## PROXY STATEMENT

---

This statement is furnished in connection with the solicitation of proxies by the Board of Directors of the Company (the "Board" or the "Board of Directors") for use at the annual meeting of the stockholders of the Company to be held on April 29, 2003, at the Sheraton Stamford Hotel, 2701 Summer Street, Stamford, Connecticut, and at any adjournment thereof.

The Company's annual report for the fiscal year ended December 31, 2002, accompanies this Proxy Statement. It is not proxy soliciting material, nor is it incorporated herein by reference.

This Proxy Statement and the enclosed form of proxy are first being sent to stockholders on or about March 31, 2003.

### ABOUT THE MEETING

---

Q: WHAT IS THE PURPOSE OF THE ANNUAL MEETING?

A: At the Annual Meeting, the Company's stockholders will be asked to vote on the matters listed in the accompanying notice of annual meeting, namely:

- \* the election of Messrs. Vincent A. Calarco and Roger L. Headrick and Dr. Patricia K. Woolf as directors;
- \* the ratification of KPMG LLP as the Company's independent auditors for 2003; and
- \* a stockholder proposal requesting that the Board of Directors amend the Company's by-laws, as set forth in the Proxy Statement.

Stockholders will also transact other business that may properly come before the meeting. The Company's management will be present at the meeting to report on the Company's performance during 2002, and will answer stockholder questions.

-----

Q: WHO IS ENTITLED TO VOTE?

A: Stockholders as of the close of business on the record date, February 28, 2003, are entitled to vote their shares of the Company's common stock. Each outstanding share of common stock is entitled to one vote. At the close of business on the record date, there were 114,281,040 shares of the Company's common stock outstanding. The Company has no other voting securities issued and outstanding.

-----

Q: HOW MANY SHARES MUST BE PRESENT TO HOLD THE MEETING?

A: A quorum must be present at the meeting for business to be conducted. A quorum is reached when there are present at the meeting, in person or by proxy, the holders of a majority of the shares of the Company's common stock outstanding on the record date. Abstentions and withhold-authority votes will be included for purposes of determining a quorum and for purposes of calculating the vote, but will not be considered to have been voted in favor of the item voted upon. Broker non-votes will be included for purposes of determining a quorum, but will not be considered to be represented at the meeting for purposes of calculating the vote so they will not affect the outcome of any proposal.

-----

Q: WHAT IF A QUORUM IS NOT PRESENT AT THE MEETING?

A: If a quorum is not present at the time of the meeting, the stockholders who are represented may adjourn the meeting until a quorum is present. The time and place of the adjourned meeting will be announced at the time the adjournment is taken, and no other notice will be given.

-----

Q: HOW DO I VOTE?

A: You may vote in any of three ways:

- \* YOU MAY VOTE BY MAIL if you complete, sign and date the accompanying proxy card and return it in the prepaid envelope. Your shares will be voted confidentially and in accordance with your instructions;
  - \* YOU MAY VOTE BY TELEPHONE OR INTERNET in accordance with the instructions found on your proxy card; and
  - \* YOU MAY VOTE IN PERSON if you are a registered stockholder and attend the meeting and deliver your completed proxy card in person. At the meeting, the Company will also pass out written ballots to registered stockholders who wish to vote in person at the meeting. Beneficial owners of shares held in "street name" who wish to vote at the meeting will need to obtain a proxy form from the institution that holds their shares.
- 

Q: HOW MANY VOTES DOES IT TAKE TO APPROVE THE ITEMS TO BE VOTED UPON?

A: Directors are elected by a plurality. This means that assuming a quorum is present at the meeting, the directors will be elected if each receives more affirmative votes cast for director than any other person. The affirmative vote of a majority of the shares having voting power present in person or represented by proxy at the meeting is needed to ratify the selection of KPMG LLP as the Company's independent auditors for 2003, and to approve the stockholder proposal.

-----

Q: CAN I REVOKE MY PROXY BEFORE IT IS EXERCISED?

A: Yes, you may revoke your proxy and change your vote at any time before the polls close at the meeting:

- \* by signing another proxy with a later date;
- \* by voting by telephone or on the internet after the date and time of your last telephone or internet vote; or
- \* if you are a registered stockholder, by giving written notice of such revocation to the Secretary of the Company prior to or at the meeting or by voting in person at the meeting.

