as defined in the respective employment agreements) and provided that the executive signs and does not revoke a general release of claims, the executive will be entitled to the following severance benefits: (i) a lump sum payment equal to one times the executive’s base salary and (ii) with respect to Mr. Faitelson and Ms. Iohan, an amount equal to a pro rata portion of the annual bonus that the executive would have earned for the year of termination based on actual performance; and with respect to Mr. O’Boyle, an amount equal to the amount of the annual commissions earned by the executive but not paid prior to the executive’s date of termination. Upon a termination by us without “cause” or upon a termination by the executive for “good reason” within the one-year period following a “change in control” (as defined in the respective employment agreements) and provided that the executive signs and does not revoke a general release of claims, the executive will be entitled to the following enhanced severance benefits: (i) a lump sum payment equal to one and a half times the executive’s base salary, (ii) for Mr. Faitelson and Ms. Iohan, an amount equal to the executive’s target annual bonus for the year of termination and, for Mr. O’Boyle, an amount equal to executive’s target annual commission opportunity for the year of termination to the extent not previously paid, and (iii) immediate vesting of all of the executive’s outstanding equity-based awards (referred to as “double trigger” vesting).

If the executive’s employment is terminated by us for cause (or if the executive resigns without good reason), the executive will not be entitled to any further compensation or benefits other than any accrued but unpaid base salary, reimbursement for any business expenses properly incurred by executive prior to the date of termination and vested benefits, if any, to which the executive may be entitled under the terms of Company’s employee benefit plans as of the date of termination.

The employment agreements provide that in the event that any amount payable to the executive is determined under the Internal Revenue Code to be made in connection with a change in control of the Company, and such payments would result in a loss of deduction for the Company under Section 280G of the Internal Revenue Code with respect to “excess parachute payments,” the executive’s payments will be reduced to the amount that would not result in the loss of deduction.

The employment agreements contain standard twelve-month post-termination non-competition and non-solicitation covenants. If the executive breaches any of the restrictive covenants, we are not required to make any of the severance payments listed above and we can require the executive to repay any of the severance payments previously made.

TRANSACTIONS WITH RELATED PERSONS

We describe below transactions and series of similar transactions, since the beginning of our last fiscal year, to which we were a party or will be a party, in which:

- the amounts involved exceeded or will exceed \$120,000; and
- any of our directors, executive officers or beneficial holders of more than 5% of any class of our capital stock had or will have a direct or indirect material interest.

Other than as described below, there has not been, nor is there any currently proposed, transactions or series of similar transactions to which we have been or will be a party.

Employment Arrangements and Indemnification Agreements

We have entered into employment arrangements with certain current executive officers. See “Executive Compensation.”

We have also entered into indemnification agreements with certain directors and officers. The indemnification agreements and our certificate of incorporation and bylaws require us to indemnify our directors and officers to the fullest extent permitted by Delaware law.

Policies and Procedures for Related Person Transactions

We have adopted a written related person transactions policy that our executive officers, directors, nominees for election as a director, 5% stockholders, and any members of the immediate family of and any entity affiliated with any of the foregoing persons, are not permitted to enter into a transaction with us without the prior consent of our Audit Committee, or other independent members of the Board in the event it is inappropriate for our Audit Committee to review such transaction due to a conflict of interest. Any request for us to enter into a transaction with an executive officer, director, nominee for election as a director, 5% stockholder or any of their immediate family members or affiliates, in which the amount involved exceeds \$120,000 must first be presented to our Audit Committee for review, consideration and approval. In approving or rejecting any such proposal, our Audit Committee will consider all facts and information that is available and deemed relevant by the Audit Committee, including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related person’s interest in the transaction.

HOUSEHOLDING OF PROXY MATERIALS

The SEC has adopted rules that permit companies and intermediaries (e.g., brokers) to satisfy the delivery requirements for Notices of Internet Availability of Proxy Materials or other Annual Meeting materials with respect to two or more stockholders sharing the same address by delivering a single Notice of Internet Availability of Proxy Materials or other Annual Meeting materials addressed to those stockholders. This process, which is commonly referred to as “householding,” potentially means extra convenience for stockholders and cost savings for companies.

