

NIRI LA 2015 Holiday Cheer – Social and Wine Tasting Event

The NIRI Los Angeles Chapter celebrated the holiday season with a festive social and wine tasting event on December 9. Members gathered at Ivy at the Shore in Santa Monica and were greeted with a glass of champagne. The wine flight featured French and California wines accompanied by appetizers including oysters, crab cakes and pizza with duck prosciutto.

In the spirit of giving, we raffled off prizes to those in attendance. Winners received movie tickets, Ticketmaster gift cards, a Loews Santa Monica Beach Hotel gift certificate, or a bottle of wine. Many thanks to our generous donors: Marmalade Café Calabasas, Live Nation, Loews Santa Monica Beach Hotel and Scott Cunningham.

If you missed this fun networking social, we hope to see you at our next event on January 12 at the Loews Santa Monica Beach Hotel. Check www.nirila.org for full details on this and our full schedule of winter and spring program events.