Attendance at the meeting will not automatically revoke a previously granted proxy.

-----

Q: WHO WILL COUNT THE VOTES?

A: The Company's transfer agent, Mellon Investor Services LLC, will tabulate and certify the votes and act as inspector of election at the meeting.

-----

Q: HOW ARE SHARES IN THE CROMPTON EMPLOYEE SAVINGS PLAN, CROMPTON EMPLOYEE STOCK OWNERSHIP PLAN, CROMPTON EMPLOYEE STOCK PURCHASE PLAN AND CROMPTON DIVIDEND REINVESTMENT PLAN VOTED?

A: The shares of Company common stock held by the trustee under the Crompton Employee Savings Plan and the Crompton Employee Stock Ownership Plan and in each employee's account under the Crompton Employee Stock Purchase Plan and Crompton Dividend Reinvestment Plan will be voted according to each employee's voting instructions. If no instructions are received, the shares in the Crompton Employee Savings Plan, Crompton Employee Stock Ownership Plan and Crompton Employee Stock Purchase Plan will not be voted while an individual's shares in the Crompton Dividend Reinvestment Plan will be voted in the same manner that such person's shares held of record are voted.

-----

Q: WHO IS SOLICITING MY VOTE AND WHO PAYS THE COST?

A: The Company has retained Mellon Investor Services LLC to assist in the distribution of proxy materials and the solicitation of votes for a fee of \$9,500, excluding out-of-pocket expenses. The Company will pay the entire cost of the solicitation and will reimburse banks, brokerage firms, custodians, nominees and fiduciaries for their reasonable expenses in sending proxy materials to the beneficial owners of the Company stock. Proxies may be solicited personally, by mail, by telephone, by facsimile or by telegraph, by the directors, officers or other employees of the Company, without remuneration other than regular compensation.

-----  
Q: WHEN ARE THE YEAR 2004 STOCKHOLDER PROPOSALS DUE?

A: If a stockholder wants a proposal to be included in the Company's proxy statement for the 2004 Annual Meeting of Stockholders, the proposal, in writing and addressed to the Company's Secretary, must be received by the Company no later than December 1, 2003. If a stockholder wishes to recommend nominees to the Board of Directors, or to bring other business before an annual meeting, the proposal, in writing and addressed to the Company's Secretary, must be received by the Company no later than January 30, 2004, or not later than ten days after notice of the date of the annual meeting is given to stockholders, whichever date is earlier.  
-----

## **REPORT OF THE ORGANIZATION, COMPENSATION AND GOVERNANCE COMMITTEE**

---

### **EXECUTIVE COMPENSATION PHILOSOPHY**

The compensation program for the Company's executive officers is administered in accordance with a pay for performance philosophy to link executive compensation with the values, objectives, business strategy, management initiatives and financial performance of the Company. In addition, a significant portion of each executive officer's compensation is contingent upon the creation of shareholder value.

The Organization, Compensation and Governance Committee of the Board (the "Committee") believes that stock ownership by management and restricted stock- based performance compensation plans serve to align the interests of management and other stockholders in the enhancement of shareholder value. To that end, executive officers are encouraged to retain the shares they earn through the compensation programs and are given the opportunity to defer receipt of the shares of common stock.

The compensation of the Company's executive officers comprises cash and equity components and is designed to be competitive and highly leveraged based upon corporate financial performance and shareholder returns. The compensation program provides an opportunity to earn compensation in the third quartile within the chemical industry as well as within a broader group of companies of comparable size and complexity. Actual compensation levels may be greater or less than competitive levels in surveyed companies based upon annual and long-term performance of the Company as well as individual performance. Several performance measures are used for compensation purposes for the Company's executive officers and heads of the businesses. Primary measures used in the annual and long-term incentive programs include earnings growth, debt reduction and market cap growth, with executives also linked to shareholder return through stock options and restricted performance share awards.

## **BASE SALARIES**

Base salary ranges at the median to 75th percentile levels for executive officers are determined after reviewing data from several national surveys on salaries for executives at companies within the chemical industry as well as within a broader group of companies of similar size and complexity.

## **MANAGEMENT INCENTIVE PLAN**

Annual incentives may be earned under the Company's Management Incentive Plan. Target and maximum incentives (currently at 175% of target) are set by formula to offer executive officers an opportunity to earn annual compensation at the 75th percentile levels if high levels of performance are met.