This year, a number of brokers with account holders who are Varonis stockholders will be “householding” our proxy materials. A single Notice of Internet Availability of Proxy Materials will be delivered to multiple stockholders sharing an address unless contrary instructions have been received from the affected stockholders. Once you have received notice from us (if you are a stockholder of record) or from your broker (if you are a beneficial owner) that we or they will be “householding” communications to your address, “householding” will continue until you are notified otherwise or until you revoke your consent. If, at any time, you no longer wish to participate in “householding” and would prefer to receive a separate Notice of Internet Availability of Proxy Materials, or if you currently receive multiple copies and would like to request “householding” of your communications, please notify your broker or us.

OTHER MATTERS

When are stockholder proposals and director nominations due for next year’s Annual Meeting?

To be considered for inclusion in next year’s proxy materials, your proposal must be submitted in writing by November 21, 2015, to our Corporate Secretary at 1250 Broadway, 31st Floor, New York, NY 10001, and must comply with all applicable requirements of Rule 14a-8 promulgated under the Exchange Act; provided, however, that if our 2016 Annual Meeting of Stockholders is held before April 5, 2016 or after June 4, 2016, then the deadline is a reasonable amount of time prior to the date we begin to print and mail the Proxy Statement for the 2016 Annual Meeting of Stockholders. If you wish to submit a proposal (including a director nomination) at the 2016 Annual Meeting of Stockholders that is not to be included in next year’s proxy materials, the proposal must be received by our Corporate Secretary not later than the close of business on March 6, 2016 nor earlier than the close of business on February 5, 2016; provided, however, that if our 2016 Annual Meeting of Stockholders is held before April 25, 2016 or after June 14, 2016, then the proposal must be received not later than the close of business on the tenth (10th) day following the day on which such notice of the date of the annual meeting was mailed or such public disclosure of the date of the annual meeting was made, whichever first occurs. In no event shall the adjournment or postponement of an annual meeting, or the public announcement of such an adjournment or postponement, commence a new time period (or extend any time period) for the giving of a stockholder’s notice as described above. You are also advised to review our bylaws, which contain additional requirements about advance notice of stockholder proposals and director nominations.

The Board of Directors knows of no other matters that will be presented for consideration at the Annual Meeting. If any other matters are properly brought before the meeting, it is the intention of the persons named in the accompanying proxy to vote on such matters in accordance with their best judgment.

Section 7. Purchase of Shares

(a) **Option Price** . The Option Price per share of the Stock sold to Participants hereunder shall be not less than 85% of the Fair Market Value of such share (the "**Discounted Fair Market Value**") on the Exercise Date of the applicable Offering Period, and in no event shall the Option Price per share be less than the par value of the Stock. No Offering Period may exceed five years from the Offering Date. Notwithstanding the foregoing, the Committee may determine prior to the commencement of an Offering Period that the Option Price per share of the Stock sold to Participants hereunder in such Offering Period shall be the lesser of the Discounted Fair Market Value of such share on (A) the Exercise Date of the applicable Offering Period or (B) the Offering Date for such Offering Period, but in no event shall the Option Price per share be less than the par value of the Stock; provided that, in such case, the Offering Period may not exceed twenty-seven months from the Offering Date.

(b) **Purchase of Shares** . On each Exercise Date, the amount in a Participant's Account shall be charged with the aggregate Option Price of the largest number of shares of Stock which can be purchased with such amount, including fractional shares, if so authorized by the Committee, and such shares will be purchased by the Participant hereunder. The balance, if any, in such Account following the purchase shall be carried forward to the next succeeding Offering Period.

(c) **Limitations on Purchase** . Notwithstanding any provisions of the Plan to the contrary, no Participant shall be granted an option under the Plan which permits such Participant's right to purchase shares of Stock under all employee stock purchase plans (as described in Section 423 of the Code) of the Company and any Subsidiary to accrue at a rate which exceeds twenty-five thousand dollars (\$25,000) of the Fair Market Value of such shares of Stock (determined as of the first date of the Offering Period) for any calendar year in which such option would be outstanding at any time. Any amounts received from a Participant which cannot be used to purchase Shares as a result of this limitation will be returned as soon as possible to the Participant without interest.

To the extent necessary to comply with Section 423(b)(8) of the Code and the limitations on purchase in this Section 7(c), a Participant's payroll deductions may be decreased to 0% during any Offering Period which is scheduled to end during any calendar year, such that the aggregate of all payroll deductions accumulated with respect to such Offering Period and any other Offering Period ending within the same calendar year does not exceed the twenty-five thousand dollar (\$25,000) limit described above. Payroll deductions shall re-commence at the rate provided for by the Participant's prior election at the beginning of the first Offering Period which is scheduled to end in the following calendar year, unless suspended by the Participant pursuant to Section 6(b) of the Plan.

(d) **Transferability of Rights** . Neither payroll deductions credited to a Participant's Account nor any rights with regard to the exercise of an option or to receive shares under the Plan may be assigned, transferred, pledged or otherwise disposed of in any way by the Participant. Any such attempt at assignment, transfer, pledge or other disposition shall be without effect, except that the Company may treat such act as an election to withdraw funds in accordance with Section 9(a).

Section 8. Shares Reserved for Issuance Under the Plan

(a) **Shares Reserved; Delivery of Stock** . Subject to Section 8(b), the number of shares of Stock that are initially reserved and available for issuance pursuant to purchases by Participants under the Plan shall be equal to five hundred thousand (500,000) shares of Stock. The number of shares available for issuance under the Plan shall be increased on January 1, 2016, and on each January thereafter, by an amount equal to the lesser of (i) one percent (1%) of the number of shares of Stock issued and outstanding on each December 31 immediately prior to the date of increase, except that the amount of each such increase will be limited to the number of shares of Stock necessary to bring the total number of shares of Stock available for issuance under the Plan to two percent (2%) of the number of shares of Stock issued and outstanding on each such December 31 or (ii) 400,000 shares of Stock. Notwithstanding the foregoing, the Board or the Compensation Committee of the Board may act prior to any January 1 to provide that there shall be no increase in the share reserve for such calendar year or that the increase in the share reserve for such calendar year shall be a lesser number of shares of Stock than would otherwise occur pursuant to the preceding sentence.

(b) **Equitable Adjustments** . In the event that adjustments are made in the number of outstanding shares of Stock or such shares are exchanged for a different class of stock of the Company or for shares of stock of any other corporation by reason of merger, consolidation, stock dividend, stock split or otherwise or there occurs such other event involving the Company which in the discretion of the Committee requires adjustment hereunder, the Committee may make appropriate adjustments in (i) the number and class of shares or other securities that may be reserved for purchase, or purchased, hereunder, and (ii) the Option Price, provided that in no event shall the Option Price be reduced to an amount that is lower than the par value of a share. All such adjustments shall be made in the sole discretion of the Committee, and its decision shall be binding and conclusive.

(c) **Insufficient Shares** . If the aggregate funds available for the purchase of Stock on any Exercise Date would cause an issuance of shares in excess of the number provided for in Section 8(a) hereof, (i) the Committee shall proportionately reduce the number of shares which would otherwise be purchased by each Participant in order to eliminate such excess and (ii) the Plan shall automatically be suspended immediately after such Exercise Date until such time when additional shares of Stock may be added to the Plan.

(d) **Confirmation** . Confirmation of each purchase of Stock hereunder shall be made available to the Participant in either written or electronic format as provided by Section 6(c). A record of purchases shall be maintained by appropriate entries on the books of the Company or Plan Administrator.

(e) **Rights as Stockholders** . The shares of Stock purchased by a Participant on an Exercise Date shall, for all purposes, be deemed to have been issued and sold as of the close of business on such Exercise Date. Prior to that time, none of the rights or privileges of a stockholder of the Company shall exist with respect to such shares.