## **STOCK OPTIONS AND PERFORMANCE SHARES**

Long-term incentives at the Company consist of annual grants of stock options and periodic grants of restricted performance shares that can be earned over a multi-year period based on goals selected by the Committee out of those approved under the 1998 Long-Term Incentive Plan. Awards are divided evenly in value between stock options and restricted performance shares and are set at levels designed to offer opportunities at the 75th percentile.

## **STOCK OWNERSHIP**

The Company has adopted stock ownership goals for its executive officers, which range from five times salary for the CEO to three or two times salary for the remaining officers. Total stock ownership for this group as of February 28, 2003, was 2,808,868 shares.

## **TAX DEDUCTIBILITY OF EXECUTIVE COMPENSATION**

The Committee's policy on the tax deductibility of compensation is to maximize deductibility to the extent possible without abdicating all of its discretionary power. To this end, the Committee has submitted complying plans to stockholders; however, the Committee has occasionally taken actions that result in non-deductible compensation and may do so again in the future when it determines that such actions are in the Company's best interests.

## **COMPENSATION OF CHIEF EXECUTIVE OFFICER**

The Committee reviews and approves the corporate goals and objectives relevant to the Chief Executive Officer's compensation and annually evaluates the Chief Executive Officer's performance in light of those goals and objectives. In 2002, the base salary, incentive compensation, stock option and restricted stock awards for the Chief Executive Officer were determined by the Board of Directors based on the recommendations of the Committee using the principles outlined above. The Committee increased Mr. Calarco's base salary from \$865,000 to \$890,000 during fiscal year 2002 and granted him a stock option award of 225,000 shares.

## **ORGANIZATION, COMPENSATION AND GOVERNANCE COMMITTEE**

Decisions on compensation of the Company's executive officers are made by the Organization, Compensation and Governance Committee, a committee of the Board of Directors composed of the persons listed below, all of whom are non-employee directors. The Committee has retained an independent executive compensation consultant who has access to independent compensation data to evaluate the Company's executive compensation program.

The Organization, Compensation and Governance Committee also plays a significant role in the corporate governance of the Company. The Committee's role in corporate governance is described on page 8 above.

## **REPORT OF THE AUDIT COMMITTEE**

---

The Audit Committee has a written charter which has been adopted by the Board of Directors. The Company's Audit Committee consists of four independent members of the Board as defined in Sections 303.01(B)(2)(a) and (3) of the New York Stock Exchange's listing standards.

The Audit Committee has reviewed and discussed the audited financial statements for the fiscal year ended December 31, 2002, with management. The Audit Committee has also discussed with the Company's independent auditors, KPMG LLP, the matters required to be discussed by SAS 61. In addition, the Audit Committee has received the written disclosure and the letter from KPMG LLP required by Independence Standards Board Standard No. 1 and has discussed with KPMG LLP such auditing firm's independence. Based upon these reviews and discussions, the Audit Committee recommended that the audited financial statements be included in the Company's Annual Report on Form 10-K for the last fiscal year for filing such report with the U.S. Securities and Exchange Commission.

### **The Audit Committee:**

Bruce F. Wesson, Chairman  
Robert A. Fox  
C. A. Piccolo  
Patricia K. Woolf, Ph.D.

## **AUDIT FEES**

The aggregate fees billed for professional services rendered by KPMG LLP for the audit of the Company's annual financial statements for the most recent fiscal year and the review of the financial statements included in the Company's Quarterly Reports on Form 10-Q for the fiscal year were \$2.4 million.

## **FINANCIAL INFORMATION SYSTEMS DESIGN AND IMPLEMENTATION FEES**

The aggregate fees billed for professional services rendered by KPMG LLP for financial information systems design and implementation for the most recent fiscal year were less than \$100,000.

## **ALL OTHER FEES**

The Audit Committee has considered whether the providing of financial information systems design and implementation and all other services by KPMG LLP to the Company is compatible with maintaining the independence of KPMG LLP and concluded that the independence of KPMG LLP is not compromised by the providing of such services.

**COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION**

Messrs. Higdon, Jr. and Piccolo served as members and Mr. Headrick served as Chairman of the Organization, Compensation and Governance Committee during the last completed fiscal year. No member of the Organization, Compensation and Governance Committee is a current or former officer or employee of the Company or any of its subsidiaries.

**RETIREMENT PLANS**

Each of the persons shown in the Summary Compensation Table on page 18 above is covered by a supplemental retirement agreement with the Company.

**SUPPLEMENTAL RETIREMENT AGREEMENTS WITH VINCENT A. CALARCO, PETER BARNA AND JOHN T. FERGUSON II.** In the case of Messrs. Calarco, Barna and Ferguson, the executive's total annual benefit payable under the supplemental retirement agreement to the executive for life will be 60%, 50% and 50%, respectively, of the average total compensation (including salary and bonus) paid to the executive during the highest five years of the last ten years prior to the executive's normal retirement age.

**SUPPLEMENTAL RETIREMENT AGREEMENTS WITH ALFRED F. INGULLI AND WILLIAM A. STEPHENSON.** In the case of Messrs. Ingulli and Stephenson, the executive's retirement benefits under each supplemental agreement supplement the benefit paid to the executive under a Uniroyal Chemical Company, Inc. ("Uniroyal") defined benefit pension plan so that the total annual benefit payable to the executive will be 55% of the average total compensation (including salary and bonus) paid to the executive during the highest five years of the last ten years prior to the executive's retirement or, at his election, Mr. Ingulli may receive a lump sum payment earned under a previous supplemental retirement agreement with Uniroyal.

PROVISIONS FOR REDUCED PAYMENTS UNDER THE SUPPLEMENTAL RETIREMENT AGREEMENTS. A supplemental benefit in a reduced amount may be payable in the event of termination of employment prior to normal retirement age. At any time after the date on which benefit payments commence, the executive may elect to receive a single lump sum equal to 90% of the actuarial equivalent of the benefit otherwise payable to the executive. An executive may elect to have the executive's supplemental benefit under the agreement paid in a form which will provide for the continuation of benefits, to a beneficiary selected by the executive, upon the executive's death after retirement. Each agreement also provides for the payment of a reduced benefit to the executive's beneficiary in the event of the executive's death prior to normal retirement age and for the payment of disability benefits in addition to those available under the Company's regular disability insurance program. Benefits under each agreement are not payable if the executive voluntarily terminates the executive's employment, unless such termination is the result of the executive's retirement (in the case of Mr. Calarco, on or after reaching age 62) or is with approval of the Board, and meets certain other conditions set forth in the agreement.

The following table sets forth the estimated aggregate annual benefit payable to each of the executives named in the table under the executive's supplemental retirement agreement and from Uniroyal's defined benefit pension plan upon retirement at or after normal retirement age based on each executive's compensation history to date and assuming payment of such benefit in the form of a life annuity:

NAME OF INDIVIDUAL	ESTIMATED ANNUAL RETIREMENT BENEFIT
-----	-----
Vincent A. Calarco	\$846,500
Alfred F. Ingulli	270,848
Peter Barna	193,850
William A. Stephenson	241,025
John T. Ferguson II	186,508

**EMPLOYMENT AGREEMENTS**

EMPLOYMENT AGREEMENT WITH VINCENT A. CALARCO. Mr. Calarco is employed pursuant to an employment agreement which was amended and restated in May 1999. The agreement provides for Mr. Calarco's employment as Chairman of the Board, President and Chief Executive Officer for a term of three years, with automatic annual one-year extensions of the term unless the Company gives notice at least 60 days prior to the anniversary of the date of the agreement that the term will not be extended.

The amended agreement calls for a base salary of not less than \$750,000 and for Mr. Calarco's continued participation in employee benefit plans and other fringe benefit arrangements substantially as in the past. In the event Mr. Calarco's employment is terminated by the Company other than for cause, disability, or death

or by Mr. Calarco for good reason (as defined in the agreement), the Company is obligated to pay Mr. Calarco his salary to the date of termination, incentive compensation in an amount no less than the bonus paid to him for the prior year pro-rated to that date, and a lump sum termination payment equal to three times the sum of his then current salary and the highest bonus paid to him during the three years preceding his termination, to continue certain employee and fringe benefits provided under the agreement for a period of three years or until he obtains other employment and certain other benefits for the life of Mr. Calarco and his spouse, and to make certain additional payments to cover any excise tax imposed under the Internal Revenue Code on the amounts payable as a result of his termination and any legal fees incurred by Mr. Calarco in enforcing the Company's obligations under the agreement.