Section 9. Termination of Participation

(a) **Voluntary Withdrawal** . A Participant may withdraw from the Plan at any time by filing notice of withdrawal prior to the close of business on the business day immediately prior to an Exercise Date. Upon withdrawal, the entire amount, if any, in a Participant's Account shall be refunded to him without interest. Any Participant who withdraws from the Plan may again become a Participant in accordance with Section 6(a).

(b) **Termination of Eligibility** . If a Participant ceases to be eligible under Section 6(a) hereof for any reason, the dollar amount in such Participant's Account will be refunded or distributed to the Participant. Upon termination of a Participant's Continuous Status as an Employee during the Offering Period for any reason, including involuntary or voluntary termination, retirement or death, the payroll deductions credited to such Participant's account (that have not been used to purchase shares of Common Stock) will be returned to such Participant or, in the case of such Participant's death, the Participant's designated beneficiary on file or estate, or otherwise disposed of in accordance with policies and procedures prescribed by the Committee in cases where such a refund or distribution may not be possible.

Section 10. General Provisions

(a) **Notices** . Any notice which a Participant files pursuant to the Plan shall be made on forms prescribed by the Committee and shall be effective only when received by the Company.

(b) **No Right to Employment** . Neither the creation of the Plan nor participation therein shall be deemed to create any right of continued employment or in any way affect the right of the Company or a Designated Subsidiary to terminate the employment of an Employee.

(c) **Tax Matters; Interpretation** . If a Participant makes a disposition, within the meaning of Section 424(c) of the Code and regulations promulgated thereunder, of any share of Stock issued to such Participant hereunder, and such disposition occurs within the two-year period commencing on the day of the Offering Date or within the one-year period commencing on the day of the Exercise Date, such Participant shall, within ten (10) days of such disposition, notify the Company thereof and, thereafter, immediately deliver to the Company any amount of Federal, state or local income taxes and other amounts which the Company informs the Participant the Company is required to withhold.

The Plan is intended to comply with Section 423 of the Code and Rule 16b-3 under the Exchange Act, and the Committee shall interpret and administer the provisions of the Plan in a manner consistent therewith. Any provisions inconsistent with such Rule shall be inoperative and shall not affect the validity of the Plan.

(d) **Amendment of the Plan** . The Board of Directors or the Compensation Committee of the Board may at any time, or from time to time, amend the Plan in any respect, except that, without approval of the stockholders, no amendment may increase the aggregate number of shares reserved under the Plan other than as provided in Section 4.2 hereof, materially increase the benefits accruing to Participants or materially modify the requirements as to eligibility for participation in the Plan. Any amendment of the Plan must be made in accordance with applicable provisions of the Code and/or any regulations issued thereunder, any other applicable law or regulations, and the requirements of the principal exchange upon which the Stock is listed. Without limiting the foregoing, the Board or the Compensation Committee of the Board may, at any time, terminate the Plan and refund (without interest) amounts in Participant's Accounts or shorten any ongoing or future Offering Period.

(e) **Application of Funds** . All funds received by the Company by reason of purchases of Stock hereunder may be used for any corporate purpose.

(f) **Conditions on Issuance** . The Company shall not be obligated to sell shares of Stock hereunder if the Company determines that such sale would violate any applicable law or regulation. Furthermore, the Company shall not be obliged to issue or deliver any shares until all legal and regulatory requirements associated with such issue or delivery have been complied with to the satisfaction of the Committee. In addition, notwithstanding any provision of the Plan to the contrary, the Committee may establish such special rules as the Committee determines are necessary to comply with the laws of a foreign jurisdiction with respect to citizens or residents of such foreign jurisdiction, provided that any such special rules shall comply with the requirements of Section 423 of the Code and the regulations and guidance promulgated thereunder.

(g) **Governing Law** . The Plan and all rights and obligations thereunder shall be constructed and enforced in accordance with the laws of the State of Delaware and any applicable provisions of the Code and the related regulations.