**EMPLOYMENT AGREEMENTS WITH ALFRED F. INGULLI, WILLIAM A. STEPHENSON, PETER BARNA AND JOHN T. FERGUSON.** The Company has entered into employment agreements with certain other key management employees, including Messrs. Ingulli, Stephenson, Barna and Ferguson. Each agreement is operative upon the occurrence of a change in control (as defined in the agreement) and is intended to encourage the executive to remain in the employ of the Company by providing the executive with greater security. Absent a change in control, the agreements do not require the Company to retain the executive or to pay the executive any specified level of compensation or benefits except that Messrs. Ingulli and Stephenson have agreements that require that they be paid severance payments in the event that they are terminated without cause or they resign for good reason (as defined in the agreements) during an annually renewable two-year period.

In the event of a change in control, the agreements provide that there will be no change, without the executive's consent, in the salary, bonus opportunity, benefits, duties, and location of employment of the executive for a period of two or three years after the change in control. If, during such period, the executive's employment is terminated by the Company other than for cause, disability, or death or the executive resigns for good reason (as defined in the agreements), the Company will pay the executive his salary to the date of termination, incentive compensation in an amount no less than the bonus paid to the executive for the prior year pro-rated to that date, and a lump sum severance payment equal to three times the sum of the executive's base salary and the highest bonus paid to the executive during the three years preceding the executive's termination and will continue other employee benefits similar to those provided to the executive prior to the executive's termination for a period of three years or until the executive's earlier employment with another employer.

## **COMPENSATION OF DIRECTORS**

Members of the Board who are not employees of the Company receive the following for their services:

\* an annual retainer of \$35,000 (committee chairmen receive an additional retainer of \$5,000); and

\* a fee of \$12,000 for Board and committee meeting service.

Directors are reimbursed for expenses incurred in attending meetings. In addition, the Company provides accidental death and travel insurance coverage for each non-employee director.

Each year non-employee directors may elect to defer all or any portion of their retainers and fees in the form of shares of the Company's Common Stock pursuant to the Directors Deferred Compensation Plan. Directors may also choose to receive all or a one-half ( 1/2) portion of their annual retainer fee in non-qualified stock options of the Company's common stock on the basis of \$3.00 of underlying stock for each \$1.00 of foregone cash, provided that the number of stock options issued to a director pursuant to this program and/or under the Crompton Corporation 1998 Long Term Incentive Plan (the "1998 Plan") during each year shall not exceed an aggregate of stock options to purchase in excess of 20,000 shares of the Company's Common Stock.

The 1998 Plan provides for the issuance to non-employee directors on the date of the first meeting of the Board in the fourth quarter of each year of an option to purchase up to 20,000 shares of the Company's Common Stock. The exercise price of the options may not be less than the fair market value of the Company's Common Stock on the grant date. The options to be granted under the 1998 Plan are non-qualified options not intended to qualify as incentive stock options under the Internal Revenue Code of 1986, and may not be exercisable more than 10 years and one month after the date of grant.

Directors who are employees of the Company receive no additional compensation for services on the Board of Directors.

### **APPROVAL OF SELECTION OF INDEPENDENT AUDITOR**

The Board of Directors has, subject to approval by the stockholders, selected the firm of KPMG LLP to act as auditor for the fiscal year 2003. The Board of Directors recommends a vote FOR approval, and unless otherwise directed, proxies will be voted in favor of this selection. The affirmative vote of the holders of a majority of the shares of the Company represented and entitled to vote at the meeting is required for such approval.

Representatives of KPMG LLP will be present at the annual meeting, with the opportunity to make a statement if they desire to do so and to respond to appropriate questions raised at the meeting.

## STOCKHOLDER PROPOSAL

---

The Plumbers and Pipefitters National Pension Fund, 103 Oronoco Street, Alexandria, Virginia 22314, the beneficial owner of 57,800 shares of the Company's Common Stock, has advised the Company that it intends to introduce the following resolution at this year's annual meeting:

"Resolved: The shareholders of Crompton Corporation ("Company") urge the Board of Directors to amend the Company's by laws to require that an independent director--as defined by the rules of the New York Stock Exchange "NYSE"--who has not served as an officer of the Company be its Chairman of the Board of Directors.

"Supporting Statement: The recent wave of corporate scandals at such companies as Enron, WorldCom and Tyco has resulted in renewed emphasis on the importance of independent directors. For example, both the NYSE and NASDAQ have proposed new rules that would require corporations that wish to be traded on them to have a majority of independent directors.

"Unfortunately, having a majority of independent directors alone is clearly not enough to prevent the type of scandals that have afflicted Enron, WorldCom and Tyco. All of these corporations had a majority of independent directors on their boards when the scandals occurred.

"All of these corporations also had a Chairman of the Board who was also an insider, usually the Chief Executive Officer ("CEO"), or a former CEO, or some other officer. Obviously, no matter how many independent directors there are on a board, that board is less likely to protect shareholder interests by providing independent oversight of the officers if the Chairman of that board is also the CEO, former CEO or some other officer of the company.

"We respectfully urge the board of our Company to dramatically change its corporate governance structure and the public's perception of it by having an independent director serve as its Chairman who is not a former CEO.

"Although this change would be dramatic, it would hardly be radical. In the United Kingdom it is common to separate the offices of Chairman and CEO. In 1996, a blue ribbon commission on Director Professionalism of the National Association of Corporate Directors recommended that an independent director should be charged with "organizing the board's evaluation of the CEO and providing continuous

feedback; chairing executive sessions of the board; setting the agenda with the CEO, and leading the board in anticipating and responding to crises."

**THE BOARD OF DIRECTORS RECOMMENDS THAT STOCKHOLDERS VOTE AGAINST THIS**

**PROPOSAL FOR THE FOLLOWING REASONS:**

The Board of Directors believes that it is not in the best interest of the Company and its stockholders to adopt a by-law provision to require that an independent director serve as Chairman of the Board. The Board believes that it should have the flexibility to choose its leader depending on then current circumstances and it should be free to make this choice in a manner best for the Company and without constraint at any point in time. The Company's by-laws do not preclude the Board from selecting different individuals to hold the positions of Chairman and Chief Executive Officer, if, at some future time, the Board believes that such a selection is in the best interest of the Company and its stockholders. The Board will continue to periodically review the situation and will take such action as may be warranted.

Independent oversight of management is effectively conducted and maintained through the Board of which six of seven directors are independent. In addition to the Board, various committees of the Board perform independent management oversight. The charters of each Board committee provide that no member of that committee may be an employee of the Company. All directors of the Company, including the Chairman, are bound by fiduciary obligations, imposed by law, to serve the best interests of the stockholders. Separating the offices of the Chairman and Chief Executive Officer would not serve to enhance or diminish the fiduciary duties of any director of the Company.

The Board believes that the Company and its stockholders benefit from the experienced leadership and full-time attention of Mr. Vincent A. Calarco, the Company's Chairman and Chief Executive Officer, who has spent more than seventeen years with the Company. Mr. Calarco serves as a bridge between management and the Board, ensuring that both act with a common purpose. The Board believes that it needs the ability to balance board structure with the flexibility to determine board leadership.

**THE BOARD BELIEVES THAT THIS PROPOSAL IS NOT IN THE BEST INTERESTS OF THE COMPANY AND ITS STOCKHOLDERS AND RECOMMENDS A VOTE AGAINST APPROVAL, AND UNLESS OTHERWISE DIRECTED, PROXIES WILL BE VOTED AGAINST THIS SELECTION.**

The affirmative vote of the holders of a majority of the shares of the Company represented and entitled to vote at the meeting is required for approval.

Section 16(a) of the Exchange Act requires the Company's officers and directors, and stockholders who own more than ten percent of a registered class of the Company's equity securities, to file reports of ownership and changes in ownership with the Securities and Exchange Commission and the New York Stock Exchange. Officers, directors and stockholders who own more than ten percent of such of the Company's securities are required by SEC regulations to furnish the Company with copies of all Section 16(a) forms they file.

Based solely on its review of the copies of such forms received by it, or written representations from certain reporting persons that no Forms 5 were required for those persons, the Company believes that during fiscal year 2002, all filings required of its officers, directors and covered stockholders were made in compliance with applicable SEC regulations.
